INFORMATION ABOUT THE NORTH CAROLINA REGISTER AND ADMINISTRATIVE CODE

NORTH CAROLINA REGISTER

The *North Carolina Register* is published bi-monthly and contains information relating to agency, executive, legislative and judicial actions required by or affecting Chapter 150B of the General Statutes. All proposed, administrative rules and amendments filed under Chapter 150B must be published in the Register. The Register will typically comprise approximately fifty pages per issue of legal text.

State law requires that a copy of each issue be provided free of charge to each county in the state and to various state officials and institutions. The *North Carolina Register* is available by yearly subscription at a cost of ninety-five dollars (\$95.00) for 24 issues.

Requests for subscriptions to the *North Carolina Register* should be directed to the Office of Administrative Hearings, P. O. Drawer 11666, Raleigh, N. C. 27604, Attn: *Subscriptions*.

ADOPTION, AMENDMENT, AND REPEAL OF RULES

An agency intending to adopt, amend, or repeal a rule must first publish notice of the proposed action in the *North Carolina Register*. The notice must include the time and place of the public hearing; a statement of how public comments may be submitted to the agency either at the hearing or otherwise; the text of the proposed rule or amendment; a reference to the Statutory Authority for the action and the proposed effective date.

The Director of the Office of Administrative Hearings has authority to publish a summary, rather than the full text, of any **amendment** which is considered to be too lengthy. In such case, the full text of the rule containing the proposed amendment will be available for public inspection at the Rules Division of the Office of Administrative Hearings and at the office of the promulgating agency.

Unless a specific statute provides otherwise, at least 30 days must elapse following publication of the proposal in the *North Carolina Register* before the agency may conduct the required public hearing and take action on the proposed adoption, amendment or repeal.

When final action is taken, the promulgating agency must file any adopted or amended rule for approval by the Administrative Rules Review Commission. Upon approval of ARRC, the adopted or amended rule must be filed with the Office of Administrative Hearings. If it differs substantially from the proposed form published as part of the public notice, upon request by the agency, the adopted version will again be published in the *North Carolina Register*.

A rule, or amended rule cannot become effective earlier than the first day of the second calendar month after the adoption is filed with the Office of Administrative Hearings for publication in the NCAC.

Proposed action on rules may be withdrawn by the promulgating agency at any time before final action is taken by the agency.

TEMPORARY RULES

Under certain conditions of an emergency nature, some agencies may issue temporary rules. A temporary rule becomes effective when adopted and remains in

effect for the period specified in the rule or 180 days, whichever is less. An agency adopting a temporary rule must begin normal rule-making procedures on the permanent rule at the same time the temporary rule is adopted.

NORTH CAROLINA ADMINISTRATIVE CODE

The North Carolina Administrative Code (NCAC) is a compilation and index of the administrative rules of 25 state agencies and 38 occupational licensing boards. The NCAC comprises approximately 15,000 letter size, single spaced pages of material of which approximately 35% is changed annually. Compilation and publication of the NCAC is mandated by G.S. 150B-63(b).

The Code is divided into Titles and Chapters. Each state agency is assigned a separate title which is further broken down by chapters. Title 21 is designated for occupational licensing boards.

The NCAC is available in two formats.

- (1) Single pages may be obtained at a minimum cost of two dollars and 50 cents (\$2.50) for 10 pages or less, plus fifteen cents (\$0.15) per each additional page.
- (2) The full publication consists of 52 volumes totaling in excess of 15,000 pages. It is supplemented monthly with replacement pages. A one year subscription to the full publication including supplements can be purchased for seven hundred and fifty dollars (\$750.00). Individual volumes may also be purchased with supplement service. Renewal subscriptions for supplements to the initial publication available.

Requests for pages of rules or volumes of the NCAC should be directed to the Office of Administrative Hearings.

NOTE

The foregoing is a generalized statement of the procedures to be followed. For specific statutory language it is suggested that Articles 2 and 5 of Chapter 150B of the General Statutes be examined carefully.

