Lawrence,

We are kindly requesting an extension for the period of review for 15A NCAC 07H, J, K and M. This extension will allow additional time for staff to address your technical change requests.

Thanks.

Jennifer,

I have reviewed the Rules submitted by Coastal Resources for the June RRC meeting. Per usual, the RRC will formally review these Rules at its meeting on Thursday, June 16, 2022, at 9:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an evite should be sent to you as we get closer to the meeting. If there are any other representatives from your agency who will want to attend virtually, let me know prior to the meeting, and we will get evites out to them as well.

I have attached my requests for changes. Please submit the revised Rules and forms to me via email, no later than 5:00 p.m. on Friday, June 10, 2022. In the meantime, please let me know if you have any questions or concerns.

Thank you,

Lawrence Duke
