Re: Extension of the period of review for 15A NCAC 03O .0601, .0602, .0603, .0604, .0605, .0606

Dear Ms. Everett:

This letter will serve as the written notice of extension pursuant to G.S. 150B-21.13.

At its meeting on April 24, 2025, the Rules Review Commission (RRC) extended the period of review for the above captioned rules on the RRC's April agenda. The RRC extended the period of review at your request to afford itself, RRC staff, and staff at the Marine Fisheries Commission further time to review this rule.

Pursuant to G.S. 150B-21.13, when the Commission extends the period of review, it is required to approve or object to rules or call a public hearing on the same within 70 days; however, the RRC intends to review this rule at its May 2025 meeting.

If you have any questions regarding the Commission's actions, please let me know.

Sincerely,

/s/ William W. Peaslee
