EXPLANATION OF THE PUBLICATION SCHEDULE

This Publication Schedule is prepared by the Office of Administrative Hearings as a public service and the computation of time periods are not to be deemed binding or controlling. Time is computed according to 26 NCAC 2B .0103 and the Rules of Civil Procedure, Rule 6.

GENERAL

The North Carolina Register shall be published twice a month and contains the following information submitted for publication by a state agency:

- (1) temporary rules;
- (2) notices of rule-making proceedings;
- (3) text of proposed rules;
- (4) text of permanent rules approved by the Rules Review Commission;
- (5) notices of receipt of a petition for municipal incorporation, as required by G.S. 120-165;
- (6) Executive Orders of the Governor;
- (7) final decision letters from the U.S. Attorney General concerning changes in laws affecting voting in a jurisdiction subject of Section 5 of the Voting Rights Act of 1965, as required by G.S. 120-30.9H;
- (8) orders of the Tax Review Board issued under G.S. 105-241.2; and
- (9) other information the Codifier of Rules determines to be helpful to the public.

COMPUTING TIME: In computing time in the schedule, the day of publication of the North Carolina Register is not included. The last day of the period so computed is included, unless it is a Saturday, Sunday, or State holiday, in which event the period runs until the preceding day which is not a Saturday, Sunday, or State holiday.

FILING DEADLINES

ISSUE DATE: The Register is published on the first and fifteen of each month if the first or fifteenth of the month is not a Saturday, Sunday, or State holiday for employees mandated by the State Personnel Commission. If the first or fifteenth of any month is a Saturday, Sunday, or a holiday for State employees, the North Carolina Register issue for that day will be published on the day of that month closest to (either before or after) the first or fifteenth respectively that is not a Saturday, Sunday, or holiday for State employees.

LAST DAY FOR FILING: The last day for filing for any issue is 15 days before the issue date excluding Saturdays, Sundays, and holidays for State employees.

NOTICE OF RULE-MAKING PROCEEDINGS

END OF COMMENT PERIOD TO A NOTICE OF RULE-MAKING PROCEEDINGS: This date is 60 days from the issue date. An agency shall accept comments on the notice of rule-making proceeding until the text of the proposed rules is published, and the text of the proposed rule shall not be published until at least 60 days after the notice of rule-making proceedings was published.

EARLIEST REGISTER ISSUE FOR PUBLICATION OF TEXT: The date of the next issue following the end of the comment period.

NOTICE OF TEXT

EARLIEST DATE FOR PUBLIC HEARING: The hearing date shall be at least 15 days after the date a notice of the hearing is published.

END OF REQUIRED COMMENT PERIOD

(1) **RULE WITH NON-SUBSTANTIAL ECONOMIC IMPACT:** An agency shall accept comments on the text of a proposed rule for at least 30 days after the text is published or until the date of any public hearings held on the proposed rule, whichever is longer.

(2) **RULE WITH SUBSTANTIAL ECONOMIC IMPACT:** An agency shall accept comments on the text of a proposed rule published in the Register and that has a substantial economic impact requiring a fiscal note under G.S. 150B-21.4(b1) for at least 60 days after publication or until the date of any public hearing held on the rule, whichever is longer.

DEADLINE TO SUBMIT TO THE RULES REVIEW COMMISSION: The Commission shall review a rule submitted to it on or before the twentieth of a month by the last day of the next month.

FIRST LEGISLATIVE DAY OF THE NEXT REGULAR SESSION OF THE GENERAL ASSEMBLY: This date is the first legislative day of the next regular session of the General Assembly following approval of the rule by the Rules Review Commission. See G.S. 150B-21.3, Effective date of rules.

An agency may choose to publish a rule-making agenda which serves as a notice of rule-making proceedings if the agenda includes the information required in a notice of rule-making proceedings. The agency must accept comments on the agenda for at least 60 days from the publication date. Statutory reference: G.S. 150B-21.2.

TITLE 13 - DEPARTMENT OF LABOR

CHAPTER 7 - OSHA

SUBJECT: Amending current construction standards to require grounding of deenergized transmission and distribution lines and equipment to protect employees from electrocution.

RULE CITATION: 13 NCAC 07F .0201 (which will amend 29 CFR 1926.950)

STATUTORY AUTHORITY: G.S. 95-4; 95-131

DIVISION: Division of Occupational Safety and Health/NC Dept of Labor

DIVISION CONTACT/TELEPHONE: Jill F. Cramer/ (919)662-4581 or 1-800-LABORNC

TYPE OF RULE: Amendment to current standard

STAGE OF DEVELOPMENT: Concept stage

GOV LEVELS AFFECTED: Only employers that engage in the construction of electric transmission and distribution lines would be affected by this amendment. The only known state entities that would be affected are the universities within the UNC System that have their own co-generation plants, the University of North Carolina and Appalachian State University (New River Power & Light), and a transmission plant at Western Carolina University.

REASON FOR ACTION: To protect construction employees from known sources of electrocution.

SCOPE/NATURE/SUMMARY: This will be an amendment to the current Subpart V, *Power Transmission and Distribution*, of Part 1926 to provide more protection to employees working with deenergized parts by requiring grounding of the deenergized part instead of or in addition to using insulated tools.

CITATION TO EXISTING RULE AFFECTED: Unknown.

A Notice of Rule-making Proceedings is a statement of subject matter of the agency's proposed rule making. The agency must publish a notice of the subject matter for public comment at least 60 days prior to publishing the proposed text of a rule. Publication of a temporary rule serves as a Notice of Rule-making Proceedings and can be found in the Register under the section heading of Temporary Rules. A Rule-making Agenda published by an agency serves as rule-making proceedings and can be found in the Register under the section heading of Rule-making Agendas. Statutory reference: G.S. 150B-21.2.

TITLE 4 - DEPARTMENT OF COMMERCE

CHAPTER 1 - DEPARTMENTAL RULES

Notice of Rule-making Proceedings is hereby given by the North Carolina Department of Commerce in accordance with G.S. 150B-21.2. The agency shall subsequently publish in the Register the text of the rule(s) it proposes to adopt as a result of this notice of rule-making proceedings and any comments received on this notice.

Citation to Existing Rules Affected by this Rule-Making: 4 NCAC 1E, 1F, 1H, 1I, 1J, and 1K. Other rules may be proposed in the course of the rule-making process.

Authority for the rule-making: G.S. 105-130.40; 105-151.17; 143B-320, 428-437A, 472.30; 159C-3-8

Statement of the Subject Matter: These Rules govern the procedures and criteria of the Industrial and Pollution Control Revenue Bonds program; delineate the goals and policies of the Basic Building program; set out Private Activity Bond Volume Capacity proceedings; and indicate detailed activities and responsibilities of the Industrial Development Fund, the Jobs Tax Credit program, the economic development category for the Community Development Block Grant (CDBG) program, and the Business Energy Loan program.

Reason for Proposed Action: This proposed action is necessary due to statutory changes, revisions brought on by administration of the various affected programs over time, and corrective changes.

Comment Procedures: The Department of Commerce will accept written comments regarding this proposed action until 5 PM, September 30, 1996. Comments should be directed to: Mr. Stewart Dickinson, Commerce Finance Center, 301 N. Wilmington Street, PO Box 29571, Raleigh, NC 27626-0571.

CHAPTER 1 - DEPARTMENTAL RULES

CHAPTER 19 - DIVISION OF COMMUNITY ASSISTANCE

Notice of Rule-making Proceedings is hereby given by

the Department of Commerce, Division of Community Assistance in accordance with G.S. 150B-21.2. The agency shall subsequently publish in the Register the text of the rule(s) it proposes to adopt as a result of this notice of rule-making proceedings and any comments received on this notice.

Other rules may be proposed in the course of the rule-making process.

Authority for the rule-making: G.S. 143B-10; 143B-4

Statement of the Subject Matter: Changes in rules for administering various funding categories in the Small City Community Development Block Grant Program. New rules for administering the Section 108 CDBG Loan Guarantee Program, authorized by House Bill 361 (new Rule 4 NCAC 1K .0501 - .0506 and 4 NCAC 19L .1801 - .1805). New rules for administering the Lead-based Paint Hazard Reduction Grant program, and related certification required by HUD as a condition of under this program.

Reason for Proposed Action: The proposed action is necessary to enable the Division of Community Assistance to implement the Community Development Block Grant Program in accordance with U.S. Department of Housing and Urban Development (HUD) regulations, the HUD-approved CDBG Action Plan for 1996, and the CDBG Block Grant Plan approved by the General Assembly in June 1995, and the CDBG Loan Guarantee program authorized by the General Assembly in House Bill 361.

Comment Procedures: Oral or written comments will be accepted until September 30, 1996. Written comments should be sent to Bill McNeil, Director, Division of Community Assistance, P.O. Box 12600, Raleigh, NC 27605-2600. Oral comments should also be directed to Bill McNeil (919) 733-2850.

TITLE 10 - DEPARTMENT OF HUMAN RESOURCES

CHAPTER 26 - MEDICAL ASSISTANCE

Notice of Rule-making Proceedings is hereby given by the DHR - Division of Medical Assistance in accordance with G.S. 150B-21.2. The agency shall subsequently publish in the Register the text of the rule(s) it proposes to adopt as a result of this notice of rule-making proceedings and any comments received on this notice.

Citation to Existing Rules Affected by this Rule-Making: 10 NCAC 26H .0602. Other rules may be proposed in the course of the rule-making process.

Authority for the rule-making: G.S. 108A-25(b); 108A-54; 108A-55; S.L. 1985, c. 479, s. 86; 42 C.F.R. 440.70

Statement of the Subject Matter: The proposed rule changes the methodology used to establish maximum rates for Home Health services. The proposed rule establishes the prior year's level the maximum per visit reimbursement rates for Home Health services in fiscal year ended June 30, 1997.

Reason for Proposed Action: This action is based on a study conducted by the Division of Medical Assistance and results in the prospective rates being more nearly aligned to average industry cost. The proposed change will result in annual savings of approximately 1.7 million dollars to the Medicaid program.

Comment Procedures: Written comments concerning this rule-making action must be submitted by September 30, 1996 to Portia Rochelle, APA Coordinator, Division of Medical Assistance, 1985 Umstead Drive, Raleigh, NC 27603.

submission of temporary rules reviewed by the Codifier of Rules.

Reason for Proposed Action: 1. To correct inconsistencies within the rules and to make technical corrections identified after the April 1, 1996 effective date. 2. To adopt a rule that sets out the criteria to waive a publication submission requirement contained in an OAH rule. 3. To adopt rules that establish standards and fees for both agencies and other interested persons who request publication of discretionary notices in the NC Register under G.S. 150B-21.17(a)(6). 4. To adopt a rule to interpret a "recent act" of the General Assembly as that term is used in G.S. 150B-21.1(a)(2) in the temporary rule review procedure under G.S. 150B-21.1.

Comment Procedures: Comments regarding this notice should be directed to: Anna Baird, Rule-making Coordinator, Office of Administrative Hearings, PO Drawer 27447, Raleigh, NC 27611-7447. Comments must be received in OAH by 5:30 pm on September 30, 1996.

TITLE 26 - OFFICE OF ADMINISTRATIVE HEARINGS

CHAPTER 2 - RULES DIVISION

Notice of Rule-making Proceedings is hereby given by the Office of Administrative Hearings in accordance with G.S. 150B-21.2. The agency shall subsequently publish in the Register the text of the rule(s) it proposes to adopt as a result of this notice of rule-making proceedings and any comments received on this notice.

Citation to Existing Rules Affected by this Rule-Making: 26 NCAC 2C. Other rules may be proposed in the course of the rule-making process.

Authority for the rule-making: G.S. 150B-21.17; 150B-21.19

Statement of the Subject Matter: The rules in this Subchapter govern the requirements for submission of documents and rules to be published in the NC Register and the NC Administrative Code and the requirements for

This Section contains the text of proposed rules. At least 60 days prior to the publication of text, the agency published a Notice of Rule-making Proceedings. The agency must accept comments on the proposed rule for at least 30 days from the publication date, or until the public hearing, or a later date if specified in the notice by the agency. The required comment period is 60 days for a rule that has a substantial economic impact of at least five million dollars (\$5,000,000). Statutory reference: G.S. 150B-21.2.

