Hi Commissioner,

I can definitely speak with you on Thursday, pretty much at your convenience. Let me know what time works best for you.

On the chart, no, there's no textual material. The chart is the document the Commission needs to review and approve.

Looking forward to talking with you,
Brian

Brian, I'd like to talk about this task. Do you have a few minutes sometime Thursday? Also I got charts in the earlier email. Is there textual material for me to review? John

Hi Commissioner Hahn,

Thanks for doing this review. Let me know if you'd like to discuss the reports and the periodic review process; I'd be more than happy to talk to you. I'll be out the rest of this week, but I'm pretty free next week, and of course we have until the May meeting, so there's no rush.

Best,
Brian

Hi Jake,

Next month, OAH has its periodic review reports on the agenda for 26 NCAC 01, 02, 03 and 04. I spoke to Travis and Seth, and they agreed with me that it would be a conflict of interest for one of them to review the reports. I've attached them here for you to assign to one of the Commissioners, in both PDF and Excel format. As the OAH rulemaking coordinator, I'll be happy to answer any questions the Commission might have.

Thanks,
Brian
