Dear Mr. Wiggs,

Thank you for your May 30, 2025 email that included the finalized periodic review report for the rules in Title 21, Chapter 06.

You proposed a readoption date of February 1, 2028, and that seems reasonable. As required by 26 NCAC 05 .0212, I have attached documentation of the board's planned timeline for readoption and the agency's rulemaking priorities relevant for the readoption timeline. Although the plan anticipates adoption before the deadline, this timeline allows for unanticipated delays.

Please feel free to contact me at dennis.seavers@nc.gov or (919) 814-0641 if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink, consisting of a stylized 'D' and 'S' followed by a long horizontal line.

Subject: RE: Periodic Review 21 NCAC 06

Good afternoon,

The attached periodic review report has been finalized. The next step is to set a deadline for the readoption of the "Necessary" rules. Pursuant to G.S. 150B-21.3A and 26 NCAC 05 .0212, the RRC sets this deadline after consultation with the agency, and this email serves as the RRC's request for that consultation. Please review 26 NCAC 05 .0212 for the information required to be submitted to the RRC, and the deadlines for doing so.

The deadline for your agency to provide this information is August 1, 2025. As a starting point, I would recommend a February 1, 2028, readoption deadline, but I am open to considering a different deadline based on the needs of your agency.

Please reply to confirm receipt of this email. Let me know if you have any questions. Thank you.
