Dear Ms. Masich:

Re: Recodification of Sleep Products Rules

I write to you today to request the recodification of several Sleep Products rules from Title 15A to Title 02 of the North Carolina Administrative Code. It is necessary to recodify these rules because the 2011 Appropriations Bill, S.L. 2011-145, transferred the functions, powers, and duties previously vested in the Sleep Products Program within the Public Health Management Section of the Division of Environmental Health of the Department of Environment and Natural Resources to the Department of Agriculture and Consumer Services. S.L. 2011-125 § 13.3.(c). This recodification would create a new Chapter 61 entitled "Sanitation of Bedding" under Title 02 of the NCAC. Please find below a table of the citations to the existing rules, the recodified citations, and the statutory authorities for the recodified citations.
