Good morning,

Attached, please find the final version of the Building Code provision before RRC this month.

David, just FYI I made two more minor formatting changes to conform to our usual style with regard to additions and deletions.

Thanks!  
Brian

OK, this looks good to me, except I don't think your deletion of the sentence "Elevator sump pits . . . storage tank" needs to be highlighted, since that's not a post-publication change. I took that out for you, and unless you have any objections, I'll send this over to Dana for filing.

Thanks!

Brian,  
Good afternoon.

See attached.

I did not italicize "floor drain" since the word is separated to say "floor and trench drains".

I made all of the other changes you suggested and those are highlighted in yellow.

Let me know if you have any questions or any other comments.

Thank you for your work on this.

**Subject:** RRC Request for Changes

Good afternoon,

I'm the attorney who reviewed the Rules submitted by the Building Code Council for the August 2022 RRC meeting. The RRC will formally review these Rules at its meeting on Thursday, August 18, 2022, at 9:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an evite should be sent to you as we get closer to the meeting. If there are any other representatives from your agency who will want to attend virtually, let me know prior to the meeting, and we will get evites out to them as well.

Please submit the revised Rules and forms to me via email, no later than 5 p.m. on Monday, August 8, 2022.

In the meantime, please do not hesitate to reach out via email with any questions or concerns.

Thanks,

Brian