TITLE 10 - DEPARTMENT OF HUMAN RESOURCES

Notice is hereby given in accordance with G.S. 150B-21.2 that the NC Child Day Care Commission intends to amend rule cited as 10 NCAC 3U .0604. Notice of Rule-making Proceedings was published in the Register on May 1, 1996.

Proposed Effective Date: April 1, 1997

A Public Hearing will be conducted at 4:00 - 8:00 p.m. on September 4, 1996 at the Division of Child Development, 319 Chapanoke Road, Suite 120, Room 300, Raleigh, NC 27603.

Reason for Proposed Action: Clarification is needed regarding when protrusions on child day care facility fencing may be allowed.

Comment Procedures: Comments may be presented in writing any time before or at the public hearing or orally at the hearing. Time limits for oral remarks may be imposed by the Commission Chairman. Any person may request copies of these Rules by calling Jeanne Marlowe, Division of Child Development, 319 Chapanoke Road, Suite 120, Raleigh, NC 27603, (919) 662-4527.

Fiscal Note: This Rule does not affect the expenditures or revenues of state or local government funds. This Rule does not have a substantial economic impact of at least five million dollars (\$5,000,000) in a 12-month period.

CHAPTER 3 - FACILITY SERVICES

SUBCHAPTER 3U - CHILD DAY CARE STANDARDS

SECTION .0600 - SAFETY REQUIREMENTS FOR DAY CARE CENTERS

.0604 GENERAL SAFETY REQUIREMENTS

(a) Potentially hazardous items, such as firearms and ammunition, hand and power tools, nails, chemicals, lawn mowers, gasoline or kerosene, archery equipment, propane stoves, whether or not intended for use by children, shall be stored in locked areas or with other appropriate safeguards, or shall be removed from the premises.

(b) Electrical outlets not in use which are located in space used by the children shall be covered with safety plugs unless located behind furniture or equipment that cannot be moved by

a child.

(c) Electric fans shall be mounted out of the reach of children or shall be fitted with an appropriate mesh guard to prevent access by children.

(d) All small electrical appliances shall be used only in accordance with the manufacturer's instructions.

(e) Electrical cords shall not be accessible to infants and toddlers. Extension cords, except as approved by the local fire inspector, shall not be used. Frayed or cracked electrical cords shall be replaced.

(f) All materials used for starting fires, such as matches and lighters, shall be kept in locked storage or shall be stored out of the reach of children.

(g) Smoking shall not be permitted in space used by children when children are present. All smoking materials shall be kept in locked storage or out of the reach of children.

(h) Fuel burning heaters, fireplaces and floor furnaces shall be provided with a protective screen attached securely to substantial supports to prevent access by children and prevent objects from being thrown into them.

(i) Plants that are toxic shall not be in indoor or outdoor space that is used by or is accessible to children.

(j) The outdoor play area shall be protected by a fence or other protection. The height shall be a minimum of four feet and the top of the fence shall be free of protrusions by January 1, 1999. The requirement disallowing protrusions shall not apply to fences six feet high or above. The fencing shall exclude fixed bodies of water such as ditches, quarries, canals, excavations, and fish ponds. Gates to the fenced outdoor play area shall remain securely closed while children occupy the area. When the facility uses areas outside the fenced outdoor play area for children's activities or takes children off the premises for play or outings, the parent of each child shall give written permission for the child to be included in such activities. The permission may be:

- (1) a one-time, blanket permission for all activities;
- (2) a one-time, blanket permission for a specific activity at any time; or
- (3) a one-time permission for a specific activity at a designated time.

The facility shall maintain the signed permission in the child's record. When children are taken off the premises, staff accompanying the children shall have a list of the names of all children participating in the outing.

(k) Air conditioning units shall be located so that they are not accessible to children or shall be fitted with a mesh guard to prevent objects from being thrown into them.

(l) Gas tanks shall be located so they are not accessible to the children or shall be in a protective enclosure or surrounded by a protective guard.

(m) Cribs and playpens shall be placed so that the children

occupying them shall not have access to cords or ropes, such as venetian blind cords.

(n) Children shall not be allowed to play on outdoor equipment that is too hot to touch.

(o) The indoor and outdoor premises shall be checked daily for debris, vandalism and broken equipment. Debris shall be removed and disposed of appropriately.

(p) The playground surface area shall be checked at least weekly to assure that surface material is maintained to assure continued resiliency.

(q) Following completion of safety training by the administrator or other staff person as required by Rule .0705(e) of this Subchapter, a monthly playground inspection shall be conducted and a record of each inspection shall be completed. This staff person shall use a playground inspection checklist provided by the Division. The checklist shall be signed by the person who conducts the inspection and shall be maintained in the facility's files for review by a representative of the Division.

(r) Plastic bags, materials that can be easily torn apart such as Styrofoam and foam rubber, and toys and toy parts small enough to be swallowed shall not be accessible to children under three years of age.

Authority G.S. 110-85(2); 110-91(3),(6); 143B-168.3.

TITLE 15A - DEPARTMENT OF ENVIRONMENT, HEALTH, AND NATURAL RESOURCES

Notice is hereby given in accordance with G.S. 150B-21.2 that the Environmental Management Commission intends to adopt rule cited as 15A NCAC 2B .0229. Notice of Rule-making Proceedings was published in the Register on May 1, 1996.

Proposed Effective Date: April 1, 1997

A Public Hearing will be conducted at 7:00 p.m. on September 3, 1996 at the Pitt County Agricultural Center, 403 Government Circle, Greenville, NC, (919) 757-2800 and on September 5, 1996 at the Nash County Agricultural Center, Business 64, Nashville, NC, (919) 459-9811.

Reason for Proposed Action: The Environmental Management Commission (EMC) gave the Division of Environmental Management staff permission to proceed to public hearing on the nonpoint source offset requirements for wastewater dischargers in the Tar-Pamlico River Basin who are not members of the Tar-Pamlico Association. The proposed rule addition will require new and expanding wastewater dischargers not in the Association to pay for their additional nutrient loads by funding nonpoint source control programs. These payments will be required prior to issuance of the NPDES permit and at each renewal.

Comment Procedures: You may submit comments, state-

ments, data and other information in writing prior to, during or after the hearings, but no later than September 19, 1996. You may also present verbal comments at the hearings. The Hearing Officer may limit the length of time that you may speak so that all those who wish to speak may have an opportunity to do so. We encourage you to submit written comments.

Fiscal Note: This Rule does not affect the expenditures or revenues of state or local government funds. This Rule does not have a substantial economic impact of at least five million dollars (\$5,000,000) in a 12-month period.

CHAPTER 2 - ENVIRONMENTAL MANAGEMENT

SUBCHAPTER 2B - SURFACE WATER STANDARDS: MONITORING

SECTION .0200 - CLASSIFICATIONS AND WATER QUALITY STANDARDS APPLICABLE TO SURFACE WATERS OF NORTH CAROLINA

.0229 TAR-PAMLICO RIVER BASIN - NUTRIENT SENSITIVE WATERS MANAGEMENT STRATEGY: NUTRIENT OFFSET PAYMENTS FOR NON-TAR-PAMLICO BASIN ASSOCIATION MEMBERS

(a) All waters of the Tar-Pamlico River Basin have been supplementally classified nutrient sensitive waters (NSW) pursuant to 15A NCAC 2B .0223. Specific actions to prevent excessive growths of microscopic or macroscopic vegetation in the Tar-Pamlico River Basin are as described in the Phase II Tar-Pamlico NSW Implementation Strategy adopted by the Commission on December 8, 1994. A copy of the Phase II Tar-Pamlico NSW Implementation Strategy is available, upon request, from the Division of Water Quality, P.O. 29535, Raleigh, NC 27626-0535. The following procedures are to be implemented in accordance with 15A NCAC 2B .0223 in all waters of the Tar-Pamlico River Basin for those wastewater dischargers who are not members of the Tar-Pamlico Basin Association.

(b) Existing wastewater dischargers expanding to greater than 0.5 million gallons per day (MGD), who are not members of the Tar-Pamlico Basin Association, will be required to offset their additional nutrient loads by funding nonpoint source control programs approved by the Division of Water Quality prior to the issuance of their NPDES permit and at each renewal. Nitrogen and phosphorus loads will be offset at the rate of 110 percent of the cost to implement BMPs designed to reduce that same load created by expanding the discharge above 0.5 MGD. Equations for calculating the offset costs are:

(1) For an existing facility with permitted flow of less than or equal to 0.5 MGD as of December 8, 1994 expanding to greater than 0.5 MGD who is not a member of the Tar-Pamlico Basin Association:

$$\text{Payment} = ((\text{PE} \times (\text{TN} + \text{TP}) \times 1384) - (0.5 \times$$

(TN+TP) x 1384)) x (BMP_c x 1.1) where:
 Payment = the nutrient offset payment (\$);
 PF_c = Permitted Flow including expansion (MGD);
 TN = 6 mg/l total nitrogen for domestic discharges or BAT for industrial discharges;
 TP = 1 mg/l total phosphorus for domestic discharges or BAT for industrial discharges;
 1384 = conversion factor;
 0.5 = the permitted flow (MGD) above which payment for additional nutrient loading is required;
 BMP_c = Best Management Practice cost-effectiveness rate in \$/kg;
 1.1 = 110 percent of the cost for the nonpoint source controls.

- (2) For an expanding facility with a permitted flow of greater than or equal to 0.5 MGD as of December 8, 1994 who is not a member of the Tar-Pamlico Basin Association:
 Payment=((PF_c x (TN+TP) x 1384)-(PF x (TN+TP) x 1384)) x (BMP_c x 1.1) where:
 Payment = the nutrient offset payment (\$);
 PF_c = Permitted Flow including expansion (MGD);
 PF = Permitted Flow as of December 8, 1994 (MGD);
 TN = 6 mg/l total nitrogen for domestic discharges or BAT for industrial discharges;
 TP = 1 mg/l total phosphorus for domestic discharges or BAT for industrial discharges;
 1384 = conversion factor;
 BMP_c = Best Management Practice cost-effectiveness rate in \$/kg;
 1.1 = 110 percent of the cost for the nonpoint source controls.

The Best Management Practice cost-effectiveness rate (BMP_c) represents the cost to achieve a reduction of one kilogram (1 kg) of total nitrogen through the use of BMPs. This rate is determined by the Director based on best available information (beginning in December 1994) and is updated every two years as deemed necessary by the Director.

- (c) New wastewater dischargers with permitted flows greater than or equal to 0.05 MGD, who are not members of the Tar-Pamlico Basin Association, will be required to offset their nutrient loads by funding nonpoint source control programs approved by the Division of Water Quality prior to the issuance of their NPDES permit and at each renewal. Nitrogen and phosphorus loads will be offset at the rate of 110 percent of the cost to implement BMPs designed to reduce that same loading created by the new discharge above 0.05 MGD. The equation for calculating the offset costs is:
 Payment = PF x (TN+TP) x 1384 x (BMP_c x 1.1) where:
 Payment = the nutrient offset payment (\$);
 PF = Permitted Flow (MGD);
 TN = 6 mg/l total nitrogen for domestic discharges or BAT for industrial discharges;
 TP = 1 mg/l total phosphorus for domestic discharges or BAT for industrial discharges;
 1384 = conversion factor;

BMP_c = Best Management Practice cost-effectiveness rate in \$/kg;

1.1 = 110 percent of the cost for the nonpoint source controls.

The Best Management Practice cost-effectiveness rate (BMP_c) represents the cost to achieve a reduction of one kilogram (1 kg) of total nitrogen through the use of BMPs. This rate is determined by the Director based on best available information (beginning in December 1994) and is updated every two years as deemed necessary by the Director.

Authority G.S. 143-214.1.

Notice is hereby given in accordance with G.S. 150B-21. that the Environmental Management Commission intend to amend rule cited as 15A NCAC 2B .0315. Notice of Rule making Proceedings was published in the Register on April 15, 1996.

