Dear Ms. Burill:

At its November meeting today, the Rules Review Commission extended the period of review for the above-captioned rules in accordance with G.S. 150B-21.10. They did so in response to a request from the agency to extend the period of review in order to allow the Board of Dietetics/Nutrition additional time to address technical change requests.

Pursuant to G.S. 150B-21.13, when the Rules Review Commission extends the period of review, it is required to approve or object to rules or call a public hearing on the same within 70 days.

If you have any questions regarding the Commission's actions, please let me know.

Sincerely,

Lawrence R. Duke  
Commission Counsel
