Mr. Wiggs,

We have revised our proposed time line as follows:

- Board will prepare or obtain a fiscal note, if required - **October 1, 2025 (most likely, not required)**
- Board will publish its notice of text in the NC Register - **December 1, 2025**
- Board will hold its public comment hearing - **December 16, 2025**
- Board will hold its public comment period between **December 1, 2025 and January 30, 2026**

Is this acceptable?

Sincerely,
Cathe Evans

Ms. Evans,

Please see the email I sent yesterday if you have not already. Your agency's report was sent to the APO on December 20, 2024 (see your email from Mr. Burgos). The APO has 60 days to review the report, or it will

automatically become effective. Our office will notify you once the report is reviewed by the APO and becomes effective. This should happen towards the end of February.

The Periodic Review/Readoption process is taking place over a 10-year period and involves all the state agencies subject to rulemaking. My colleague and I are attempting to spread the rules out as much as possible while doing our best to accommodate the needs and priorities of each agency. Since I sent you the original email below (12/10/24), we now have 159 rules that are set for readoption by March 1, 2027.

I'm proposing that your agency's readoption deadline now be set for **May 1, 2027**. If we agree on the May 1, 2027 deadline, you will want to reconsider the proposed timeline below. Please be mindful of 150B-21.2(g) that says once you publish a rule in the Register, it starts the 1-year clock for adoption, or the publication expires.

Please let me know your thoughts and feel free to take your time adjusting your timeline below.

Mr. Wiggs,

We wish to submit the following timeline for periodic review:

- Board will prepare or obtain a fiscal note, if required - **May 1, 2025 (most likely, not required)**
- Board will publish its notice of text in the NC Register - **June 16, 2025**
- Board will hold its public comment hearing - **July 11, 2025**
- Board will hold its public comment period between **June 16, 2025 and August 15, 2025**

Please let me know this is acceptable.

Sincerely,
Cathe Evans

Ms. Evans,

Please review 26 NCAC 05 .0212 for the information required to be submitted to the RRC. The deadline for your agency to provide this information is February 10, 2025. The Rule essentially requires every agency to submit a general timeline of when your agency intends to complete each step in the permanent rulemaking process.

Please be mindful of 26 NCAC 05.0212(c)(2) that requires agencies to file rules with the RRC within 30 days of adoption. Also, remember to consider whether your agency will need to prepare any fiscal notes as required by G.S. 150B-21.4. Lastly, please account for whether your agency will want to amend any rules after the public comment period and rulemaking hearing that may constitute a substantial change under 150B-21.2(g).

Subject: FW: Periodic Review 21 NCAC 01

Good afternoon,

The attached periodic review report became effective November 26, 2024. The next step is to set a deadline for the readoption of these rules. Pursuant to G.S. 150B-21.3A and 26 NCAC 05 .0212, the RRC sets this deadline after consultation with the agency, and this email serves as the RRC's request for that consultation. Please review 26 NCAC 05 .0212 for the information required to be submitted to the RRC, and the deadlines for doing so.

The deadline for your agency to provide this information is February 10, 2025. As a starting point, I would recommend a March 1, 2027, readoption deadline, but I am open to considering a different recommendation based on the needs of your agency.

Let me know if you have any questions. Thank you.
