

1 21 NCAC 16B .0303 is amended with changes as published in 37:03 NCR 236-37 as follows:

2
3 **21 NCAC 16B .0303 BOARD APPROVED EXAMINATIONS**

4 (a) All applicants for dental licensure shall achieve a passing score of at least 80 percent on the Board's sterilization
5 and jurisprudence examinations. Applicants may take reexamination in accordance with Rule .0317 of this Section.

6 (b) All applicants for dental licensure shall achieve passing scores on the examination administered by the Joint
7 Commission on National Dental Examinations and clinical examinations administered by Board approved testing
8 agencies. The Board shall determine which testing agencies are approved based on the requirements set forth in
9 Paragraphs (c) and (d) of this Rule.

10 (c) To qualify as an approved testing agency, the test-development ~~agencies~~ agency shall allow a representative of
11 the Dental Board to serve on the agency's Board of Directors and the Examination Review Committee of the agency.
12 [agency and allow] for the limited purpose of allowing Dental Board input in the [examination] development and
13 [administration.] administration of the examination.

14 (d) To qualify as an approved testing agency, the clinical examination administered by a testing agency shall:

- 15 (1) include procedures performed on human subjects or an alternative method that simulates human
16 subjects, including manikins, as part of the assessment of restorative clinical competencies;
- 17 (2) include evaluations in clinical periodontics and at least three of the following subject matter areas:
- 18 (A) endodontics, clinical abilities testing;
- 19 (B) amalgam preparation and restoration;
- 20 (C) anterior composite preparation and restoration;
- 21 (D) posterior ceramic or composite preparation and restoration;
- 22 (E) prosthetics, written or clinical abilities testing;
- 23 (F) oral diagnosis, written or clinical abilities testing; or
- 24 (G) oral surgery, written or clinical abilities testing; and
- 25 (3) provide the following:
- 26 (A) anonymity between applicants and examination graders;
- 27 (B) standardization and calibration of graders;
- 28 (C) a mechanism for post exam analysis;
- 29 (D) conjunctive scoring, which is scoring that requires applicants to earn a passing grade on all
30 sections or areas tested and that does not allow weighted, averaged, or overall scoring to
31 compensate for failures in individual subject areas;
- 32 (E) a minimum passing score set by the testing agency for each subject area tested;
- 33 (F) an annual review of the examination; examination conducted by the testing agency;
- 34 (G) a task analysis performed by the testing agency at least once every seven years, years that
35 surveys dentists nationwide to determine the content of the examination;
- 36 (H) a system of quality assurance to ensure uniform, consistent administration of the
37 examination at each testing site; and

1 (I) a system of quality assurance that does not permit a dental instructor to grade candidates
2 at any institution at which the instructor is employed.

3 (e) The Board shall accept examination scores for five years following the date of the examinations. Each applicant
4 shall request the applicable entity to send ~~arrange for and ensure the submission of~~ the applicant's scores [to be submitted]
5 to the Board ~~office.~~ ~~office the applicant's scores.~~ Individuals who apply for licensure more than five years after the
6 examination date ~~to seek licensure~~ shall re-take the examination.

7 (f) The applicant shall comply with all requirements of the testing agency in applying for and taking the examination.
