Dear Ms. Everett:

At its January meeting today, the Rules Review Commission extended the period of review for the above-captioned rules in accordance with G.S. 150B-21.10. They did so in response to a request from the agency to extend the period of review to allow the Department of Environmental Quality additional time to address requested changes to these rules.

Pursuant to G.S. 150B-21.13, when the Rules Review Commission extends the period of review, it is required to approve or object to rules or call a public hearing on the same within 70 days.

If you have any questions regarding the Commission's actions, please let me know.

Sincerely,

Lawrence R. Duke
