Explain: The N.C. Medical Care Commission is supporting the growth in the EMS industry by amending rules to update the education and trauma criteria to meet national standards and to update the compliance rules to ensure public safety and welfare. Following input from stakeholders and approval from the EMS Advisory Committee, this rule is amended to add behavioral violations that would result in the Department taking action against the credentials of EMS personnel. A requirement for notification to OEMS for any violation has also been added to the Rule.</p>

Explain: The N.C. Medical Care Commission is supporting the growth in the EMS industry by amending rules to update the education and trauma criteria to meet national standards and to update the compliance rules to ensure public safety and welfare. Following input from stakeholders and approval from the EMS Advisory Committee, this rule is amended to remove the word “denial” that was erroneously in the rule. This rule outlines the procedure to qualify an individual for an EMS credential following enforcement action on the credential by the OEMS. Denial of the credential means no credential was awarded to the individual by the OEMS; therefore, no enforcement action could result. Removing the word “denial” corrects the procedure outlined in the Rule.</p>
