Subject: RE: Response to Changes and Revised Rules - 10A NCAC 43D

Hello Seth,

The Commission for Public Health met on February 4, 2026 and determined, pursuant to G.S. 150B-21.12(a)(2), that the Commission will not change 10A NCAC 43D .0205 and 10A NCAC 43D .0304 to conform to their respective staff objections (see attached). The Commission understands that this will result in the removal of these two rules from the Administrative Code, and does not and will not object to that result.

Thanks,
Raj

Raj,

It is my understanding that the Public Health Commission's next regularly scheduled meeting is February 4, 2026. Pursuant to G.S. 150B-21.12(b), the deadline for your Commission to take action on the objection would be February 14, 2026, and this would be a no action item at the RRC until at least the February 26, 2026, RRC meeting.

Do you have any questions or concerns about that?

Hi Seth,

Sorry for the Sunday evening email, but I'm OOO tomorrow, so I wanted to go ahead and get this to you. These are (I hope!) the fixes that you requested.

If there's anything further that we need to do with these rules, I'll be back on Tuesday morning to work through them.

Thanks again for your time and consideration on these rules. It's been very much appreciated!

Thanks,

3 **10A NCAC 43D .0707 VENDOR APPLICANTS**

4 To become authorized as a WIC vendor, a vendor applicant shall comply with the following vendor selection
5 criteria:

- 6 (1) A vendor applicant shall complete a WIC Vendor Application, as set forth in Item (20) of this Rule,
7 a WIC Price List, as set forth in Item (4) of this Rule, and a WIC Vendor Agreement, as set forth in
8 7 C.F.R. 246.12(h)(3). A vendor applicant shall submit its current highest shelf price for each WIC
9 supplemental food listed on the WIC Price List, as set forth in Item (4) of this Rule.
- 10 (2) A vendor applicant, at the time of application and throughout the term of authorization, shall
11 submit all completed forms to the local WIC agency, except that a corporate entity operating under
12 a WIC corporate agreement shall submit one completed WIC corporate agreement and the WIC
13 Price Lists to the State agency and a separate WIC Vendor Application for each store to the local
14 WIC agency. A corporate entity operating under a WIC corporate agreement may submit a single
15 WIC Price List for those stores that have the same prices for WIC supplemental foods in each
16 store, rather than submitting a separate WIC Price List for each store.
- 17 (3) A vendor applicant shall purchase all infant formula, exempt infant formula, and WIC-eligible
18 nutritionals directly from:
- 19 (a) The sources specified in ~~42 U.S.C 1786(h)(8)(A)(ix), 42 U.S.C 1786(h)(8)(A)(ix);~~
20 ~~which is incorporated by reference with all subsequent amendments and editions;~~
- 21 (b) Retail food stores that purchase directly from the sources referenced in Sub-item (3)(a)
22 of this Item; or
- 23 (c) A source on another state's list of approved infant formula sources as verified by
24 that state's agency.

25 A vendor applicant shall make available to the State or local WIC agency invoices or receipts
26 documenting purchases of all infant formula, exempt infant formula, and WIC-eligible nutritionals.
27 Receipts and invoices shall satisfy the requirements of Sub-items (24)(a) through (24)(c) of Rule
28 .0708 of this Section. A vendor applicant shall not be authorized if within the last year the vendor
29 applicant had a previous WIC Vendor Agreement terminated for failure to purchase infant formula,
30 exempt infant formula, or WIC-eligible nutritionals from the sources specified in this Item. A vendor
31 applicant shall not be authorized if within the last year the vendor applicant had a previous WIC
32 Vendor Agreement terminated for providing infant formula, exempt infant formula, or WIC-eligible
33 nutritionals to WIC customers that was not purchased from the sources specified in this Item.

