Angela,

Apologies for the delayed response, the chaos of last week got a little away from me. The RRC will formally review this report at its meeting on Thursday, October 29, 2026, at 10:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an evite should be sent to you as we get close to the meeting, or you are welcome to attend in person. If there are any other representatives from your agency who want to attend virtually, let me know prior to the meeting, and we will get evites out to them as well.

I have attached the reports I plan to recommend that the Commission adopt. Let me know if you have any questions.

Hi Seth!

I wanted to follow up on the NCBON Periodic Review Report. With the Outlook outage last week, want to be sure I did not miss an email from you.

If the Periodic Review Report is ready to go before RRC, are we able to attend virtually or would you need us in-person for the report? Thanks!

Hi Angela,

As far as the report, I plan to review it next week. I don't expect any issues given how these reports usually go.

Hi Alex,

The Board of Nursing is on the agenda for the November 24th RRC meeting. As of today, we have not received any communication from either RRC attorney. Do you know when we might receive the Request for Technical Change and the Periodic Review Report? Just want to be sure we have time to complete preparation.

Thanks, Alex!
