## INFORMATION ABOUT THE NORTH CAROLINA REGISTER AND ADMINISTRATIVE CODE

### **NORTH CAROLINA REGISTER**

The *North Carolina Register* is published twice a month and contains information relating to agency, executive, legislative and judicial actions required by or affecting Chapter 150B of the General Statutes. All proposed administrative rules and notices of public hearings filed under G.S. 150B-21.2 must be published in the *Register*. The *Register* will typically comprise approximately fifty pages per issue of legal text.

State law requires that a copy of each issue be provided free of charge to each county in the state and to various state officials and institutions.

The *North Carolina Register* is available by yearly subscription at a cost of one hundred and twenty dollars (\$120.00) for 24 issues. Individual issues may be purchased for ten dollars (\$10.00).

Requests for subscription to the *North Carolina Register* should be directed to the Office of Administrative Hearings, PO Drawer 27447, Raleigh, NC 27611-7447.

### **ADOPTION, AMENDMENT, AND REPEAL OF RULES**

The following is a generalized statement of the procedures to be followed for an agency to adopt, amend, or repeal a rule. For the specific statutory authority, please consult Article 2A of Chapter 150B of the General Statutes.

Any agency intending to adopt, amend, or repeal a rule must first publish notice of the proposed action in the *North Carolina Register*. The notice must include the time and place of the public hearing (or instructions on how a member of the public may request a hearing); a statement of procedure for public comments; the text of the proposed rule or the statement of subject matter; the reason for the proposed action; a reference to the statutory authority for the action and the proposed effective date.

Unless a specific statute provides otherwise, at least 15 days must elapse following publication of the notice in the *North Carolina Register* before the agency may conduct the public hearing and at least 30 days must elapse before the agency can take action on the proposed rule. An agency may not adopt a rule that differs substantially from the proposed form published as part of the public notice, until the adopted version has been published in the *North Carolina Register* for an additional 30 day comment period.

When final action is taken, the promulgating agency must file the rule with the Rules Review Commission (RRC). After approval by RRC, the adopted rule is filed with the Office of Administrative Hearings (OAH).

A rule or amended rule generally becomes effective 5 business days after the rule is filed with the Office of Administrative Hearings for publication in the North Carolina Administrative Code (NCAC).

Proposed action on rules may be withdrawn by the promulgating

agency at any time before final action is taken by the agency or before filing with OAH for publication in the NCAC.

### **TEMPORARY RULES**

Under certain emergency conditions, agencies may issue temporary rules. Within 24 hours of submission to OAH, the Codifier of Rules must review the agency's written statement of findings of need for the temporary rule pursuant to the provisions in G.S. 150B-21.1. If the Codifier determines that the findings meet the criteria in G.S. 150B-21.1, the rule is entered into the NCAC. If the Codifier determines that the findings do not meet the criteria, the rule is returned to the agency. The agency may supplement its findings and resubmit the temporary rule for an additional review or the agency may respond that it will remain with its initial position. The Codifier, thereafter, will enter the rule into the NCAC. A temporary rule becomes effective either when the Codifier of Rules enters the rule in the Code or on the sixth business day after the agency resubmits the rule without change. The temporary rule is in effect for the period specified in the rule or 180 days, whichever is less. An agency adopting a temporary rule must begin rule-making procedures on the permanent rule at the same time the temporary rule is filed with the Codifier.

### **NORTH CAROLINA ADMINISTRATIVE CODE**

The North Carolina Administrative Code (NCAC) is a compilation and index of the administrative rules of 25 state agencies and 40 occupational licensing boards. Compilation and publication of the NCAC is mandated by G.S. 150B-21.18.

The Code is divided into Titles and Chapters. Each state agency is assigned a separate title which is further broken down by chapters. Title 21 is designated for occupational licensing boards. The NCAC is available in two formats.

- (1) Single pages may be obtained at a minimum cost of two dollars and 50 cents (\$2.50) for 10 pages or less, plus fifteen cents (\$0.15) per each additional page. Requests for pages of rules or volumes of the NCAC should be directed to the Office of Administrative Hearings.
- (2) The full publication and supplement service is printed and distributed by Barclays Law Publishers. It is available in hardcopy, CD-ROM and diskette format. For subscription information, call 1-800-888-3600.

#### § 150B-3. Special provisions on licensing.

(a) When an applicant or a licensee makes a timely and sufficient application for issuance or renewal of a license or occupational license, including the payment of any required license fee, the existing license or occupational license does not expire until a decision on the application is finally made by the agency, and if the application is denied or the terms of the new license or occupational license are limited, until the last day for applying for judicial review of the agency order. This subsection does not affect agency action summarily suspending a license or occupational license under subsections (b) and (c) of this section.

(b) Before the commencement of proceedings for the suspension, revocation, annulment, withdrawal, recall, cancellation, or amendment of any license other than an occupational license, the agency shall give notice to the licensee, pursuant to the provisions of G.S. 150B-23. Before the commencement of such proceedings involving an occupational license, the agency shall give notice pursuant to the provisions of G.S. 150B-38. In either case, the licensee shall be given an opportunity to show compliance with all lawful requirements for retention of the license or occupational license.

(c) If the agency finds that the public health, safety, or welfare requires emergency action and incorporates this finding in its order, summary suspension of a license or occupational license may be ordered effective on the date specified in the order or on service of the certified copy of the order at the last known address of the licensee, whichever is later, and effective during the proceedings. The proceedings shall be promptly commenced and determined.

Nothing in this subsection shall be construed as amending

or repealing any special statutes, in effect prior to February 1, 1976, which provide for the summary suspension of a license.

#### § 150B-4. Declaratory rulings.

(a) On request of a person aggrieved, an agency shall issue a declaratory ruling as to the validity of a rule or as to the applicability to a given state of facts of a statute administered by the agency or of a rule or order of the agency, except when the agency for good cause finds issuance of a ruling undesirable. The agency shall prescribe in its rules the circumstances in which rulings shall or shall not be issued. A declaratory ruling is binding on the agency and the person requesting it unless it is altered or set aside by the court. An agency may not retroactively change a declaratory ruling, but nothing in this section prevents an agency from prospectively changing a declaratory ruling. A declaratory ruling is subject to judicial review in the same manner as an order in a contested case. Failure of the agency to issue a declaratory ruling on the merits within 60 days of the request for such ruling shall constitute a denial of the request as well as a denial of the merits of the request and shall be subject to judicial review.

(b) This section does not apply to the Department of Correction.

Article 2.

Rule Making.

Repealed .

Article 2A.

Rules.

Part 1. General Provisions.

#### § 150B-18. Scope and effect.

This Article applies to an agency's exercise of its authority to adopt a rule. A rule is not valid unless it is adopted in substantial compliance with this Article.

#### § 150B-19. Restrictions on what can be adopted as a rule.

An agency may not adopt a rule that does one or more of the following:

- (1) Implements or interprets a law unless that law or another law specifically authorizes the agency to do so.
- (2) Enlarges the scope of a profession, occupation, or field of endeavor for which an occupational license is required.
- (3) Imposes criminal liability or a civil penalty for an act or omission, including the violation of a rule, unless a law specifically authorizes the agency to do so or a law declares that violation of the rule is a criminal offense or is grounds for a civil penalty.
- (4) Repeats the content of a law, a rule, or a federal regulation.
- (5) Establishes a reasonable fee or other reasonable charge for providing a service in fulfillment of a duty unless a law specifically authorizes the agency to do so or the fee or other charge is for

one of the following:

- a. A service to a State, federal, or local governmental unit.
  - b. A copy of part or all of a State publication or other document, the cost of mailing a document, or both.
  - c. A transcript of a public hearing.
  - d. A conference, workshop, or course.
  - e. Data processing services.
- (6) Allows the agency to waive or modify a requirement set in a rule unless a rule establishes specific guidelines the agency must follow in determining whether to waive or modify the requirement.

#### § 150B-20. Petitioning an agency to adopt a rule.

(a) Petition. -- A person may petition an agency to adopt a rule by submitting to the agency a written rule-making petition requesting the adoption. A person may submit written comments with a rule-making petition. If a rule-making petition requests the agency to create or amend a rule, the person must submit the proposed text of the requested rule change and a statement of the effect of the requested rule change. Each agency must establish by rule the procedure for submitting a rule-making petition to it and the procedure the agency follows in considering a rule-making petition.

(b) Time. -- An agency must grant or deny a rule-making petition submitted to it within 30 days after the date the rule-making petition is submitted, unless the agency is a board or commission. If the agency is a board or commission, it must grant or deny a rule-making petition within 120 days after the date the rule-making petition is submitted.

(c) Action. -- If an agency denies a rule-making petition, it must send the person who submitted the petition a written statement of the reasons for denying the petition. If an agency grants a rule-making petition, it must inform the person who submitted the rule-making petition of its decision and must initiate rule-making proceedings. When an agency grants a rule-making petition requesting the creation or amendment of a rule, the notice of rule making it publishes in the North Carolina Register may state that the agency is initiating rule-making proceedings as the result of a rule-making petition, state the name of the person who submitted the rule-making petition, set out the text of the requested rule change submitted with the rule-making petition, and state whether the agency endorses the proposed rule change.

(d) Review. -- Denial of a rule-making petition is a final agency decision and is subject to judicial review under Article 4 of this Chapter. Failure of an agency to grant or deny a rule-making petition within the time limits set in subsection (b) is a denial of the rule-making petition.

(e) Exception. -- This section does not apply to the Department of Correction.

#### § 150B-21. Agency must designate rule-making coordinator; ~~coordinator~~; duties of coordinator.

(a) Each agency must designate one or more rule-making coordinators to oversee the agency's rule-making functions. The coordinator ~~must prepare notices of public hearings, coordinate access to the agency's rules, and shall~~ serve as the liaison between the agency, other agencies, units of local government, and the public in the rule-making process. The coordinator shall report directly to the agency head.

(b) The rule-making coordinator shall be responsible for the following:

- (1) Preparing notices of public hearings.
- (2) Coordinating access to the agency's rules.
- (3) Screening all proposed rule actions prior to publication in the North Carolina Register to assure that an accurate fiscal note has been completed as required by G.S. 150B-21.4(b).
- (4) Consulting with the North Carolina Association of County Commissioners and the North Carolina League of Municipalities to determine which local governments would be affected by any proposed rule action.
- (5) Providing the North Carolina Association of County Commissioners and the North Carolina League of Municipalities with copies of all fiscal notes required by G.S. 150B-21.4(b), prior to publication in the North Carolina Register of the proposed text of a permanent rule change.

- (1) Attach to the proposed rule a certificate prepared by the rule-making coordinator identifying the federal law requiring adoption of the proposed rule. The certification shall contain a statement setting forth the reasons for why the proposed rule is required by law. #### Part 2. Adoption of Rules.

### § 150B-21.1. Procedure for adopting a temporary rule.

(a) Adoption. -- An agency may adopt a temporary rule without prior notice or hearing or upon any abbreviated notice or hearing the agency finds practical when it finds that adherence to the notice and hearing requirements of this Part would be contrary to the public interest and that the immediate adoption of the rule is required by one or more of the following:

- (1) A serious and unforeseen threat to the public health, safety, or welfare.
- (2) The effective date of a recent act of the General Assembly or the United States Congress.
- (3) A recent change in federal or State budgetary policy.
- (4) A federal regulation.
- (5) A court order.
- (6) The need for the rule to become effective the same date as the State Medical Facilities Plan approved by the Governor, if the rule addresses a matter included in the State Medical Facilities Plan.

An agency must prepare a written statement of its findings of need for a temporary rule. The statement must be signed by the head of the agency adopting the rule.

~~An agency must begin rule making proceedings for a permanent rule by the day it adopts a temporary rule. An agency begins rule making proceedings for a permanent rule by submitting to the Codifier of Rules written notice of its intent to adopt a permanent rule.~~

(b) Review. -- When an agency adopts a temporary rule it must submit the ~~rule~~, rule and the agency's written statement of its findings of the need for the rule, ~~and the notice of intent to adopt a permanent rule~~ to the Codifier of Rules. Within one business day after an agency submits a temporary rule, the Codifier of Rules must review the agency's written statement of findings of need for the rule

to determine whether the statement of need meets the criteria listed in subsection (a). In reviewing the statement, the Codifier of Rules may consider any information submitted by the agency or another person. If the Codifier of Rules finds that the statement meets the criteria, the Codifier of Rules must notify the head of the agency and enter the rule in the North Carolina Administrative Code.

If the Codifier of Rules finds that the statement does not meet the criteria, the Codifier of Rules must immediately notify the head of the agency. The agency may supplement its statement of need with additional findings or submit a new statement. If the agency provides additional findings or submits a new statement, the Codifier of Rules must review the additional findings or new statement within one business day after the agency submits the additional findings or new statement. If the Codifier of Rules again finds that the statement does not meet the criteria listed in subsection (a), the Codifier of Rules must immediately notify the head of the agency.

If an agency decides not to provide additional findings or submit a new statement when notified by the Codifier of Rules that the agency's findings of need for a rule do not meet the required criteria, the agency must notify the Codifier of Rules of its decision. The Codifier of Rules must then enter the rule in the North Carolina Administrative Code on the sixth business day after receiving notice of the agency's decision.

(c) Standing. -- A person aggrieved by a temporary rule adopted by an agency may file an action for declaratory judgment in Wake County Superior Court pursuant to Article 26 of Chapter 1 of the General Statutes. In the action, the court shall determine whether the agency's written statement of findings of need for the rule meets the criteria listed in subsection (a) and whether the rule meets the standards in G.S. 150B-21.9 that apply to review of a permanent rule. The court ~~may~~ shall not grant an *ex parte* temporary restraining order.

Filing a petition for rule making or a request for a declaratory ruling with the agency that adopted the rule is not a prerequisite to filing an action under this subsection. A person who files an action for declaratory judgment under this subsection must serve a copy of the complaint on the agency that adopted the rule being contested, the Codifier of Rules, and the Commission.

(d) Effective Date and Expiration. -- A temporary rule becomes effective on the date specified in G.S. 150B-21.3. A temporary rule expires on the earliest of the following dates:

- (1) The date specified in the rule or 180 days from the date the rule becomes effective, whichever comes first. ~~rule.~~
- (2) The effective date of the permanent rule adopted to replace the temporary rule, if the Commission approves the permanent rule.
- (3) The date the Commission returns to an agency a permanent rule the agency adopted to replace the temporary rule, if the Commission objects to the

permanent rule.

(e) Publication. -- When the Codifier of Rules enters a temporary rule in the North Carolina Administrative Code, the Codifier must publish the rule in the North Carolina Register. Publication of a temporary rule in the North Carolina Register serves as a notice of rule-making proceedings for a permanent rule that does not differ substantially from the published temporary rule.

§ 150B-21.2. Procedure for adopting a permanent rule.

(a) Steps. -- Before an agency adopts a permanent rule, it must take the following actions:

- (1) Publish a notice of rule-making proceedings in the North Carolina Register, unless the proposed rule is substantially the same as a temporary rule published in the North Carolina Register.

- ~~(7) The period of time during which and the person to whom written comments may be submitted on the proposed rule or subject matter of the proposed rule making.~~
- ~~(8) If a fiscal note has been prepared for the proposed rule or will be prepared when a rule is proposed on the subject matter of the proposed rule making, a statement that a copy of the fiscal note can be obtained from the agency.~~

(c) Text After Notice of Rule-Making Proceedings. -- A notice of the proposed text of a rule must include all of the following:

- (1) The text of the proposed rule.
- (2) A short explanation of the reason for the proposed rule.
- (3) A citation to the law that gives the agency the authority to adopt the rule.
- (4) The proposed effective date of the rule.
- (5) The date, time, and place of any public hearing scheduled on the rule.

- (7) The period of time during which and the person to whom written comments may be submitted on the proposed rule.
- (8) If a fiscal note has been prepared for the rule, a statement that a copy of the fiscal note can be obtained from the agency.

An agency shall not publish the proposed text of a rule until at least 60 days after the date the notice of rule-making proceedings for the proposed rule was published in the North Carolina Register.

(b) (d) Mailing List. -- An agency must maintain a mailing

list of persons who have requested notice of rule making. When an agency publishes a ~~rule-making notice~~ in the North Carolina Register, Register a notice of rule-making proceedings or the text of a proposed rule, it must mail a copy of the notice or text to each person on the mailing list who has requested notice of rule-making proceedings on the ~~rule or the subject matter for rule-making~~ described in the ~~notice, notice or the rule affected~~. An agency may charge an annual fee to each person on the agency's mailing list to cover copying and mailing costs.

(e) ~~(e) Hearing.~~ -- An agency must hold a public hearing on a rule it proposes to adopt ~~in two circumstances and may hold a public hearing in other circumstances.~~ When an agency is required to hold a public hearing on a proposed rule or decides to hold a public hearing on a proposed rule when it is not required to do so, ~~the agency must publish in the North Carolina Register a notice of the date, time, and place of the public hearing.~~ The hearing date of a public hearing held after the agency publishes notice of the hearing in the North Carolina Register must be at least 15 days after the date the notice is published.

~~An agency must hold a public hearing on a rule it proposes to adopt in the following two circumstances:~~

- (1) ~~The agency publishes a statement of the subject matter of the proposed rule making in the notice in the North Carolina Register.~~
- (2) ~~The if the agency publishes the text of the proposed rule in the notice in the North Carolina Register and all the following apply:~~
  - a. (1) The notice of rule-making proceedings does not schedule a public hearing on the proposed rule.
  - b. (2) ~~Within 15 days after the notice is published, the~~ The agency receives a written request for a public hearing on the proposed rule. rule within 15 days after the notice of rule-making proceedings is published.

