Explain: S.L. 2023-134, Sections 8A.6.(k)–(r), required the State Board of Education (“SBE”) to establish a set of graduation requirements that allow students enrolled in North Carolina public high schools to graduate within 3 years of enrollment in 9th Grade. Sections 8A.6.(k) also amended G.S. 115C-12(9d) to prohibit local boards of education from establishing additional requirements beyond those established by the State Board. Section 8A.6.(s) directed the SBE to adopt an emergency rule to implement these requirements by November 1, 2023. S.L. 2023-134 became law on October 3, 2023; the SBE adopted the emergency rule and concurrently proposed the temporary rule during its next regularly scheduled monthly meeting on November 2, 2023. Although the Codifier objected to the emergency rule because it was formally adopted one day after the legislative deadline, the SBE elected to enter the emergency rule into the Administrative Code over the Codifier’s objection to satisfy the substance of the legislative mandate. The emergency rule became effective on November 16, 2023, and the SBE is now prepared to adopt the final temporary rule.

7. Why is adherence to notice and hearing requirements contrary to the public interest and the immediate adoption of the rule is required?

The General Assembly directed the SBE to adopt this rule as an emergency rule by November 1, 2023. In accordance with G.S. 150B-21.1A(a), the SBE was required to simultaneously commence the process for adopting a temporary rule to replace the emergency rule.

Section 8A.6.(s) of S.L. 2023-134 also mandates that “[s]tudents enrolled in tenth grade during the 2023-2024 school year who complete the sequence of courses required for graduation in a three-year period shall be eligible to graduate in the 2024-2025 school year. As a practical matter, PSUs need to be advising students who meet these criteria on course scheduling as soon as possible so that they can satisfy the requirements. Therefore, immediate adoption of the rule is necessary so that PSUs and students know what steps they must take to graduate within three years.

Explain: G.S. 116C-76.60, as enacted by S.L. 2023-106, Section 2.(a), provides parents of children in North Carolina public schools the ability to request a parental concern hearing before the State Board of Education (“SBE”) regarding the procedures or practices of a public school unit under Chapter 115C, Article 7B, Part 4 of the General Statutes. The provision also directs the SBE to establish rules for these hearings. S.L. 2023-134, Section 7.81.(d) directed the SBE to adopt an emergency rule for these hearings in order to begin receiving requests by January 30, 2024.

The emergency rule became effective on November 16, 2023, and the SBE is now prepared to adopt the final temporary rule.

7. Why is adherence to notice and hearing requirements contrary to the public interest and the immediate adoption of the rule is required?

The General Assembly directed the SBE to adopt this rule an emergency in order to begin receiving requests for parental concern hearings by January 30, 2024. Therefore, immediate adoption of the temporary rule is necessary to provide structure and guidance for these hearings by the appointed deadline. In addition, in accordance with G.S. 150B-21.1A(a), the SBE was required to simultaneously commence the process for adopting a temporary rule at the time it adopted the emergency rule.
