Subject: Periodic Review and Expiration of Existing Rules

Good afternoon,

Pursuant to G.S. 150B-21.3A, all agencies subject to rulemaking under Article 2A of the North Carolina Administrative Procedure Act are required to review all existing rules in the North Carolina Administrative Code. Your agency's report for **25 NCAC 02** for the periodic review of existing rules is scheduled for review by the RRC at the August 2024 meeting. The filing deadline was **July 20, 2024**. As of this date, OAH records show that the report for 25 NCAC 02 has not been submitted by your agency.

OAH staff and the Codifier of Rules have emailed you several times, beginning December 11, 2023, requesting your agency's report for the periodic review of existing rules. I've been told it has been verbally communicated to RRC Staff that your agency wishes for the above cited rules to expire from the Code. Is this correct?

Please reply at your earliest convenience. Thank you.

Good afternoon, Donya,

I hope your new year is off to a good start. It seems OSHR's position is that the rules in 25 NCAC 02 do not belong to OSHR and may fall under the umbrella of DOA. Based on what I can find and as OSHR indicated, the rulemaking agency is North Carolina Office on the Americans with Disabilities Act. We will update the agency name and resubmit the report only to you as DOA's rulemaking coordinator to complete the process. If DOA also has no ownership of these rules, please let us know.

Thanks,

Ashley Snyder

Alex,

Here is our response to your message on the periodic review of 25 NCAC 02.

1. Verify that we have the correct Rulemaking Agency listed on row 2 of the report(s)

This should read “North Carolina Office on the Americans with Disabilities Act.” It appears to be a program within the authority of the Department of Administration.

2. Ensure that no rules are missing from the report and that the history note is correct.

Correct.

Best regards,
--Blake
