Re: Extension of the Period of Review for 21 NCAC 32B .1002

Dear Ms. Satterwhite:

At its meeting today, the Rules Review Commission (RRC) extended the period of review for the above-captioned rule in accordance with G.S. 150B-21.10. They did so in response to a request from the Board to extend the period of review in order to allow the Board additional time to address change requests.

Pursuant to G.S. 150B-21.13, when the RRC extends the period of review, it is required to approve or object to rules or call a public hearing on the same within 70 days.

If you have any questions regarding the Commission's actions, please let me know.

Sincerely,

/s/ William W. Peaslee