- 34 (4) A vendor applicant's current highest shelf price for each WIC supplemental food listed on the WIC
35 Price List shall not exceed the maximum price set by the State agency for each supplemental food
36 within that vendor applicant's peer group, except as provided in Sub-item (4)(b) of this Item. The
37 maximum price for each supplemental food shall be established as follows:

- 1 (a) The most recent prices submitted through the EBT system by authorized vendors within
2 the same peer group shall be used to determine the maximum price for each
3 supplemental food. The maximum price shall be two standard deviations above the
4 average current highest shelf price of each supplemental food within a vendor peer
5 group. The State agency shall reassess the maximum price set for each supplemental
6 food at least four times a year.
- 7 (b) If any of the vendor applicant's price(s) on its WIC Price List exceed the maximum
8 price(s) set by the State agency for that applicant's peer group, the State agency shall
9 send the applicant written notice. Within 30 days of the date of receipt of the written
10 notice, the vendor applicant may resubmit price(s) that it will charge the State WIC
11 Program for those foods that exceeded the maximum price(s). If none of the vendor
12 applicant's resubmitted prices exceed the maximum prices set by the State agency, the
13 vendor applicant shall be deemed to have met the requirements of Item (4) of this Rule.
14 If any of the vendor applicant's resubmitted prices still exceed the maximum prices set
15 by the State agency, or the vendor applicant does not resubmit prices within 30 days of
16 the date of receipt of the written notice, the agency shall send the applicant a written
17 notice of denial. The vendor applicant shall wait 90 days from the date of receipt of the
18 written denial to reapply for authorization.
- 19 (5) A vendor applicant shall pass an announced monitoring review by the local WIC agency to
20 determine whether the store has minimum inventory of supplemental foods as specified in Item
21 (17) of Rule .0708 of this Section. A vendor applicant that fails this review shall be allowed a second
22 opportunity for an unannounced monitoring review within 14 days. If the applicant fails both
23 reviews, the application shall be denied in writing and the applicant shall wait 90 days from the date
24 of the second monitoring review before submitting a new application
- 25 (6) A vendor applicant shall either attend or cause a manager or another authorized store representative
26 to attend WIC Vendor Training provided by the local WIC agency prior to vendor authorization and
27 ensure that the vendor applicant's employees receive instruction in WIC program procedures and
28 requirements.
- 29 (7) An applicant shall mark the current shelf prices of all WIC supplemental foods on the foods or have
30 the prices posted on the shelf or display case at all times.
- 31 (8) The store shall be at a single, fixed location within North Carolina. The store shall be located at the
32 address indicated on the WIC vendor application and shall be the site where WIC supplemental
33 foods are selected by the WIC customer.
- 34 (9) A vendor applicant shall use point of sale (POS) terminals to support the WIC Program that are
35 deployed in accordance with the minimum lane coverage provisions of 7 C.F.R. 246.12(z)(2)(ii).
- 36 (10) The store shall be open throughout the year for business with the public at least six days a week for
37 at least 40 hours per week between 8:00 a.m. and 11:00 p.m.

- 1 (11) The store shall not use the acronym "WIC" or the WIC logo, including facsimiles, in total or in part,
2 in the official name under which the business is registered or in the name under which it does
3 business.
- 4 (12) A vendor applicant shall not submit false, erroneous, or misleading information in an application to
5 become an authorized WIC vendor or in subsequent documents submitted to the state or local WIC
6 agency. A vendor applicant shall not be authorized if within the last year the vendor applicant had
7 a previous WIC Vendor Agreement terminated for submitting false, erroneous, or misleading
8 information.
- 9 (13) The owner(s), officer(s), or manager(s) of a vendor applicant shall not be employed, or have a
10 spouse, child, or parent who is employed by the State WIC program, or the local WIC program
11 serving the county where the vendor applicant conducts business. A vendor applicant shall not have
12 an employee who handles or transacts WIC food benefits who is employed, or has a spouse, child,
13 or parent who is employed by the State WIC program or the local WIC program serving the county
14 where the vendor applicant conducts business. Such situations present a conflict of interest.
- 15 (14) WIC vendor authorization shall be denied if in the last six years any of the vendor applicant's current
16 owners, officers, or managers have been convicted of or had a civil judgment entered against them
17 for any activity indicating a lack of business integrity, including fraud, antitrust violations,
18 embezzlement, theft, forgery, bribery, falsification or destruction of records, making false
19 statements, receiving stolen property, making false claims, and obstruction of justice, as set out in 7
20 C.F.R 246.12(g)(3)(ii). For purposes of this Item, "convicted" or "conviction" includes:
21 (a) a plea of guilty;
22 (b) a verdict or finding of guilt by a jury, judge, magistrate, or adjudicating body, tribunal, or
23 official, either civilian or military;
24 (c) a plea of no contest, nolo contendere, or the equivalent; or
25 (d) entry of a prayer for judgment continued following a conviction as defined in this Item is
26 the same as a conviction for purposes of this Item.
- 27 (15) A vendor applicant shall not be authorized if it is currently disqualified from the ~~Supplemental~~
28 ~~Nutrition Assistance Program ("SNAP")~~ NC Food and Nutrition Services (FNS) (formerly known
29 as the Supplemental Nutrition Assistance Program ["SNAP"]) or it has been assessed a ~~SNAP~~
30 FNS/SNAP civil money penalty for hardship and the disqualification period that otherwise would