  - d. (3) The proposed text is not a changed version of proposed text the agency previously published in the course of rule-making proceedings but did not adopt.

An agency may hold a public hearing on a proposed rule in other circumstances. When an agency is required to hold a public hearing on a proposed rule or decides to hold a public hearing on a proposed rule when it is not required to do so, the agency must publish in the North Carolina Register a notice of the date, time, and place of the public hearing. The hearing date of a public hearing held after the agency publishes notice of the hearing in the North Carolina Register must be at least 15 days after the date the notice is published.

~~(d) Text After Subject Matter Notice.~~ When an agency publishes notice of the subject matter of proposed rule

making in the North Carolina Register, it must subsequently ~~publish in the North Carolina Register the text of the rule it proposes to adopt as a result of the public hearing and of any comments received on the subject matter.~~ An agency may not publish the proposed text of a rule for which it published a subject matter notice before the public hearing on the subject matter.

(e) ~~(f) Comments.~~ -- An agency must accept comments on a notice of proposed rule-making proceedings published in the North Carolina Register until the text of the proposed rule that results from the notice is published. An agency must accept comments on the text of a proposed rule that is published in the North Carolina Register and that requires a fiscal note under G.S. 150B-21.4(b1) for at least 60 days after the text is published or until the date of any public hearing held on the proposed rule, whichever is longer. An agency must accept comments on the text of a any other proposed rule published in the North Carolina Register for at least 30 days after the text is published or until the date of any public hearing held on the proposed rule, whichever is longer. ~~An agency must accept comments on a statement of the subject matter of proposed rule making until the public hearing on the subject matter.~~ An agency must consider fully all written and oral comments received.

(f) ~~(g) Adoption.~~ -- An agency ~~may~~ shall not adopt a rule until the time for commenting on the proposed text of the rule has elapsed and ~~may~~ shall not adopt a rule if more than 12 months have elapsed since the end of the time for commenting on the proposed text of the rule. An agency ~~may~~ shall not adopt a rule that differs substantially from the text of a proposed rule published in the North Carolina Register unless the agency publishes the text of the proposed different rule in the North Carolina Register and accepts comments on the proposed different rule for the time set in subsection ~~(e).~~ (f) of this section.

An adopted rule differs substantially from a proposed rule if it does one or more of the following:

- (1) Affects the interests of persons who, based on either the notice published in the North Carolina Register of rule-making proceedings or the proposed text of the rule, rule published in the North Carolina Register, could not reasonably have determined that the rule would affect their interests.
- (2) Addresses a subject matter or an issue that is not addressed in the proposed text of the rule.
- (3) Produces an effect that could not reasonably have been expected based on the proposed text of the rule.

When an agency adopts a rule, it ~~may~~ shall not take subsequent action on the rule without following the procedures in this Part.

~~(g) (h) Explanation.~~ -- An agency must issue a concise written statement explaining why the agency adopted a rule if, within 30 days after the agency adopts the rule, a person asks the agency to do so. The explanation must state the principal reasons for and against adopting the rule and must

discuss why the agency rejected any arguments made or considerations urged against the adoption of the rule.

(h) (i) Record. -- An agency must keep a record of a rule-making proceeding. The record must include all written comments received, a transcript or recording of any public hearing held on the rule, and any written explanation made by the agency for adopting the rule.

§ 150B-21.3. Effective date of rules.

(a) Temporary Rule. -- A temporary rule becomes effective on the date the Codifier of Rules enters the rule in the North Carolina Administrative Code.

(b) Permanent Rule. -- A permanent rule approved by the Commission becomes effective ~~five business days after the Commission delivers the rule to the Codifier of Rules, unless the agency adopting the rule specifies a later effective date. If the agency specifies a later effective date, the rule becomes effective on that date.~~ on the thirty-first legislative day of the next regular session of the General Assembly that begins at least 25 days after the date the Commission approved the rule, unless a later effective date applies under this subsection. If a bill that specifically disapproves the rule is introduced in either house of the General Assembly before the thirty-first legislative day of that session, the rule becomes effective on the earlier of either the day an unfavorable final action is taken on the bill or the day that session of the General Assembly adjourns without ratifying a bill that specifically disapproves the rule. If the agency adopting the rule specifies a later effective date than the date that would otherwise apply under this subsection, the later date applies. A permanent rule that is not approved by the Commission ~~becomes effective five business days after the agency adopting the rule delivers the rule to the Codifier of Rules, unless the agency adopting the rule specifies a later effective date. If the agency specifies a later effective date, the rule becomes effective on that date.~~ or that is specifically disapproved by a bill ratified by the General Assembly before it becomes effective does not become effective.

A bill specifically disapproves a rule if it contains a provision that refers to the rule by appropriate North Carolina Administrative Code citation and states that the rule is disapproved. Notwithstanding any rule of either house of the General Assembly, any member of the General Assembly may introduce a bill during the first 30 legislative days of any regular session to disapprove a rule that has been approved by the Commission and that either has not become effective or has become effective by executive order under subsection (c) of this section.

(c) Executive Order Exception. -- The Governor may, by executive order, make effective a permanent rule that has been approved by the Commission and has not become effective under subsection (b) of this section upon finding that it is necessary that the rule become effective in order to protect public health, safety, or welfare. A rule made effective by executive order becomes effective on the date the order is issued or at a later date specified in the order. When the Codifier of Rules enters in the North Carolina

Administrative Code a rule made effective by executive order, the entry must reflect this action.

A rule that is made effective by executive order remains in effect unless it is specifically disapproved by the General Assembly in a bill ratified on or before the day of adjournment of the regular session of the General Assembly that begins at least 25 days after the date the executive order is issued. A rule that is made effective by executive order and that is specifically disapproved by a bill ratified by the General Assembly is repealed as of the date specified in the bill. If a rule that is made effective by executive order is not specifically disapproved by a bill ratified by the General Assembly within the time set by this subsection, the Codifier of Rules must note this in the North Carolina Administrative Code.

(d) Legislative Day and Day of Adjournment. -- As used in this section:

- (1) A 'legislative day' is a day on which either house of the General Assembly convenes in a regular session.
- (2) The 'day of adjournment' of a regular session held in an odd-numbered year is the day the General Assembly adjourns by joint resolution for more than 10 days.
- (3) The 'day of adjournment' of a regular session held in an even-numbered year is the day the General Assembly adjourns sine die.

(e) (e) OSHA Standard. -- A permanent rule concerning an occupational safety and health standard that is adopted by the Occupational Safety and Health Division of the Department of Labor and is identical to a federal regulation promulgated by the Secretary of the United States Department of Labor becomes effective on the date the Division delivers the rule to the Codifier of Rules, unless the Division specifies a later effective date. If the Division specifies a later effective date, the rule becomes effective on that date.

§ 150B-21.4. Fiscal notes on rules.

(a) State Funds. -- Before an agency publishes in the North Carolina Register the proposed text of a permanent rule change that would require the expenditure or distribution of funds subject to the Executive Budget Act, Article 1 of Chapter 143, it must submit the text of the proposed rule change and a fiscal note on the proposed rule change to the Director of the Budget and obtain certification from the Director that the funds that would be required by the proposed rule change are available. The fiscal note must state the amount of funds that would be expended or distributed as a result of the proposed rule change and explain how the amount was computed. The Director of the Budget must certify a proposed rule change if funds are available to cover the expenditure or distribution required by the proposed rule change.

(b) Local Funds. -- Before an agency publishes in the North Carolina Register the proposed text of a permanent rule change that would affect the expenditures or revenues of a unit of local government, it must submit the text of the

proposed rule change and a fiscal note on the proposed rule change to the Office of the Governor as provided by G.S. 150B-21.26, the Fiscal Research Division of the General Assembly, the Office of State Budget and Management, the North Carolina Association of County Commissioners, and the North Carolina League of Municipalities. The fiscal note must state the amount by which the proposed rule change would increase or decrease expenditures or revenues of a unit of local government and must explain how the amount was computed.

(b1) Substantial Economic Impact. -- Before an agency publishes in the North Carolina Register the proposed text of a permanent rule change that would have a substantial economic impact and that is not identical to a federal regulation that the agency is required to adopt, the agency must obtain a fiscal note for the proposed rule change from the Office of State Budget and Management or prepare a fiscal note for the proposed rule change and have the note approved by that Office. If an agency requests the Office of State Budget and Management to prepare a fiscal note for a proposed rule change, that Office must prepare the note within 90 days after receiving a written request for the note. If the Office of State Budget and Management fails to prepare a fiscal note within this time period, the agency proposing the rule change may prepare a fiscal note. A fiscal note prepared in this circumstance does not require approval of the Office of State Budget and Management.

If an agency prepares the required fiscal note, the agency must submit the note to the Office of State Budget and Management for review. The Office of State Budget and Management must review the fiscal note within 14 days after it is submitted and either approve the note or inform the agency in writing of the reasons why it does not approve the fiscal note. After addressing these reasons, the agency may submit the revised fiscal note to that Office for its review. If an agency is not sure whether a proposed rule change would have a substantial economic impact, the agency may ask the Office of State Budget and Management to determine whether the proposed rule change has a substantial economic impact.

As used in this subsection, the term 'substantial economic impact' means an aggregate financial impact on all persons affected of at least five million dollars (\$5,000,000) in a 12-month period.

(b2) Content. -- A fiscal note required by subsection (b1) of this section must contain the following:

- (1) A description of the persons who would be affected by the proposed rule change.
  - (2) A description of the types of expenditures that persons affected by the proposed rule change would have to make to comply with the rule and an estimate of these expenditures.
  - (3) A description of the purpose and benefits of the proposed rule change.
  - (4) An explanation of how the estimate of expenditures was computed.
- (c) Errors. -- An erroneous fiscal note prepared in good

faith does not affect the validity of a rule.

**§ 150B-21.5. Circumstances when notice and rule-making hearing not required.**

(a) Amendment. -- An agency is not required to publish a notice of rule making in the North Carolina Register or hold a public hearing when it proposes to amend a rule, without changing the substance of the rule, to do one of the following:

- (1) Reletter or renumber the rule or subparts of the rule.
- (2) Substitute one name for another when an organization or position is renamed.
- (3) Correct a citation in the rule to another rule or law when the citation has become inaccurate since the rule was adopted because of the repeal or renumbering of the cited rule or law.
- (4) Change information that is readily available to the public, such as an address or a telephone number.
- (5) Correct a typographical error made in entering the rule in the North Carolina Administrative Code.
- (6) Change a rule in response to a request or an objection by the Commission.

(b) Repeal. -- An agency is not required to publish a notice of rule making in the North Carolina Register or hold a public hearing when it proposes to repeal a rule as a result of any of the following:

- (1) The law under which the rule was adopted is repealed.
- (2) The law under which the rule was adopted or the rule itself is declared unconstitutional.
- (3) The rule is declared to be in excess of the agency's statutory authority.

(c) OSHA Standard. -- The Occupational Safety and Health Division of the Department of Labor is not required to publish a notice of rule making in the North Carolina Register or hold a public hearing when it proposes to adopt a rule that concerns an occupational safety and health standard and is identical to a federal regulation promulgated by the Secretary of the United States Department of Labor. The Occupational Safety and Health Division is not required to submit to the Commission for review a rule for which notice and hearing is not required under this subsection.

**§ 150B-21.6. Incorporating material in a rule by reference.**

An agency may incorporate the following material by reference in a rule without repeating the text of the referenced material:

- (1) Another rule or part of a rule adopted by the agency.
- (2) All or part of a code, standard, or regulation adopted by another agency, the federal government, or a generally recognized organization or association.
- (3) Material adopted to meet a requirement of the federal government.

In incorporating material by reference, the agency must designate in the rule whether or not the incorporation includes subsequent amendments and editions of the referenced material. The agency can change this designation only by a subsequent rule-making proceeding. The agency must have copies of the incorporated material available for inspection and must specify in the rule both where copies of the material can be obtained and the cost on the date the rule is adopted of a copy of the material.

A statement in a rule that a rule incorporates material by reference in accordance with former G.S. 150B-14(b) is a statement that the rule does not include subsequent amendments and editions of the referenced material. A statement in a rule that a rule incorporates material by reference in accordance with former G.S. 150B-14(c) is a statement that the rule includes subsequent amendments and editions of the referenced material.

**§ 150B-21.7. Effect of transfer of duties or termination of agency on rules.**

When a law that authorizes an agency to adopt a rule is repealed and another law gives the same or another agency substantially the same authority to adopt a rule, the rule remains in effect until the agency amends or repeals the rule. When a law that authorizes an agency to adopt a rule is repealed and another law does not give the same or another agency substantially the same authority to adopt a rule, a rule adopted under the repealed law is repealed as of the date the law is repealed.

When an executive order abolishes part or all of an agency and transfers a function of that agency to another agency, a rule concerning the transferred function remains in effect until the agency to which the function is transferred amends or repeals the rule. When an executive order abolishes part or all of an agency and does not transfer a function of that agency to another agency, a rule concerning a function abolished by the executive order is repealed as of the effective date of the executive order.

The Director of Fiscal Research of the General Assembly must notify the Codifier of Rules when a rule is repealed under this section. When notified of a rule repealed under this section, the Codifier of Rules must enter the repeal of the rule in the North Carolina Administrative Code.

**Part 3. Review by Commission.**

**§ 150B-21.8. Review of rule by Commission.**

(a) Temporary Rule. -- The Commission does not review a temporary rule.

(b) Permanent Rule. -- An agency must submit a permanent rule adopted by it to the Commission before the rule can be included in the North Carolina Administrative Code. The Commission reviews a permanent rule in accordance with the standards in G.S. 150B-21.9 and follows the procedure in this Part in its review of a permanent rule.

(c) Scope. -- When the Commission reviews an amendment to a rule, it may review the entire rule that is being amended. The procedure in G.S. 150B-21.12 applies when the Commission objects to a part of a rule that is

within its scope of review but is not changed by a rule amendment.

**§ 150B-21.9. Standards and timetable for review by Commission.**

(a) Standards. -- The Commission must determine whether a rule meets all of the following criteria:

- (1) It is within the authority delegated to the agency by the General Assembly.
- (2) It is clear and unambiguous.
- (3) It is reasonably necessary to fulfill a duty delegated to the agency by the General Assembly. Assembly, when considered in light of the cumulative effect of all rules adopted by the agency related to the specific purpose for which the rule is proposed and the legislative intent of the General Assembly in delegating the duty.

The Commission may determine if a rule submitted to it was adopted in accordance with Part 2 of this Article. The Commission may ask the Office of State Budget and Management to determine if a rule has a substantial economic impact and is therefore required to have a fiscal note. The Commission must ask the Office of State Budget and Management to make this determination if a fiscal note was not prepared for a rule and the Commission receives a written request for a determination of whether the rule has a substantial economic impact.

The Commission must notify the agency that adopted the rule if it determines that a rule was not adopted in accordance with Part 2 of this Article and must return the rule to the agency. Entry of a rule in the North Carolina Administrative Code after review by the Commission is conclusive evidence that the rule was adopted in accordance with Part 2 of this Article.

(b) Timetable. -- The Commission must review a rule submitted to it on or before the twentieth of a month by the last day of the next month. The Commission must review a rule submitted to it after the twentieth of a month by the last day of the second subsequent month.

**§ 150B-21.10. Commission action on permanent rule.**

At the first meeting at which a permanent rule is before the Commission for review, the Commission must take one of the following actions:

- (1) Approve the rule, if the Commission determines that the rule meets the standards for review.
- (2) Object to the rule, if the Commission determines that the rule does not meet the standards for review.
- (3) Extend the period for reviewing the rule, if the Commission determines it needs additional information on the rule to be able to decide whether the rule meets the standards for review.

In reviewing a new rule or an amendment to an existing rule, the Commission may request an agency to make technical changes to the rule and may condition its approval of the rule on the agency's making the requested technical changes.

**§ 150B-21.11. Procedure when Commission approves permanent rule.**

When the Commission approves a permanent rule, it must notify the agency that adopted the rule of the Commission's approval and must approval, deliver the approved rule to the Codifier of Rules. Rules, and include the text of the approved rule and a summary of the rule in its next report to the Joint Legislative Administrative Procedure Oversight Committee. The Commission must deliver an approved rule by the end of the month in which the Commission approved the rule, unless the agency asks the Commission to delay the delivery of the rule.

If the approved rule will increase or decrease expenditures or revenues of a unit of local government, the Commission must also notify the Governor of the Commission's approval of the rule and deliver a copy of the approved rule to the Governor by the end of the month in which the Commission approved the rule.

**§ 150B-21.12. Procedure when Commission objects to a permanent rule.**

(a) Action. -- When the Commission objects to a permanent rule, it must send the agency that adopted the rule a written statement of the objection and the reason for the objection. The agency that adopted the rule must take one of the following actions:

- (1) Change the rule to satisfy the Commission's objection and submit the revised rule to the Commission.
- (2) Submit a written response to the Commission indicating that the agency has decided not to change the rule.

(b) Time Limit. -- An agency that is not a board or commission must take one of ~~these~~ the actions listed in subsection (a) of this section within 30 days after receiving the Commission's statement of objection. A board or commission must take one of these actions within 30 days after receiving the Commission's statement of objection or within 10 days after the board or commission's next regularly scheduled meeting, whichever comes later.

(c) Changes. -- When an agency changes a rule in response to an objection by the Commission, the Commission must determine whether the change satisfies the Commission's objection. If it does, the Commission must approve the rule. If it does not, the Commission must send the agency a written statement of the Commission's continued objection and the reason for the continued objection.

