**SUBCHAPTER 26H - REIMBURSEMENT PLANS**

**SECTION .0100 - REIMBURSEMENT FOR NURSING FACILITY SERVICES**

**.0104 COST REPORTING: AUDITING AND SETTLEMENTS**

(a) Each facility that receives payments from the North Carolina Medicaid Program must prepare and submit a report of its costs and other financial information, such as the working trial balance, related to reimbursement annually. The report must include costs from the fiscal period beginning on October 1 and ending on September 30 and must be submitted to the state on or before the December 31 that immediately follows the September 30 year end. A new provider must submit a report for the

period beginning with the date of certification and ending on September 30. Hospital based nursing facilities with a fiscal year ending other than September 30 and State operated facilities with a June fiscal year ending must file their cost reports within 90 days after their fiscal year ends. Facilities that fail to file their cost reports by the due date are subject to payment suspension until the reports are filed. The Division of Medical Assistance may extend the deadline 30 days for filing the report if, in its view, good cause exists for the delay. A good cause is an action that is uncontrollable by the provider.

(b) Cost report format. The cost report must be submitted on forms provided by the Division of Medical Assistance. The account structure for the report is based on the chart of accounts published by the American Healthcare Association in 1979 but amended or modified to the extent necessary to meet the special reimbursement requirements of this plan. The Division of Medical Assistance shall make one copy of the cost report format available to each facility (combination facilities receive only one) on or before July 1 of the reporting year for which the report is to be filed.

(c) Cost finding and allocation. Costs must be reported in the cost report in accordance with the following rules and in the order of priority stated.

- (1) Costs must be reported in accordance with the specific provisions of this plan as set forth in this Rule.
- (2) Costs must be reported in conformance with the Medicare Provider Reimbursement Manual, HCFA 15.
- (3) Costs must be reported in conformance with Generally Accepted Accounting Principles.

(d) The specific cost reporting guidelines related to this plan are set forth in the following Paragraphs. The state shall publish guidelines, consistent with the provisions of this plan, concerning the proper accounting treatment for items described in this Rule as related operating expenses. A provider may request clarification in writing from the state if there is uncertainty about the proper cost center classification of any particular expense item.

- (1) Nursing Cost Center includes the cost of nursing staff, medical supplies, and related operating expenses needed to provide nursing care to patients, including medical records (including forms), utilization review, the Medical Director and the Pharmacy Consultant. The amount of nursing time provided to each patient must be recorded in order to allocate nursing cost between skilled and intermediate nursing care.

(A) Effective October 1, 1996, Direct Patient Care Equipment shall be reported to the

Nursing Cost Center and is defined as equipment which meets all of the following tests:

- (i) Its primary purpose is to enhance the quality, efficiency, or safety of the work of direct patient care personnel;
- (ii) It enables direct patient care personnel to measure patients' physical characteristics or to implement the plans of care (including assistance with activities of daily living) of patients with physical impairments or to promote the safety of patients with cognitive impairments;
- (iii) It is not office or bedroom furniture; and
- (iv) It is not a communications device or computer hardware or software.

The Division of Medical Assistance shall make available a non-all-inclusive list of items which may be reported as direct patient care equipment, consistent with the provisions of this Rule. This list may be prospectively modified by the Division of Medical Assistance at any time, based on the preponderance of evidence. Items reported as direct patient care equipment which are not on this list are subject to a case by case review during any audit conducted under Paragraph (e) of this Rule. Providers must demonstrate by a preponderance of evidence that such items meet the definition of direct patient care equipment as stated in this Rule. Providers are required to exercise the prudent buyer principle when procuring direct patient care equipment. This provision is applicable to lease or depreciation expense incurred on or after October 1, 1996 regardless of when the equipment was initially leased or acquired. Direct patient care equipment maintenance and repair costs shall be reported in the Operation of Plant and Maintenance Cost Center. All other costs associated with direct patient care equipment shall be reported in the cost centers that would be appropriate if the costs were associated with other equipment.