- 32 (16) A vendor applicant, excluding chain stores and stores under a WIC corporate agreement that have a
33 separate manager on site for each store, shall not have an owner who holds a financial interest in
34 any of the following:
35 (a) a SNAP FNS/SNAP vendor that is disqualified from participation in SNAP FNS/SNAP or

7 disqualification would have run, had a penalty not been assessed, has not expired.

8 The requirements of this Item shall not be met by the transfer or conveyance of financial interest
9 during the period of disqualification. Additionally, the requirements of this Item shall not be met
10 even if such transfer or conveyance of financial interest in a ~~SNAP FNS/SNAP~~ vendor under Sub-
11 item (16)(a) of this Item ends the disqualification period applicable to that ~~SNAP FNS/SNAP~~ vendor
12 earlier than the disqualification period otherwise would have expired. The requirements of this Item
13 shall apply until the time the ~~SNAP FNS/SNAP~~ vendor disqualification otherwise would have
14 expired.

- 15 (17) A vendor applicant, excluding free-standing pharmacies, shall have ~~SNAP FNS/SNAP~~ authorization
16 for the store as a prerequisite for WIC vendor authorization and shall provide its ~~SNAP FNS/SNAP~~

Subject: Re: Response to Changes and Revised Rules - 10A NCAC 43D

Raj,

I've gone through your updated rules, and like we discussed on the phone there are still a couple of things that need to be fixed.

1. Rules cannot include hyperlinks, so you need to remove those from the rules. If you want to reference a website, you need to include the url in plain text in the rule.
2. I understand that you cannot fix 10A NCAC 43D .0205 or .0304. I am working on a staff opinion for those rules that will likely recommend objection.
3. You do need to include the links in 10A NCAC 43D .0203 to handle the incorporation, both for the CFR and the USC. On lines 13 and 14 you need something like:
 - a. "are incorporated by reference, including subsequent amendments and editions. 7 C.F.R. 246 is available for free at <https://www.ecfr.gov/current/title-7/subtitle-B/chapter-II/subchapter-A/part-246>. 42 U.S.C. 1786 is available for free at <https://www.govinfo.gov/app/details/USCODE-2023-title42/USCODE-2023-title42-chap13A-sec1786>."
4. I believe that the incorporations described in item 3 cover everything you are doing in these rules, but I am still double checking all of the references. I'll let you know if I run into any problems.

AN EQUAL OPPORTUNITY / AFFIRMATIVE ACTION EMPLOYER

Request for Changes Pursuant to N.C. Gen. Stat. § 150B-21.10

Staff reviewed these Rules to ensure that each Rule is within the agency's statutory authority, reasonably necessary, clear and unambiguous, and adopted in accordance with Part 2 of the North Carolina Administrative Procedure Act. Following review, staff has issued this document that may request changes pursuant to G.S. 150B-21.10 from your agency or ask clarifying questions.