SECTION .0100 - GENERAL REGULATIONS

.0105 MIGRATORY GAME BIRDS

(a) Cooperative State Rules:

- (1) The taking of sea ducks (scoter, eider and old squaw) during any special federally-announced season for these species shall be limited to the waters of the Atlantic Ocean, and to those coastal waters south of US 64 which are separated by a distance of at least 800 yards of open water from any shore, island or marsh.
- (2) The extra daily bag and possession limits allowed by the federal regulations on scaup apply in all coastal waters east of U.S. Highway 17, except Currituck Sound north of US 158.
- (3) Tundra swans may be taken during the open season by permit only subject to limitations imposed by the U. S. Fish and Wildlife Service. A limited number of nontransferable swan permits will be issued by the Wildlife Resources Commission without charge to as many applicants who will be selected at random by computer, and only one swan may be taken under each permit which must be cancelled at the time of the kill by cutting out the month and day of the kill. Accompanying the permit is a metal tag which must be affixed at the base of the right wing of the swan at the time and place of the kill. In addition, a preaddressed post-paid card is supplied to each permittee on which to report the number of days hunted and the details of the kill if made. It is unlawful to hunt swans without having the permit and the tag in possession or to possess a swan without the cancelled permit in possession and the tag properly affixed to the swan.

(b) Notwithstanding the provisions of G.S. 113-291.1(a) and (b), the following restrictions apply to the taking of migratory game birds:

- (1) No migratory game bird may be taken:
 - (A) With a rifle;
 - (B) With a shotgun of any description capable of holding more than three shells, unless it is plugged with a one-piece filler, incapable of removal without disassembling the gun, so as to limit its total capacity to not more than three shells.
- (2) No migratory game bird may be taken:
 - (A) From or by the use of a sinkbox or any other type of low floating device affording the hunter a means of concealment beneath the surface of the water;
 - (B) With the aid of bait, or on, over or within 300 yards of any place where any grain, salt or other feed is exposed so as to constitute an attraction to migratory game birds or has been so exposed during any of the 10 consecutive days preceding the taking, except that this Part shall not apply to standing crops, flooded croplands, grain crops properly shocked on the field where grown, or grains found scattered solely as the result of normal agricultural planting or harvesting;
 - (C) With the aid of live decoys, or on, over or within 300 yards of any place where tame or captive migratory game birds are present, unless such birds are and have been for a period of 10 consecutive days prior to such taking confined within an enclosure which substantially reduces the audibility of their calls and totally conceals them from the sight of wild migratory game birds.
- (3) Waterfowl hunting and harassment and other unauthorized activities shall be prohibited on posted waterfowl management areas established by the Wildlife Resources Commission for Canada Geese and ducks restoration.

Authority G.S. 113-134; 113-274; 113-291.1; 50 C.F.R. 20.21; 50 C.F.R. 20.105.

.0113 BIG GAME KILL REPORTS

The carcass of each bear, wild turkey, deer and wild boar shall be tagged at the site of the kill with the appropriate big game tag which has been validated by cutting out the month and day of the kill. Prior to skinning or dressing for consumption the said carcass shall be taken directly to a wildlife cooperator agent located within the immediate area of open season who will supply a big game kill report card in duplicate. The report card must be completed to show the information called for thereon. The tag shall be affixed to the carcass at a location and in such

manner as to be visible upon inspection from the outside, and it is unlawful to affix the tag at any location or in any manner so as to conceal it from visibility upon ordinary inspection. It is unlawful to remove the tag from the carcass prior to completion of the report card or at any time thereafter until the carcass is finally skinned or dressed for consumption. The duplicate copy of the big game kill report card must be retained by the hunter and shall thereafter constitute his permit to continue in possession of the carcass. Otherwise, the continued possession of the bear, wild turkey, deer or wild boar shall be unlawful.

Persons who are by law exempt from the big game hunting license are not required to tag the carcass but shall report each kill as above required, and, in lieu of the tag, the word "exempt" together with the reason therefor (parent's license, landowner, agricultural lessee) shall be written on the original of the big game kill report card.