Proposed Effective Date: April 1, 1997

A Public Hearing will be conducted at 7:00 p.m. on August 20, 1996 at the Town Hall, 231 East 2nd Street, Clayton, NC

Reason for Proposed Action: The N.C. Department of Environment, Health, and Natural Resources on behalf of the Environmental Management Commission (EMC) will conduct a public hearing in order to receive public comments on a proposal to reclassify a portion of the Neuse River (Neuse River Basin) in Johnston County. The Johnston County Board of Commissioners has requested that a section of the Neuse River in Johnston County be reclassified to the appropriate water supply classification based on the location for a new water supply intake for the County. The selected intake site is due east of the Wilson Mills community in a section of the Neuse River that is currently classified as WS-IV NSW. Other sections of the Neuse River in the area that would be affected by the proposed reclassification are classified WS-V NSW. A portion of the proposed reclassification area is currently classified as WS-IV because it falls within the Protected Area for the downstream City of Smithfield water supply intake. The WS-IV classification is also the most appropriate water supply class for the Neuse River in the area being considered for reclassification. Johnston County and the Town of Clayton have land use jurisdiction within the affected area. The proposed reclassification to Classes WS-IV NSW and WS-IV NSW CA (Critical Area) would require the affected local governments to adopt and implement drinking water supply ordinances for this section of the Neuse River that, at a minimum, meet the state's requirements for a WS-IV watershed. The water supply watershed protection requirements for development within a WS-IV water supply are applicable for only those projects that require a Sediment/Erosion Control Plan under state law or a delegated local program.

Comment Procedures: *The purpose of this announcement is to encourage those interested in this proposal to provide comments. You may either attend the public hearing and make relevant verbal comments or submit written comments, data or other relevant information by September 20, 1996. The Hearing Officer may limit the length of time that you may speak at the public hearing, if necessary, so that all those who wish to speak may have an opportunity to do so. We encourage you to submit written comments as well. The Environmental Management Commission (EMC) is very interested in all comments pertaining to the proposed reclassifications. It is very important that all interested and potentially affected persons or parties make their views known to the EMC whether in favor of or opposed to any and all provisions of the proposed reclassifications. The EMC may, in accordance with N.C.G.S. 150B-21-2, make changes in final rules without notice as long as the adopted rules do not differ substantially from the proposed rules. In accordance with this authority, the EMC may adopt final management requirements or rules that are more or less stringent than those being noticed if the EMC determines that the final adopted rules do not differ substantially from the proposed rules. All interested and potentially affected persons are strongly encouraged to read the entire announcement and supporting information, and make appropriate comments on the proposal presented. The proposed effective date for the final rules pursuant to this hearing process is April 1, 1997. Written comments may be submitted to: Liz Kovaschitz, DEHNR/Division of Environmental Management, P.O. Box 29535, Raleigh, NC 27626-0535, (919) 733-5083, extension 572.*

Fiscal Note: *This Rule does affect the expenditures or revenues of local government funds. This Rule does not affect the expenditures or revenues of state funds. This Rule does not have a substantial economic impact of at least five million dollars (\$5,000,000) in a 12-month period.*

- (19) April 1, 1994;
- (20) July 1, ~~1996~~, 1996;
- (21) April 1, 1997.

(c) The Schedule of Classifications and Water Quality Standards for the Neuse River Basin has been amended effective July 1, 1988 as follows:

- (1) Smith Creek [Index No. 27-23-(1)] from source to the dam at Wake Forest Reservoir has been reclassified from Class WS-III to WS-I.
- (2) Little River [Index No. 27-57-(1)] from source to the N.C. Hwy. 97 Bridge near Zebulon including all tributaries has been reclassified from Class WS-III to WS-I.
- (3) An unnamed tributary to Buffalo Creek just upstream of Robertson's Pond in Wake County from source to Buffalo Creek including Leo's Pond has been reclassified from Class C to B.

(d) The Schedule of Classifications and Water Quality Standards for the Neuse River Basin has been amended effective October 1, 1988 as follows:

- (1) Walnut Creek (Lake Johnson, Lake Raleigh) [Index No. 27-34-(1)]. Lake Johnson and Lake Raleigh

have been reclassified from Class WS-III to Class WS-III & B.

- (2) Haw Creek (Camp Charles Lake) (Index No. 27-86-3-7) from the backwaters of Camp Charles Lake to dam at Camp Charles Lake has been reclassified from Class C to Class B.

(e) The Schedule of Classifications and Water Quality Standards for the Neuse River Basin has been amended effective January 1, 1990 as follows:

- (1) Neuse-Southeast Pamlico Sound ORW Area which includes all waters within a line beginning at the southwest tip of Ocracoke Island, and extending north west along the Tar-Pamlico River Basin and Neuse River Basin boundary line to Lat. 35 degrees 06' 30", thence in a southwest direction to Ship Point and all tributaries, were reclassified from Class SA NSW to Class SA NSW ORW.
- (2) Core Sound (Index No. 27-149) from northeastern limit of White Oak River Basin (a line from Hall Point to Drum Inlet) to Pamlico Sound and all tributaries, except Thorofare, John Day Ditch were reclassified from Class SA NSW to Class SA NSW ORW.

(f) The Schedule of Classifications and Water Quality Standards for the Neuse River Basin was amended effective December 1, 1990 with the reclassification of the following waters as described in (1) through (3) of this Paragraph.

- (1) Northwest Creek from its source to the Neuse River (Index No. 27-105) from Class SC Sw NSW to Class SB Sw NSW;
- (2) Upper Broad Creek [Index No. 27-106-(7)] from Pamlico County SR 1103 at Lees Landing to the Neuse River from Class SC Sw NSW to Class SB Sw NSW; and
- (3) Goose Creek [Index No. 27-107-(11)] from Wood Landing to the Neuse River from Class SC Sw NSW to Class SB Sw NSW.

(g) The Schedule of Classifications and Water Quality Standards for the Neuse River Basin was amended effective July 1, 1991 with the reclassification of the Bay River [Index No. 27-150-(1)] within a line running from Flea Point to the Hammock, east to a line running from Bell Point to Darby Point, including Harper Creek, Tempe Gut, Moore Creek and Newton Creek, and excluding that portion of the Bay River landward of a line running from Poorhouse Point to Darby Point from Classes SC Sw NSW and SC Sw NSW HQW to Class SA NSW.

(h) The Schedule of Classifications and Water Quality Standards for the Neuse River Basin was amended effective August 3, 1992 with the reclassification of all water supply waters (waters with a primary classification of WS-I, WS-II or WS-III). These waters were reclassified to WS-I, WS-II, WS-III, WS-IV or WS-V as defined in the revised water supply protection rules, (15A NCAC 2B .0100, .0200 and .0300) which became effective on August 3, 1992. In some cases, streams with primary classifications other than WS were reclassified to a WS classification due to their proximity and

linkage to water supply waters. In other cases, waters were reclassified from a WS classification to an alternate appropriate primary classification after being identified as downstream of a water supply intake or identified as not being used for water supply purposes.

(i) The Schedule of Classifications and Water Quality Standards for the Neuse River Basin was amended effective April 1, 1994 as follows:

- (1) Lake Crabtree [Index No. 27-33-(1)] was reclassified from Class C NSW to Class B NSW.
- (2) The Eno River from Orange County State Road 1561 to Durham County State Road 1003 [Index No. 27-10-(16)] was reclassified from Class WS-IV NSW to Class WS-IV&B NSW.
- (3) Silver Lake (Index No. 27-43-5) was reclassified from Class WS-III NSW to Class WS-III&B NSW.

(j) The Schedule of Classifications and Water Quality Standards for the Neuse River Basin was amended effective July 1, 1996 with the reclassification of Austin Creek [Index Nos. 27-23-3-(1) and 27-23-3-(2)] from its source to Smith Creek from classes WS-III NSW and WS-III NSW CA to class C NSW.

(k) The Schedule of Classifications and Water Quality Standards for the Neuse River Basin was amended effective April 1, 1997 with the reclassification of the Neuse River (including tributaries) from mouth of Marks Creek to a point 1.3 miles downstream of Johnston County State Road 1908 to class WS-IV NSW and from a point 1.3 miles downstream of Johnston County State Road 1908 to the Johnston County Water Supply intake (located 1.8 miles downstream of Johnston County State Road 1908) to class WS-IV CA NSW [Index Nos. 27-(36) and 27-(38.5)].

CHAPTER 7 - COASTAL MANAGEMENT

SUBCHAPTER 7H - STATE GUIDELINES FOR AREAS OF ENVIRONMENTAL CONCERN

SECTION .0100 - INTRODUCTION AND GENERAL COMMENTS

SECTION .0300 - OCEAN HAZARD AREAS

The date and location of a public hearing that was published in the July 1, 1996 Register (11 NCR 7 pages 409 - 412) has been changed as follows:

Old Date	New Date
August 5, 1996	August 6, 1996
7:00 p.m.	7:00 p.m.
Hyde County Courthouse	Ocracoke School
Swan Quarter, NC	Ocracoke Island, NC

Notice is hereby given in accordance with G.S. 150B-21.2 that the Commission for Health Services intends to amend rule cited as 15A NCAC 18A .1805. Notice of Rule-making Proceedings was published in the Register on May 15, 1996.

Proposed Effective Date: April 1, 1997

A Public Hearing will be conducted at 1:30 p.m. on September 25, 1996 at the Archdale Building, Ground Floor Hearing Room, 512 N. Salisbury Street, Raleigh, NC 27604.

Reason for Proposed Action: This change was inadvertently left out during the previous rule process. In .1805(1) the word "places" changed to "establishment" in order for all rules to have consistent wording.

Comment Procedures: All persons interested in this matter are invited to attend the public hearing. Written comments may be presented at the public hearing or submitted to Grady L. Balentine, Department of Justice, PO Box 629, Raleigh, NC 27602-0629. All written comments must be received by October 3, 1996. Persons who wish to speak at the hearing should contact Mr. Balentine at (919) 733-4618. Persons who call in advance of the hearing will be given priority on the speaker's list. Oral presentation lengths may be limited depending on the number of people that wish to speak at the public hearing. Only persons who have made comments at a public hearing or who have submitted written comments will be allowed to speak at the Commission meeting. Comments made at the Commission meeting must either clarify previous comments or proposed changes from staff pursuant to comments made during the public hearing process. **IT IS VERY IMPORTANT THAT ALL INTERESTED AND POTENTIALLY AFFECTED PERSONS, GROUPS, BUSINESSES, ASSOCIATIONS, INSTITUTIONS OR AGENCIES MAKE THEIR VIEWS AND OPINIONS KNOWN TO THE COMMISSION FOR HEALTH SERVICES THROUGH THE PUBLIC HEARING AND COMMENT PROCESS, WHETHER THEY SUPPORT OR OPPOSE ANY OR ALL PROVISIONS OF THE PROPOSED RULES. THE COMMISSION MAY MAKE CHANGES TO THE RULES AT THE COMMISSION MEETING IF THE CHANGES COMPLY WITH G.S. 150B-21.2(f).**

Fiscal Note: This Rule does not affect the expenditures or revenues of state or local government funds. This Rule does not have a substantial economic impact of at least five million dollars (\$5,000,000) in a 12-month period.

CHAPTER 18 - ENVIRONMENTAL HEALTH

SUBCHAPTER 18A - SANITATION

SECTION .1800 - SANITATION OF LODGING PLACES

.1805 INSPECTION FORMS

The grading of lodging establishments shall be done on an inspection form furnished by the Department to local health departments. The form shall include at least the following information:

- (1) name and address of lodging ~~places~~, establishment,
- (2) name of owner, or permittee,
- (3) score,
- (4) Rules of construction and operation as listed in Rules .1808 to .1814 of this Section,
- (5) signature of authorized representative,
- (6) the permit status code,
- (7) establishment identification number.

Authority G.S. 130A-248.

TITLE 16 - DEPARTMENT OF PUBLIC INSTRUCTION

Notice is hereby given in accordance with G.S. 150B-21.2 that the North Carolina Standards Board for Public School Administration intends to adopt rules cited as 16 NCAC 7 .0101 - .0112. Notice of Rule-making Proceedings was published in the Register on March 1, 1996.

Proposed Effective Date: January 1, 1998

A Public Hearing will be conducted at 10:00 a.m. on September 5, 1996 at the Education Building, Room 224, 301 North Wilmington Street, Raleigh, NC 27601.

Reason for Proposed Action: To implement the statutory requirements of G.S. 115C-290.1 through 290.9. The Standards Board is awaiting action on proposed legislative revisions that would affect these rules. Given the possibility that the legislation may not be adopted, we are submitting Version 1 based upon the existing Standards Board statutes (G.S. 115C-290.1 through G.S. 115C-290.9), and a Version 2 based upon the proposed revisions.

