The Rules provide a minimum standard for staff-to-child ratios, environmental health practices, health and safety training requirements for early educators, and disease and injury control and prevention. The Rules help protect children from harm and promote consistent and high-quality care across the state. The Rules provide instruction and reference on the following to create a safe and secure environment for both children and early educators:</p> <ul style="list-style-type: none"> • preventing the spread of disease • reducing the risk of injury and death • implementing emergency preparedness measures 	<p>Thank you for submitting your comment to the NC Child Care Commission as part of the Periodic Review of Existing Rules for Child Care Rules 10A NCAC 09 required by NC Session Law 2013-413.</p> <p>Reporting Initial Determinations as to whether the Commission believes an existing rule is “necessary” or “unnecessary” and receiving and reporting public comment received to the Office of Administrative Hearings (OAH) is the first step of the Periodic Review of Rules process as required by NCGS 150B-21.3A which mandates that state agencies shall review their rules every 10 years.
