Re: EMC Response to RRC Objection to Rules 15A NCAC 02Q .0114, .0501, and .0507

Dear Rules Review Commissioners,

At its May 14, 2026 meeting, the Environmental Management Commission reviewed the RRC's April 28, 2026 objection to rules 15A NCAC 02Q .0114, .0501, and .0507 for lack of statutory authority. Pursuant to N.C. Gen. Stat. § 150B-21.12, the EMC has determined that it is unable to satisfy the RRC's objection and has decided not to change the rules. The EMC therefore requests that the RRC return rule 15A NCAC 02Q .0114 and the proposed changes to rules 15A NCAC 02Q .0501 and .0507.

The EMC thanks you for your time and consideration.

Respectfully submitted,

Elly S. Young
Counsel to the Environmental Management Commission