The proposed legislative revisions would affect the following rules:

***Rule .0102(a)(3).** The preferred version of the rule is based on a proposed revision to G.S. 115C-290.7(a)(3) which would expand the types of graduate preparation programs which are prerequisites for taking the Standards Board's licensure exam.

***Rule .0103(a).** The preferred version of the rule is based on a proposed revision which to G.S. 115C-290.8 would expand the types of experience which exempt a previously licensed individual from the requirement to take the Standards Board's licensure exam.

***Rule .0104(a)(1).** The preferred version of the rule is based on the same proposed revision to G.S. 115C-290.7(a)(3) described in Rule .0102(a)(3).

Comment Procedures: Comments will be accepted on or before the above date for the public hearing. Comments must

be received by the time of the public hearing. Written comments should be addressed to: North Carolina Standards Board for Public School Administration, 795 Education Building, 301 North Wilmington Street, Raleigh, NC 27601 or they may be faxed to (919) 715-3665.

Fiscal Note: These Rules do not affect the expenditures or revenues of state or local government funds. These Rules do not have a substantial economic impact of at least five million dollars (\$5,000,000) in a 12-month period.

VERSION # 1

**CHAPTER 7 - NORTH CAROLINA STANDARDS
BOARD FOR PUBLIC SCHOOL ADMINISTRATION**

SECTION .0100 - CERTIFICATION

.0101 DEFINITIONS

(a) Exam. - The examination required by the North Carolina Standards Board for Public School Administration for public school administrator candidates, including sub-parts for initial and continuing certifications.

(b) Certificate. - The credential administered by the State Board of Education which authorizes the holder to practice in the professional area for which he/she has been prepared. There are two classifications of certificates:

- (1) Initial certificate. - The initial certificate, which is valid for two years, allows the holder to begin practicing the profession on an independent basis. Only those persons who are actually beginning in the profession require initial certification.
- (2) Continuing certificate. - The continuing certificate, issued after the period of successful initial licensure, authorizes professional school service on a continuing basis.

(c) Department. - The North Carolina Department of Public Instruction.

(d) IHE. - Institution of Higher Education.

(e) LEA. - Local Education Agency.

(f) NCAC. - North Carolina Administrative Code.

(g) SBE. - The North Carolina State Board of Education.

(h) School. - An organizational subdivision of a school system:

- (1) consisting of 100 or more students in average daily membership (ADM), and/or staffed by a minimum seven full-time teachers (or the equivalent);
- (2) composed of one or more grade groups;
- (3) organized as one unit with an assigned principal, or person acting in the capacity of a principal; and
- (4) housed in a school plant of one or more buildings.

(i) Charter School. - A public charter school approved by the SBE within an LEA:

- (1) consisting of at least 65 students and at least 3 teachers;
- (2) operated by a private nonprofit corporation which is nonsectarian in its programs, admission policies,

employment practices, and all other operations and which does not charge tuition; and

- (3) meets student performance standards adopted by the SBE.

(j) School administrator. - School superintendents, deputy superintendents, associate superintendents, assistant superintendents, principals, and assistant principals.

(k) Standards Board. - The North Carolina Standards Board for Public School Administration.

Authority G.S. 115C-290.5(a)(6).

.0102 GENERAL INFORMATION

(a) Any person who desires to obtain employment from LEA as a school administrator [as defined in G.S. 115C-290.2(4)] must be recommended by the Standards Board in order to apply for and obtain certification from the Department. Minimum requirements for the recommendation of the Standards Board specify that the applicant:

- (1) file an application in the form prescribed by the Standards Board, along with an application fee;
- (2) file an examination application in the form prescribed by the Standards Board, together with an examination fee, and a recommendation by a designated official of the approved IHE where preparation was completed;
- (3) hold a bachelors degree from an accredited college or accredited university, and hold a graduate degree from a public school administration program that meets the public school administrator program approval standards set by the SBE; and
- (4) pass the exam.

(b) An applicant shall possess principal certification in order to be employed in the position of assistant principal, principal, or assistant superintendent. Exceptions to this requirement shall be provided for employment in a position as an assistant superintendent for personnel or business services.

(c) An applicant shall possess superintendent certification in order to be employed in the position of superintendent, deputy superintendent, or associate superintendent.

(d) The Standards Board evaluates each application and its supporting documentation and notifies each applicant of the action it takes.

(e) Upon recommendation by the Standards Board, each applicant shall fulfill the certificate application requirements of the department.

Authority G.S. 115C-290.5(a)(6).

**.0103 EXEMPTIONS FROM CERTIFICATION
REQUIREMENTS OF THE STANDARDS
BOARD**

(a) The requirements of this Chapter do not apply to person who, at any time during the five years preceding January 1, 1998, was engaged in school administration [as defined in Rule .0101(j) of this Section] at a public school in North Carolina, a public school LEA in North Carolina, or

school in North Carolina operated by the United States Government.

(b) A person who is exempt from the requirements of this Chapter but applies to the Standards Board under this Chapter shall be subject to the Chapter.

Authority G.S. 115C-290.5(a)(6).

**.0104 PROGRAM REQUIREMENTS FOR
CERTIFICATION
AS A PUBLIC SCHOOL ADMINISTRATOR**

(a) In order to receive the initial regular principal certificate, an applicant shall

- (1) hold a bachelor's degree from an accredited college or accredited university, and hold a graduate degree from a public school administration program that meets the public school administrator program approval standards set by the SBE;
- (2) receive a recommendation from the IHE which includes the approval or endorsement of the designated certification officer at the IHE; and
- (3) pass the exam sub-part for initial principal certification.

(b) In order to receive the principal's continuing certificate, an applicant shall fulfill the requirements of Rule .0105(d) of this Section.

(c) In order to receive the superintendent's certificate, an applicant shall have:

- (1) met the certification requirements for a principal,
- (2) completed a sixth year program in a public school administration program that meets the public school administrator program approval standards set by the SBE, and
- (3) received a recommendation from the IHE which includes the approval or endorsement of the designated certification officer at the IHE.

Authority G.S. 115C-290.5(a)(6).

**.0105 CERTIFICATION PATTERNS FOR
PUBLIC SCHOOL ADMINISTRATION**

(a) Certificates indicate specializations and preparation levels for which the professional has been prepared.

(b) Certificates are of the following types:

- (1) Principal. The holder may serve in the specific school administrator roles of assistant principal, principal, or assistant superintendent. There are three levels of preparation:
 - (A) master's degree;
 - (B) sixth-year; and
 - (C) doctorate.
- (2) Superintendent. The holder may serve in the specific school administrator roles of superintendent, deputy superintendent, associate superintendent, assistant superintendent, principal, or assistant principal. There are two levels of preparation:
 - (A) sixth-year; and

(B) doctorate.

(c) The Department bases certificate classification on the level and degree of career development and competence. There are two classifications of certificates for principals:

- (1) The initial principal certificate, which is valid for two years, allows the holder to begin practicing the profession on an independent basis. Only those persons who are actually beginning in the profession require initial certification. Persons who seek certification in this state for the first time and who have two years of appropriate experience as determined by the Department are eligible for a continuing certificate. The holder may have the certificate changed to a continuing principal certificate as provided in Paragraph (d) of this Rule. For purposes of this Rule, "year" means not less than six successive calendar months of full time employment in one LEA or non-public school with an approved program plan.
- (2) The continuing principal certificate authorizes professional school service on a continuing basis. [Note: Initial certification requirements for public school administration cannot be satisfied in an assistant principal's position.]

(d) To convert the initial principal certificate to a continuing principal certificate, the holder shall:

- (1) serve two years as a principal with a LEA or a non-public school that has a comprehensive program plan for initially certified personnel that meets the criteria contained in 16 NCAC 6C .0304(d) and that is approved by the SBE;
- (2) meet the performance criteria for conversion of an initial principal certificate to a continuing principal certificate;
- (3) pass the appropriate continuing certification sub-test of the exam;
- (4) be recommended by the locally designated official of the LEA or non-public school by which the holder is employed.

Authority G.S. 115C-290.5(a)(6).

.0106 STANDARD EXAMINATIONS

(a) The examination required by the North Carolina Standards Board for Public School Administration for principal certification candidates, including sub-parts for initial and continuing certifications, is the standard examination required for certification of principals.

(b) Each applicant for certification as a principal shall pay an examination fee in an amount prescribed by statute.

(c) An applicant for certification as a principal shall meet minimum scores on the exam as follows:

- (1) Principal sub-test for initial certification - To Be Determined

Authority G.S. 115C-290.5(a)(6).

VERSION # 2

CHAPTER 7 - NORTH CAROLINA STANDARDS BOARD FOR PUBLIC SCHOOL ADMINISTRATION

SECTION .0100 - CERTIFICATION

.0101 DEFINITIONS

(a) Exam. - The examination required by the North Carolina Standards Board for Public School Administration for public school administrator candidates, including sub-parts for initial and continuing certifications.

(b) Certificate. - The credential administered by the State Board of Education which authorizes the holder to practice in the professional area for which he/she has been prepared. There are two classifications of certificates:

- (1) Initial certificate. - The initial certificate, which is valid for two years, allows the holder to begin practicing the profession on an independent basis. Only those persons who are actually beginning in the profession require initial certification.
- (2) Continuing certificate. - The continuing certificate issued after the period of successful initial licensure authorizes professional school service on a continuing basis.

(c) Department. - The North Carolina Department of Public Instruction.

(d) IHE. - Institution of Higher Education.

(e) LEA. - Local Education Agency.

- (f) NCAC. - North Carolina Administrative Code.
- (g) SBE. - The North Carolina State Board of Education.
- (h) School. - An organizational subdivision of a school system:

- (1) consisting of 100 or more students in average daily membership (ADM), and/or staffed by a minimum seven full-time teachers (or the equivalent);
- (2) composed of one or more grade groups;
- (3) organized as one unit with an assigned principal, or person acting in the capacity of a principal; and
- (4) housed in a school plant of one or more buildings.

(i) Charter School. - A public charter school approved by the SBE within an LEA:

- (1) consisting of at least 65 students and at least 3 teachers;
- (2) operated by a private nonprofit corporation which is nonsectarian in its programs, admission policies, employment practices, and all other operations and which does not charge tuition; and
- (3) meets student performance standards adopted by the SBE.

(j) School administrator. - School superintendents, deputy superintendents, associate superintendents, assistant superintendents, principals, and assistant principals.

(k) Standards Board. - The North Carolina Standards Board for Public School Administration.

Authority G.S. 115C-290.5(a)(6).

0102 GENERAL INFORMATION

(a) Any person who desires to obtain employment from a LEA as a school administrator [as defined in G.S. 115C-290.2(4)] must be recommended by the Standards Board in order to apply for and obtain certification from the Department. Minimum requirements for the recommendation of the Standards Board specify that the applicant:

- (1) file an application in the form prescribed by the Standards Board, along with an application fee;
 - (2) file an examination application in the form prescribed by the Standards Board, together with an examination fee, and a recommendation by a designated official of the approved IHE where preparation was completed;
 - (3) hold a bachelors degree from an accredited college or accredited university, and:
 - (A) hold a graduate degree from a public school administration program that meets the public school administrator program approval standards set by the SBE; or
 - (B) hold a masters degree from an accredited college or accredited university and have completed by December 31, 1999 a public school administration program that meets the public school administration program approval standards set by the SBE; and
 - (4) pass the exam.
- (b) An applicant shall possess principal certification in

order to be employed in the position of assistant principal, principal, or assistant superintendent. Exceptions to this requirement shall be provided for employment in a position as an assistant superintendent for personnel or business services.

(c) An applicant shall possess superintendent certification in order to be employed in the position of superintendent, deputy superintendent, or associate superintendent.

(d) The Standards Board evaluates each application and its supporting documentation and notifies each applicant of the action it takes.

(e) Upon recommendation by the Standards Board, each applicant shall fulfill the certificate application requirements of the Department.

Authority G.S. 115C-290.5(a)(6).