(d) Return of Rule. -- A rule to which the Commission has objected remains under review by the Commission until the agency that adopted the rule decides not to satisfy the Commission's objection and makes a written request to the Commission to return the rule to the agency. When the Commission returns a rule to which it has objected, it ~~may send to the President of the Senate and each member of the General Assembly a report of its objection to the rule. must~~ notify the Codifier of Rules of its action and must send a copy of the record of the Commission's review of the rule

to the Joint Legislative Administrative Procedure Oversight Committee in its next report to that Committee. If the rule that is returned would have increased or decreased expenditures or revenues of a unit of local government, the Commission must also notify the Governor of its action and must send a copy of the record of the Commission's review of the rule to the Governor. The record of review consists of the rule, the Commission's letter of objection to the rule, the agency's written response to the Commission's letter, and any other relevant documents before the Commission when it decided to object to the rule.

(b) Entry in Code. -- When the Commission returns a rule to which it has objected to the agency that adopted the rule, the Commission must notify the Codifier of Rules of its action and of the basis of the Commission's objection. An agency whose rule is returned may file the rule with the Codifier of Rules. When the Codifier of Rules enters in the North Carolina Administrative Code a rule to which the Commission objected, the entry must reflect the Commission's objection and must state the standard on which the Commission based its objection.

**§ 150B-21.13. Procedure when Commission extends period for review of permanent rule.**

When the Commission extends the period for review of a permanent rule, it must notify the agency that adopted the rule of the extension and the reason for the extension. After the Commission extends the period for review of a rule, it may call a public hearing on the rule. Within 70 days after extending the period for review of a rule, the Commission must decide whether to approve the rule, object to the rule, or call a public hearing on the rule.

**§ 150B-21.14. Public hearing on a rule.**

The Commission may call a public hearing on a rule when it extends the period for review of the rule. At the request of an agency, the Commission may call a public hearing on a rule that is not before it for review. Calling a public hearing on a rule not already before the Commission for review places the rule before the Commission for review. When the Commission decides to call a public hearing on a rule, it must publish notice of the public hearing in the North Carolina Register.

After a public hearing on a rule, the Commission must approve the rule or object to the rule in accordance with the standards and procedures in this Part. The Commission must make its decision of whether to approve or object to the rule within 70 days after the public hearing.

**~~§ 150B-21.15. Declaratory judgment action authorized when Commission objects to a permanent rule.~~**

~~(a) Standing. -- A person aggrieved by a permanent rule entered in the North Carolina Administrative Code with an objection by the Commission based on a lack of statutory authority may file an action for declaratory judgment in Wake County Superior Court pursuant to Article 26 of Chapter 1 of the General Statutes. In the action, the court shall determine whether the agency exceeded its authority in adopting the rule.~~

~~—A declaratory judgment action under this section must be~~

~~filed within 90 days after the rule that is the subject of the action is entered in the Code. Filing a petition for rule making or a request for a declaratory ruling with the agency that adopted the rule is not a prerequisite to filing an action under this section. A person who files an action for declaratory judgment under this section must serve a copy of the complaint on the agency that adopted the rule being contested, the Codifier of Rules, and the Commission.~~

~~(b) Record. Within 10 days after a declaratory judgment action is filed under this section, the agency that adopted the rule that is the subject of the action must send to the court the original or a certified copy of the record in the Commission's review of the rule. The record consists of the rule, the Commission's letter of objection to the rule, the agency's written response to the Commission's letter, and any other relevant documents before the Commission when it decided to object to the rule.~~

~~(c) Effect. A rule remains in effect during the pendency of an action for declaratory judgment under this section unless the court suspends the rule after finding that the agency that adopted the rule has no substantial likelihood of prevailing in the action.~~

~~(d) Changes. While a rule is the subject of a declaratory judgment action under this section, the agency that adopted the rule may submit to the Commission changes in the rule to satisfy the Commission's objection. If the Commission determines that changes submitted to it satisfy its objection, the Commission must accept the changes and file the revised rule with the Codifier of Rules. The Codifier must then enter the rule in the North Carolina Administrative Code. When the Commission determines that changes submitted to it satisfy its objection, the agency that submitted the changes must notify the court of the changes and of the Commission's action.~~

#### **§ 150B-21.16. Report to Joint Legislative Administrative Procedure Oversight Committee.**

The Commission must make monthly reports to the Joint Legislative Administrative Procedure Oversight Committee. The reports are due by the last day of the month. A report must include the rules approved by the Commission at its meeting held in the month in which the report is due and the rules the Commission returned to agencies during that month after the Commission objected to the rule. A report must include any other information requested by the Joint Legislative Administrative Procedure Oversight Committee. When the Commission sends a report to the Joint Legislative Administrative Procedure Oversight Committee, the Commission must send a copy of the report to the Codifier of Rules.

Part 4. Publication of Code and Register.

#### **§ 150B-21.17. North Carolina Register.**

(a) Content. -- The Codifier of Rules must publish the North Carolina Register. The North Carolina Register must be published at least two times a month and must contain the following:

- (1) Temporary rules entered in the North Carolina Administrative Code.

(1) (1a) Notices of proposed—adoptions rule-making proceedings, the text of rules—proposed rules, and the text of permanent rules approved by the Commission.

- (2) Notices of receipt of a petition for municipal incorporation, as required by G.S. 120-165.
- (3) Executive orders of the Governor.
- (4) Final decision letters from the United States Attorney General concerning changes in laws that affect voting in a jurisdiction subject to § 5 of the Voting Rights Act of 1965, as required by G.S. 120-30.9H.

- (6) Other information the Codifier determines to be helpful to the public.

(b) Form. -- When an agency publishes notice in the North Carolina Register of the proposed text of a new rule, the Codifier of Rules must publish the complete text of the proposed new rule. In publishing the text of a proposed new rule, the Codifier must indicate the rule is new by underlining the proposed text of the rule.

When an agency publishes notice in the North Carolina Register of the proposed text of an amendment to an existing rule, the Codifier must publish the complete text of the rule that is being amended unless the Codifier determines that publication of the complete text of the rule being amended is not necessary to enable the reader to understand the proposed amendment. In publishing the text of a proposed amendment to a rule, the Codifier must indicate deleted text with overstrikes and added text with underlines.

When an agency publishes notice in the North Carolina Register of the proposed repeal of an existing rule, the Codifier must publish the complete text of the rule the agency proposes to repeal unless the Codifier determines that publication of the complete text is impractical. In publishing the text of a rule the agency proposes to repeal, the Codifier must indicate the rule is to be repealed.

#### **§ 150B-21.18. North Carolina Administrative Code.**

The Codifier of Rules must compile all rules into a Code known as the North Carolina Administrative Code. The format and indexing of the Code must conform as nearly as practical to the format and indexing of the North Carolina General Statutes. The Codifier must publish printed copies of the Code and may publish the Code in other forms. The Codifier must keep the Code current by publishing the Code in a loose-leaf format and periodically providing new pages to be substituted for outdated pages, by publishing the Code in volumes and periodically publishing cumulative supplements, or by another means. The Codifier may authorize and license the private indexing, marketing, sales, reproduction, and distribution of the Code. The Codifier must keep superseded rules.

#### **§ 150B-21.19. Requirements for including rule in Code.**

To be acceptable for inclusion in the North Carolina

Administrative Code, a rule must:

- (1) Cite the law under which the rule is adopted.
- (2) Be signed by the head of the agency or the rule-making coordinator for the agency that adopted the rule.
- (3) Be in the physical form specified by the Codifier of Rules.
- (4) Have been reviewed approved by the Commission, if the rule is a permanent rule.

**§ 150B-21.20. Codifier's authority to revise form of rules.**

(a) Authority. -- After consulting with the agency that adopted the rule, the Codifier of Rules may revise the form of a rule submitted for inclusion in the North Carolina Administrative Code within 10 business days after the rule is submitted to do one or more of the following:

- (1) Rearrange the order of the rule in the Code or the order of the subsections, subdivisions, or other subparts of the rule.
- (2) Provide a catch line or heading for the rule or revise the catch line or heading of the rule.
- (3) Reletter or renumber the rule or the subparts of the rule in accordance with a uniform system.
- (4) Rearrange definitions and lists.
- (5) Make other changes in arrangement or in form that do not change the substance of the rule and are necessary or desirable for a clear and orderly arrangement of the rule.

(b) Effect. -- Revision of a rule by the Codifier of Rules under this section does not affect the effective date of the rule or require the agency to readopt or resubmit the rule. When the Codifier of Rules revises the form of a rule, the Codifier of Rules must send the agency that adopted the rule a copy of the revised rule. The revised rule is the official rule.

**§ 150B-21.21. Publication of rules of North Carolina State Bar and exempt agencies.**

(a) State Bar. -- The North Carolina State Bar must submit a rule adopted or approved by it and entered in the minutes of the North Carolina Supreme Court to the Codifier of Rules for inclusion in the North Carolina Administrative Code. The State Bar must submit a rule within 15 days after it is entered in the minutes of the Supreme Court. The Codifier of Rules must compile, make available for public inspection, and publish a rule included in the North Carolina Administrative Code under this subsection in the same manner as other rules in the Code.

(b) Exempt Agencies. -- Notwithstanding G.S. 150B-1, the North Carolina Utilities Commission must submit to the Codifier of Rules those rules of the Utilities Commission that are published from time to time in the publication titled "North Carolina Utilities Laws and Regulations." The Utilities Commission must submit a rule required to be included in the Code within 15 days after it is adopted. The Codifier of Rules must publish the rules submitted by the Utilities Commission in the North Carolina Administrative Code in the same format as they are submitted.

Notwithstanding G.S. 150B-1, an agency other than the Utilities Commission that is exempted from this Article by that statute must submit a temporary or permanent rule adopted by it to the Codifier of Rules for inclusion in the North Carolina Administrative Code. One of these exempt agencies must submit a rule to the Codifier of Rules within 15 days after it adopts the rule. The Codifier of Rules must compile, make available for public inspection, and publish a rule of one of these agencies in the North Carolina Administrative Code in the same manner as other rules in the Code.

**§ 150B-21.22. Effect of inclusion in Code.**

Official or judicial notice can be taken of a rule in the North Carolina Administrative Code and shall be taken when appropriate. Codification of a rule in the North Carolina Administrative Code is *prima facie* evidence of compliance with this Article.

**§ 150B-21.23. Rule publication manual.**

The Codifier of Rules must publish a manual that sets out the form and method for publishing a notice of rule making in the North Carolina Register and for filing a rule in the North Carolina Administrative Code.

**§ 150B-21.24. Free copies of Register and Code.**

(a) Register. -- The Codifier of Rules must distribute copies of the North Carolina Register as soon after publication as practical, without charge, to the following:

- (1) A person who receives a free copy of the North Carolina Administrative Code.

(b) Code. -- The Codifier of Rules must distribute copies of the North Carolina Administrative Code as soon after publication as practical, without charge, to the following:

- (9) Five copies to the Division of State Library of the Department of Cultural Resources pursuant to G.S. 125-11.7.

**§ 150B-21.25. Paid copies of Register and Code.**

A person who is not entitled to a free copy of the North Carolina Administrative Code or North Carolina Register may obtain a copy by paying a fee set by the Codifier of Rules. The Codifier must set separate fees for the North Carolina Register and the North Carolina Administrative Code in amounts that cover publication, copying, and mailing costs. All monies received under this section must be credited to the General Fund.

**Part 5. Rules Affecting Local Governments.**

**§ 150B-21.26. Governor to conduct preliminary review of certain administrative rules.**

(a) Preliminary Review. -- At least 30 days before an agency publishes in the North Carolina Register the proposed text of a permanent rule change that would affect the expenditures or revenues of a unit of local government, the agency must submit all of the following to the Governor for preliminary review:

- (1) The text of the proposed rule change.
- (2) A short explanation of the reason for the proposed change.
- (3) A fiscal note stating the amount by which the proposed rule change would increase or decrease expenditures or revenues of a unit of local government and explaining how the amount was computed.

(b) Scope. -- The Governor's preliminary review of a proposed permanent rule change that would affect the expenditures or revenues of a unit of local government shall include consideration of the following:

- (1) The agency's explanation of the reason for the proposed change.
- (2) Any unanticipated effects of the proposed change on local government budgets.
- (3) The potential costs of the proposed change weighed against the potential risks to the public of not taking the proposed change.

**§ 150B-21.27. Minimizing the effects of rules on local budgets.**

In adopting permanent rules that would increase or decrease the expenditures or revenues of a unit of local government, the agency shall consider the timing for implementation of the proposed rule as part of the preparation of the fiscal note required by G.S. 150B-21.4(b). If the computation of costs in a fiscal note indicates that the proposed rule change will disrupt the budget process as set out in the Local Government Budget and Fiscal Control Act, Article 3 of Chapter 159 of the General Statutes, the agency shall specify the effective date of the change as July 1 following the date the change would otherwise become effective under G.S. 150B-21.3.

**§ 150B-21.28. Role of the Office of State Budget and Management.**

The Office of State Budget and Management shall:

- (1) Compile an annual summary of the projected fiscal impact on units of local government of State administrative rules adopted during the preceding fiscal year.

**Article 3.**

**Administrative Hearings.**

**§ 150B-22. Settlement; contested case.**

It is the policy of this State that any dispute between an agency and another person that involves the person's rights, duties, or privileges, including licensing or the levy of a monetary penalty, should be settled through informal procedures. In trying to reach a settlement through informal procedures, the agency may not conduct a proceeding at which sworn testimony is taken and witnesses may be cross-examined. If the agency and the other person do not agree to a resolution of the dispute through informal procedures, either the agency or the person may commence an administrative proceeding to determine the person's rights, duties, or privileges, at which time the dispute becomes a "contested case."

**§ 150B-23. Commencement; assignment of administrative law judge; hearing required; notice; intervention.**

(a) A contested case shall be commenced by filing a petition with the Office of Administrative Hearings and, except as provided in Article 3A of this Chapter, shall be conducted by that Office. The party who files the petition shall serve a copy of the petition on all other parties and, if the dispute concerns a license, the person who holds the license. A party who files a petition shall file a certificate of service together with the petition. A petition shall be signed by a party or a representative of the party and, if filed by a party other than an agency, shall state facts tending to establish that the agency named as the respondent has deprived the petitioner of property, has ordered the petitioner to pay a fine or civil penalty, or has otherwise substantially prejudiced the petitioner's rights and that the agency:

- (1) Exceeded its authority or jurisdiction;
- (2) Acted erroneously;
- (3) Failed to use proper procedure;
- (4) Acted arbitrarily or capriciously; or
- (5) Failed to act as required by law or rule.

The parties in a contested case shall be given an opportunity for a hearing without undue delay. Any person aggrieved may commence a contested case hereunder.

A local government employee, applicant for employment, or former employee to whom Chapter 126 of the General Statutes applies may commence a contested case under this Article in the same manner as any other petitioner. The case shall be conducted in the same manner as other contested cases under this Article, except that the State

Personnel Commission shall enter final decisions only in cases in which it is found that the employee, applicant, or former employee has been subjected to discrimination prohibited by Article 6 of Chapter 126 of the General Statutes or in any case where a binding decision is required by applicable federal standards. In these cases, the State Personnel Commission's decision shall be binding on the local appointing authority. In all other cases, the final decision shall be made by the applicable appointing authority.

(a1) Repealed by Session Laws 1985 (Reg. Sess., 1986), c. 1022, s. 1(9).

(a2) An administrative law judge assigned to a contested case may require a party to the case to file a prehearing statement. A party's prehearing statement must be served on all other parties to the contested case.

(b) The parties to a contested case shall be given a notice of hearing not less than 15 days before the hearing by the Office of Administrative Hearings. If prehearing statements have been filed in the case, the notice shall state the date, hour, and place of the hearing. If prehearing statements have not been filed in the case, the notice shall state the date, hour, place, and nature of the hearing, shall list the particular sections of the statutes and rules involved, and shall give a short and plain statement of the factual allegations.

(c) Notice shall be given personally or by certified mail. If given by certified mail, it shall be deemed to have been given on the delivery date appearing on the return receipt. If giving of notice cannot be accomplished either personally or by certified mail, notice shall then be given in the manner provided in G.S. 1A-1, Rule 4(j1).

(d) Any person may petition to become a party by filing a motion to intervene in the manner provided in G.S. 1A-1, Rule 24. In addition, any person interested in a contested case may intervene and participate in that proceeding to the extent deemed appropriate by the administrative law judge.

(e) All hearings under this Chapter shall be open to the public. Hearings shall be conducted in an impartial manner. Hearings shall be conducted according to the procedures set out in this Article, except to the extent and in the particulars that specific hearing procedures and time standards are governed by another statute.

(f) Unless another statute or a federal statute or regulation sets a time limitation for the filing of a petition in contested cases against a specified agency, the general limitation for the filing of a petition in a contested case is 60 days. The time limitation, whether established by another statute, federal statute, or federal regulation, or this section, shall commence when notice is given of the agency decision to all persons aggrieved who are known to the agency by personal delivery or by the placing of the notice in an official depository of the United States Postal Service wrapped in a wrapper addressed to the person at the latest address given by the person to the agency. The notice shall be in writing, and shall set forth the agency action, and shall inform the persons of the right, the procedure, and the time limit to file

a contested case petition. When no informal settlement request has been received by the agency prior to issuance of the notice, any subsequent informal settlement request shall not suspend the time limitation for the filing of a petition for a contested case hearing.

