Dear Ms. Masich:

Re: Recodification of Grade A Milk Rules

I write to you today to request the recodification of several Grade A Milk rules from Title 15A to Title 02 of the North Carolina Administrative Code. It is necessary to recodify these rules because the 2011 Appropriations Bill, S.L. 2011-145, transferred the functions, powers, duties, and obligations previously vested in the Grade "A" Milk Sanitation Program within the Division of Environmental Health of the Department of Environment and Natural Resources to the Food and Drug Protection Division of the Department of Agriculture and Consumer Services. S.L. 2011-125 § 13.3.(b). This recodification would transfer the existing DENR milk rules to Title 02, Chapter 09, Subchapter G of the NCAC. Please find below a table of the citations to the existing rules, the recodified citations, and the statutory authorities for the recodified citations.