.0103 EXEMPTIONS FROM CERTIFICATION REQUIREMENTS OF THE STANDARDS BOARD

(a) The requirements of this Chapter do not apply to a person who, at any time during the five years preceding January 1, 1998:

- (1) completed an administrative internship as part of an approved graduate program in school administration, and obtained an active State administrator/supervisor certificate; or
- (2) was engaged in school administration while in possession of an active State administrator/supervisor certificate. The following shall fulfill the condition of having been "engaged in school administration":

(A) employment, in any position included in the definition of school administrator provided in Rule .0101(j) of this Section, in any of the following institutions:

- (i) a public school or LEA in North Carolina.
- (ii) a public charter school in North Carolina.
- (iii) a pre-K-12 school in North Carolina operated by the State Department of Human Resources.
- (iv) a pre-K-12 school in North Carolina operated by the State Department of Correction.
- (v) a pre-K-12 school in North Carolina operated by the United States Government.
- (vi) a non-public pre-K-12 school or group of schools in North Carolina accredited by the SBE.

(B) employment in a public school supervisor's or director's position in which there is a major responsibility to teach or directly supervise teaching.

(C) employment in a North Carolina college/university as an instructor whose major

responsibilities include the preparation and/or supervision of individuals enrolled in a public school administration program that meets the public school administrator program approval standards set by the SBE.

(b) A person who is exempt from the requirements of this Chapter but applies to the Standards Board under this Chapter shall be subject to the Chapter.

Authority G.S. 115C-290.5(a)(6).

.0104 PROGRAM REQUIREMENTS FOR CERTIFICATION AS A PUBLIC SCHOOL ADMINISTRATOR

(a) In order to receive the initial regular principal certificate, an applicant shall hold a bachelor's degree from an accredited college or university and:

(1) must either:

(A) hold a graduate degree from a public school administration program that meets the public school administrator program approval standards set by the SBE; or

(B) hold a masters degree from an accredited college or accredited university and have completed by December 31, 1999 a public school administration program that meets the public school administration program approval standards set by the SBE;

(2) receive a recommendation from the IHE which includes the approval or endorsement of the designated certification officer at the IHE; and

(3) pass the exam sub-part for initial principal certification.

(b) In order to receive the principal's continuing certificate, an applicant shall fulfill the requirements of Rule .0105(d) of this Section.

(c) In order to receive the superintendent's certificate, an applicant shall have:

(1) met the certification requirements for a principal;

(2) completed a sixth year program in a public school administration program that meets the public school administrator program approval standards set by the SBE; and

(3) received a recommendation from the IHE which includes the approval or endorsement of the designated certification officer at the IHE.

Authority G.S. 115C-290.5(a)(6).

.0105 CERTIFICATION PATTERNS FOR PUBLIC SCHOOL ADMINISTRATION

(a) Certificates indicate specializations and preparation levels for which the professional has been prepared.

(b) Certificates are of the following types:

(1) Principal. The holder may serve in the specific school administrator roles of assistant principal, principal, or assistant superintendent. There are

three levels of preparation:

(A) master's degree;

(B) sixth-year; and

(C) doctorate.

(2) Superintendent. The holder may serve in the specific school administrator roles of superintendent, deputy superintendent, associate superintendent, assistant superintendent, principal, or assistant principal. There are two levels of preparation:

(A) sixth-year; and

(B) doctorate.

(c) The Department bases certificate classification on the level and degree of career development and competence. There are two classifications of certificates for principals:

(1) The initial principal certificate, which is valid for two years, allows the holder to begin practicing the profession on an independent basis. Only those persons who are actually beginning in the profession require initial certification. Persons who seek certification in this state for the first time and who have two years of appropriate experience as determined by the Department are eligible for a continuing certificate. The holder may have the certificate changed to a continuing principal certificate as provided in Paragraph (d) of this Rule. For purposes of this Rule, "year" means not less than six successive calendar months of full time employment in one LEA or non-public school with an approved program plan.

(2) The continuing principal certificate authorizes professional school service on a continuing basis. [Note: Initial certification requirements for public school administration cannot be satisfied in an assistant principal's position.]

(d) To convert the initial principal certificate to a continuing principal certificate, the holder shall:

(1) serve two years as a principal with a LEA or non-public school that has a comprehensive program plan for initially certified personnel that meets the criteria contained in 16 NCAC 6C .0304(d) and that is approved by the SBE;

(2) meet the performance criteria for conversion of an initial principal certificate to a continuing principal certificate;

(3) pass the appropriate continuing certification sub-test of the exam;

(4) be recommended by the locally designated official of the LEA or non-public school by which the holder is employed.

Authority G.S. 115C-290.5(a)(6).

.0106 STANDARD EXAMINATIONS

(a) The examination required by the North Carolina Standards Board for Public School Administration for principal certification candidates, including sub-parts for initial and continuing certifications, is the standard examination required

or certification of principals.

(b) Each applicant for certification as a principal shall pay an examination fee in an amount prescribed by statute.

(c) An applicant for certification as a principal shall meet minimum scores on the exam as follows:

- (1) Principal sub-test for initial certification - To Be Determined
- (2) Principal sub-test for continuing certification - To Be Determined

Authority G.S. 115C-290.5(a)(6).

0107 CERTIFICATE RENEWAL FOR PUBLIC SCHOOL ADMINISTRATORS

Individuals who seek to renew school administrator certificates shall follow the certificate renewal procedures prescribed by the State Board of Education in 16 NCAC 6C .0307.

Authority G.S. 115C-290.5(a)(6).

0108 EXPIRED CERTIFICATES

Individuals who seek to reinstate expired school administrator certificates shall follow the procedures prescribed by the State Board of Education in 16 NCAC 6C .0308.

Authority G.S. 115C-290.5(a)(6).

0109 RECIPROCITY IN CERTIFICATION

A person who has not completed an approved public school administration program in this state may be eligible for school administrator certification by the Department if he/she fulfills all other certification requirements of the department and:

- (1) he/she is a graduate of a regionally accredited graduate program in public school administration outside the state, provided that:
 - (a) the applicant holds or is qualified to hold a public school administration certificate in the state in which the applicant completed the graduate program in public school administration;
 - (b) the applicant seeks certification in public school administration;
 - (c) the applicant is recommended by the preparing institution;
 - (d) the recommendation is supported by an official transcript supplied by the institution; and
 - (e) the applicant passes the appropriate sub-test(s) of the exam; or
- (2) he/she is accepted from another state under G.S. 115C-349 through 115C-358.

Authority G.S. 115C-290.5(a)(6).

0110 TEMPORARY PERMIT

A candidate for school administrator certification who has not met the standard examinations requirement may receive a temporary permit if:

- (1) the candidate did not know that a minimum standard examination score was required for certification; and
- (2) the candidate has not had the opportunity to satisfy this requirement after becoming aware of it.

(b) A temporary permit is valid for the remainder of the fiscal year during which certification is established.

(c) Persons who graduated from in-state approved public school administration programs subsequent to January 1, 1998 are not eligible for a temporary permit. An individual who graduated from an in-state approved public school administration program prior to January 1, 1998 is eligible for a temporary permit as follows:

- (1) he/she is not exempt as specified in Rule .0103 of this Section;
- (2) he/she was not employed in a North Carolina public school; and
- (3) he/she was not notified of the standard examinations requirements specified in this Chapter.

Authority G.S. 115C-290.5(a)(6).

.0111 CERTIFICATE SUSPENSION AND REVOCATION

The SBE may deny an application for certification or may suspend or revoke a public school administrator's certificate issued by the Department for the reasons and according to the procedures outlined in 16 NCAC 6C .0312.

Authority G.S. 115C-290.5(a)(6).

.0112 CRIMINAL HISTORY CHECKS

LEA's shall comply with guidelines and procedures related to criminal history checks on applicants as outlined in 16 NCAC 6C .0313.

Authority G.S. 115C-290.5(a)(6).

CHAPTER 12 - LICENSING BOARD FOR GENERAL CONTRACTORS

SECTION .0200 - LICENSING REQUIREMENTS

204 ELIGIBILITY

(a) Limited License. The applicant for such a license must:

- (1) Be entitled to be admitted to the examination given by the Board in light of the requirements set out in G.S. 87-10 and Section .0400 of this Chapter;
- (2) Be financially stable to the extent that the total current assets of the applicant or the firm or corporation he represents exceed the total current liabilities by at least ~~ten thousand dollars (\$10,000.00)~~. ~~This requirement shall remain in effect for all applications made prior to October 1, 1990. For applications made on or after October 1, 1990 an applicant for a limited license must be financially stable to the extent that the total current assets of the applicant or the firm or corporation he represents exceed the total current liabilities by at least~~ twelve thousand five hundred dollars (\$12,500.00);
- (3) Possess the competency and the ability, as revealed by the applicant's experience and education to engage in the practice of general contracting within a specified classification or classifications in order to successfully complete a single project of a value of less than or equal to two hundred fifty thousand dollars (\$250,000.00), such competency and ability being determined in the sole discretion of the Board;
- (4) Successfully complete 70 percent of each part of the examination given the applicant by the Board dealing with the specified contracting classification chosen by the applicant;

(b) Intermediate License. The applicant for such a license must:

- (1) Be entitled to be admitted to the examination given by the Board in light of the requirements set out in G.S. 87-10 and Section .0400 of this Chapter;
- (2) Be financially stable to the extent that the total current assets of the applicant or the firm or corporation he represents exceed the total current liabilities by at least fifty thousand (\$50,000.00) as reflected in an audited financial statement prepared by a certified public accountant or a qualified independent accountant who is engaged in the public practice of accountancy;
- (3) Possess the competency and the ability as revealed by the applicant's experience and education to engage in the practice of general contracting within a specified classification or classifications in order to successfully complete a single project of a value of less than or equal to five hundred thousand dollars (\$500,000.00), such competency and ability being determined in the sole discretion of the Board;
- (4) Successfully complete 70 percent of each part of the examination given the applicant by the Board dealing with the specified contracting classification chosen by the applicant.

(c) Unlimited License. The applicant for such a license

must:

- (1) Be entitled to be admitted to the examination given by the Board in light of the requirements set out in G.S. 87-10 and Section .0400 of this Chapter;
- (2) Be financially stable to the extent that the total current assets of the applicant or the firm or corporation he represents exceed the total current liabilities by at least one hundred thousand dollars (\$100,000.00) as reflected in an audited financial statement prepared by a certified public accountant or by a qualified independent accountant who is engaged in the public practice of accountancy;
- (3) Possess the competency and the ability, as revealed by the applicant's experience and education to engage in the practice of general contracting within a specified classification or classifications in order to successfully complete a single project of a value in excess of five hundred thousand dollars (\$500,000), such competency and ability being determined in the sole discretion of the Board;
- (4) Successfully complete 70 percent of each part of the examination given the applicant by the Board dealing with the specified contracting classification chosen by the applicant.

(d) Should the financial statement submitted by the applicant fail to demonstrate the required level of working capital, the applicant shall obtain a surety bond from a surety authorized to transact surety business in North Carolina pursuant to G.S. 58, Article 7, 16, 21, or 22. The surety shall provide proof that it maintains a rating from A.M. Best, or its successor rating organization, of either Superior (A++ or A+) or Excellent (A or A-). The bond shall be continuous in form and shall be maintained in effect for as long as the applicant maintains a license to practice general contracting in North Carolina or until the applicant demonstrates the required level of working capital. The application form and subsequent annual license renewal forms shall require proof of a surety bond meeting the requirements of this Rule. The applicant shall maintain the bond in the amount of fifty thousand dollars (\$50,000) for a limited license, two hundred fifty thousand dollars (\$250,000) for an intermediate license, and five hundred thousand dollars (\$500,000) for an unlimited license. The bond shall be for the benefit of any person who is damaged by an act or omission of the applicant constituting breach of a construction contract or breach of a contract for the furnishing of labor, materials, or professional services to construction undertaken by the applicant, or by an unlawful act or omission of the applicant in the performance of a construction contract. The bond required by this Rule shall be in addition to and not in lieu of any other bond required of the applicant by law, regulation, or any party to a contract with the applicant. Should the surety cancel the bond, the surety and the applicant both shall notify the Board immediately in writing. If the applicant fails to provide written proof of financial responsibility in compliance with this Rule within thirty days of the bond's cancellation, then the applicant's license shall be suspended until written proof of compliance is

provided. After a suspension of two years, the applicant shall fulfill all requirements of a new applicant for licensure. The practice of general contracting by an applicant whose license has been suspended pursuant to this Rule will subject the applicant to additional disciplinary action by the Board.