- (2) Dietary Cost Center includes the cost of staff, raw food, and supplies needed to prepare and deliver food to patients.
- (3) Laundry and Linen Cost Center includes the cost of staff, bed linens (replacement mattresses and related operating expenses needed to launder facility-provided items).
- (4) Housekeeping Cost Center includes the cost of staff and supplies needed to keep the facility clean.
- (5) Patient Activities Cost Center includes the cost of

staff, supplies, and related operating expenses needed to provide appropriate diversionary activities for patients.

- (6) Social Services includes the cost of social workers and related operating expenses needed to provide necessary social services to patients.
- (7) Ancillary Cost Center includes the cost of all therapy services covered by the Medicaid program and billable medical supplies. Providers must bill Medicare Part B for those ancillary services covered under the Medicare Part B program. Ancillary cost centers include: Radiology, Laboratory, Physical Therapy, Occupational Therapy, Speech Therapy, Oxygen Therapy, Intravenous Fluids, Billable Medical Supplies, Parenteral/Enteral Therapy and life sustaining equipment, such as oxygen concentrators, respirators, and ventilators and other specifically approved equipment.
  - (A) Effective October 1, 1996, air fluidized beds (e.g. Clinitron beds), low air loss mattresses or beds and alternating pressure mattresses may be recorded in the life sustaining equipment cost center. This program is applicable to lease or depreciation expense incurred on or after October 1, 1996 regardless of when the equipment was initially leased or acquired.
  - (B) Effective October 1, 1994, a separate ancillary cost center shall be established to include costs associated with medically related transportation for facility residents. Medically related transportation costs include the costs of vehicles leased or owned by the facility, payroll costs associated with transporting residents and payments to third parties for providing these services.
- (8) Administrative and General Cost Center includes all costs needed to administer the facility including the staff costs for the administrator, assistants, billing and secretarial personnel, personnel director and pastoral expenses. It includes the costs of copy machines, dues and subscriptions, transportation, income taxes, legal and accounting fees, start-up, and other administrative costs as set forth in the Chart of Accounts. Interest expense other than that stemming from mortgages or loans to acquire physical plant items shall be reported here.
- (9) Property Ownership and Use:
  - (A) This cost center includes all allowable costs related to the use of the physical assets including building, fixed equipment and movable equipment, that are required to deliver patient care, except the special equipment, as specified in -0104

Subparagraphs (d)(1) or (d)(7) of this Rule. ~~Rule that may be charged to the life sustaining equipment cost center. Specifically Except for the special equipment noted in Subparagraphs (d)(1) and (d)(7), it includes the following items:~~

- (i) all equipment expense regardless of equipment nature,
  - (ii) lease expense for all physical assets,
  - (iii) depreciation of assets utilizing the straight line method,
  - (iv) interest expense of asset related liabilities, (e.g., mortgage expense),
  - (v) property taxes.
- (B) For the purposes of computing allowable lease expense and for balance sheet presentation for Return on Equity computations (see Rule .0105 of this Section), leases shall not be capitalized.
- (C) In establishing the allowable cost for depreciation and for interest on capital indebtedness, with respect to an asset which has undergone a change of ownership, the valuation of the asset shall be the lesser of allowable acquisition cost less accumulated depreciation to the first owner of record on or after July 18, 1984 or the acquisition cost to the new owner. Depreciation recapture will not be performed at sale. The method for establishing the allowable related capital indebtedness shall be as follows:
- (i) The allowable asset value shall be divided by the actual acquisition cost.
  - (ii) The product computed in step 1 shall be multiplied times the value of any related capital indebtedness.
  - (iii) The result shall be the liability amount upon which interest may be recorded at the rate set forth in the debt instrument or such lower rate as the state may prove is reasonable. The allowable asset and liability values established through the process in this Rule shall be those used in balance sheet presentations for return on equity computation (see Rule .0105 of this Section). These procedures are established to implement the provisions of PL 98-369 Section 2314.
- (10) Operation of Plant and Maintenance Cost Center includes all costs necessary to operate or maintain the functionality and appearance of the plant. These include: maintenance staff, utilities, repairs and maintenance to all equipment.