Any big game tag which has been detached from the tag card issued with the big game license prior to the killing and tagging of the big game animal shall be seized by a wildlife enforcement officer.

Employers must withhold North Carolina income tax from the wages paid to their employees according to tables prepared by the North Carolina Department of Revenue or by using an acceptable alternate method and they must pay over the amount withheld to the department. North Carolina does not employ a depository system for income tax withheld. The amount

withheld is deemed by law to be held in trust by the employer for the Secretary of Revenue. The tax withheld or required to be withheld is due to be paid at the same time that the withholding tax report is required to be filed. Whenever the Department of Revenue determines that collection of the tax is in jeopardy, an employer may be required to report and/or pay the tax at any time after payment of the wages from which the tax should be withheld. The manner in which this is required to be done is explained in the booklet, *Income Tax Withholding Tables and Instructions for Employers, Form NC-30*.

A penalty of 25 percent of the amount due is imposed for failure to withhold the tax, to file the report on time, or to pay the tax when due. Criminal penalties are provided for willful failure to withhold the tax, to file a return, or to pay the tax when due.

Any person required to collect, truthfully account for, and pay over income tax required to be deducted and withheld, who fails to collect and pay over such amount to the Secretary of Revenue shall be personally liable for a penalty equal to the total amount not collected or not accounted for and paid to the Secretary of Revenue. If an employer has failed to collect, or pay over income tax withheld or required to have been withheld, a 100 percent penalty may be asserted against the responsible corporate officers, directors, employees, stockholders, or other such responsible person whenever such taxes cannot be immediately collected from the employer. More than one person may be liable as a person responsible for the payment of withholding taxes; however, the amount of the income tax withheld or required to have been withheld will be collected only once, whether from the employer or one or more responsible persons. The term "responsible persons" includes any person who is in a position to control the finances of the employer or has the authority or ability to determine which obligations should or should not be paid. Responsibility is a matter of status, duty and authority, not knowledge. For the penalty to apply, it is not necessary that the failure to collect and pay the withholding amounts was willful; it is only necessary that the responsible person failed to pay the tax withheld or required to have been withheld to the Secretary of Revenue regardless of his reasons or the knowledge he had of such failure.

CHAPTER 7 - SALES AND USE TAX

SUBCHAPTER 7B - STATE SALES AND USE TAX

SECTION .4600 - MOTOR VEHICLES AND BOATS

.4604 SPECIAL EQUIPMENT-ACCESSORIES: MOTOR VEHICLES

(a) Retail sales of motor vehicles with special accessories such as pulling devices, hole digging devices, aerial working devices or other special accessories which are attached to and a part of such motor vehicles when they are delivered to purchasers are subject to the two percent rate of tax with a maximum tax of three hundred dollars (\$300.00) applicable to each such vehicle. The term "motor vehicle," as used in this Rule, means any vehicle which is self-propelled and designed primarily for use upon the highways and any vehicle designed to run upon the highways which is propelled by a self-propelled vehicle, but shall not include any implement of husbandry, farm tractor, road construction or maintenance machinery or equipment, special mobile equipment as defined in G.S. 20-4.01 or any vehicle designed primarily for use in work off the highway.

(b) Persons selling such special equipment or accessories at retail which they mount upon a motor vehicle chassis or body belonging to others must collect and remit the three percent state and two percent county sales or use tax thereon. Any charges for labor or services rendered in installing or applying such items are not subject to tax provided such charges are segregated from the charge for the tangible personal property sold on the invoice given to the customer at the time of sale and in the vendor's records; otherwise the total amount is subject to tax.