(d)(e) Reciprocity. If an applicant is licensed as a general contractor in another state, the Board, in its discretion, need not require the applicant to successfully complete the written examination as provided by G.S. 87-15.1. However, the applicant must comply with all other requirements of these rules to be eligible to be licensed in North Carolina as a general contractor.

Authority G.S. 87-1; 87-10.

SECTION .0500 - LICENSE

.0503 RENEWAL OF LICENSE

(a) Form. An application for renewal requires the holder of a valid license to set forth whether there were any changes made in the status of the licensee's business during the preceding year and also requires the holder to give a financial statement for the business in question. The financial statement need not be prepared by a certified public accountant or by a qualified independent accountant but may be completed by the holder of a license on the form itself. However, the Board may require a license holder to submit an audited financial statement if there is any evidence indicating that the license holder may be unable to meet his financial obligations. Except as provided herein, the financial statement evidence of financial responsibility will be subject to approval by the Board in accordance with the ~~working capital~~ requirements of Rule .0204 of this Chapter. A licensee may be required to provide evidence of continued financial responsibility satisfactory to the Board should circumstances render such evidence necessary, and shall provide the Board with a copy of any bankruptcy petition filed by the licensee within thirty (30) days of its filing.

(b) Display. The certificate of renewal of license granted by the Board, containing the signatures of the Chairman and the Secretary-Treasurer, must be displayed at all times by the licensee at his place of business.

Authority G.S. 87-1; 87-10.

TITLE 23 - DEPARTMENT OF COMMUNITY COLLEGES

Notice is hereby given in accordance with G.S. 150B-21.2 that the N.C. State Board of Community Colleges intends to amend rules cited as 23 NCAC 2D .0325 2E .0203; 23 NCAC 3A .0113. Notice of Rule-making Proceedings was published in the Register on March 15, 1996.

Proposed Effective Date: March 1, 1997

A Public Hearing will be conducted at 10:00 a.m. on August 22, 1996 at the Caswell Building - State Board Room, 200 W Jones Street, Raleigh, NC 27603-1379.

Reason for Proposed Action:

23 NCAC 2D .0325 - To exempt fire, rescue and law enforcement personnel from the course repetition limitation for training courses as required by 1995 legislative action.

23 NCAC 2E .0203 - To regulate work experience hours in apprenticeship programs.

23 NCAC 3 - To require proprietary business, trade or technical schools that receive Title IV funds to comply with the same refund policies as Community Colleges.

Comment Procedures: Individuals who plan to make oral presentations must submit their remarks to the hearing officer. A ten-minute or less time limit per person may be imposed for oral presentations. Interested persons may submit written statements from the date of this notice until September 3, 1996 delivered or mailed to Dr. Lloyd V. Hackley, NC Community College System, 200 W. Jones Street, Raleigh, NC 27603-1379.

Fiscal Note: These Rules do not affect the expenditures or revenues of state or local government funds. These Rules do not have a substantial economic impact of at least five million dollars (\$5,000,000) in a 12-month period.

SECTION .0300 - BUDGETING: ACCOUNTING: FISCAL MANAGEMENT

.0325 LIMITATION IN REPORTING STUDENT MEMBERSHIP HOURS

(a) Student hours may not be reported for budget/FTE which result from:

- (1) Conferences or visits. General types of meetings usually of one or more day's duration, attended by a fairly large number of people. A conference or visit may have a central theme, but is loosely structured to cover a wide range of topics. The emphasis is on prepared presentations by authoritative speakers, although division into small group sessions for discussion purposes is often a related activity.
- (2) Seminars or Meetings. A small group of people meeting primarily for discussion under the direction of a leader or resource person or persons. Seminars and meetings are generally one-time offerings even though they may continue for more than one day.
- (3) Programs of a service nature rather than instructional classes.
- (4) Enrollment of high school students not in compli-

- ance with 23 NCAC 2C.0301 and 2C.0305.
- (5) Unsupervised classes.
 - (6) Proficiency or challenge exams except that the actual time required to take the exam may be counted in membership; students ~~must~~ shall be registered in the class consistent with Paragraph (a) of Rules .0202 and .0203 of this Subchapter.
 - (7) Homework assignments.
 - (8) Inter-institutional or intramural sports activities including those of prison inmates.
 - (9) Effective July 1, 1993, no budget/FTE shall be generated by occupational extension students after their first repetition of an occupational extension course. Students who take an occupational extension course more than twice within a five-year period shall pay their cost for the course based on the amount of funds generated by a student membership hour for occupational extension multiplied by the number of actual hours the class is to be taught. These students ~~will~~ may not generate budget/FTE. The funds collected from these students ~~will~~ shall be used by the colleges to offer additional educational courses. This Subparagraph does not apply to fire, rescue, or law enforcement training courses taken by fire, rescue, or law enforcement personnel.
- (A) A statement on occupational extension course repetitions consistent with the requirements of this rule shall be included in college advertisements, schedules and catalogs. Students shall be notified during registration that they will be charged the full cost of courses which they have taken twice within a five-year period and in which they wish to enroll. Students shall be primarily responsible for monitoring course repetitions; however, the colleges shall review records and charge students full cost for courses taken more than twice.
 - (B) Senior citizens who are legal residents of North Carolina and who wish to enroll in an occupational extension course, ~~will~~ shall not be required to pay for taking the course twice. Senior citizens who take an occupational extension course more than twice within a five-year period shall pay their cost for the course based on the amount of funds generated by a student membership hour for occupational extension multiplied by the number of actual hours the class is to be taught. These senior citizens ~~will~~ shall not generate budget/FTE. The funds collected from these senior citizens ~~will~~ shall be used by the colleges to offer additional educational courses.
 - (C) Students may repeat occupational extension courses more than once if the repetitions are

required for certification, licensure, or recertification. The colleges shall submit annual reports to the State Board of Community Colleges naming the students and the certification, licensure or recertification requirements that necessitated the repetition.

(b) Self-supporting classes ~~are~~ shall not to be reported for regular budget purposes (those classes supported by student fees or a class in which instruction is provided gratis); all recreational extension classes fall in this category.

(c) Occupational extension instruction shall not be offered in sheltered workshops and adult developmental activity centers (ADAP) except sheltered workshops and ADAP centers may contract with the community college to provide occupational extension courses on a self-supporting basis.

(d) Educational programs offered in a correctional department setting shall report full-time equivalent (FTE) student hours on the basis of contact hours.

Authority G.S. 115D-5.

SUBCHAPTER 2E - EDUCATIONAL PROGRAMS

SECTION .0200 - CURRICULUM PROGRAMS

.0203 STANDARDS FOR TECHNICAL-VOCATIONAL CURRICULUMS

(a) Standards. The standards for each occupational curriculum, technical or vocational, will be developed in accordance with the following guidelines. Each institution will design its curriculum courses and requirements to comply with the standards for the curriculum. Each institution will also follow procedures for curriculum approval as outlined in Rules .0101, ~~and .0102, and .0104~~ of this Subchapter.

(b) Guidelines for Technical-Vocational Curriculums

- (1) Each curriculum should be developed to meet specific occupational objectives and occupational educational competencies. The curriculum should be designed to lead to employment. The curriculum should emphasize knowledge, skills, and attitudes appropriate to the occupational cluster for which it is designed, with the necessary information about instruments, tools, equipment, and processes included as an integral part of the curriculum.
- (2) The curriculum is defined as consisting of a course or a group of courses organized in a logical sequence to meet occupational educational goals and that meet the following criteria.
 - (A) The curriculum consists of a course or courses which total a minimum of 16 quarter hour credits.
 - (B) The curriculum covers the instruction in the designated competencies for an occupation.
- (3) Curriculums leading to the Associate in Applied Science (A.A.S.) degree should require from 96 quarter hour credits to 128 quarter hour credits for

- graduation. On special justification the State System President may recommend a curriculum to the State Board with quarter hour credit requirements above the maximum of 128. Total quarter hour credits required for each curriculum will be established at a minimum with the maximum allowed being no more than 10 percent above the minimum.
- (4) Curriculums leading to the diploma should require from 64 to 128 quarter hour credits for graduation. Quarter hour credits for each curriculum will be established at a minimum with a maximum being no more than 10 percent above the minimum.
 - (5) Certificates may be awarded to a graduate of a curriculum of fewer than 64 quarter hour credits in length.
 - (6) Technical Curriculums
 - (A) Technical curriculums should be designed to prepare individuals for employment in fields recognized as semiprofessional or paraprofessional in status. They should be composed of collegiate-level studies (not necessarily transferable) providing a greater degree of theoretical knowledge than manipulative skills and should be oriented to a broad occupational cluster.
 - (B) Graduates from a technical curriculum should have at least 18 quarter hour credits in the areas of English, social science, and/or the humanities.
 - (C) The Associate in Applied Science degree may be awarded to the graduate of a technical curriculum with 96 quarter hour credits or more.
 - (7) Technical Specialty Curriculums
 - (A) Technical specialty curriculums should be designed to prepare individuals for employment in fields recognized as semiprofessional or paraprofessional in status. They should be composed of collegiate-level studies (not necessarily transferable) providing a greater degree of theoretical knowledge than manipulative skills.
 - (B) Technical specialty curriculums should include only those general education and related courses necessary to support the technical courses offered in the curriculum.
 - (C) Technical specialty curriculums usually are composed of selected technical courses designed to prepare for a particular technical skill. Technical specialty curriculums may range from 16 to 95 quarter hour credits for each curriculum established at a minimum with the maximum allowed being no more than 10 percent above the minimum.
 - (D) The diploma may be awarded to the graduate of a technical specialty curriculum 64 to 95 quarter hour credits in length.
 - (E) The certificate may be awarded to the graduate of a technical specialty curriculum with fewer than 64 quarter hour credits in length.
 - (8) Vocational Curriculums
 - (A) Vocational curriculums should be designed to prepare individuals for skilled or semiskilled employment opportunities. Study is primarily oriented to the development of manipulative skill competencies for use in a specialized occupation.
 - (B) Graduates from a vocational curriculum should have at least six quarter hour credits in one or more of the areas of communications skills, applied sciences, and applied social sciences.
 - (C) The diploma may be awarded to the graduate of a vocational curriculum that is 64 or more quarter hour credits in length. The certificate may be awarded to the graduate of a vocational curriculum of fewer than 64 quarter hour credits in length.
 - (9) Vocational Specialty Curriculums
 - (A) Vocational specialty curriculums should be designed to prepare students for skilled or semiskilled employment opportunities. Study is primarily oriented to the development of manipulative skills for use in a specialized occupation.
 - (B) Vocational specialty curriculums usually include only those subjects necessary to support the development of the skills for the specialized occupation. Vocational specialty curriculums should be a minimum of 16 quarter hour credits in length.
 - (C) A certificate may be awarded to the graduate of a vocational specialty curriculum.
 - (10) Procedures of Establishing Standards for Each Curriculum
 - (A) The standards for each curriculum will be established jointly by the Department of Community Colleges and the institution(s) offering or proposing to offer the curriculum.
 - (B) A curriculum may have subject categories established with minimum and maximum quarter hour credit ranges for the subject area. Technical curriculums will have minimum quarter hour credits established for the following subject categories: technical, related and general education. Elective quarter hour credits may also be included as a category. Vocational curriculums may have subject categories established.
 - (C) A minimum percentage of quarter hour credits awarded to class work will be specified for each curriculum.
 - (D) Cooperative education or work experience may be included in the curriculum up to a

maximum of 12 quarter hour credits. Under a curriculum standard specifically designed for select associate degree programs, work experience shall be included in a curriculum up to a maximum of 24 quarter hour credits. The select associate degree programs shall be registered under North Carolina Department of Labor Apprenticeship programs. Only 12 quarter hour credits of work experience shall earn budget FTE. The Department shall implement the Pilot Work Experience project and shall submit to the State Board a report, including the number of students involved and associated costs, one year after this Rule as revised is effective.