- (11) Equipment Expense. Equipment is defined as an item with a useful life of more than two years and a value greater than five hundred dollars (\$500.00). ~~Equipment ownership and use costs shall be reported in the Property Ownership and Use Cost Center. Equipment maintenance and repair costs shall be reported in the Operation of Plant and Maintenance Cost Center. Equipment shall not be reported elsewhere.~~

(A) Effective October 1, 1996, Direct Patient Care Equipment depreciation or lease expense incurred on or about October 1, 1996, shall be reported under the Nursing Cost Center, as noted under Subparagraph (d)(1) of this Rule. All other costs associated with direct patient care equipment shall be reported in the cost centers that would be appropriate if the costs were associated with other equipment.

(B) Other equipment ownership and use costs shall be reported in the Property Ownership and Use Cost Center. Other equipment maintenance and repair costs shall be reported in the Operation of Plant and Maintenance Cost Center. Other equipment shall be reported elsewhere.

- (12) Training Expense. Training expense must be identified in the appropriate benefiting cost center. The costs of training nurse aides must be identified separately and may include the cost of purchasing programs and equipment that have been approved by the State for training or testing.
- (13) Home Office Costs. Home office costs are generally charged to the Administrative and General Cost Centers. However, personnel costs which are direct patient care oriented may be allocated to "direct" patient care cost centers if time records are maintained to document the performance of direct patient care services. No Home office overhead may be so allocated. The basis of this allocation among facilities participating in the North Carolina Medicaid program may be:
- (A) specific time records of work performed at each facility, or
  - (B) patient days in each facility to which the costs apply relative to the total patient days in all the facilities to which the costs apply.
- (14) Management Fees. Management fees are charged to the Administrative and General Cost Center. However, a portion of a management fee may be allocated to a direct patient care cost center if time records are maintained to document the performance of direct patient care services. The amount so allocated may be equal only to the salary and fringe benefits of persons who are performing direct patient care services while

employed by the management company. Records adequate to support these costs must be made available to staff of the Division of Medical Assistance. The basis of this allocation among facilities participating in the North Carolina Medicaid program may be:

- (A) specific time records of work performed at each facility, or
  - (B) patient days in each facility to which the costs apply relative to the total patient days in all the facilities to which the costs apply.
- (15) Related Organization Costs. A nursing facility shall demonstrate by convincing evidence to the satisfaction of the Division of Medical Assistance that the costs are reasonable. Reasonable costs of related organizations shall be identified in accordance with direct and indirect cost center categories as follows:
- (A) Direct Cost:
    - (i) Compensation of direct care staff such as nursing personnel (aides, orderlies, nurses), food service workers, housekeeping staff and other personnel who would normally be accounted for in a direct cost center.
    - (ii) Supplies and services that would normally be accounted for in a direct cost center.
    - (iii) Capital, rental, maintenance, supplies/repairs and utility costs (gas, water, fuel, electricity) for facilities that are not typically a part of a nursing facility. These facilities might include such items as warehouses, vehicles for delivery and offices which are totally dedicated or clearly exceed the number, size, or complexity required for a normal nursing facility, its home office, or management company.
    - (iv) Compensation of all administrative staff who perform no duties which are related to the nursing facility or its home office and who are neither officers nor owners of the nursing facilities or its home office.
  - (B) Indirect Cost:
    - (i) Capital, rental, maintenance, supplies/repairs, and utility costs which are normally or frequently a part of a nursing facility. This would include, for example, kitchen and laundry facilities.
    - (ii) Except for salary and fringe benefits of Personnel, Accounting and Data

Processing staff, home office costs which are allocated by methods approved by the Division of Medical Assistance are direct costs when the work performed is specific to the related organization that provides a direct care service or product to the provider. In determining if an allocation method is appropriate, a case-by-case review shall be made based on the preponderance of evidence. A proposed allocation method shall be denied if the review supports a determination that the associated cost either exceeds the cost of comparable products or services that could be purchased elsewhere or was for services that were not related to direct patient care or services not covered by the North Carolina Medical Assistance program.

