REQUEST FOR CHANGES PURSUANT TO G.S. 150B-21.10

AGENCY: Wildlife Resources Commission

RULE CITATION: 15A NCAC 10G .0402

DEADLINE FOR RECEIPT: January 16, 2026

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

In (a), consider rephrasing to say, "Wildlife Service Agents are official license and vessel agents of the Commission who are authorized, pursuant to individual Wildlife Service Agent Agreements, to issue hunting, fishing, and other licenses, permits, applications, vessel registrations, and other items authorized by the Commission."

G.S. 113-270.1 should be listed as authority for this Rule in the History Note.

On line 6, "and the Rules of this Section" is unnecessary since the only applicable Rule in the Section is being repealed (.0403).

In (c), lines 20-21, what is your agency's authority for "unless otherwise approved by the Executive Director or his or her designee to maintain adequate service to the public in a geographical area?"

In (c)(3), line 34, is there a definition for "financial crimes", or a list of offenses, that your agency intends to enforce?

Page 2, line 4, add a comma after "printer".

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609

REQUEST FOR CHANGES PURSUANT TO G.S. 150B-21.10

AGENCY: Wildlife Resources Commission

RULE CITATION: 15A NCAC 10G .0406

DEADLINE FOR RECEIPT: January 16, 2026

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

Line 7, add "a" before "Wildlife". Also, delete "of provisions" since it's unnecessary.

Lines 9-17, beginning with "and may include" through the end of line 17, is any of this language necessary? It seems redundant since all of this appears to be included in the what was cited in (b).

Line 19, delete "of" after "written".

Line 22, add "from the date of receiving written notice from the Commission."

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609