- (11) Procedures for Changing Standards for Each Curriculum. Changes in standards for each curriculum will require the approval of the State Board. Request for changes in the standards approved by the State Board for a curriculum may be made to the Board under the following conditions:
 - (A) Request to the Department of Community Colleges to change the standards;
 - (B) Concurrence by the majority of institutions offering the specific curriculum;
 - (C) Concurrence by the Department of Community Colleges.
- (12) Procedures for Designing Curriculums at the Institutional Level
 - (A) The institution will be responsible for the design of the curriculum at the institutional level.
 - (B) The curriculum will adhere to the standards as approved by the State Board for the curriculum.
 - (C) When standards are to be developed for a new curriculum, the institution or institutions planning to submit applications to the State Board for curriculum approval will jointly develop the standards with the Department of Community Colleges for the proposed curriculum for presentation to the State Board for action.
 - (D) The institution will maintain on file with the Department of Community Colleges a copy of the official curriculum approved by the institution's board of trustees. A copy of each revised curriculum will be filed with the Department of Community Colleges prior to implementation at the institution.

Authority G.S. 115D-5.

CHAPTER 3 - MISCELLANEOUS PROGRAMS

SUBCHAPTER 3A - PROPRIETARY SCHOOLS

SECTION .0100 - BUSINESS, TRADE AND TECHNICAL SCHOOLS

.0113 STUDENT REFUND

Any proprietary business, trade, or technical school that is licensed by the State Board of Community Colleges is subject to the refund policies set forth in 23 NCAC 2D .0202(e)(1)-(3) and .0203(d)(1)-(3) and (5). Proprietary schools are not required to deposit funds collected for tuition with the State Treasurer's Office.

Authority G.S. 115D-90.

TITLE 26 - OFFICE OF ADMINISTRATIVE HEARINGS

Notice is hereby given in accordance with G.S. 150B-21.2 that the Office of Administrative Hearings intends to adopt rules cited as 26 NCAC 3 .0301 - .0305. Notice of Rule-Making Proceedings was published in the Register on May 1, 1996.

Proposed Effective Date: April 1, 1997.

A Public Hearing will be conducted on September 4, 1996 at 10:00 am at the Lee House, Hearing Room, 422 North Blount Street, Raleigh, NC 27601.

Reason for Proposed Action: Parties in complex administrative litigation are in need of optional rules to expedite hearings at OAH. The proposed rules would allow parties to stipulate to a procedure in order to expedite the administrative hearing process and issuance of a decision.

Comment Procedures: Interested persons may submit written comments regarding these rules to: Anna K. Baird, Rule-Making Coordinator, Office of Administrative Hearings, PO Drawer 27447, Raleigh, NC 27611-7447. Comments shall be received by OAH no later than 5:30pm on September 4, 1996.

Fiscal Note: These Rules do not affect the expenditures or revenues of state or local government funds. These Rules do not have a substantial economic impact of at least five million dollars (\$5,000,000) in a 12-month period.

CHAPTER 3 - HEARINGS DIVISION

SECTION .0300 - EXPEDITED HEARING PROCEDURES FOR COMPLEX CONTESTED CASES

.0301 ORDER DESIGNATING COMPLEX CONTESTED CASES

Upon the joint motion, stipulation, or consent of all parties, the Chief Administrative Law Judge (ALJ) may order any contested case to be designated as complex and eligible for expedited hearing procedures. The Chief ALJ shall issue this

order, after reviewing the recommendation of the presiding ALJ, without hearing, within 30 days after the assignment of the contested case. If the Chief ALJ denies the order, the contested case shall remain on the presiding ALJ's regular docket.

Authority G.S. 150B-31(b).

.0302 FACTORS TO BE CONSIDERED

The Chief ALJ shall designate a contested case as complex and eligible for expedited procedures based upon any factors the Chief ALJ deems appropriate, including the following:

- (1) the need for special expertise by the presiding ALJ;
- (2) the number and diverse interests of the parties;
- (3) the amount and nature of anticipated prehearing discovery and motions;
- (4) the complexity of evidentiary matters and legal issues involved;
- (5) the efficient administration of justice; and
- (6) the economic value of the claims to be litigated.

Authority G.S. 150B-31(b).

.0303 VENUE

In order to comply with the time requirements of the expedited hearing procedures, venue for all contested cases designated as complex shall be Wake County, North Carolina, unless otherwise ordered by the presiding ALJ.

Authority G.S. 150B-31(b).

.0304 EXPEDITED HEARING PROCEDURES FOR COMPLEX CONTESTED CASES

(a) Scheduling Order By Consent. Within 15 days after the Chief ALJ has designated a contested case as complex, the parties shall submit to the presiding ALJ a scheduling order by consent. If the parties are unable to agree upon a consent scheduling order during this time period, the presiding ALJ shall remove the case from the expedited docket and return it to the regular docket.

(b) Content of the Scheduling Order. The Scheduling Order shall include the following:

- (1) dates and time limits for filing motions, responses to motions, and disposition of prehearing motions;
- (2) dates and time limits for completion of discovery;
- (3) dates for prehearing conference and orders on final prehearing conference; and
- (4) any other stipulation controlling the disposition of the contested case, including any agreement regarding abbreviated hearing procedures.

(c) Hearing and Decision. The hearing for a complex contested case shall commence within 90 days of the filing of the petition. Absent a contrary agreement between the parties, the maximum length allowed for a hearing shall be five days, and the time shall be allocated equitably between the parties. The presiding ALJ shall issue a decision within 30 days of the close of the hearing. The Office of Administrative Hearings

shall deliver the official record to the agency making the final decision within 15 days after the presiding ALJ has filed a recommended decision.

Authority G.S. 150B-31(b).

.0305 RULES AND PROCEDURES

The rules contained in 26 NCAC 3 .0100 shall govern the hearing of complex contested cases except as modified by this Section.

Authority G.S. 150B-31(b).

This Section contains public notices that are required to be published in the Register or have been approved by the Codifier of Rules for publication.

DEPARTMENT OF ENVIRONMENT, HEALTH, AND NATURAL RESOURCES

DIVISION OF WATER QUALITY

During the 1996 session of the North Carolina General Assembly, Senate Bill 1317 was ratified into law on June 21, 1996. This new law specifies changes to cleanup requirements for releases from underground storage tanks. Under certain conditions owners and operators of underground storage tanks that are classified as C, D, or E impact, will not be required to cleanup contaminated sites pending the adoption of risk-assessment rules. This law will also restrict these persons from gaining access to or continuing to receive payments from the state's Commercial and Non-Commercial Leaking Petroleum Underground Storage Tank Trust Funds, unless the responsible party can meet the criteria outlined in Chapter 648, Section 1(f) of the bill. With regards to the requirements of Chapter 648 of the 1995 Session Laws Section (1)(b), all sites classified as A or B are Class AB and all sites that are classified as C, D, or E are Class CDE. Pursuant to Chapter 648, Section 1(c) of the bill, the Department is required to give notice of the classification of these sites in the North Carolina Register as follows:

RECOMMENDED DECISION

This matter came on for hearing on November 22, 1995, in High Point, North Carolina before Administrative Law Judge Sammie Chess, Jr.

APPEARANCES

For Petitioner: Geoffrey C. Mangum
 Attorney at Law
 Irvin Arcade
 218 W. Market Street
 Greensboro, North Carolina 27401

For Respondent: Alexander McC. Peters
 Special Deputy Attorney General
 N.C. Department of Justice
 P.O. Box 629
 Raleigh, North Carolina 27602-0629

FINDINGS OF FACT

1. Proper Notice of Hearing was given and received by the parties.

2. The Petitioner in this contested case, Donald B. Durham, a former North Carolina State Highway Patrol Officer, retired on a disability retirement allowance from the former Law Enforcement Officers' Retirement System ("LEO") effective August 1, 1984. At the time of his retirement, his disability retirement allowance was calculated pursuant to the provisions of former N.C. Gen. Stat. 143-166(y) (repealed by 1985 Sess. Laws, C. 479, s. 196(t), effective January 1, 1986). According to this statute, Petitioner's benefit was calculated by multiplying his average final compensation by an accrual rate of 1.57%, then multiplying that product by the number of his years of service projected to the earliest date at which he would have been entitled to an unreduced service retirement benefit, as follows:

Average Final Compensation	\$25,348.66
Times Accrual Rate	<u>x</u> .0157
	\$ 397.97
Times Years of Service	<u>x</u> 30
Equals Total Annual Disability Allowance =	11,939.10

3. To this annual disability allowance was added an annual benefit in the amount of \$1,109.03, which was provided by special contributions made by Petitioner's employer. These two benefits together provided an initial annual benefit of \$13,048.13, and a monthly benefit of \$1,087.34.

4. At the time that Petitioner retired, N.C. Gen. Stat. 143-166(y) provided that if a recipient of disability retirement benefits engaged in a gainful occupation for which he was paid more than the difference between his disability retirement allowance and his final gross compensation, as that term was defined and calculated by statute, then the portion

of his disability benefit that was not produced by the disability retiree's own contributions to LEO was to be reduced by the amount necessary to make the sum of his disability retirement benefits and his earnings equal to his final gross compensation. In other words, if his disability retirement benefits and earnings together exceeded his final compensation, then his disability retirement benefit was reduced by an amount equal to the amount of the excess. The amount that a disabled retiree could earn each year without exceeding the limit was to be increased annually by the ratio of the current Consumer Price Index to the prior year's Index, calculated to the nearest tenth of one percent.

5. On June 29, 1984, the North Carolina General Assembly enacted 1983 Sess. Laws (Reg. Sess. 1984), C. 1034. Section 248 of Chapter 1034 added Article 12C ("Retirement Benefits for State Law Enforcement Officers") to Chapter 143 of the General Statutes and provided in part, that effective January 1, 1985, beneficiaries of LEO who were last employed by an agency of the State of North Carolina would be transferred to and become beneficiaries of the Teachers' and State Employees' Retirement System of North Carolina ("TSERS"). Pursuant to 1985 Sess. Laws, C. 479, s. 196(t), LEO was terminated effective January 1, 1986, with the transfer of locally-employed law enforcement officers to the North Carolina Local Governmental Employees' Retirement System.

6. TSERS was and is governed by Article 1 of Chapter 135 of the General Statutes of North Carolina. The earnings limitation placed on recipients of disability retirement benefits under LEO immediately before Petitioner was transferred to TSERS was identical to the earnings limitation found in TSERS, which was and is currently set forth in N.C. Gen. Stat. 135-5(e)(1).

7. On February 26, 1985, Petitioner was notified by Respondent that, for calendar year 1985, the earnable difference between his annual disability retirement allowance and his 12 months' compensation prior to retirement was \$13,461.15.

8. Respondent contends and has informed Petitioner that he exceeded the earnings limitation for the years 1985, 1987, 1988, 1991, 1993 and 1994. As a result of exceeding the earnings limitations in these years, Respondent contends that Petitioner was overpaid disability retirement benefits in the following amounts: 1985 - \$682.64; 1987 - \$3,952.26; 1988 - \$4,553.71; 1991 - \$2,641.27; 1993 - \$8,740.67; and 1994 - \$7,630.06. Petitioner has already repaid to the Retirement System, by direct payment or by deduction of \$100.00 per month from his monthly benefit, all but \$4,497.24 for overpayments prior to 1993; Respondent claims \$16,370.73 in overpayments for 1993 and 1994.

9. Pursuant to the provisions of former N.C. Gen. Stat. 144-166(y) and current N.C. Gen. Stat. 135-5(e), Petitioner, effective July 1, 1995 (the date on which, had he remained in service, he would have become eligible for an unreduced service retirement benefit), was no longer subject to the earnings limitation, and could earn any amount from gainful employment without affecting his disability retirement benefit.

10. Since going on disability retirement, Petitioner has been employed at one time or another by the Community Services Division of the North Carolina Department of Crime Control and Public Safety ("NCDCCPS") and as a court security officer with the General Securities Services Corp. While employed by NCDCCPS, Petitioner was reported to TSERS as an active member and contributed 6% of his compensation to TSERS.

11. In calculating Petitioner's earnings from gainful employment while in receipt of disability retirement benefits, Respondent relied on annual statements submitted by Petitioner, as well as on W-2 forms submitted by Petitioner in response to Respondent's requests for clarification and reports of NCDCCPS submitted with Petitioner's contributions of 6% of compensation to the Retirement System. Disability retirement benefits received by Petitioner were not included by Respondent in calculating earnings from gainful employment.

