Re: Extension of the period of review for 10A NCAC 09 .2102

Dear Ms. Peck:

This letter will serve as the written notice of extension pursuant to G.S. 150B-21.13.

At its meeting on April 28, 2026, the Rules Review Commission (RRC) extended the period of review for the above captioned rule on the RRC's April agenda. The RRC extended the period of review to provide the Commission with adequate time to consider and respond to feedback on the proposed rule.

Pursuant to G.S. 150B-21.13, when the Commission extends the period of review, it is required to approve or object to rules or call a public hearing on the same within 70 days; however, the RRC intends to review this rule at its May 2026 meeting.

If you have any questions regarding the Commission's actions, please let me know.

Sincerely,

/s/ Christopher S. Miller  
Christopher S. Miller  
Commission Counsel