#### **§ 150B-23.1. Mediated settlement conferences.**

(a) Purpose. -- This section authorizes a mediation program in the Office of Administrative Hearings in which the chief administrative law judge may require the parties in a contested case to attend a prehearing settlement conference conducted by a mediator. The purpose of the program is to determine whether a system of mediated settlement conferences may make the operation of the Office of Administrative Hearings more efficient, less costly, and more satisfying to the parties.

(b) Definitions. -- The following definitions apply in this section:

- (1) Mediated settlement conference. -- A conference ordered by the chief administrative law judge involving the parties to a contested case and conducted by a mediator prior to a contested case hearing.
- (2) Mediator. -- A neutral person who acts to encourage and facilitate a resolution of a contested case but who does not make a decision on the merits of the contested case.

(c) Conference. -- The chief administrative law judge may order a mediated settlement conference for all or any part of a contested case to which an administrative law judge is assigned to preside. All aspects of the mediated settlement conference shall be conducted in so far as possible in accordance with the rules adopted by the Supreme Court for the court-ordered mediation pilot program under G.S. 7A-38.

(d) Attendance. -- The parties to a contested case in which a mediated settlement conference is ordered, their attorneys, and other persons having authority to settle the parties' claims shall attend the settlement conference unless excused by the presiding administrative law judge.

(e) Mediator. -- The parties shall have the right to stipulate to a mediator. Upon the failure of the parties to agree within a time limit established by the presiding administrative law judge, a mediator shall be appointed by the presiding administrative law judge.

(f) Sanctions. -- Upon failure of a party or a party's attorney to attend a mediated settlement conference ordered under this section, the presiding administrative law judge may impose any sanction authorized by G.S. 150B-33(b)(8) or (10).

(g) Standards. -- Mediators authorized to conduct mediated settlement conferences under this section shall comply with the standards adopted by the Supreme Court for the court-ordered mediation pilot program under G.S. 7A-38.

(h) Immunity. -- A mediator acting pursuant to this section shall have judicial immunity in the same manner and to the same extent as a judge of the General Court of

Justice.

(i) **Costs.** -- Costs of a mediated settlement conference shall be paid one share by the petitioner, one share by the respondent, and an equal share by any intervenor, unless otherwise apportioned by the administrative law judge.

(j) **Inadmissibility of Negotiations.** -- All conduct or communications made during a mediated settlement conference are presumed to be made in compromise negotiations and shall be governed by Rule 408 of the North Carolina Rules of Evidence.

(k) **Right to Hearing.** -- Nothing in this section restricts the right to a contested case hearing.

#### § 150B-24. Venue of hearing.

(a) The hearing of a contested case shall be conducted:

- (1) In the county in this State in which any person whose property or rights are the subject matter of the hearing maintains his residence;
- (2) In the county where the agency maintains its principal office if the property or rights that are the subject matter of the hearing do not affect any person or if the subject matter of the hearing is the property or rights of residents of more than one county; or
- (3) In any county determined by the administrative law judge in his discretion to promote the ends of justice or better serve the convenience of witnesses.

(b) Any person whose property or rights are the subject matter of the hearing waives his objection to venue by proceeding in the hearing.

#### § 150B-25. Conduct of hearing; answer.

(a) If a party fails to appear in a contested case after proper service of notice, and if no adjournment or continuance is granted, the administrative law judge may proceed with the hearing in the absence of the party.

(b) Repealed by Session Laws 1991, c. 35, s. 2, effective October 1, 1991.

(c) The parties shall be given an opportunity to present arguments on issues of law and policy and an opportunity to present evidence on issues of fact.

(d) A party may cross-examine any witness, including the author of a document prepared by, on behalf of, or for use of the agency and offered in evidence. Any party may submit rebuttal evidence.

#### § 150B-26. Consolidation.

When contested cases involving a common question of law or fact or multiple proceedings involving the same or related parties are pending, the Director of the Office of Administrative Hearings may order a joint hearing of any matters at issue in the cases, order the cases consolidated, or make other orders to reduce costs or delay in the proceedings.

#### § 150B-27. Subpoena.

After the commencement of a contested case, subpoenas may be issued and served in accordance with G.S. 1A-1, Rule 45. In addition to the methods of service in G.S. 1A-1, Rule 45, a State law enforcement officer may serve

a subpoena on behalf of an agency that is a party to the contested case by any method by which a sheriff may serve a subpoena under that Rule. Upon a motion, the administrative law judge may quash a subpoena if, upon a hearing, the administrative law judge finds that the evidence the production of which is required does not relate to a matter in issue, the subpoena does not describe with sufficient particularity the evidence the production of which is required, or for any other reason sufficient in law the subpoena may be quashed.

Witness fees shall be paid by the party requesting the subpoena to subpoenaed witnesses in accordance with G.S. 7A-314. However, State officials or employees who are subpoenaed shall not be entitled to witness fees, but they shall receive their normal salary and they shall not be required to take any annual leave for the witness days. Travel expenses of State officials or employees who are subpoenaed shall be reimbursed as provided in G.S. 138-6.

#### § 150B-28. Depositions and discovery.

(a) A deposition may be used in lieu of other evidence when taken in compliance with the Rules of Civil Procedure, G.S. 1A-1. Parties in contested cases may engage in discovery pursuant to the provisions of the Rules of Civil Procedure, G.S. 1A-1.

(b) On a request for identifiable agency records, with respect to material facts involved in a contested case, except records related solely to the internal procedures of the agency or which are exempt from disclosure by law, an agency shall promptly make the records available to a party.

#### § 150B-29. Rules of evidence.

(a) In all contested cases, irrelevant, immaterial and unduly repetitious evidence shall be excluded. Except as otherwise provided, the rules of evidence as applied in the trial division of the General Court of Justice shall be followed; but, when evidence is not reasonably available under the rules to show relevant facts, then the most reliable and substantial evidence available shall be admitted. On the judge's own motion, an administrative law judge may exclude evidence that is inadmissible under this section. It shall not be necessary for a party or his attorney to object at the hearing to evidence in order to preserve the right to object to its consideration by the administrative law judge in making a recommended decision, by the agency in making a final decision, or by the court on judicial review.

(b) Evidence in a contested case, including records and documents, shall be offered and made a part of the record. Factual information or evidence not made a part of the record shall not be considered in the determination of the case, except as permitted under G.S. 150B-30. Documentary evidence may be received in the form of a copy or excerpt or may be incorporated by reference, if the materials so incorporated are available for examination by the parties. Upon timely request, a party shall be given an opportunity to compare the copy with the original if available.

#### § 150B-30. Official notice.

Official notice may be taken of all facts of which judicial

notice may be taken and of other facts within the specialized knowledge of the agency. The noticed fact and its source shall be stated and made known to affected parties at the earliest practicable time, and any party shall on timely request be afforded an opportunity to dispute the noticed fact through submission of evidence and argument.

**§ 150B-31. Stipulations.**

(a) The parties in a contested case may, by a stipulation in writing filed with the administrative law judge, agree upon any fact involved in the controversy, which stipulation shall be used as evidence at the hearing and be binding on the parties thereto. Parties should agree upon facts when practicable.

(b) Except as otherwise provided by law, disposition may be made of a contested case by stipulation, agreed settlement, consent order, waiver, default, or other method agreed upon by the parties.

**§ 150B-32. Designation of administrative law judge.**

(a) The Director of the Office of Administrative Hearings shall assign himself or another administrative law judge to preside over a contested case.

(a1) Repealed by Session Laws 1985 (Reg. Sess., 1986), c. 1022, s. 1 (15), effective July 15, 1986.

(b) On the filing in good faith by a party of a timely and sufficient affidavit of personal bias or disqualification of an administrative law judge, the administrative law judge shall determine the matter as a part of the record in the case, and this determination shall be subject to judicial review at the conclusion of the proceeding.

(c) When an administrative law judge is disqualified or it is impracticable for him to continue the hearing, the Director shall assign another administrative law judge to continue with the case unless it is shown that substantial prejudice to any party will result, in which event a new hearing shall be held or the case dismissed without prejudice.

**§ 150B-33. Powers of administrative law judge.**

(a) An administrative law judge shall stay any contested case under this Article on motion of an agency which is a party to the contested case, if the agency shows by supporting affidavits that it is engaged in other litigation or administrative proceedings, by whatever name called, with or before a federal agency, and this other litigation or administrative proceedings will determine the position, in whole or in part, of the agency in the contested case. At the conclusion of the other litigation or administrative proceedings, the contested case shall proceed and be determined as expeditiously as possible.

(b) An administrative law judge may:

- (1) Administer oaths and affirmations;
- (2) Sign, issue, and rule on subpoenas in accordance with G.S. 150B-27 and G.S. 1A-1, Rule 45;
- (3) Provide for the taking of testimony by deposition and rule on all objections to discovery in accordance with G.S. 1A-1, the Rules of Civil Procedure;
- (3a) Rule on all prehearing motions that are

authorized by G.S. 1A-1, the Rules of Civil Procedure;

- (4) Regulate the course of the hearings, including discovery, set the time and place for continued hearings, and fix the time for filing of briefs and other documents;
- (5) Direct the parties to appear and confer to consider simplification of the issues by consent of the parties;
- (6) Stay the contested action by the agency pending the outcome of the case, upon such terms as he deems proper, and subject to the provisions of G.S. 1A-1, Rule 65;
- (7) Determine whether the hearing shall be recorded by a stenographer or by an electronic device; and
- (8) Enter an order returnable in the General Court of Justice, Superior Court Division, to show cause why the person should not be held in contempt. The Court shall have the power to impose punishment as for contempt for any act which would constitute direct or indirect contempt if the act occurred in an action pending in Superior Court.
- (9) Determine that a rule as applied in a particular case is void because (1) it is not within the statutory authority of the agency, (2) is not clear and unambiguous to persons it is intended to direct, guide, or assist, or (3) is not reasonably necessary to enable the agency to fulfill a duty delegated to it by the General Assembly.
- (10) Impose the sanctions provided for in G.S. 1A-1 or Chapter 3 of Title 26 of the North Carolina Administrative Code for noncompliance with applicable procedural rules.

**§ 150B-34. Recommended decision or order of administrative law judge.**

(a) Except as provided in G.S. 150B-36(c), in each contested case the administrative law judge shall make a recommended decision or order that contains findings of fact and conclusions of law.

(b) Repealed by Session Laws 1991, c. 35, s. 6, effective October 1, 1991.

**§ 150B-35. No ex parte communication; exceptions.**

Unless required for disposition of an ex parte matter authorized by law, neither the administrative law judge assigned to a contested case nor a member or employee of the agency making a final decision in the case may communicate, directly or indirectly, in connection with any issue of fact, or question of law, with any person or party or his representative, except on notice and opportunity for all parties to participate.

**§ 150B-36. Final decision.**

(a) Before the agency makes a final decision, it shall give each party an opportunity to file exceptions to the decision recommended by the administrative law judge, and to present written arguments to those in the agency who will

make the final decision or order. If a party files in good faith a timely and sufficient affidavit of personal bias or other reason for disqualification of a member of the agency making the final decision, the agency shall determine the matter as a part of the record in the case, and the determination is subject to judicial review at the conclusion of the case.

(b) A final decision or order in a contested case shall be made by the agency in writing after review of the official record as defined in G.S. 150B-37(a) and shall include findings of fact and conclusions of law. If the agency does not adopt the administrative law judge's recommended decision as its final decision, the agency shall state in its decision or order the specific reasons why it did not adopt the administrative law judge's recommended decision. The agency may consider only the official record prepared pursuant to G.S. 150B-37 in making a final decision or order, and the final decision or order shall be supported by substantial evidence admissible under G.S. 150B-29(a), 150B-30, or 150B-31. A copy of the decision or order shall be served upon each party personally or by certified mail addressed to the party at the latest address given by the party to the agency, and a copy shall be furnished to his attorney of record and the Office of Administrative Hearings.

(c) The following decisions made by administrative law judges in contested cases are final decisions:

- (1) A determination that the Office of Administrative Hearings lacks jurisdiction.
- (2) An order entered pursuant to the authority in G.S. 7A-759(e).
- (3) An order entered pursuant to a written prehearing motion that either dismisses the contested case for failure of the petitioner to prosecute or grants the relief requested when a party does not comply with procedural requirements.
- (4) An order entered pursuant to a prehearing motion to dismiss the contested case in accordance with G.S. 1A-1, Rule 12(b) when the order disposes of all issues in the contested case.

#### § 150B-37. Official record.

(a) In a contested case, the Office of Administrative Hearings shall prepare an official record of the case that includes:

- (1) Notices, pleadings, motions, and intermediate rulings;
- (2) Questions and offers of proof, objections, and rulings thereon;
- (3) Evidence presented;
- (4) Matters officially noticed, except matters so obvious that a statement of them would serve no useful purpose; and
- (5) Repealed by Session Laws 1987, c. 878, s. 25, effective August 14, 1987.
- (6) The administrative law judge's recommended

decision or order.

(b) Proceedings at which oral evidence is presented shall be recorded, but need not be transcribed unless requested by a party. Each party shall bear the cost of the transcript or part thereof or copy of said transcript or part thereof which said party requests, and said transcript or part thereof shall be added to the official record as an exhibit.

(c) The Office of Administrative Hearings shall forward a copy of the official record to the agency making the final decision and shall forward a copy of the recommended decision to each party.

#### Article 3A.

##### Other Administrative Hearings.

#### § 150B-38. Scope; hearing required; notice; venue.

(a) The provisions of this Article shall apply to the following agencies:

- (1) Occupational licensing agencies;
- (2) The State Banking Commission, the Commissioner of Banks, the Savings Institutions Division of the Department of Commerce, and the Credit Union Division of the Department of Commerce; and
- (3) The Department of Insurance and the Commissioner of Insurance.

(b) Prior to any agency action in a contested case, the agency shall give the parties in the case an opportunity for a hearing without undue delay and notice not less than 15 days before the hearing. Notice to the parties shall include:

- (1) A statement of the date, hour, place, and nature of the hearing;
- (2) A reference to the particular sections of the statutes and rules involved; and
- (3) A short and plain statement of the facts alleged.

(c) Notice shall be given personally or by certified mail. If given by certified mail, notice shall be deemed to have been given on the delivery date appearing on the return receipt. If notice cannot be given personally or by certified mail, then notice shall be given in the manner provided in G.S. 1A-1, Rule 4(j1).

(d) A party who has been served with a notice of hearing may file a written response with the agency. If a written response is filed, a copy of the response must be mailed to all other parties not less than 10 days before the date set for the hearing.

(e) All hearings conducted under this Article shall be open to the public. A hearing conducted by the agency shall be held in the county where the agency maintains its principal office. A hearing conducted for the agency by an administrative law judge requested under G.S. 150B-40 shall be held in a county in this State where any person whose property or rights are the subject matter of the hearing resides. If a different venue would promote the ends of justice or better serve the convenience of witnesses, the agency or the administrative law judge may designate another county. A person whose property or rights are the subject matter of the hearing waives his objection to venue if he proceeds in the hearing.

(f) Any person may petition to become a party by filing with the agency or hearing officer a motion to intervene in the manner provided by G.S. 1A-1, Rule 24. In addition, any person interested in a contested case under this Article may intervene and participate to the extent deemed appropriate by the agency hearing officer.

(g) When contested cases involving a common question of law or fact or multiple proceedings involving the same or related parties are pending before an agency, the agency may order a joint hearing of any matters at issue in the cases, order the cases consolidated, or make other orders to reduce costs or delay in the proceedings.

(h) Every agency shall adopt rules governing the conduct of hearings that are consistent with the provisions of this Article.

#### § 150B-39. Depositions; discovery; subpoenas.

(a) A deposition may be used in lieu of other evidence when taken in compliance with the Rules of Civil Procedure, G.S. 1A-1. Parties in a contested case may engage in discovery pursuant to the provisions of the Rules of Civil Procedure, G.S. 1A-1.

(b) Upon a request for an identifiable agency record involving a material fact in a contested case, the agency shall promptly provide the record to a party, unless the record relates solely to the agency's internal procedures or is exempt from disclosure by law.

(c) In preparation for, or in the conduct of, a contested case subpoenas may be issued and served in accordance with G.S. 1A-1, Rule 45. Upon a motion, the agency may quash a subpoena if, upon a hearing, the agency finds that the evidence, the production of which is required, does not relate to a matter in issue, the subpoena does not describe with sufficient particularity the evidence the production of which is required, or for any other reason sufficient in law the subpoena may be quashed. Witness fees shall be paid by the party requesting the subpoena to subpoenaed witnesses in accordance with G.S. 7A-314. However, State officials or employees who are subpoenaed shall not be entitled to any witness fees, but they shall receive their normal salary and they shall not be required to take any annual leave for the witness days. Travel expenses of State officials or employees who are subpoenaed shall be reimbursed as provided in G.S. 138-6.

#### § 150B-40. Conduct of hearing; presiding officer; ex parte communication.

(a) Hearings shall be conducted in a fair and impartial manner. At the hearing, the agency and the parties shall be given an opportunity to present evidence on issues of fact, examine and cross-examine witnesses, including the author of a document prepared by, on behalf of or for the use of the agency and offered into evidence, submit rebuttal evidence, and present arguments on issues of law or policy.

If a party fails to appear in a contested case after he has been given proper notice, the agency may continue the hearing or proceed with the hearing and make its decision in the absence of the party.