12. In calculating Petitioner's earnings from gainful employment, Respondent used Petitioner's gross earnings, prior to any deductions for tax-deferred contributions to TSERS as an employee of NCDCCPS or to the Supplemental Retirement Income Plan of North Carolina (the State 401(k) Plan), rather than take-home pay after such deductions. Further, the additional monthly benefit that was provided by employer special contributions (initially \$1,109.03) was not included in calculating Petitioner's monthly disability benefit for purposes of calculating the amount of allowable earnings from gainful employment.

13. While Petitioner alleges that Respondent has incorrectly calculated his earnings from gainful employment, and therefore has incorrectly calculated the amount by which he has exceeded the earnings limitation, Petitioner has failed to offer any evidence demonstrating how Respondent's method of calculation was incorrect or how the amount of earnings from gainful employment should correctly be calculated.

14. Petitioner is a member of the class in the class action denominated Faulkenbury v. Teachers' and State Employees' Retirement System (currently pending before the North Carolina Supreme Court on appeal from the Superior Court of Wake County; N.C. S.Ct. File No: 109PA96). Issues raised by the Petitioner concerning whether the correct formula for calculation of disability benefits has been applied to him are subjects of the Faulkenbury case.

15. Application of the earnings limitation to Petitioner is required by the clear and unambiguous language of former N.C. Gen. Stat. 143-166(y), as well as of the current N.C. Gen. Stat. 135-5(e).

16. Respondent notified Petitioner of the overpayments that Respondent claims occurred in 1985, 1987, and 1988, within a reasonable time after receiving information that such overpayments were made.

Based on the foregoing Findings of Fact, the undersigned makes the following:

CONCLUSIONS OF LAW

1. This contested case is properly before the Office of Administrative Hearings.

2. Petitioner bears the burden of proof in this contested case.

3. Former N.C. Gen. Stat. 143-166(y), under which Petitioner retired and pursuant to which his benefits were calculated and paid, provided, in pertinent part:

On and after July 1, 1981, the Board of Trustees shall determine whether a disability beneficiary who retired after July 1, 1981, is engaged in or is able to engage in a gainful occupation paying more than the difference, as hereinafter indexed, between his basic retirement allowance and the gross compensation earned as a law enforcement officer during the 12 consecutive months in the final 48 months of service prior to retirement producing the highest gross compensation excluding any compensation, excluding any compensation received on account of termination. If the disability beneficiary is earning or is able to earn more than the difference, the portion of his disability retirement allowance not provided by his contributions shall be reduced to an amount which, together with the portion of the basic disability retirement allowance provided by his contributions and the amount earnable by him shall equal the amount of his gross compensation prior to retirement. This difference shall be increased on January 1 each year by the ratio of the Consumer Price Index one year earlier, calculated to the nearest tenth of one percent (1/10th of 1%).

N.C. Gen. Stat. 135-5(e)(1), which governs TSERS, the entity that now pays Petitioner his disability retirement benefits, contains language substantially similar in all pertinent respects.

4. Respondent has correctly interpreted the provision of former N.C. Gen. Stat. 143-166(y) and of N.C. Gen. Stat. 135-5(e)(1) by considering only Petitioner's actual disability benefit, and not any additional benefit provided by special contributions by Petitioner's former employer, in calculating the amount that Petitioner may earn from gainful employment without exceeding the earnings limitation.

5. Respondent has correctly interpreted the provision of former N.C. Gen. Stat. 143-166(y) and of N.C. Gen. Stat. 135-5(e)(1) by considering Petitioner's gross earnings, rather than net earnings after tax-deferral and other deductions, in determining the amount that Petitioner may earn from gainful employment without exceeding the earnings limitation.

6. Petitioner has failed to demonstrate that Respondent has incorrectly calculated the amount that he may earn from gainful employment without exceeding the earnings limitation required by former N.C. Gen. Stat. 143-166(y) and N.C. Gen. Stat. 135-5(e)(1). Petitioner has further failed to provide any evidence of any other method of calculation that Petitioner contends to be the correct way to calculate the amount that he may earn from gainful employment without exceeding the earnings limitation.

7. In calculating the amount that Petitioner may earn from gainful employment without exceeding the earnings limitation, Respondent has complied with and applied the provisions of former N.C. Gen. Stat. 143-166(y) and N.C. Gen. Stat. 135-5(e) in an appropriate and correct manner.

8. Petitioner claims that Respondent has used the incorrect formula in calculating his disability retirement benefits, claiming that he is entitled to the formula in effect when he "vested" in LEO. Because Petitioner is a member of

the plaintiff class in Faulkenbury v. Teachers' and State Employees' Retirement System, and because this very issue is alleged and presented in that case, Petitioner may not litigate the identical issue in this forum. Further, in light of the clear and unambiguous provisions of former N.C. Gen. Stat. 143-166(y), as amended by 1981 Sess. Laws, C. 980, s. 6, unequivocally requiring that the formula set forth therein be applied to anyone who retired from LEO after July 1, 1982, which would include Petitioner.

9. Petitioner also claims that Respondent may not apply the earnings limitation required by former N.C. Gen. Stat. 143-166(y) and by N.C. Gen. Stat. 135-5(e)(1) to him because he "vested" in LEO prior to the enactment of the limitation. Again, in light of the clear and unambiguous provisions of former N.C. Gen. Stat. 143-166(y) and N.C. Gen. Stat. 135-5(e) unequivocally requiring that the earnings limitation be applied to anyone who retired from LEO after July 1, 1981, which would include Petitioner.

10. Petitioner also claims that Respondent's demands for any reimbursement of overpayments prior to 1990 should be barred by laches. Laches, a negligent omission for an unreasonable length of time to assert or enforce an equitable right, is an affirmative defense and is ordinarily available only as a defense to equitable, not legal, relief. See Builders Supplies Co. v. Gainey, 282 N.C. 261, 192 S.E.2d 449 (1972); Coppersmith v. Upton, 228 N.C. 545, 46 S.E.2d 565 (1948). The equitable defense of laches is not available to Petitioner in this administrative proceeding. Respondent did not unreasonably delay in notifying Petitioner of the overpayments for 1985, 1987, and 1988 once it became aware of them, nor was any delay, that might have occurred, unduly prejudicial to Petitioner.

11. Petitioner has failed to state a claim upon which relief can be granted.

Based on the foregoing Findings of Fact and Conclusions of Law the undersigned makes the following:

RECOMMENDED DECISION

Petitioner should be denied the relief sought.

ORDER

It is hereby ordered that the agency serve a copy of the final decision on the Office of Administrative Hearings, P.O. Drawer 27447, Raleigh, N.C. 27611-7447, in accordance with North Carolina General Statute 150B-36(b).

NOTICE

The agency making the final decision in this contested case is required to give each party an opportunity to file exceptions to this recommended decision and to present written arguments to those in the agency who will make the final decision. G.S. 150B-36(a).

The agency is required by G.S. 150B-36(b) to serve a copy of the final decision on all parties and to furnish a copy to the parties' attorney of record and to the Office of Administrative Hearings.

The agency that will make the final decision in this contested case is the Board of Trustees of the Teachers' and State Employees' Retirement System.

This the 17th day of July, 1996.

**CRIME VICTIMS COMPENSATION
COMMISSION,
Respondent.**

RECOMMENDED DECISION

The petitioner appeared *pro se*. Mr. Reuben F. Young represented the respondent. The respondent introduced R. Exh. #1.

ISSUE

Did the respondent, pursuant to GS 15B-11(b), properly deny the petitioner's claim for compensation due to contributory misconduct?

FINDINGS OF FACT

1. On Friday, July 21, 1995, Matthew Steven Addleman, the victim, had moved Joshua Cathey's possessions onto the front porch of the house at 1513 Glider Court in Kill Devil Hills. He also changed the locks. However, while Mr. Addleman was at work, Mr. Cathey moved his possessions back into the residence. He entered the house by going through a first floor window. Upon returning to the house in the early morning hours of July 22, 1995, Mr. Addleman found Mr. Cathey in the house.
2. Mr. Addleman and the other occupants of the residence had agreed to evict Mr. Cathey for non-payment of his share of the rent and electricity deposit.
3. Mr. Addleman left his residence and went to a residence on New Bern Street where he requested assistance to remove Mr. Cathey from the house.
4. The occupants of the New Bern Street residence included four U.S. Marines, Carlos Bonafonte, Patrick Lurenz, Jeffrey Walker and Robert Earl North, who had recently arrived from Camp Lejeune to visit a friend of Mr. Bonafonte's.
5. The four young marines had arrived about midnight and began drinking and talking with the other occupants of the residence.
6. Mr. Addleman and the four marines went to 1513 Glider Court to move Mr. Cathey out of the residence.
7. Upon arrival, Mr. Addleman and the four marines went up to Mr. Cathey's room. All five individuals entered the room. While Mr. Addleman aroused Mr. Cathey, the other four marines, dressed in civilian clothes, stood around the mattress on which Mr. Cathey had been sleeping.
8. Mr. Addleman aroused Mr. Cathey by shaking his arm. Once awake, Mr. Addleman told Mr. Cathey "This is it. You have to go." Shortly thereafter, Mr. Walker grabbed Mr. Cathey's bag and walked out of the room, down the stairs and out the door of the house.
9. Mr. Cathey also walked down the stairs. Mr. Addleman followed. Mr. Cathey suddenly pulled out a gun. Someone yelled "He's got a gun." Mr. Bonafonte, standing at the top of the stairs, responded by picking up and throwing

a candy dish which struck Mr. Cathey in the head. Mr. Cathey then pointed the gun upstairs, fired and shot Mr. Bonafonte in the arm and buttocks.

10. Mr. Cathey then shot Mr. Addleman as he attempted to flee. Mr. Addleman fell and Mr. Cathey then shot him several times in the back.
11. Mr. Lurenz retreated to an upstairs bedroom and pulled Mr. Bonafonte into a closet. Mr. Lurenz escaped through an upstairs window and hid under a vehicle parked on the side of the residence. He and Mr. North then ran to a neighbor's house for assistance.
12. Mr. Walker walked around the residence and encountered Mr. Cathey who pointed the gun at him. Mr. Walker ran until he reached the New Bern Street residence.
13. Mr. Addleman died from his wounds.
14. Mr. Cathey was convicted of Voluntary Manslaughter and Assault with a Deadly Weapon Inflicting Serious Bodily Injury.
15. Mr. Addleman, Mr. Cathey and others were college students who had rented the house for the summer. There was no written lease. The employer of one of the residents was the owner of the house. Mr. Cathey's possession had been moved out the day before and then moved back in the same day by Mr. Cathey. The second attempt to move out Mr. Cathey's possessions happened early in the morning because Mr. Addleman had returned home late from his restaurant job. Mr. Cathey had a different work schedule from Mr. Addleman and the other residents.

CONCLUSIONS OF LAW

1. "'Misconduct' is behavior that is unlawful or ... breache(s) the standard of conduct acceptable to a reasonable person." McCrimmons v. Crime Victims Compensation Commission, 465 SE 2d 28, 30-31 (1995).
2. Mr. Addleman, the victim, did not engage in misconduct.
3. Any misconduct by Mr. Addleman was not the proximate cause of his death. "A proximate cause is one which . . . a person of ordinary prudence could have reasonably foreseen that . . . consequences of a generally injurious nature was probable under all facts as they existed." Id. at 31.
4. Given the facts of this case, a person of ordinary prudence could not have reasonably foreseen violence from removing the possessions of a non-paying resident from the house. Rental disputes among college students near campus during the academic year and at the beach during the summer are not uncommon. One party may leave and a friendship may end. An end of a young life is not reasonably foreseeable.
5. The respondent, pursuant to GS 15B-11(b), improperly denied the petitioner's claim for compensation due to contributory misconduct.

RECOMMENDED DECISION

It is recommended that the petitioner's claim for compensation be allowed.

NOTICE

The final decision in this contested case will be made by the respondent. The parties have the right to file exceptions to this recommended decision and to present written arguments to this agency. The agency will mail a copy of the final decision to the parties, the attorneys of record and the Office of Administrative Hearings.

This the 18th day of July, 1996.

Administrative Law Judge

The North Carolina Administrative Code (NCAC) has four major subdivisions of rules. Two of these, titles and chapters, are mandatory. The major subdivision of the NCAC is the title. Each major department in the North Carolina executive branch of government has been assigned a title number. Titles are further broken down into chapters which shall be numerical in order. The other two, subchapters and sections are optional subdivisions to be used by agencies when appropriate.
