Thanks!

I will recommend the August 1, 2027 readoption deadline at the upcoming RRC meeting. The RRC will formally consider the date at its meeting on Thursday, June 26, 2025, at 10:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an evite should be sent to you as we get close to the meeting. If there are any other representatives from your agency who want to attend virtually, let me know prior to the meeting, and we will get evites out to them as well.

Stefanie,

In reviewing my records, I saw that your response regarding a readoption deadline is still outstanding, per the emails below.

I believe we spoke in early April, though I may be misremembering. I wanted to check back in and see if you had additional questions or otherwise where you stood on this.

Thank you,

Good Afternoon,

Thanks for sending this, I have some questions about the readoption timeline. We have a Board meeting April 14, and would like to address the readoption then if possible. Can we set an earlier date for readoption? I see many readoptions posted on the OAH website set several years in the future, is there a common reason or is it just agency preference?

Thank you for your help!

Good afternoon,

The attached periodic review reports have been finalized. The next step is to set a deadline for the readoption of these rules. Pursuant to G.S. 150B-21.3A and 26 NCAC 05 .0212, the RRC sets this deadline after consultation with the agency, and this email serves as the RRC's request for that consultation. Please review 26 NCAC 05 .0212 for the information required to be submitted to the RRC, and the deadlines for doing so.

It appears that the deadline for your agency to provide this information is July 24, 2025. As a starting point, I would recommend a August 1, 2027 readoption deadline, but I am open to considering a different recommendation based on the needs of your agency.
