Anna,

Thanks for this. Based on your memo, I will recommend a January 1, 2030 readoption deadline for these rules at the upcoming RRC meeting on June 25. Given that this ruleset is only 12 rules, it will not particularly create any issues for us if you readopt them anytime between October 1, 2029 and January 1, 2030.

Good afternoon,

The attached periodic review reports have been finalized. The next step is to set a deadline for the readoption of these rules. Pursuant to G.S. 150B-21.3A and 26 NCAC 05 .0212, the RRC sets this deadline after consultation with the agency, and this email serves as the RRC's request for that consultation. Please review 26 NCAC 05 .0212 for the information required to be submitted to the RRC, and the deadlines for doing so.

It appears that the deadline for your agency to provide this information is June 9, 2026. As a starting point, I would recommend a January 1, 2030 readoption deadline, but I am open to considering a different recommendation based on the needs of your agency

Good afternoon,

The determinations in the attached periodic review report for 02 NCAC 48F were effective February 18, 2026. Commission Counsel Seth Ascher will reach out to you to discuss setting the readoption date.

**Please Note: pursuant to 26 NCAC 05 .0212 your agency's 60-day timeline does not begin until you receive communication from a staff attorney.**

Let me know if you have any questions.