(b) Except as provided under subsection (e) of this

section, hearings under this Article shall be conducted by a majority of the agency. An agency shall designate one or more of its members to preside at the hearing. If a party files in good faith a timely and sufficient affidavit of the personal bias or other reason for disqualification of any member of the agency, the agency shall determine the matter as a part of the record in the case, and its determination shall be subject to judicial review at the conclusion of the proceeding. If a presiding officer is disqualified or it is impracticable for him to continue the hearing, another presiding officer shall be assigned to continue with the case, except that if assignment of a new presiding officer will cause substantial prejudice to any party, a new hearing shall be held or the case dismissed without prejudice.

(c) The presiding officer may:

- (1) Administer oaths and affirmations;
- (2) Sign and issue subpoenas in the name of the agency, requiring attendance and giving of testimony by witnesses and the production of books, papers, and other documentary evidence;
- (3) Provide for the taking of testimony by deposition;
- (4) Regulate the course of the hearings, set the time and place for continued hearings, and fix the time for filing of briefs and other documents;
- (5) Direct the parties to appear and confer to consider simplification of the issues by consent of the parties; and
- (6) Apply to any judge of the superior court resident in the district or presiding at a term of court in the county where a hearing is pending for an order to show cause why any person should not be held in contempt of the agency and its processes, and the court shall have the power to impose punishment as for contempt for acts which would constitute direct or indirect contempt if the acts occurred in an action pending in superior court.

(d) Unless required for disposition of an ex parte matter authorized by law, a member of an agency assigned to make a decision or to make findings of fact and conclusions of law in a contested case under this Article shall not communicate, directly or indirectly, in connection with any issue of fact or question of law, with any person or party or his representative, except on notice and opportunity for all parties to participate. This prohibition begins at the time of the notice of hearing. An agency member may communicate with other members of the agency and may have the aid and advice of the agency staff other than the staff which has been or is engaged in investigating or prosecuting functions in connection with the case under consideration or a factually-related case. This section does not apply to an agency employee or party representative with professional training in accounting, actuarial science, economics or financial analysis insofar as the case involves financial practices or conditions.

(e) When a majority of an agency is unable or elects not to hear a contested case, the agency shall apply to the Director of the Office of Administrative Hearings for the designation of an administrative law judge to preside at the hearing of a contested case under this Article. Upon receipt of the application, the Director shall, without undue delay, assign an administrative law judge to hear the case.

The provisions of this Article, rather than the provisions of Article 3, shall govern a contested case in which the agency requests an administrative law judge from the Office of Administrative Hearings.

The administrative law judge assigned to hear a contested case under this Article shall sit in place of the agency and shall have the authority of the presiding officer in a contested case under this Article. The administrative law judge shall make a proposal for decision, which shall contain proposed findings of fact and proposed conclusions of law.

An administrative law judge shall stay any contested case under this Article on motion of an agency which is a party to the contested case, if the agency shows by supporting affidavits that it is engaged in other litigation or administrative proceedings, by whatever name called, with or before a federal agency, and this other litigation or administrative proceedings will determine the position, in whole or in part, of the agency in the contested case. At the conclusion of the other litigation or administrative proceedings, the contested case shall proceed and be determined as expeditiously as possible.

The agency may make its final decision only after the administrative law judge's proposal for decision is served on the parties, and an opportunity is given to each party to file exceptions and proposed findings of fact and to present oral and written arguments to the agency.

#### § 150B-41. Evidence; stipulations; official notice.

(a) In all contested cases, irrelevant, immaterial, and unduly repetitious evidence shall be excluded. Except as otherwise provided, the rules of evidence as applied in the trial division of the General Court of Justice shall be followed; but, when evidence is not reasonably available under such rules to show relevant facts, they may be shown by the most reliable and substantial evidence available. It shall not be necessary for a party or his attorney to object to evidence at the hearing in order to preserve the right to object to its consideration by the agency in reaching its decision, or by the court of judicial review.

(b) Evidence in a contested case, including records and documents shall be offered and made a part of the record. Other factual information or evidence shall not be considered in determination of the case, except as permitted under G.S. 150B-30. Documentary evidence may be received in the form of a copy or excerpt or may be incorporated by reference, if the materials so incorporated are available for examination by the parties. Upon timely request, a party shall be given an opportunity to compare the copy with the original if available.

(c) The parties in a contested case under this Article by

a stipulation in writing filed with the agency may agree upon any fact involved in the controversy, which stipulation shall be used as evidence at the hearing and be binding on the parties thereto. Parties should agree upon facts when practicable. Except as otherwise provided by law, disposition may be made of a contested case by stipulation, agreed settlement, consent order, waiver, default, or other method agreed upon by the parties.

(d) Official notice may be taken of all facts of which judicial notice may be taken and of other facts within the specialized knowledge of the agency. The noticed fact and its source shall be stated and made known to affected parties at the earliest practicable time, and any party shall on timely request be afforded an opportunity to dispute the noticed fact through submission of evidence and argument. An agency may use its experience, technical competence, and specialized knowledge in the evaluation of evidence presented to it.

#### § 150B-42. Final agency decision; official record.

(a) After compliance with the provisions of G.S. 150B-40(e), if applicable, and review of the official record, as defined in subsection (b) of this section, an agency shall make a written final decision or order in a contested case. The decision or order shall include findings of fact and conclusions of law. Findings of fact shall be based exclusively on the evidence and on matters officially noticed. Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting them. A decision or order shall not be made except upon consideration of the record as a whole or such portion thereof as may be cited by any party to the proceeding and shall be supported by substantial evidence admissible under G.S. 150B-41. A copy of the decision or order shall be served upon each party personally or by certified mail addressed to the party at the latest address given by the party to the agency and a copy shall be furnished to his attorney of record.

(b) An agency shall prepare an official record of a hearing that shall include:

- (1) Notices, pleadings, motions, and intermediate rulings;
- (2) Questions and offers of proof, objections, and rulings thereon;
- (3) Evidence presented;
- (4) Matters officially noticed, except matters so obvious that a statement of them would serve no useful purpose;
- (5) Proposed findings and exceptions; and
- (6) Any decision, opinion, order, or report by the officer presiding at the hearing and by the agency.

(c) Proceedings at which oral evidence is presented shall be recorded, but need not be transcribed unless requested by a party. Each party shall bear the cost of the transcript or part thereof or copy of said transcript or part thereof which said party requests.

Article 4.

## Judicial Review.

**§ 150B-43. Right to judicial review.**

Any person who is aggrieved by the final decision in a contested case, and who has exhausted all administrative remedies made available to him by statute or agency rule, is entitled to judicial review of the decision under this Article, unless adequate procedure for judicial review is provided by another statute, in which case the review shall be under such other statute. Nothing in this Chapter shall prevent any person from invoking any judicial remedy available to him under the law to test the validity of any administrative action not made reviewable under this Article.

**§ 150B-44. Right to judicial intervention when decision unreasonably delayed.**

Unreasonable delay on the part of any agency or administrative law judge in taking any required action shall be justification for any person whose rights, duties, or privileges are adversely affected by such delay to seek a court order compelling action by the agency or administrative law judge. An agency that is subject to Article 3 of this Chapter and is not a board or commission has 90 days from the day it receives the official record in a contested case from the Office of Administrative Hearings to make a final decision in the case. This time limit may be extended by the parties or, for good cause shown, by the agency for an additional period of up to 90 days. An agency that is subject to Article 3 of this Chapter and is a board or commission has 90 days from the day it receives the official record in a contested case from the Office of Administrative Hearings or 90 days after its next regularly scheduled meeting, whichever is longer, to make a final decision in the case. This time limit may be extended by the parties or, for good cause shown, by the agency for an additional period of up to 90 days. If an agency subject to Article 3 of this Chapter has not made a final decision within these time limits, the agency is considered to have adopted the administrative law judge's recommended decision as the agency's final decision. Failure of an agency subject to Article 3A of this Chapter to make a final decision within 180 days of the close of the contested case hearing is justification for a person whose rights, duties, or privileges are adversely affected by the delay to seek a court order compelling action by the agency or, if the case was heard by an administrative law judge, by the administrative law judge.

**§ 150B-45. Procedure for seeking review; waiver.**

To obtain judicial review of a final decision under this Article, the person seeking review must file a petition in the Superior Court of Wake County or in the superior court of the county where the person resides.

The person seeking review must file the petition within 30 days after the person is served with a written copy of the decision. A person who fails to file a petition within the required time waives the right to judicial review under this Article. For good cause shown, however, the superior court

may accept an untimely petition.

**§ 150B-46. Contents of petition; copies served on all parties; intervention.**

The petition shall explicitly state what exceptions are taken to the decision or procedure and what relief the petitioner seeks. Within 10 days after the petition is filed with the court, the party seeking the review shall serve copies of the petition by personal service or by certified mail upon all who were parties of record to the administrative proceedings. Names and addresses of such parties shall be furnished to the petitioner by the agency upon request. Any party to the administrative proceeding is a party to the review proceedings unless the party withdraws by notifying the court of the withdrawal and serving the other parties with notice of the withdrawal. Other parties to the proceeding may file a response to the petition within 30 days of service. Parties, including agencies, may state exceptions to the decision or procedure and what relief is sought in the response.

Any person aggrieved may petition to become a party by filing a motion to intervene as provided in G.S. 1A-1, Rule 24.

**§ 150B-47. Records filed with clerk of superior court; contents of records; costs.**

Within 30 days after receipt of the copy of the petition for review, or within such additional time as the court may allow, the agency that made the final decision in the contested case shall transmit to the reviewing court the original or a certified copy of the official record in the contested case under review together with: (i) any exceptions, proposed findings of fact, or written arguments submitted to the agency in accordance with G.S. 150B-36(a); and (ii) the agency's final decision or order. With the permission of the court, the record may be shortened by stipulation of all parties to the review proceedings. Any party unreasonably refusing to stipulate to limit the record may be taxed by the court for such additional costs as may be occasioned by the refusal. The court may require or permit subsequent corrections or additions to the record when deemed desirable.

**§ 150B-48. Stay of decision.**

At any time before or during the review proceeding, the person aggrieved may apply to the reviewing court for an order staying the operation of the administrative decision pending the outcome of the review. The court may grant or deny the stay in its discretion upon such terms as it deems proper and subject to the provisions of G.S. 1A-1, Rule 65.

**§ 150B-49. New evidence.**

An aggrieved person who files a petition in the superior court may apply to the court to present additional evidence. If the court is satisfied that the evidence is material to the issues, is not merely cumulative, and could not reasonably have been presented at the administrative hearing, the court may remand the case so that additional evidence can be taken. If an administrative law judge did not make a

recommended decision in the case, the court shall remand the case to the agency that conducted the administrative hearing. After hearing the evidence, the agency may affirm or modify its previous findings of fact and final decision. If an administrative law judge made a recommended decision in the case, the court shall remand the case to the administrative law judge. After hearing the evidence, the administrative law judge may affirm or modify his previous findings of fact and recommended decision. The administrative law judge shall forward a copy of his decision to the agency that made the final decision, which in turn may affirm or modify its previous findings of fact and final decision. The additional evidence and any affirmation or modification of a recommended decision or final decision shall be made part of the official record.

**§ 150B-50. Review by superior court without jury.**

The review by a superior court of agency decisions under this Chapter shall be conducted by the court without a jury.

**§ 150B-51. Scope of review.**

(a) **Initial Determination in Certain Cases.** In reviewing a final decision in a contested case in which an administrative law judge made a recommended decision, the court shall make two initial determinations. First, the court shall determine whether the agency heard new evidence after receiving the recommended decision. If the court determines that the agency heard new evidence, the court shall reverse the decision or remand the case to the agency to enter a decision in accordance with the evidence in the official record. Second, if the agency did not adopt the recommended decision, the court shall determine whether the agency's decision states the specific reasons why the agency did not adopt the recommended decision. If the

court determines that the agency did not state specific reasons why it did not adopt a recommended decision, the court shall reverse the decision or remand the case to the agency to enter the specific reasons.

(b) **Standard of Review.** After making the determinations, if any, required by subsection (a), the court reviewing a final decision may affirm the decision of the agency or remand the case for further proceedings. It may also reverse or modify the agency's decision if the substantial rights of the petitioners may have been prejudiced because the agency's findings, inferences, conclusions, or decisions are:

- (1) In violation of constitutional provisions;
- (2) In excess of the statutory authority or jurisdiction of the agency;
- (3) Made upon unlawful procedure;
- (4) Affected by other error of law;
- (5) Unsupported by substantial evidence admissible under G.S. 150B-29(a), 150B-30, or 150B-31 in view of the entire record as submitted; or
- (6) Arbitrary or capricious.

**§ 150B-52. Appeal; stay of court's decision.**

A party to a review proceeding in a superior court may appeal to the appellate division from the final judgment of the superior court as provided in G.S. 7A-27. Pending the outcome of an appeal, an appealing party may apply to the court that issued the judgment under appeal for a stay of that judgment or a stay of the administrative decision that is the subject of the appeal, as appropriate.

Dear Mr. Oast:

This refers to the nine annexations (Ordinance Nos. 94-19, 25, 26, 36, 38, 41, and 45 to 47) and their designation to districts of the City of Greenville in Pitt County, North Carolina, submitted to the Attorney General pursuant to Section 5 of the Voting Rights Act, 42 U.S.C. 1973c. We received your submission on June 23, 1995.

The Attorney General does not interpose any objection to the specified changes. - (6) A decision to issue a provisional status is stayed during the period of an administrative appeal and the licensee may continue to display its license during the appeal.

(d) Revocation: DFS shall revoke a license whenever it finds that there has been any failure to comply with the provisions for G.S. 122C, Article 2, that there have been violations of rules promulgated under those parts, and that such violations endanger the health, safety, or welfare of the individuals in the facility.

(e) Summary Suspension: Should DFS find that public health, safety or welfare considerations require emergency action, DFS shall issue an order of summary suspension and include the findings in its order.

- (1) The order shall suspend only those privileges or services as necessary to protect the public interest. An order of summary suspension shall be effective on the date specified in the order or on the date of service of the order at the last known address of the licensee, whichever is later.

## CHAPTER 26 - MEDICAL ASSISTANCE

### SUBCHAPTER 26H - REIMBURSEMENT PLANS

#### SECTION .0200 - HOSPITAL INPATIENT REIMBURSEMENT PLAN

##### .0212 EXCEPTIONS TO DRG REIMBURSEMENT

(a) Covered psychiatric and rehabilitation inpatient services provided in either specialty hospitals, Medicare recognized distinct part units (DPU), or other beds in general acute care hospitals shall be reimbursed on a per diem methodology.

- (1) For the purposes of this Section, psychiatric inpatient services are defined as admissions where the primary reason for admission would result in the assignment of DRGs in the range 424 through 432 and 436 through 437. For the purposes of this Section, rehabilitation inpatient services are defined as admissions where the primary reason for admissions would result in the assignment of DRG 462. All services provided by specialty rehabilitation hospitals are presumed to come under this definition.
- (2) When a patient has a medically appropriate transfer from a medical or surgical bed to a psychiatric or rehabilitative distinct part unit within the same hospital, or to a specialty hospital the admission to the distinct part unit or the specialty hospital shall be recognized as a separate service which is eligible for reimbursement under the per diem methodology. Transfers occurring within general hospitals from acute care services to non-DPU psychiatric or rehabilitation services are not eligible for reimbursement under this Section. The entire hospital stay in these instances shall be reimbursed under the DRG methodology.
- (3) The per diem rate for psychiatric services is established at the lesser of the actual cost trended to the rate year or the calculated median rate of all hospitals providing psychiatric services as derived from the most recent as filed cost reports.
- (4) Hospitals that do not routinely provide psychiatric services shall have their rate set at the median rate.
- (5) The per diem rate for rehabilitation services is established at the lesser of the actual cost trended to the rate year or the calculated median rate of all hospitals providing rehabilitation services as derived from the most recent filed cost reports.

- (6) Rates established under this Paragraph are adjusted for inflation consistent with the methodology under Rule .0211 Subparagraph (d)(5) of this Section.

(b) To assure compliance with the separate upper payment limit for State-operated facilities, the hospitals operated by the Department of Human Resources and all the primary affiliated teaching hospitals for the University of North Carolina Medical Schools will be reimbursed their reasonable costs in accordance with the provisions of the Medicare Provider Reimbursement Manual. This Manual referred to as, (HCFA Publication #15-1) is hereby incorporated by reference including any subsequent amendments and editions. A copy is available for inspection at the Division of Medical Assistance, 1985 Umstead Drive, Raleigh, NC. Copies may be obtained from the U.S. Department of Commerce, National Technical Information Service, Subscription Department, 5285 Port Royal Road, Springfield, VA 22161 at a cost of one hundred forty seven dollars (\$147.00). Purchasing instructions may be received by calling (703) 487-4650. Updates are available for an additional fee. The Division shall utilize the DRG methodology to make interim payments to providers covered under this Paragraph, setting the hospital unit value at a level which can best be expected to approximate reasonable cost. Interim payments made under the DRG methodology to these providers shall be retrospectively settled to reasonable cost.

(c) When the Norplant contraceptive is inserted during an inpatient stay the current Medicaid fee schedule amount for the Norplant kit will be paid in addition to DRG reimbursement. The additional payment for Norplant will not be paid when a cost outlier or day outlier increment is applied to the base DRG payment.

(d) Hospitals operating Medicare approved graduate medical education programs shall receive a per diem rate adjustment which reflects the reasonable direct and indirect costs of operating these programs. The per diem rate adjustment will be calculated in accordance with the provisions of Rule .0211 Paragraph (f) of this Section.

