Anna, after consulting with staff, I was advised to keep the rule on the report. Since it will be removed from the code and has been classified as unnecessary, it will not be subject to readoption.

Seth,

Thank you. FYI, regarding rule 21 NCAC 12A .0308, the Board designated this rule as “unnecessary” because it was still on the spreadsheet when we were in the process of repealing it. It was repealed effective September 1, 2025 so you may want to update the RRC “final determination of status” for this rule.

You don't often get email from seth.ascher@oah.nc.gov. [Learn why this is important](#)

Good afternoon,

I am the attorney who reviewed your agency's periodic review reports. The RRC will formally review this report at its meeting on Thursday, May 28, 2026, at 10:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an evite should be sent to you as we get close to the meeting, or you are welcome to attend in person. If there are any other representatives from your agency who want to attend virtually, let me know prior to the meeting, and we will get evites out to them as well.

I have attached the reports I plan to recommend that the Commission adopt. Let me know if you have any questions.
