

REQUEST FOR TECHNICAL CHANGE

AGENCY: Alarm Systems Licensing Board

RULE CITATION: 14B NCAC 17 .0202

DEADLINE FOR RECEIPT: Wednesday, March 10, 2021

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may call our office to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following technical changes be made:

In (2), line 11, you use the term "successfully" What does that mean here? Does your regulated public know? And please note, I believe that is now the only place within the Chapter that you use this term.

On line 13, consider changing "on-line" to "online" to be consistent with the use of the term elsewhere within the Chapter.

In the History Note, line 25, please simply delete the period after "December" in "December 1, 2017;" Do not show it as a change; simply do it.

On line 27, please update the effective date. The earliest this amendment can become effective is April 1, 2021.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.
