Subject: Building Code filings and status

Good afternoon everyone,

Since we have quite a few filings before the RRC for this month's meeting, I thought it would be helpful to recap where I believe all the filings are in the pipeline. For the record, I am going to ask the Commission to extend the period of review for the Existing Building Code, the Fire Code, the Building Code, and the 16 separate amendments filed for those codes.

Amendments to the 2024 Codes:

Admin Code - 4

- 107.1.5 – as amended, recommend approval CONFIRMED
- 106.3.1 – withdrawn Ashley Snyder is forwarding this one to the NCGA for their review in the short session
- 204.4.5 and 204.4.5.1 – recommend approval CONFIRMED
- Appendix H – recommend approval CONFIRMED

Plumbing Code – 1

702.1, 702.4, 1102.2, and 1102.7 - withdrawn **CONFIRMED** as part of the 2024 NCPC

Filing of full codes:

2024 Existing Building Code – extension **CONFIRMED**

2 amendments - extension **CONFIRMED**

2024 Fire Code - extension **CONFIRMED**

8 amendments - extension **CONFIRMED**

2024 Building Code - extension **CONFIRMED**

6 amendments - extension **CONFIRMED**

2024 Fuel Gas Code – as amended, recommend approval **CONFIRMED**

2024 Mechanical Code – as amended, recommend approval **CONFIRMED**

2 amendments – recommend approval **CONFIRMED**

2024 Energy Conservation Code – waiting for responses to requests for changes **NCBCC responses sent to RRC staff attorney very early morning on 4/25/24**

1 amendment – no reason to object at this time **CONFIRMED**

Repeals:

Repeal of the 2017/2020 Electrical Codes – recommend approval **CONFIRMED**

So, as I see it, the only thing left that needs to be addressed for the April 30 meeting is the Energy Conservation Code. If I've missed something, or if you have a different understanding of anything, please let me know.

CONFIRMED

Thanks,

Brian