SUBCHAPTER 7C - LOCAL GOVERNMENT: MECKLENBURG COUNTY: SUPPLEMENTAL LOCAL GOVERNMENT AND ADDITIONAL SUPPLEMENTAL LOCAL GOVERNMENT SALES AND USE TAX ACTS

SECTION .0100 - LOCAL GOVERNMENT SALES AND USE TAXES

.0103 SALES TAX IMPOSED

(a) Every retailer whose place of business is located in a county which has levied the Meck-

lenburg County or the local government sales and use tax and the supplemental local government and the additional supplemental local government sales and use tax is required to collect and remit to the North Carolina Secretary of Revenue the county sales tax at the rate of two percent on:

- (1) the sales price of those articles of tangible personal property now subject to the three percent sales tax imposed by the state under G.S. 105-164.4(1); but not on sales of electricity, piped natural gas or intrastate telephone service taxed under G.S. 105-164.4(4a);
- (2) the gross receipts derived from the lease or rental of tangible personal property where the lease or rental of such property is an established business now subject to the three percent sales tax imposed by the state under G.S. 105-164.4(2);
- (3) the gross receipts derived from the rental of any room or lodging furnished by any hotel, motel, inn, tourist camp or other similar accommodations now subject to the three percent sales tax imposed by the state under G.S. 105-164.4(3);
- (4) the gross receipts derived from services rendered by laundries, dry cleaners, cleaning plants and similar type businesses now subject to the three percent sales tax imposed by the state under G.S. 105-164.4(4).

(b) All retailers making sales from a place of business located within a taxing county must collect and remit the two percent local sales tax for the county in which the retailer's place of business is located. Effective March 1, 1988, for local sales tax purposes, the situs of a sale is the retailer's place of business located within a taxing county where the vendor becomes contractually obligated to make the sale. The term "place of business located within a taxing county" shall mean stores, warehouses, sales outlets, inventories, and other places within a taxing county where tangible personal property is maintained for sale, lease, or rental at retail, and it shall include inventories of goods carried on foot or in vehicles for sale to customers in a taxing county. It shall also include laundries, dry cleaning plants, or similar businesses and hotels, motels, or similar facilities in a taxing county. Taxable tangible personal property sold and delivered from a business location in a taxing county to the buyer or his agent at a point within this State, if such agent is not a common carrier, is subject to the tax for the county in which the retailer's place of business is located notwithstanding that the purchaser may subsequently transport the property outside this state or the taxing county for use.

.0104 USE TAX IMPOSED

(a) A local use tax is levied at the rate of two percent of the cost price of each item or article of tangible personal property which is used, consumed or stored for use or consumption in a taxing county and such use tax may be imposed only on those items of tangible personal property upon which the state now levies a three percent use tax under G.S. 105-164.6. Every retailer engaged in business in this state and in the taxing county and required to collect the use tax levied by G.S. 105-164.6 shall also collect the one percent local use tax and remit same to the North Carolina Secretary of Revenue when such property is to be used, consumed or stored in the taxing county. The use tax shall be levied against the purchaser and his liability for such tax shall be extinguished only upon his payment of the tax to the retailer, where the retailer has charged the tax, or to the Secretary of Revenue where the retailer has not charged the tax. Every person who purchases any taxable tangible personal property for storage, use or consumption in a taxing county from vendors located outside North Carolina or outside the purchaser's county on which the county tax was not required to be collected by the vendors must report and remit the applicable use tax to the Secretary of Revenue.

(b) Where a local sales or use tax has been paid with respect to such tangible personal property by the purchaser thereof, either in another taxing county within this State or in a taxing jurisdiction outside this State where the purpose of the tax is similar in purpose and intent to the local sales or use tax which is imposed within this State, said tax may be credited against the local use tax due. If the amount of local sales or use tax paid in another taxing county or jurisdiction is less than the amount of tax due the taxing county, the purchaser shall pay to the Secretary of Revenue an amount equal to the difference between the amounts so paid in the other taxing county or jurisdiction and the amount due in the taxing county. No credit shall be allowed for sales and use taxes paid in a taxing jurisdiction outside this State if that taxing jurisdiction does not allow a credit for local government sales taxes paid in this State. The local use tax will not be subject to credit for payment of any state sales or use tax not imposed for the benefit and use of counties and municipalities.
