I'm sorry, that was an error. It should have said Department of Health and Human Services. Can It be fixed? Apologies again, my first go around with these and just missed it.

Yes, we will save all the comments received and the commenters.

We were confused as to why the Environmental Management Commission was listed as the agency under the Public Comments Tab. Do you know why EMC is listed?

Going forward, please ensure your agency is keeping track of who is making the public comments and have a system to save the actual comments made.

The only comments received came through the public facing website where the rules were posted. We created a functionality whereby interested persons could leave their comments for each rule.

Putting them in the Public Comment Template Tab is acceptable since you're confirming they were entered verbatim from the emails you received. Were all the public comments received from the Environmental Management Commission?

Hi Travis,

We put the comments, and our responses to them, in the Public Comment Template tab of the attached report. If that wasn't correct, I apologize. I do have the actual emails, but we just put them in verbatim in the public comment tab. Please let me know if I need to send you those.

Thanks,
Raj

Good morning, Raj,

The attached Final Determination Report indicates your agency received public comments. Will you please email me the actual public comments that were received and your agency's response to the comments? G.S. 150B-21.3A(c)(2) requires that we forward all public comments received and your agency's response to the APO Committee in the Final Determination Report approved by the RRC.

Good afternoon,

I am the attorney who reviewed your agency's periodic review report. The RRC will formally review the report at its meeting on Wednesday, August 28, 2024, at 10:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an evite should be sent to you as we get close to the meeting, or you are welcome to attend in-person. If there are any other representatives from your agency who want to attend virtually, please let me know prior to the meeting, and we will get evites out to them as well.

I have attached the report and I plan to recommend that the RRC adopt it. Let me know if you have any questions.

Thanks,