(e) For the 12-month period ending September 30, 1995, hospitals licensed by the State of North Carolina and reimbursed under the DRG methodology for more than 50 percent of Medicaid inpatient discharges shall be entitled to an additional payment in an amount determined by the Director of the Division of Medical Assistance, subject to the following provisions:

- (1) The maximum payments authorized by this Paragraph for public hospitals that qualify under the criteria in Part A of this Subparagraph shall be calculated by ascertaining the reasonable cost of inpatient and outpatient hospital Medicaid services, plus the reasonable direct and indirect costs attributable to Medicaid services of operating Medicare approved graduate medical education programs, less Medicaid payments received or to be received for these services.

With respect to qualifying hospitals that are not public hospitals qualified under Part A of this Subparagraph, the maximum payment authorized by this Paragraph shall be calculated by ascertaining 64.71 percent of the unreimbursed reasonable cost calculated by use of the methodology described in the preceding sentence, not to exceed in the aggregate for all such hospitals fifty one million seven hundred thousand dollars (\$51,700,000). For purposes of this Subparagraph:

- (A) A qualified public hospital is a hospital that meets the other requirements of this Paragraph and:
  - (i) was owned or operated by a State (or by an instrumentality or a unit of government within a State) throughout the 12-month period ending September 30, 1995;
  - (ii) indicated its legal entity status as a government unit on the Hospital License Renewal Application filed with the Division of Facility Services, North Carolina Department of Human Resources for the 1995 calendar year; and

- (B) Reasonable costs shall be ascertained in accordance with the provisions of the Medicare Provider Reimbursement Manual. This Manual, referred to as HCFA Publication #15-1, is hereby incorporated by reference including subsequent amendments and editions. A copy of this Manual is available for inspection at the Division of Medical Assistance, 1985 Umstead Drive, Raleigh, NC. Copies may be obtained from the US Department of Commerce, National Technical Information Service, Subscription Department, 5285 Port Royal Road, Springfield, VA 22161, at a cost of one hundred forty-seven dollars (\$147.00). Purchasing instructions may be received by calling (703) 487-4650. Updates are available for an additional fee.
- (C) The phrase "Medicaid payments received or to be received for these services" shall exclude all Medicaid disproportionate share hospital payments received or to be received except for payments received or to be received pursuant to 10 NCAC 26H .0213(d).
- (2) Should 64.71 percent of the unreimbursed reasonable cost of Medicaid services for qualifying hospitals that are not qualified public

hospitals be determined by the Director of the Division of Medical Assistance to exceed the sum of fifty one million seven hundred thousand dollars (\$51,700,000), the maximum payment of fifty one million seven hundred thousand dollars (\$51,700,000) to such hospitals authorized by this Paragraph shall be prorated among such hospitals based on unreimbursed reasonable costs.

- (3) Payments authorized by this Paragraph shall be made on or before September 30, 1995 solely on the basis of an estimate of costs incurred and payments received for Medicaid services during the 12 months ending September 30, 1995. The Director of the Division of Medical Assistance shall determine the amount of the estimated payments to be made by analysis of costs incurred and payments received for Medicaid services as reported on cost reports for fiscal years ending in 1994 filed before September 15, 1995 and supplemented by such additional financial information as is available to the Director when the estimated payments are calculated if and to the extent that the Director concludes that such additional financial information is reliable and relevant.
- (4) Solely to ensure that estimated payments pursuant to Subparagraph (3) of this Paragraph do not exceed the hospital specific and state aggregate upper limits to such payments established by applicable federal law and regulation, such payments shall be cost settled as determined by an independent CPA furnished by the provider, based on cost reports covering the 12 months ending September 30, 1995, and hospital recipients of such payments shall promptly refund such payments if and to the extent that such payments exceed the applicable upper limit. No additional payments shall be made in connection with the cost settlement.
- (5) The payments authorized by this Paragraph shall be effective in accordance with G.S. 108A-55(c).

#### **.0213 DISPROPORTIONATE SHARE HOSPITALS**

(a) Hospitals that serve a disproportionate share of low-income patients and have a Medicaid inpatient utilization rate of not less than one percent are eligible to receive rate adjustments. The cost report data and financial information that is required in order to qualify as a disproportionate share hospital effective April 1, 1991 is based on the fiscal year ending in 1989 for each hospital, as submitted to the Division of Medical Assistance on or before April 1, 1991. The cost report data and financial

information to qualify as a disproportionate share hospital effective July 1, 1991 is based on the fiscal year ending in 1990 for each hospital, as submitted to the Division of Medical Assistance on or before September 1, 1991. In subsequent years, qualifications effective July 1 of any particular year are based on each hospital's fiscal year ending in the preceding calendar year. The patient days, costs, revenues, or charges related to nursing facility services, swing-bed services, home health services, outpatient services, or any other service that is not a hospital inpatient service cannot be used to qualify for disproportionate share status. A hospital is deemed to be a disproportionate share hospital if:

- (1) The hospital has at least two obstetricians with staff privileges at the hospital who have agreed to provide obstetric services to individuals eligible for Medicaid. In the case of a hospital located in a rural area, the term obstetrician includes any physician with staff privileges at the hospital to perform non-emergency obstetric services as of December 21, 1987 or to a hospital that predominantly serves individuals under 18 years of age; and
- (2) The hospital's Medicaid inpatient utilization rate, defined as the percentage resulting from dividing Medicaid patient days by total patient days, is at least one standard deviation above the mean Medicaid inpatient utilization rate for all hospitals that receive Medicaid payments in the state; or
- (3) The hospital's low income utilization rate exceeds 25 percent. The low-income utilization rate is the sum of:
  - (A) The ratio of the sum of Medicaid inpatient revenues plus cash subsidies received from the State and local governments, divided by the hospital's total patient revenues; and
  - (B) The ratio of the hospital's gross inpatient charges for charity care less the cash subsidies for inpatient care received from the State and local governments divided by the hospital's total inpatient charges; or
- (4) The sum of the hospital's Medicaid revenues, bad debts allowance net of recoveries, and charity care exceeds 20 percent of gross patient revenues; or
- (5) The hospital, in ranking of hospitals in the State, from most to least in number of Medicaid patient days provided, is among the top group that accounts for 50% of the total Medicaid patient days provided by all hospitals in the State; or
- (6) Psychiatric Hospitals operated by the North Carolina Department of Human Resources, Division of Mental Health, Developmental Disabilities, Substance Abuse Services (DMH/DD/SAS) and UNC Hospitals operated

by the University of North Carolina.

(b) The rate adjustment for a disproportionate share hospital is 2.5 percent plus one fourth of one percent for each percentage point that a hospital's Medicaid inpatient utilization rate exceeds one standard deviation of the mean Medicaid inpatient utilization rate in the State. The rate adjustment is applied to a hospital's payment rate exclusive of any previous disproportionate share ~~adjustments~~ adjustments:

- (1) An additional one time payment for the 12-month period ending June 30, 1995, in an amount determined by the Director of the Division of Medical Assistance, may be paid to the public hospital having the largest number of Medicaid inpatient days of all hospitals as determined in Subparagraph (a)(5) of this Rule. The payment limits of the Social Security Act, Title XIX, section 1923(g)(1)(B) require that when added to other DSH payments, the additional disproportionate share payment will not exceed 200 percent of the total costs of providing inpatient and outpatient services to Medicaid and uninsured patients less all payments received for services provided to Medicaid and uninsured patients. This payment may be doubled in accordance with section 1923(g)(2). The total of all payments may not exceed the limits on Disproportionate Share Hospital funding as set for the State by HCFA.
- (2) An additional one time payment for the 12-month period ending September 30, 1995, in an amount determined by the Director of the Division of Medical Assistance, may be paid to the public hospital having the largest number of Medicaid inpatient days of all hospitals as determined in Subparagraph (a)(5) of this Rule, determined without regard to the inpatient days of either the hospital that qualifies for disproportionate share payments under the provisions of Subparagraph (b)(1) of this Rule or the hospitals that qualify for payments under 10 NCAC 26H .0212(b). The payment limits of the Social Security Act, Title XIX, section 1923(g)(1) applied to this payment require that when this payment is added to other DSH payments, the additional disproportionate share payment will not exceed 100 percent of the total costs of providing inpatient and outpatient services to Medicaid and uninsured patients less all payments received for services provided to Medicaid and uninsured patients. The total of all payments may not exceed the limits on Disproportionate Share Hospital funding as set for the State by HCFA.
- (3) The payments authorized by Subparagraphs (1) and (2) of this Paragraph shall be effective in accordance with G.S. 108A-55(c).

(c) Effective July 1, 1994, hospitals eligible under Subparagraph (a)(6) of this Rule will be eligible for disproportionate share payments, in addition to other payments made under the North Carolina Medicaid Hospital reimbursement methodology, from a disproportionate share pool under the circumstances specified in Subparagraphs (1), (2) and (3) of this Paragraph.

- (1) An eligible hospital will receive a monthly disproportionate share payment based on the monthly bed days of services to low income persons of each hospital divided by the total monthly bed days of services to low income persons of all hospitals items allocated funds.
- (2) This payment shall be in addition to the disproportionate share payments made in accordance with Subparagraphs (a)(1) through (5) of this Rule. However, DMH/DD/SAS operated hospitals are not required to qualify under the requirements of Subparagraphs (a)(1) through (5) of this Rule.
- (3) The amount of allocated funds shall be determined by the Director of the Division of Medical Assistance, but not to exceed the quarterly grant award of funds (plus appropriate non-federal match) earmarked for disproportionate share hospital payments less payments made under Subparagraphs (a)(1) through (5) divided by three.

In Subparagraph (c)(1) of this Rule, bed days of services to low income persons is defined as the number of bed days provided to individuals that have been determined by the hospital as patients that do not possess the financial resources to pay portions or all charges associated with care provided.

Low income persons include those persons that have been determined eligible for medical assistance. The count of bed days used to determine payment is based upon the month immediately prior to the month that payments are made.

Disproportionate share payments to hospitals are limited in accordance with The Social Security Act as amended, Title XIX section 1923 (g), limit on amount of payment to hospitals.

Notice is hereby given in accordance with G.S. 150B-21.2 that the EHNR - Commission for Health Services intends to amend rule cited as 15A NCAC 13A .0006 and adopt 13A .0019.

Proposed Effective Date: January 1, 1996.

A Public Hearing will be conducted at 1:30 p.m. on October 19, 1995 at the Groundfloor Hearing Room, Archdale Building, 512 N. Salisbury St., Raleigh, NC.

**Reason for Proposed Action:** No additional fiscal impact on State or local government as these wastes are currently regulated. These amendments to the rules streamline hazardous waste management regulations governing the collection and management of certain widely generated wastes, known as "universal wastes." Amendments proposed cover hazardous waste batteries (e.g., nickel cadmium), certain hazardous waste pesticides, and mercury-containing thermostats. By reducing regulatory requirements, the State will encourage manufacturers to establish environmentally sound collection programs, and retailers to participate in them. Although households and small businesses produce much of these wastes, retailers were previously reluctant to accept them because of concerns that some of the wastes might be from regulated hazardous waste generators.

**Comment Procedures:** All persons interested in these matters are invited to attend the public hearing. Written comments may be presented at the public hearing or submitted to Grady L. Balentine, Department of Justice, PO Box 629, Raleigh, NC 27602-0629. All written comments must be received by November 1, 1995. Persons who wish to speak at the hearing should contact Mr. Balentine at (919) 733-4618. Persons who call in advance of the hearing will be given priority on the speaker's list. Oral presentation lengths may be limited depending on the number of people that wish to speak at the public hearing. Only persons who have made comments at a public hearing or who have submitted written comments will be allowed to speak at the Commission meeting. Comments made at the Commission meeting must either clarify previous comments or proposed changes from staff pursuant to comments made during the public hearing process.

IT IS VERY IMPORTANT THAT ALL INTERESTED AND POTENTIALLY AFFECTED PERSONS, GROUPS, BUSINESSES, ASSOCIATIONS, INSTITUTIONS OR AGENCIES MAKE THEIR VIEWS AND OPINIONS KNOWN TO THE COMMISSION FOR HEALTH SERVICES

THROUGH THE PUBLIC HEARING AND COMMENT PROCESS, WHETHER THEY SUPPORT OR OPPOSE ANY OR ALL PROVISIONS OF THE PROPOSED RULES. THE COMMISSION MAY MAKE CHANGES TO THE RULES AT THE COMMISSION MEETING IF THE CHANGES COMPLY WITH G.S. 150B-21.2(f).

**Fiscal Note:** These Rules do not affect the expenditures or revenues of local government or state funds.

## .2618 CLEANING OF EQUIPMENT AND UTENSILS

(b) All multi-use eating and drinking utensils shall be thoroughly washed, rinsed, and subjected to an approved bactericidal treatment after each usage. The supply of eating and drinking utensils shall be of sufficient quantity to allow washing, rinsing, sanitizing and air-drying before re-use. All multi-use utensils except pizza pans and similar type pans (not used for table service) used in the storage, preparation, cooking, or serving of food or drink shall be cleaned and rinsed immediately after the days' operations, after each use, or upon completion of each meal as indicated. Pizza pans and similar type pans (not used for table service) which are continually subjected to high temperatures do not require cleaning after each use or day's use but shall be kept clean and maintained in good repair.

(c) In addition to washing and rinsing multi-use utensils as indicated in Paragraph (b) of this Rule, preparation surfaces which come in contact with potentially hazardous foods and are not subjected to heat during routine cooking operations shall be sanitized. Examples of food contact surfaces which must be sanitized are utensils used in preparing cold salads and cold beverages, cutting boards, table tops, knives, saws, and slicers. For utensils and equipment which are either too large or impractical to sanitize in a dishwashing machine or dishwashing sink, and for those establishments which do not have dishwashing equipment, a spray-on or wipe-on sanitizer may be used. When spray-on or wipe-on sanitizers are used, the chemical strengths shall be those required for sanitizing multi-use eating and drinking utensils.

(d) Hand dishwashing facilities shall consist of an approved three-compartment sink of sufficient size and depth to submerge, wash, rinse and sanitize utensils and shall have splash back protection and drainboards that are an integral part of and continuous with the sink. Separate vegetable washing facilities shall be provided in establishments which wash raw vegetables except where plan review shows that volume and preparation frequency do not require separate vegetable washing facilities or where vegetables are purchased prewashed and packaged. Establishments which scale or eviscerate fish or wash raw poultry shall provide separate sinks with preparation space for these processes except where plan review shows that volume and preparation frequency do not require separate

washing facilities.

(f) When dishwashing machines are used, the machines shall be approved and shall be fitted with drainboards of ample capacity on each side, and include a countersunk sink or other approved means for pre-cleaning, pre-flushing, or pre-soaking of the utensils in the dirty dish lane. Thermometers indicating the wash and rinse water temperatures shall be provided and kept in good repair.

(g) When dishwashing machines are used, the machines shall be approved on the basis of size, capacity, and type for the number of utensils to be washed. Under some conditions, as when volume is limited and time permits, glasses may be washed with power-driven brushes and passed through door-type machines, which are also used for dishwashing, for final rinse and bactericidal treatment. For this method, a motor-driven glass-washer and a single-vat sink may suffice.

(h) When only single-service eating and drinking utensils are used, at least an approved two-compartment sink shall be provided. This sink shall be of sufficient size to submerge, wash, rinse and sanitize utensils and shall have splash back protection and drainboards that are an integral part of and continuous with the sink. These drainboards shall be of sufficient size to accommodate the drying drainage of liquids of the washed utensils after being sanitized. Air drying of utensils may be accomplished with the use of a drainboard, overhead or wall mounted shelves, or with the use of stationary or portable racks.

(i) Facilities for the heating of water shall be provided. Capacity of hot water heating facilities shall be based on number and size of sinks, capacity of dishwashing machines, and other food service and cleaning needs. Hot water storage tanks shall provide a minimum of 130° F (54° C) hot water when water is not used for sanitizing; when hot water is used for sanitizing, a minimum storage temperature of 140° F (60° C) hot water is required.

(j) No article, polish, or other substance containing any cyanide preparation or other poisonous material shall be used for the cleaning or polishing of eating or cooking utensils.

\*\*\*\*\*

Notice is hereby given in accordance with G.S. 150B-21.2 that the EHNR - Commission for Health Services intends to amend rule cited as 15A NCAC 24A .0102, .0202 - .0204 and .0301.

**Proposed Effective Date:** January 1, 1996.

A Public Hearing will be conducted at 1:30 p.m. on October 19, 1995 at the Ground Floor Hearing Room, Archdale Building, 512 N. Salisbury St., Raleigh, NC.

##### Reason for Proposed Action:

15A NCAC 24A .0102 - This amendment is proposed in order to delete the Tuberculosis Program from the list of payment programs and to add the HIV Medications Program and the Adult Cystic Fibrosis Program to the list of payment

programs.

**15A NCAC 24A .0202** - During FY95, the demand for funds in the Purchase of Care component of Children's Special Health Services (CSHS) exceeded the budget. CSHS has chosen to address this problem by changing financial eligibility through the use of Medicaid financial eligibility standards. This will create a uniform public policy with regard to eligibility determination while allowing CSHS to expand coverage of services not now provided by other agencies. Children who were offered a special CSHS post adoption coverage provision and adult patients with Cystic Fibrosis would be eligible to remain on CSHS without Medicaid coverage if they continue to qualify financially according to the federal poverty level.

**15A NCAC 24A .0203** - This amendment will improve consistency by assuring that SSI income is counted toward gross income, as are all other sources of income.

**15A NCAC 24A .0204** - This amendment is to clarify that it only pertains to adopted children who were approved for Children's Special Health Services (CSHS) post-adoption coverage prior to January 1, 1996. Effective with that date, the special post-adoption coverage will be eliminated, except for those already approved, by the deletion of 15A NCAC 21F .0800.

