Hello Seth,

Upon review from our team, we believe we will take you up on your offer to recommend that review of these rules be extended to the October meeting. We are moving to a new headquarters and this week will be difficult for us to coordinate. We do have some clarifying questions that we'd like to ask well, so extended the review seems prudent.

When is the deadline for you to receive the revisions of these rules for the October meeting?

Thank you and look forward to working with you on these!

Raj
