Good afternoon all,

I've reviewed the submission of Ch. 44 of the 2024 Residential Code. I do not have any requests for changes at this time. Unless we receive public comment bringing something relevant under 150B-21.9 to my attention, it's my intention to recommend approval of Ch. 44 at July's meeting as written.

Thanks,  
Brian

**Subject:** NC Building Code Council - NC Building Code Approved Rules (Code Amendment): 2024 NC Residential Code

**Importance:** High

Good morning RRC,

Attached is a NC Building Code Council code amendment that was adopted on June 17, 2024 for the 2024 NC Residential Code

I have attached a separate pdf and MS Word copy of the amendment to be considered by the RRC as permanent rules.

It is my understanding that these rules will be included in the 7/31/24 RRC agenda

Let me know if you have any questions or comments.

Thank you for your work on this.

Have a great day.
