Good afternoon,

This is to inform you that due to the volume of Codes submitted, and due to the time necessary to make sure the Residential and Plumbing Codes were ready for yesterday's special meeting, I will be requesting an extension of the period of review on these three Codes at the February 28, 2024 regular meeting of RRC. It's my intention to have requests for changes out to you on the three Codes within the next few weeks.

Thanks for all your work on these, and have a great weekend!
Brian
