Subject: RE: Periodic Review 21 NCAC 60

Good afternoon,

The attached periodic review report has been finalized. The next step is to set a deadline for the readoption of the "Necessary" rules. Pursuant to G.S. 150B-21.3A and 26 NCAC 05 .0212, the RRC sets this deadline after consultation with the agency, and this email serves as the RRC's request for that consultation. Please review 26 NCAC 05 .0212 for the information required to be submitted to the RRC, and the deadlines for doing so.

The deadline for your agency to provide this information is **January 20, 2026**. As a starting point, I'm proposing a few readoption deadlines options for your consideration: **January 1, 2027; November 1, 2028; or February 1, 2029**. I am open to considering a different readoption deadline based on the needs of your agency.

Please reply to confirm receipt of this email. Let me know if you have any questions.

Thank you.