**15A NCAC 24A .0301** - This Rule is proposed for amendment in order to clarify that documentation of income is not required for the Children's Special Health Services program since financial eligibility will be based on Medicaid eligibility pursuant to the proposed change to 15A NCAC 24A .0202.

**Comment Procedures:** All persons interested in these matters are invited to attend the public hearing. Written comments may be presented at the public hearing or submitted to Grady L. Balentine, Department of Justice, PO Box 629, Raleigh, NC 27602-0629. All written comments must be received by November 1, 1995. Persons who wish to speak at the hearing should contact Mr. Balentine at (919) 733-4618. Persons who call in advance of the hearing will be given priority on the speaker's list. Oral presentation lengths may be limited depending on the number of people that wish to speak at the public hearing. Only persons who have made comments at a public hearing or who have submitted written comments will be allowed to speak at the Commission meeting. Comments made at the Commission meeting must either clarify previous comments or proposed changes from staff pursuant to comments made during the public hearing process.

IT IS VERY IMPORTANT THAT ALL INTERESTED AND POTENTIALLY AFFECTED PERSONS, GROUPS, BUSINESSES, ASSOCIATIONS, INSTITUTIONS OR AGENCIES MAKE THEIR VIEWS AND OPINIONS KNOWN TO THE COMMISSION FOR HEALTH SERVICES THROUGH THE PUBLIC HEARING AND COMMENT PROCESS, WHETHER THEY SUPPORT OR OPPOSE ANY OR ALL PROVISIONS OF THE PROPOSED RULES. THE

COMMISSION MAY MAKE CHANGES TO THE RULES AT THE COMMISSION MEETING IF THE CHANGES COMPLY WITH G.S. 150B-21.2(f).

**Fiscal Note:** Rules 15A NCAC 24A .0202 - .0203 affect the expenditure or distribution of State funds subject to the Executive Budget Act, Article 1 of Chapter 143.

**Fiscal Note:** Rules 15A NCAC 24A .0102, .0204 and .0301 do not affect the expenditures or revenues of local government or state funds.

## TITLE 21 - OCCUPATIONAL LICENSING BOARDS

### CHAPTER 34 - BOARD OF MORTUARY SCIENCE

**N**otice is hereby given in accordance with G.S. 150B-21.2 that the North Carolina Board of Mortuary Science intends to amend rules cited as 21 NCAC 34B .0401; 34D .0202 and .0301.

**Proposed Effective Date:** January 1, 1996.

**A Public Hearing** will be conducted at 2:00 p.m. on November 13, 1995 at the State Employees' Credit Union Building, Board Room, 801 Hillsborough Street, Raleigh, NC 27603.

#### Reason for Proposed Action:

**21 NCAC 34B .0401** - The Board sees a need for upgrading continuing education standards. The proposed amendment changes the lead time for approval of courses and addresses course publicity, number of hours required for various licenses, length of courses, security at courses and verification of attendance.

**21 NCAC 34D .0202** - Some preneed sales licensees sell for several funeral homes. The proposed amendment provides that the Board files, and not the sales licensee's pocket card, will show the names of the funeral homes. This system will be more practical and less expensive for the Board to administer than the current system.

**21 NCAC 34D .0301** - The Board wishes, as an accommodation, to give multi-branch funeral homes the right to choose where their preneed records are kept: either at a single or at several locations. The proposed amendment permits this.

**Comment Procedures:** Interested persons may present statements, orally and in writing, at the public hearing and in writing prior to the hearing by mail addressed to the NC Board of Mortuary Science, P.O. Box 27368, Raleigh, NC 27611-7368.

**Fiscal Note:** These Rules do not affect the expenditures or revenues of local government or state funds.

6. In January, 1994, Permanency Planning Social Worker Maureen Geier became J.R.'s caseworker. She

was supervised by Paul Risk, the Unit Coordinator of the Permanency Planning Unit of the Mecklenburg County Department of Social Services.

7. Petitioners experienced more difficulty with J.R. than with Rico. J.R. "acted out" once or twice per month but Petitioners felt that he was controllable. During the spring of 1994, J.R.'s grades in school began to drop drastically; his teachers became concerned. Petitioners discussed the falling grades with J.R. As a follow-up to this discussion, Petitioners placed J.R. on certain restrictions, including:

1. no television during school week;
2. Petitioners were to go over J.R.'s homework and would exchange notes with teachers; and
3. J.R. was to receive no allowance so long as his grade situation continued to deteriorate.

8. Prior to April 29, 1994, during the spring of 1994, Petitioners twice called the on-call social worker at the Mecklenburg County Department of Social Services to request that J.R. be picked up because of J.R.'s behavior and attitude. Mecklenburg Department of Social Services did not pick J.R. up on either of these occasions because it did not have any alternative placement for J.R. at the time. During the Spring of 1994, Petitioner Alpha Mack Simmons' fur coat disappeared. Petitioners suspect that J.R. took the coat. A refund check from the principal at J.R.'s school was sent home via J.R. who kept the check and did not turn it over to Petitioners. J.R. took Petitioner Samuel Simmons' checkbook and wrote over \$800 in unauthorized checks before Petitioner could stop him.

9. Petitioners confronted J.R. in late March or early April, 1994 about his involvement with illegal drugs. J.R. informed Petitioners that he was not using drugs himself but was selling them. He informed Petitioners that he could make more money selling drugs on the week-ends than Petitioners could make and requested to be allowed to stay with Petitioners only five days per week.

10. Soon after Petitioners confronted J.R. about his involvement with illegal drugs, Rico told J.R. that he was destroying the family. J.R. got an axe and said that he was going to kill Rico; Petitioners had to intervene to prevent a serious incident from becoming worse.

11. On April 29, 1994, Petitioner Samuel Simmons telephoned J.R.'s assigned caseworker, Maureen Geier, and told her about J.R.'s difficulties including his grade dropoff, his involvement with drugs, and his threat to kill Rico with an axe. Petitioner expressed concern for the safety of his family, stating to Caseworker Geier that strange cars were coming around the house and strange phone calls were coming to his home. Petitioner informed Maureen Geier that J.R. had run away on a previous occasion.

12. Caseworker Geier made a home visit to Petitioners' home on May 2, 1994. J.R. was not in the home that day, having run away the day before. Petitioners had not, prior to her visit on May 2, 1994, reported to anyone at the Department of Social Services that J.R. had run away on May 1, 1994. Petitioner Samuel Simmons reported to Caseworker Geier during the May 2, 1994 home visit that J.R. had stolen checks from Petitioners, that he had been caught shoplifting, and that he had requested to stay in Petitioners' home only during the week so that he could sell drugs on the week-ends.

13. Maureen Geier prepared a secure custody order and had J.R. picked up at his school on May 4, 1994 and taken to the "Relatives", a shelter for juveniles. Petitioners were informed on May 4, 1994 by the Mecklenburg Department of Social Services that J.R. was at the "Relatives" and that Petitioners should pick him up, which they did.

14. In addition to calling Caseworker Geier on April 29, 1994, Petitioner Samuel Simmons also called Paul Risk who supervised Maureen Geier. Paul Risk instructed Petitioner that if he became concerned for the safety of his family because of J.R.'s actions, that he should refuse to admit J.R. into the Simmons home and then call the police and the Mecklenburg County Department of Social Services. Paul Risk also offered to place the Simmons family in a motel overnight at Department expense if the situation became so dangerous as to warrant it.

15. On May 9, 1994, Petitioner Samuel Simmons had back surgery. J.R. was with Petitioner in the hospital all day on May 9, 1994 and until almost 8 p.m. on May 10, 1994, when Petitioner was discharged.

16. Petitioner went directly home and to bed in accordance with his doctor's instructions after his discharge at approximately 8 p.m. on May 10, 1994. At about 8:30 p.m. that night, J.R. began knocking on the door of Petitioners' home, cursing and apparently out of control. Petitioner Samuel Simmons went to the door and told J.R. that he was not going to come into the Simmons home until he calmed down and apologized. At about 10:00 p.m., J.R. returned to the Simmons home with a neighbor. Petitioner Samuel Simmons explained to the neighbor what had happened and that J.R. had been instructed to calm down and apologize before being admitted, whereupon the neighbor left. J.R. also left but returned approximately 30 minutes later and apologized for his acting out. He was then admitted to the Simmons home and went to bed. Petitioner Samuel Simmons called the on-call social worker at the Mecklenburg County Department of Social Services and requested that J.R. be picked up. One and one-half hours later the Department picked J.R. up. He has not returned to the Petitioners' home since that time.

17. A referral or complaint was received by the Mecklenburg County Department of Social Services alleging that Petitioners had neglected J.R. on May 10, 1994 by refusing entry to him on the night of May 10, 1994 as punishment for his acting out that evening. In accordance with prescribed operating procedure, the investigation of this allegation of neglect was referred to and handled by the Gaston County Department of Social Services.

18. Social Worker Kelly Daniels of the Gaston County Department of Social Services conducted the investigation. She interviewed the children residing in the Simmons household as well as J.R., who was then residing in another specialized foster care home. She additionally interviewed Petitioner Samuel Simmons, a neighbor of Petitioners, Maureen Geier, and Paul Risk. Petitioner Alpha Mack Simmons was not interviewed either because she did not wish to be interviewed or because her husband refused to allow her to be interviewed. The relationship between Social Worker Daniels and Petitioner Samuel Simmons deteriorated so that it was unworkable by the time she interviewed him for the second time on June 9, 1994.

19. The neighbor informed Social Worker Daniels that J.R. had spent the night at his house on two previous occasions. J.R. also reported to the on-call social worker on May 10, 1994 that he had previously been denied access to the home by Petitioners.

20. All of the reported information regarding J.R.'s being denied admission to Petitioners' house on two previous occasions came from the neighbor or from J.R. The neighbor's information, according to the evidence produced in this contested case hearing, came by and through representations made by J.R. Neither the neighbor nor J.R. testified during this contested case hearing.

21. J.R.'s caseworker, Maureen Geier, testified that she is concerned about J.R.'s capacity to tell the truth. Petitioner Samuel Simmons has no doubt that J.R. has a problem with his capacity or willingness to tell the truth. In a document entitled "Court Summary", presented to the Juvenile or District Court in Mecklenburg County on or about August 2, 1994, Social Worker Maureen Geier described J.R.'s current progress, in pertinent part: "[w]hile he is generally doing well with his chores, he continues to try to manipulate the professionals and other adults in his life by not telling the truth".

22. It is specifically found as a fact that all evidence admitted in this contested case, such as the statements made by Petitioners' neighbor to Social Worker Daniels, which is grounded upon statements made by J.R., is inherently unreliable because the statements of J.R. are not credible.

23. In August, 1994 J.R. was moved into a group home. He called Petitioner Samuel Simmons when he got into trouble at the group home. Petitioner was allowed to visit J.R. in the group home. Petitioner has not allowed J.R. to visit his home since he was removed by the on-call worker on May 10, 1994.

24. As of the August 2, 1994 Court Summary, the Mecklenburg County Department of Social Services, which continues to have official custody of J.R., advocates that J.R. be adopted by Petitioners despite the decision of the Gaston County Department of Social Services to "substantiate" the neglect allegation against Petitioners concerning the events of May 10, 1994 with J.R. The Department finds and believes that J.R. is "very bonded" with the Simmons family. The Department also recommends that a child-specific license be issued to Petitioners so that J.R. can be returned to the Simmons home even though the Department envisions Petitioners' foster care license being revoked because of the May 10, 1994 events.

25. On November 1, 1994, Respondent issued a letter revoking the foster home license held by Petitioners for denying access to the foster home to a foster child on one or more occasions.

26. The North Carolina General Statutes define "neglected juvenile" as [a] juvenile who does not receive proper care, supervision, or discipline from the juvenile's parent, guardian, custodian, or caretaker".... N.C. Gen. Stat. Section 7A-517(21) (Cum. Supp. 1994).

### CONCLUSIONS OF LAW

Based upon the foregoing Findings of Fact, I make the following Conclusions of Law.

1. The parties are properly before the Office of Administrative Hearings.
2. Respondent has the burden of proof in this contested case hearing and must show, by a preponderance of substantial evidence, that Petitioners committed neglect against J.R. Real, a foster child in Petitioners' care. Specifically, Respondent must show that Petitioners have failed to render proper care, supervision, or discipline of J.R.
3. Respondent has failed to carry the burden of establishing by a preponderance of evidence that Petitioners neglected J.R. by refusing entry into the foster home to him on one or more occasions as charged in Respondent's revocation letter to Petitioners, dated November 1, 1994. The evidence shows that Petitioners did in fact admit J.R. into the home on May 10, 1994 after admonishing him to calm down and apologize for his behavior. Given that J.R. and Petitioners have established a bond, this parental direction, administered within the background of that bond between those individuals, succeeded in calming J.R. down and resulted in his admission into the foster home. There is no credible evidence that Petitioners neglected J.R., within the meaning of G.S. 7A-517(21), by refusing his admission on May 10, 1994 or on any other occasion.
4. Respondent's decision to revoke the foster home license of Petitioners for neglect of J.R. by denying access to the foster home to J.R. on one or more occasions is not supported by the evidence and should be reversed.

### RECOMMENDED DECISION

Based upon the foregoing Findings of Fact and Conclusions of Law, it is hereby recommended that Respondent reverse its decision to revoke the foster home license held by Petitioners Samuel and Alphi Mack Simmons because of insufficient evidence that Petitioners neglected J.R. within the meaning of G.S. 7A-517(21) by denying access to the home to him on May 10, 1994 or on any other occasion.

It is hereby ordered that the agency serve a copy of the final decision on the Office of Administrative Hearings, P.O. Drawer 27447, Raleigh, N.C. 27611-7447, in accordance with North Carolina General Statute 150B-36(b).

**RECOMMENDED DECISION  
ORDER GRANTING SUMMARY  
JUDGMENT FOR RESPONDENT**

1209

were required to be on rotating restrictive weekend on-call during assigned weekends. Between 1989 and 1992, these employees were allowed to be on-call with the use of beepers so they would not be completely restricted to their homes. After the fall of 1992, Petitioner was not required to be on-call.

4. Also from 1987 until 1992, Petitioner alleges that he had numerous work and personality problems with another employee, Mr. Chester Allsbrook, which actually came to physical altercations and threats.

5. In November 1993, the Caledonia-Odom Complex maintenance section was disbanded and its members absorbed by three prisons: Caledonia, Odom and Tillery. Ed Nelson, previously the Complex maintenance supervisor, was made maintenance supervisor at Caledonia with a projected staff of 16. David Carr, previously a pay grade 66 maintenance mechanic, was promoted to pay grade 71 and made maintenance supervisor at Odom with a projected staff of 15. Petitioner was assigned to Tillery as the only maintenance mechanic. Petitioner was advised that Tillery required only one maintenance employee because of its small size, and it was stated that Petitioner was chosen for the job because of his ability to handle any variety of maintenance problem.

6. Petitioner wrote a letter to Nathan Rice, Institution Commander at the time, on October 28, 1993, complaining about the dismantling of the Caledonia-Odom Complex. Petitioner set out in the letter the nature of his complaint and the facts leading up to the complaint. Petitioner stated:

When the breakup was announced [in a June 1993 meeting], we were told that each institution would have its own maintenance staff and supervisor. David Carr and I were asked separately which unit we wanted to supervise. By previous agreement between David and I, he chose Odom and I chose Caledonia. I was then told that Ed Nelson had been assigned to Caledonia. I had expected this so I then chose Tillery institution.

(Petitioner's exhibit to Petitioner's Response to Respondent's Motion to Dismiss) (emphasis added). According to Petitioner, he was also advised in the June 1993 meeting that he would be made a supervisor at a pay grade 70 or 71 and that, although there was to be only one maintenance personnel at Tillery at the time, four additional positions would be asked for in the summer session of the legislature. Later he was told that the additional positions were not asked for in the summer session but would be in the "fall session." Again according to Petitioner's letter, he was told in July 1993 that the one maintenance position at Tillery was eliminated and therefore, he would no longer be made a supervisor because there would be no one to supervise. Petitioner further states he was advised that this would be a temporary situation. By October 1993, this situation remained unchanged. In the October 28, 1993 letter, Petitioner did not state that his complaint was based upon retaliation for complaining about the on-call compensation or for his problems with Chester Allsbrook.

7. On October 28, 1993, the staffing decisions were made final in a meeting with the Petitioner. In November 1993, the Complex maintenance section was disbanded and the maintenance staff were assigned to the three prison units: Caledonia, Odom and Tillery.

8. In January 1994, Petitioner spoke with Charles Creecy, the Caledonia-Odom Complex Administrator. Mr. Creecy responded to Petitioner in a memorandum dated January 26, 1994. The memorandum references the Petitioner's request to transfer to Caledonia Correctional Institution and how Mr. Creecy and Superintendent Lee at Caledonia attempted to work this transfer out for Petitioner. However, no one at Caledonia wanted to transfer to Tillery but if a position came open, they would be willing to transfer him there. At this January meeting, Petitioner's concern over on-call compensation was raised and forwarded to Nathan Rice. (Petitioner's Exhibit to Petitioner's Response to Respondent's Motion to Dismiss).

9. On February 21, 1994, Petitioner had a meeting with Nathan Rice, the Institution Commander, who advised Petitioner his claims were not timely and were meritless. Nathan Rice did not issue a written decision. At this meeting, Petitioner raised new issues regarding the misuse of State property by other employees, i.e., the loaning of a generator to a contractor and making deer stands on work time. Some of these allegations were 15 years old. Petitioner at this time asked to be considered a "whistleblower" and he did not want to be retaliated against for making these claims. Nathan Rice forwarded a lengthy memorandum to Mr. Joseph Hamilton on March 1, 1994 regarding the meeting. Following this meeting, Petitioner took no further action with the Respondent regarding his claims.

