Re: Extension of the period of review for the 2024 NC Administrative Code and amendments, 2024 NC Plumbing Code and amendments, and 2024 NC Residential Code and amendments.

Dear Mr. Rittlinger:

This letter will serve as the written notice of extension pursuant to G.S. 150B-21.13.

At its meeting on December 14, 2023, the Rules Review Commission (RRC) extended the period of review for the above captioned rules on the RRC's December agenda. The RRC extended the period of review to afford itself, RRC staff, and staff at the Building Code Council further time to review these rules, as well as to allow the Building Code Council further time to reformat the 2024 NC Plumbing and Residential Codes. Pursuant to G.S. 150B-21.13, when the Commission extends the period of review, it is required to approve or object to rules or call a public hearing on the same within 70 days.

If you have any questions regarding the Commission's actions, please let me know.

Sincerely,

/s/ Brian Liebman
