Thank you, Mindy.

We have made note of your request to withdraw amended rule 21 NCAC 57D .0304. We do not need anything further on this at this time.

As for all other rules, I am good with the changes and I anticipate recommending approval next week. I have attached the final revised versions for all 17 rules. Please let me know if you notice any discrepancies.

Best,

**Subject:** RE: [External] RE: The North Carolina Appraisal Board - Rules for June 2026 RRC Meeting

Thanks, Mindy.

I still have clarity/ambiguity concerns regarding language in **21 NCAC 57D .0304**. I've copied my original question and the Board's response below for reference.

*Lines 9-10: Who is determining whether the appraiser has "the requisite education, expertise, and experience necessary"? The company? Do they have to follow any standards or consider specific factors when making this determination? **The Appraisal Management Company determines that based on the assignment. Yes, they have to follow lending laws; TILA; etc. based on the assignment type, transaction value, etc.***

As mentioned, your rule states that the AMC "shall select an appraiser . . . who has the requisite education, expertise, and experience necessary to competently complete the appraisal assignment for the particular market and property type." In my opinion, without any additional context or without tying this requirement to some standard or law in your rule, it's not clear what exactly the AMC needs to do. Your rule uses the term "requisite", indicating that there are *requirements* for education, expertise, and experience in play here. What are those requirements that the AMC needs to be considering? In your response, you state that the AMC gets to determine this on a case-by-case basis. That may be fine, but you should explain this in your rule. And also, what happens if the Board and the AMC disagree over the qualifications of the appraiser? I think that "competently" could be interpreted differently depending on who you ask.

I understand that you're copying the language straight from 12 CFR 34.213, but that statute is directing you to "establish . . . processes and controls reasonably designed to ensure that" competent appraisers are engaged. You should consider clarifying your rule further.

Also, for rule **21 NCAC 57D .0401**, thank you for making changes to paragraph (b) based on my comment regarding incorporation by reference. Please also indicate the cost of the materials on line 15.

Please respond **by EOD on Wednesday the 17<sup>th</sup>**.

Regards,  
Chris

The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. In reviewing this Rule, the staff recommends the following changes be made:

*Forms 0400: In box 6, for all rules, you've listed the Notice of Text publication date as "February 13, 2026". Is this correct? Weren't these rules published in the March 16, 2026, Register? Please check/correct this. We used the date we posted the rules on our website by mistake. The corrected forms are attached.*

*Forms 0400: In box 6, you failed to check the box certifying that "The requirements listed in G.S. 150B-19.1(c)(1)-(5) were posted on the agency's Web site no later than the publication date of the notice of text in the N.C. Register". Was this intentional? This is a requirement of the APA that must be met for these rules. Please confirm and update your forms as necessary. This was an oversight and not intentional. The corrected forms are attached.*

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may email the reviewing attorney to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following changes be made:

*General Comment: Which federal law requires these amendments? § 34.213 Appraisal management company registration. <https://www.ecfr.gov/current/title-12/chapter-1/part-34/subpart-H/section-34.213> See Item (b)(3) Establish and comply with processes and controls reasonably designed to ensure that the AMC, in engaging an appraiser, selects an appraiser who is independent of the transaction and who has the requisite education, expertise, and experience necessary to competently complete the appraisal assignment for the particular market and property type.*

*Lines 8-9: What does “independent of the transaction” mean in this context? Consider defining or clarifying this if it has a special meaning. A person (appraiser) who has no personal, financial, or business interest in the property or the transaction.*

*Lines 9-10: Who is determining whether the appraiser has “the requisite education, expertise, and experience necessary”? The company? Do they have to follow any standards or consider specific factors when making this determination? The Appraisal Management Company determines that based on the assignment. Yes, they have to follow lending laws; TILA; etc. based on the assignment type, transaction value, etc.*

*Lines 12-13: Can you be more specific than “any federally related transactions regulations”? Which laws? Or is it not possible to include this detail in the rule?*

*It does not seem possible to provide that much detail. The overarching regulation is Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA) and as amended by Dodd Frank, but there may be other banking regulations as well.*

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

9 (a) of this Rule shall complete 28 hours of continuing education before June 1 of every odd-numbered year. Specific  
10 topics required as part of the 28 hours of continuing education are outlined in Paragraph (d) of this Rule. Except as  
11 provided in Paragraphs (g) and (h) of this Rule, such education shall have been obtained by taking courses approved  
12 by the Board for continuing education credit, at schools approved by the Board to offer such courses, as set forth in  
13 21 NCAC 57B .0603. Such education shall relate to real estate appraisers maintaining and increasing their skill,  
14 knowledge, and competency in real property appraising. There is no exemption from the continuing education  
15 requirement for trainees or appraisers whose status has been upgraded to the level of licensed residential, certified  
16 residential, or certified general appraiser, since the issuance or most recent renewal of their registration, license, or  
17 certificate. Trainees, licensees, and certificate holders shall not take the same continuing education course more than  
18 once during the two-year continuing education cycle.