10. In July or August 1994, Petitioner hired an attorney, not the attorney of record, who attended a meeting with the new Institution Commander, Gary Dixon, to discuss Petitioner's claims. Following this meeting, Petitioner took no action regarding his claims.

11. On December 12, 1994, Petitioner wrote to Ms. Carol Hinnant in the Personnel Office of the Department of Correction and stated that he had formally grieved: 1) the denial of on-call compensation and 2) the lack of staff necessary to do his job at Tillery with his Institution Head and with the Command Manager without any satisfaction. Petitioner states in the letter that the first time that he raised the issue about receiving on-call compensation was in January 1994 when he spoke to Charles Creecy about the inequities he saw in the reassignment. Petitioner states: "I had not raised this issue previously because I feared retaliation."

12. In the December 12, 1994 letter, which was later to be treated as a Step 3 grievance, Petitioner made three requests: 1) that he be compensated for on-call time; 2) that he be provided sufficient staff at Tillery and be promoted to supervisor with back pay; and 3) that he be reimbursed for attorney fees.

13. On March 23, 1995, the Respondent's Personnel Office issued a Step 3 decision which stated that the grievance regarding the assignment to Tillery had not been made in accordance with policy and that the on-call compensation claim was untimely. However, in an attempt to provide a final explanation to Petitioner, Respondent agency set out a full response to those concerns in the decision and Petitioner was properly advised of his appeal rights.

14. Petitioner filed a petition for contested case hearing with the Office of Administrative Hearings ("OAH") on April 21, 1995 and properly served the Respondent.

15. The petition used by the Petitioner is a form specifically for employee grievances under the State Personnel Act, G.S. Chapter 126. Petitioner checked on the form that his appeal was based upon "Retaliation" and under the category "Other (Explain)," he wrote "Failure to obey the Fair Labor Standards Act." Under the section for facts supporting the appeal, Petitioner's counsel wrote:

"Mr. Harrell has been retaliated against, among other things, for seeking wages owed him under the FLSA. He has been injured in the terms and conditions of his employment by arbitrary decisions of the Department of Correction."

Petitioner does not state how he was retaliated against, i.e., he does not state that he was discharged, suspended, transferred, demoted from his position or reduced in pay or benefits.

16. Petitioner's complaints were about incidents which occurred prior to 1992 but he did not present any of these complaints through the internal grievance process until after his transfer to Tillery in November 1993. Petitioner's own initial letter of complaint states that he chose to go to Tillery. After this letter and following his transfer to Tillery, the exhibits show that Petitioner's primary concern centered around the fact that no other maintenance staff were placed at Tillery as promised and that he was not made supervisor. During 1994, Petitioner began to formulate that he had been transferred in retaliation for the early problems he had while at the Caledonia-Odom Complex. The December 12, 1994 letter constituting the Step 3 grievance asked for on-call compensation and a promotion and maintenance staff at Tillery. These complaints are non-disciplinary and non-discriminatory.

17. In the fall of 1992, the Respondent's internal grievance procedure for non-disciplinary, non-discriminatory problems arising from employment required that the Petitioner first discuss his problem with his supervisor within fifteen days of the problem. The supervisor is to provide a written response. For a Step 2 grievance, the employee who is not satisfied must then request the next level of management to consider the problem within fifteen days after he received an unsatisfactory answer or within fifteen days after expiration of the time he was to receive an answer. Step 3 of the grievance process requires the dissatisfied employee to submit his grievance in writing within fifteen days after he gets the Step 2 decision or within fifteen days after the allotted time should no answer be given. During this process, neither employer nor employee is to have an attorney present. Petitioner first met with Charles Creecy in January 1994. He also wrote to Nathan Rice in October 1993. He then met with Nathan Rice, the Institution Commander, on February 21, 1994. The next meeting was held in August 1994 between Petitioner's attorney at the time and Gary Dixon, the new Institution Commander. Ultimately, on December 12, 1994, Petitioner filed the Step 3 grievance. Petitioner did not follow the internal grievance process in accordance with agency policy nor did he follow the procedure in a timely manner.

Based upon these uncontroverted facts, the undersigned makes the following:

CONCLUSIONS OF LAW

I. Rule 12(B)(6) Motion Converted to Summary Judgment.

A motion to dismiss for failure to state a claim is allowed where the claimant is entitled to no relief under any statement of facts which could be proven. This will occur when: 1) there is a lack of law to support the claim; 2) there is an absence of facts sufficient to make a good claim; or 3) the disclosure of some fact necessarily defeats the claim. Garvin v. City of Fayetteville, 102 N.C.App. 121, 401 S.E.2d 133 (1991). Arguably, the limited facts stated in the petition meet this criteria and the petition could be dismissed pursuant to G.S. 1A-1, Rule 12(b)(6) of the North Carolina Rules of Civil Procedure.

However, under the doctrine of "notice" pleading and having reviewed the facts stated in the form petition in the light most favorable to the non-moving party, and primarily because the exhibits and affidavits which were submitted by the parties were considered by the undersigned, Respondent's Motion to Dismiss based upon a failure to state a claim is converted into a motion for summary judgment pursuant to G.S. 1A-1, Rule 12(b). After reviewing the affidavits and exhibits of the parties, the undersigned concludes that there are no genuine issues of material fact and therefore, summary judgment is proper.

II. Personal and Subject Matter Jurisdiction.

A. General

1. The Department of Corrections is expressly exempt from the contested case provisions of G.S. Chapter 150B, the Administrative Procedures Act ("APA"). G.S. 150B-1(e)(7). Therefore, "under the plain meaning of the NCAPA, Petitioner is entitled to an administrative hearing to appeal his grievance to the OAH only by virtue of another statute." Empire Power Co. v. N. C. Dep't of Env't. Health and Natural Resources, 337 N.C. 569, 579, 447 S.E.2d 768, 774 (1994). The State Personnel Act, G.S. Chapter 126 of the North Carolina General Statutes, gives State employees the right to an administrative hearing in OAH for actions arising under Chapter 126. Specifically, G.S. 126-37(a) provides:

"[a]ppeals involving a disciplinary action, alleged discrimination, and any other contested case arising under this Chapter shall be conducted in the Office of Administrative hearings as provided in Article 3 of Chapter 150B. . . ."

G.S. 150B-37(a). Therefore, unless Petitioner's employment grievances arise under Chapter 126, OAH does not have jurisdiction to hear them. Batten v. N.C. Dep't of Correction, 326 N.C. 338, 389 S.E.2d 35 (1990); see also, Nailing v. UNC-CH, 117 N.C.App. 318, 451 S.E.2d 351 (1994).

2. Also, if Petitioner's grievance does not allege discrimination, then he must have complied with G.S. 126-34 which requires all permanent state employees having a grievance arising out of their employment to have first discussed their problem with their supervisor, then to follow the grievance procedure established by their department. G.S. 126-37(a) & 34; Batten, supra at 343.

3. OAH has personal jurisdiction over the Respondent pursuant to G.S. 1A-1, Rule 12(b)(2) of the North Carolina Rules of Civil Procedure. The Petitioner properly named and properly served the Respondent department.

B. Fair Labor Standards Act.

Petitioner's claim for reimbursement for on-call compensation pursuant to the Fair Labor Standards Act is not a cognizable claim under G.S. Chapter 126, the State Personnel Act. Therefore, OAH lacks subject matter jurisdiction to hear this claim.

C. Failure to Post Job Vacancy.

Petitioner raises for the first time in his prehearing statement a claim of failure to post a job vacancy pursuant to G.S. 126-7.1(a). Although G.S. 126-36.2 permits a direct appeal to the State Personnel Commission without having to go through the Respondent's internal grievance procedure, Petitioner is still required to follow the other procedural requirements of Chapter 126 such as filing the petition within thirty days after receipt of notice of "the decision or action which triggers the right of appeal." G.S. 126-38; Nailing v. UNC-CH, supra. Petitioner was notified of the final staffing

decisions for the dismantling of the Caledonia-Odom Complex on October 28, 1993. Petitioner also failed to state any facts in support of this claim in the filed petition and therefore, this claim should be dismissed for failure to state a claim and for lack of subject matter jurisdiction because this action was not commenced within thirty days of the action which triggered the right of appeal. G.S. 1A-1, Rule 12(b)(1) & (6); G.S. 150B-23; G.S. 126-38; Nailing v. UNC-CH, *supra*.

D. Retaliation and "Any Other Contested Case" Claims.

1. Retaliation Based Upon Discrimination.

Petitioner's claim that he was transferred to Tillery Correctional Institution in retaliation for complaining about the on-call compensation as well as improper activities by other employees and for his problems with a fellow employee is not a claim pursuant to G.S. 126-36 even though Petitioner contends that he was denied a position of supervisor because no staff was provided to him. Petitioner has not alleged discrimination.

2. Disciplinary Retaliation.

Nor has Petitioner made an allegation that he has been discharged, suspended or demoted for disciplinary reasons pursuant to G.S. 126-35(a). Nor has he been reduced in pay or position or been involuntarily separated. G.S. 126-35(b)-(c). Although a lateral transfer could be seen as disciplinary retaliation in some factual situations, *see, e.g., Jones v. Elizabeth City*, 840 F.Supp. 398 (1991) (citing other cases with adverse job actions with no reduction in pay or benefits), Petitioner in this case states that he chose to go to Tillery. Also as stated below, he has failed to timely follow the internal grievance procedure as required by G.S. 126-34.

3. "Any Other Contested Case."

The question of whether Petitioner's appeal is a "contested case" arising under Chapter 126 depends upon whether or not he has stated grounds recognized in the Act as meriting review under the "any other contested case" provision of G.S. 126-37(a). Batten, *supra* at 345. Although Respondent contends that the decision to transfer Petitioner to Tillery was a management decision regarding a reallocation of the Caledonia-Odom Complex maintenance staff, there still may be, and the Petitioner so contends there are, personnel matters which may necessarily be a consequence of the management decision. N.C. Dep't of Justice v. Eaker, 90 N.C.App. 30, 33, 367 S.E.2d 392, *disc.rev.denied*, 322 N.C. 836, 371 S.E.2d 279 (1988). Petitioner also contends that he has a right to be reimbursed for on-call compensation pursuant to State personnel regulations.

G.S. 126-4(2) and G.S. 126-4(6) provide that the State Personnel Commission shall establish rules governing compensation plans as well as the transfer of employees. The Commission has adopted rules relating to transfers in 25 NCAC 1D .0900 and rules relating to on-call compensation in 25 NCAC 1D .1934. Commission rules are to have the force and effect of law and G.S. 126-37(a), under the "any other contested case arising under this Chapter" provision, provides that jurisdiction for such matters shall be in OAH. N.C. Dep't of Justice v. Eaker, *supra* at 38-40 (rev'd in Batten, *supra* at 343 only on Eaker's holding that G.S. 126-34 provided grounds for jurisdiction in OAH independently of G.S. 126-37). Therefore, rules and regulations of the State Personnel Commission adopted pursuant to G.S. 126-4 can be enforced under the "any other contested case" provision of G.S. 126-37(a).

4. Failure to Follow Internal Grievance Procedure.

However, in this case, Petitioner failed to follow the internal grievance procedure as required by G.S. 126-37(a) and G.S. 126-34. As to the claim for reimbursement of on-call compensation, this was first addressed in a meeting with Charles Creecy in 1994 and the last incident giving rise to the claim occurred in the fall of 1992. Even if the Petitioner had complained in 1992, he did not follow through with the complaint and make it a formal grievance in a timely manner. Throughout the exhibits and the March 23, 1995 decision letter, the Respondent asserted that this claim was untimely even though the Respondent addressed this issue fully in its March 23, 1995 letter. The Respondent should not be penalized for attempting once again to try to explain their position to the Petitioner. Therefore, this claim for reimbursement of on-call compensation pursuant to Personnel rules should be dismissed for lack of subject matter jurisdiction. Lewis v. N.C. Dep't of Human Resources, 92 N.C.App. 737, 375 S.E.2d 712 (1989) (agency discretion to insist on timeliness when exercised in good faith and in accordance with law).

As to the claim of retaliation, even if it was determined that Petitioner had established a justiciable

claim of disciplinary retaliation based upon his job transfer, from the time of his original complaint in October 1993 to December 12, 1994, Petitioner did not follow through in a timely manner with his grievance even after hiring counsel. Arguably, Respondent agency also did not follow its own policies and procedures because it did not send Petitioner a written letter following the January and February 1994 meetings; however, in both meetings, Petitioner was advised that his claims had no merit and were not timely. The internal grievance procedure provides that the Petitioner must take certain steps even if he has not received a response from the employer. The Respondent's failure to follow its own internal grievance process:

does not automatically entitle petitioner to a reversal of the dismissal determination. In order to claim relief based on a violation of the internal appeal procedures, petitioner must show that there was a substantial chance there would have been a different result in his case if the established internal procedures had been followed.

Leiphart v. N.C. School of the Arts, 80 N.C.App. 339, 353, 342 S.E.2d 914, cert. denied, 318 N.C. 507, 349 S.E.2d 862 (1986) (distinguished in Eaker, supra at 37 in that the rule in question was a State Personnel rule and not the agency's internal grievance procedure).

The result in this case would not have been different primarily because the Petitioner stated in his own exhibits that he chose to go to Tillery. His primary complaint is that after being assigned to Tillery, he was not provided with a staff to supervise and therefore, was not provided with a supervisory position. Assuming promises were made to Petitioner by his supervisor, these were matters out of his immediate supervisor's control. Positions had to be created by the legislature and job classifications are changed by the Office of State Personnel. If such promises or incentives to transfer were made, such a promise is not enforceable without approval of the legislature or the State Personnel Director. See Opinion of Attorney General to Mr. Richard V. Lee, State Personnel Director, 57 N.C.A.G. 66 (1987). While this may seem unfair, failure to add additional maintenance staff and to promote to supervisor when no position was available are not matters that are grievable under Chapter 126.

#### 5. "Whistleblower Statute."

Article 14 of the State Personnel Act is commonly known as the "Whistleblower" Statute. G.S. 126-85 provides that no department shall retaliate against an employee for reporting verbally or in writing activities by a State agency or employee which constitute, among other things, misappropriation of State resources. G.S. 126-84 & 85. The department cannot discharge, threaten or otherwise discriminate against the employee regarding the employee's compensation, terms, conditions, location or privileges of employment. G.S. 126-85(a).

Although "any other contested case arising under this Chapter" shall be heard in OAH in accordance with G.S. 126-37(a), a specific avenue for appeal for redress of this grievance is provided in Article 14. A State employee injured by a violation of G.S. 126-85 may maintain an action in superior court within one year after the occurrence of the alleged violation. G.S. 126-86. When two statutes deal with common subject matter, in this case employee grievances under the State Personnel Act, they should be read together and harmonized if possible; however, if there is any conflict between the two provisions, the specific statute shall prevail over the general statute unless it appears that the legislature intended to make the general act controlling. Batten v. N.C. Dep't of Correction, supra at 344. A claim of retaliation under the Whistleblower Statute must be brought in superior court and not in OAH. Therefore, Petitioner's claim of retaliation for complaining about improper or illegal misappropriation of State resources by other employees must be dismissed for lack of subject matter jurisdiction.

### III. Motion to Amend Petition.

During the hearing on the motion to dismiss, Petitioner's counsel made a motion to amend the petition to assert the claims of 1) reimbursement of on-call compensation pursuant to Personnel rules and regulations; and 2) failure to post job vacancy. This motion was denied because these were issues based upon facts of which the Petitioner was aware prior to the filing of his petition and he chose not to raise these issues in his petition. However, because the issues were addressed in the memoranda of law and at the hearing and because G.S. 1A-1, Rule 15(b) requires amendment when the presentation of the merits of the action will be preserved thereby, the undersigned has addressed these issues in this decision. The result of the decision is not changed whether the petition is amended or not.

Based upon the foregoing uncontroverted facts and conclusions of law, the undersigned makes the following:

**RECOMMENDED DECISION**

The Respondent's Motion to Dismiss Petitioner's petition for a contested case hearing based upon a lack of subject matter jurisdiction and upon a failure to state a claim is converted to a motion for summary judgment pursuant to G.S. 1A-1, Rules 12(b) and 56 and is hereby **GRANTED**.

**ORDER**

It is hereby ordered that the agency serve a copy of the final decision on the Office of Administrative Hearings, PO Drawer 27447, Raleigh, NC 27611-7447, in accordance with G.S. 150B-36(b).

**NOTICE**

The agency making the final decision in this contested case is required to give each party an opportunity to file exceptions to this recommended decision and to present written arguments to those in the agency who will make the final decision. G.S. 150B-36(a). The agency is required by G.S. 150B-36(b) to serve a copy of the final decision on all parties and to furnish a copy to the parties' attorney of record and to the Office of Administrative Hearings. The agency that will make the final decision in this contested case is the State Personnel Commission.

This the 5th day of September, 1995.

*The North Carolina Administrative Code (NCAC) has four major subdivisions of rules. Two of these, titles and chapters, are mandatory. The major subdivision of the NCAC is the title. Each major department in the North Carolina executive branch of government has been assigned a title number. Titles are further broken down into chapters which shall be numerical in order. The other two, subchapters and sections are optional subdivisions to be used by agencies when appropriate.*