If the request includes questions, please contact the reviewing attorney to discuss.

In order to properly submit rewritten rules, please refer to the following Rules in the NC Administrative Code:

Note the following general instructions:

1. You must submit the revised rule via email to oah.rules@oah.nc.gov. The electronic copy must be saved as the official rule name (XX NCAC XXXX).
2. For rules longer than one page, insert a page number.

5. You cannot change just one part of a word. For example:
 - Wrong: “~~a~~Association”
 - Right: “~~association~~ Association”
6. Treat punctuation as part of a word. For example:
 - Wrong: “day;; and”
 - Right: “~~day~~, day; and”
7. Formatting instructions and examples may be found at:
<https://www.oah.nc.gov/rule-format-examples>

If you have any questions regarding proper formatting of edits after reviewing the rules and examples, please contact the reviewing attorney.

REQUEST FOR CHANGES PURSUANT TO G.S. 150B-21.10

AGENCY: Commission for Public Health

RULE CITATION: 10A NCAC 43D .0201

DEADLINE FOR RECEIPT: Friday, September 19, 2025

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may email the reviewing attorney to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following changes be made:

FYI: The approach you take to specifying where to find incorporated materials (p. 3 line 11) pursuant to G.S. 150B-21.6 is not one I believe the Commission has considered before. I do not have a change to request, but intend to specifically bring this to the Commission's attention who may have a change to request.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

REQUEST FOR CHANGES PURSUANT TO G.S. 150B-21.10

AGENCY: Commission for Public Health

RULE CITATION: 10A NCAC 43D .0203

DEADLINE FOR RECEIPT: Friday, September 19, 2025

PLEASE NOTE: This request may extend to several pages. Please be sure you have reached the end of the document.

The Rules Review Commission staff has completed its review of this Rule prior to the Commission's next meeting. The Commission has not yet reviewed this Rule and therefore there has not been a determination as to whether the Rule will be approved. You may email the reviewing attorney to inquire concerning the staff recommendation.

In reviewing this Rule, the staff recommends the following changes be made:

You do not indicate that the items listed in paragraph (a) are incorporated by reference, and I believe that is what you are intending to do. Add language to satisfy G.S. 150B-21.6.

For example, if this is what you intend, you could change (b) to something like: "The documents listed in Paragraph (a) of this Rule are . . ."

The Commission has previously determined that a link like you provide on line 12 is not sufficient to specify where to find the incorporated material. Consider doing what you did in .0201 instead, providing a link to the eCFR and a similar link for the U.S.C.

Note that this will resolve potential incorporation problems that I did not raise in this RFC in a number of other rules: 10A NCAC 43D .0207, 10A NCAC 43D .0411, 10A NCAC 43D .0501, 10A NCAC 43D .0707, 10A NCAC 43D .0708, 10A NCAC 43D .0709, 10A NCAC 43D .0902,

Response: Corrected as requested.

Please retype the rule accordingly and resubmit it to our office at 1711 New Hope Church Road, Raleigh, North Carolina 27609.

Raj,

I will recommend that the Commission further extend these rules to the November meeting. I don't anticipate any problems with this request.

Note that pursuant to G.S. 150B-21.13, the Commission can only extend review of rules for 70 days, so it will not be possible to extend the period past the November meeting.

Subject: CPH 43D RFC - September 2025

Good afternoon,

I'm the attorney who reviewed the Rules submitted by the Department of Labor for the September 2025 RRC meeting. The RRC will formally review these Rules at its meeting on Thursday, September 25, 2025, at 10:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an evite should be sent to you as we get close to the meeting. If there are any other representatives from your agency who want to attend virtually, let me know prior to the meeting, and we will get evites out to them as well.

Attached is the Request for Changes Pursuant to G.S. 150B-21.10. Please submit your responses, the revised Rules, and forms to me via email, no later than 5 p.m. on September 19, 2025. I recognize that this is a short turn-around time, and I can recommend that the review of these rules be extended to the October meeting if that is what you would prefer.

Please let me know if you have any questions of concerns.
