The attached document contains proposed North Carolina amendments to the 2021 edition of the International Building Code (IBC) for the purpose of establishing the 2024 edition of the North Carolina Building Code (NCBC).

Underlined text indicates North Carolina proposed amendments to the 2021 International Building Code (IBC) for the 2024 North Carolina Building Code.

~~Struckthrough~~ text indicates 2021 International Building Code text that is proposed to be removed from the 2024 North Carolina Building Code (NCBC).

\*Of note, publishing edits to the Cover page, North Carolina Building Code Council members and committees lists, North Carolina Department of Insurance contact information, Preface, Table of Contents and Index are not included as those are publishing edits that do not contain permanent rule content. These publishing edits contain NCBC and NCDOI contact information, instructions on how to use the code, and guidance on where to find information in the code for the public-at-large. Coordination of the correct page numbers tied to the Table of Contents and Index cannot be accurately completed until the first draft of publishing is completed for NCDOI-OSFM Engineering & Codes staff review prior to completion of publishing by the International Code Council. NCDOI-OSFM Engineering & Codes staff will be coordinating the publication of all these publishing edits with the International Code Council once the proposed 2024 North Carolina Building Codes is approved.
