Explain:

The General Assembly specifically authorized and mandated the adoption of temporary rules in House Bill 259 / S.L.2023-134, Section 10.1(c), which states that the NCAFA shall adopt temporary rules to implement this section as soon as practicable. . .

These rules are submitted in order to comply with the General Assembly's mandate for temporary rules under the Large Animal Health Enhancement Act as established by House Bill 259/S.L.2023-134 (available at <https://www.ncleg.gov/Sessions/2023/Bills/House/PDF/H259v7.pdf> starting on p. 322) These rules have been discussed and approved by both the Large Animal Healthcare Enhancement Advisory Committee on June 10, 2024; and approved via vote of the Board of the Directors of the North Carolina Agricultural Finance Authority on June 11, 2024. It is critical that these rules be approved in an expedient manner to establish a system by which the monies allocated to this fund by the General Assembly can be distributed as directed. As stated in NCGS § 106-1079, "The purpose of the fund is to make grants to encourage veterinary students to enter and stay in large animal veterinarian practice and to support large animal veterinarian practices to enable them to better serve their designated counties." Additionally, in an abundance of caution, and to the extent is alleged to be necessary, NCAFA is also submitting a written request for a waiver of the 210-day period contemplated by NCGS § 150B-21.1(a2).

7. Why is adherence to notice and hearing requirements contrary to the public interest and the immediate adoption of the rule is required?

Explain: The General Assembly specifically authorized and mandated the adoption of temporary rules in House Bill 259 / S.L.2023-134, Section 10.1(c), which states that the NCAFA shall adopt temporary rules to implement this section as soon as practicable. . . These rules are submitted in order to comply with the General Assembly’s mandate for temporary rules under the Large Animal Health Enhancement Act as established by House Bill 259/S.L.2023-134 (available at https://www.ncleg.gov/Sessions/2023/Bills/House/PDF/H259v7.pdf starting on p. 322) These rules have been discussed and approved by both the Large Animal Healthcare Enhancement Advisory Committee on June 10, 2024; and approved via vote of the Board of the Directors of the North Carolina Agricultural Finance Authority on June 11, 2024. It is critical that these rules be approved in an expedient manner to establish a system by which the monies allocated to this fund by the General Assembly can be distributed as directed. As stated in NCGS § 106-1079, "The purpose of the fund is to make grants to encourage veterinary students to enter and stay in large animal veterinarian practice and to support large animal veterinarian practices to enable them to better serve their designated counties." Additionally, in an abundance of caution, and to the extent is alleged to be necessary, NCAFA is also submitting a written request for a waiver of the 210-day period contemplated by NCGS § 150B-21.1(a2).

REQUEST FOR CHANGES PURSUANT TO G.S. 150B-21.10

AGENCY: Agricultural Finance Authority

RULE CITATION: 24 NCAC 02D .0105

DEADLINE FOR RECEIPT: December 13, 2024

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may email the reviewing attorney to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following changes be made:

Line 7-8: It is unclear what the affidavit is required to state. Or should “and” be “or” in which case you would want a comma after “affirmation.”

Line 8: The agency is requiring an affidavit and statement of affirmation?

Line 11-12: This is unclear. If a recipient has designated four counties, but his/her practice per county is less than 30%, do they qualify? Is the measure per county? Or cumulative? I.E. If 10% of my practice in Wake is large animal, 10% in Durham, 5% in Harnett, and 6% in Lee, do I qualify? Or is it 30% of my practice as a whole?

Line 13: Change “must” to “shall.”

Line 16: See comments from Lines 7-8.

Lines 18-19: See comments for Lines 11-12.

Line 23: Change “must” to “shall.”

Lines 25-27: Ought this not be a new Paragraph?

Lines 28-30: How often?

Lines 28-30: What is required in the “monitoring reports?” Is it the same as the reports described in Paragraph (b)?

Lines 28-30: Consider mentioning U.S. Post?