19 (c) Each appraisal continuing education course shall include a minimum of two classroom hours of instruction on real  
20 estate appraisal or related topics, as set forth in the Real Property Appraiser Qualification Criteria as implemented by  
21 The Appraisal Foundation's Appraiser Qualifications Board, which is hereby incorporated by reference, including

26 the seven-hour National Uniform Standards of Professional Appraisal Practice (USPAP) Continuing Education

31 continuing education cycle. The course length must be at least seven-hours the first time a trainee, licensee, or  
32 certificate holder completes the continuing education requirements of the Valuation Bias and Fair Housing Laws and  
33 Regulations requirement. If an appraiser completes the seven-hour (plus one hour exam) course as part of their  
34 qualifying education, they have met this requirement. Each continuing education cycle thereafter, the course length  
35 shall be at least four-hours.

36 (e) A trainee, licensee, or certificate holder who completes approved continuing education courses in excess of the  
37 requirement shall not carry over any continuing education credits from those courses into the subsequent years.

1 (f) Course sponsors shall provide a certificate of course completion to each trainee, licensee, and certificate holder  
2 who completes a course, as set forth in 21 NCAC 57B .0603. Course sponsors shall send to the Board a roster of all  
3 who completed the course. This roster shall be sent within 15 days of completion of the course. In order to renew a  
4 registration, license, or certificate in a timely manner, the Board shall receive proof of completion of the continuing  
5 education requirement prior to processing a registration, license, or certificate renewal application. Proof of  
6 completion shall be receipt by the Board of a roster from a school or course sponsor showing the courses completed  
7 by the applicant. If proof of having completed the continuing education requirement is not provided, the registration,  
8 license, or certificate shall expire and the trainee, licensee, or certificate holder shall be subject to the provisions of  
9 Rules .0203(e) and .0206 of this Section.

10 (g) A current or former trainee, licensee, or certificate holder may request that the Board grant continuing education  
11 credit for a course that has been completed but is not approved by the Board, or for appraisal education activity  
12 equivalent to a Board approved course, by making such request and submitting a non-refundable fee of fifty dollars  
13 (\$50.00) as set out in G.S. 93E-1-8(d) for each course or type of appraisal education activity to be evaluated. Such  
14 requests shall be received before June 15 of an odd-numbered year to be credited towards the continuing education  
15 requirement for that odd-numbered year. Continuing education credit for a non-approved course shall be granted only  
16 if the trainee, licensee, or certificate holder provides proof of course completion and the Board finds that the course  
17 satisfies the requirements for approval of appraisal continuing education courses with regard to subject matter, course  
18 length, instructor qualifications, and student attendance, as set forth in 21 NCAC 57B .0603. Appraisal education  
19 activities for which credit may be awarded include teaching appraisal courses, authorship of appraisal textbooks, and  
20 development of instructional materials on appraisal subjects. Up to 14 hours of continuing education credit may be  
21 granted in each continuing education cycle for participation in appraisal education activities. Trainees, and licensed  
22 or certified appraisers who have taught an appraisal course approved by the Board for continuing education credit, are  
23 deemed to have taken an equivalent course and are not subject to the fee prescribed in G.S. 93E-1-8(d), provided they  
24 submit verification of having taught the course(s). A trainee, licensee, or certificate holder who teaches a Board  
25 approved continuing education course shall not receive continuing education credit for the same course more than  
26 once every two years, regardless of how often he or she teaches the course.

27 (h) A trainee, licensee, or certificate holder may receive continuing education credit by taking any of the Board  
28 approved precertification courses, other than Basic Appraisal Principles and Basic Appraisal Procedures, or their  
29 approved equivalents. Trainees, licensees, and certificate holders who wish to use a precertification course for  
30 continuing education credit shall comply with the provisions of 21 NCAC 57B .0604.

32 satisfy the continuing education requirements in an odd-numbered year by submitting an affidavit prior to renewal  
33 which lists the course provider, title, hours, and date of completion of all continuing education completed within the  
34 current continuing education cycle. The affidavit form may be found on the Board's website at
