Subject: Re: Periodic Review - 21 NCAC 32

Good morning,

The attached periodic review report has been finalized. The next step is to set a deadline for the readoption of the "Necessary" rules. Pursuant to G.S. 150B-21.3A and 26 NCAC 05 .0212, the RRC sets this deadline after consultation with the agency, and this email serves as the RRC's request for that consultation. Please review 26 NCAC 05 .0212 for the information required to be submitted to the RRC, and the deadlines for doing so.

The deadline for your agency to provide this information is **July 7, 2026**. As a starting point, I'm proposing a few readoption deadlines options for your consideration: **July 1, 2030 or August 1, 2030**. I am open to considering a different readoption deadline based on the needs of your agency.

Please reply to confirm receipt of this email. Let me know if you have any questions.

Subject: Periodic Review - 21 NCAC 32

Good afternoon,

The determinations in the attached periodic review reports for 21 NCAC 32 were effective April 29, 2026. Commission Counsel Travis Wiggs will reach out to you to discuss setting the readoption date for the rules in the report designated necessary.

The rules designated, as unnecessary expired effective April 30, 2026.

Please Note: pursuant to 26 NCAC 05 .0212 your agency's 60-day timeline does not begin until you receive communication from a staff attorney.

Let me know if you have any questions.
