Re: Extension of the period of review for the 2024 NC Energy Conservation Code, 2024 NC Mechanical Code, and 2024 NC Fuel Gas Code

Dear Mr. Rittlinger:

This letter will serve as the written notice of extension pursuant to G.S. 150B-21.13.

At its meeting on February 28, 2024, the Rules Review Commission (RRC) extended the period of review for the above captioned rules on the RRC's January agenda. The RRC extended the period of review to afford itself, RRC staff, and staff at the Building Code Council further time to review these rules. Pursuant to G.S. 150B-21.13, when the Commission extends the period of review, it is required to approve or object to rules or call a public hearing on the same within 70 days.

If you have any questions regarding the Commission's actions, please let me know.

Sincerely,

/s/ Brian Liebman