- (iii) Compensation of all administrative staff who perform any duties for the nursing facility or its home office.
- (iv) All compensation of all officers and owners of the nursing facility or its home office, or parent corporation.

A related organization must file a Medicaid Cost Statement (DMA-4083) identifying its costs, adjustments to costs, allocation of costs, equity capital, adjustments to equity capital, and allocations of equity capital along with the nursing facilities cost report. A home office, or parent company, will be recognized as a related organization. Auditable records to support these costs must be made available to staff of the Division of Medical Assistance and its designated contract auditors. Undocumented costs will be disallowed. A nursing facility shall demonstrate by convincing evidence to the satisfaction of the Division of Medical Assistance that the criteria in the Medicare Provider Reimbursement Manual, Section 1010, has been met in order to be recognized as an exception to the related organization principle. The related party principle is stated in the Medicare Provider Reimbursement Manual, Section 1010, as follows: Costs applicable to services, facilities, and supplies furnished to the provider by organizations related to the provider by common ownership or control are includable in the allowable cost of the provider at the cost to the related organization. However, such cost must not exceed the price of comparable services, facilities, or supplies that could be purchased elsewhere. The purpose of this principle is two-fold: to avoid the payment of a profit factor to the provider through the related organization (whether related by common ownership or control), and to avoid payment of artificially inflated costs which may be generated from less than arm's length bargaining. When a related organization is deemed an exception; reasonable

charges by the related organization to the nursing facility are recognized as allowable costs; receivable/payables from/to the nursing facility and related organization deemed an exception are not adjusted from the nursing facility's balance sheet in computing equity capital. The Medicare Provider Reimbursement Manual is often referred to as the HCFA Publication #15-1 and is hereby incorporated by reference including any subsequent amendments and editions. A copy is available for inspection at the Division of Medical Assistance, 1985 Umstead Drive, Raleigh, North Carolina. Copies may be obtained from the US Department of Commerce, National Technical Information Services, Subscription Department, 5285 Port Royal Road, Springfield, VA 22161 at a cost of one hundred forty seven dollars (\$147.00). Purchasing instructions may be received by calling (703) 487-4650. Updates are available for an additional fee.

(e) Auditing and Settlement. All filed cost reports must be desk audited and interim reimbursement settlements made in accordance with the provision of this plan. This settlement is issued within 180 days of the date the cost report was filed or within 180 days of December 31 of the fiscal year to which the report applies, whichever is later. The state may elect to perform field audits on any filed cost reports within three years of the date of filing and issue a final settlement on a time schedule that conforms to Federal law and regulation. If the state decides not to field audit a facility a final reimbursement notice may be issued based on the desk audited settlement. The state may reopen and field audit any cost report after the final settlement notice to comply with Federal law and regulation or to enforce laws and regulations prohibiting abuse of the Medicaid Program and particularly the provisions of this reimbursement plan.

(f) ~~This reimbursement limitation shall become effective in accordance with the provisions of G.S. 108A-55(e).~~ These changes to the Reimbursement for Nursing Facility Services will become effective when the Health Care Financing Administration approves amendment 96-05 submitted to HCFA by the Director of the Division of Medical Assistance on or about October 1, 1996.

**FINDINGS OF FACT**

From official documents in the file, sworn testimony of the witnesses, and other competent and admissible evidence, it is found as a fact that:

1. The Petitioner, Kelly Thomas, was a certified nursing assistant (CNA) working at Joseph F. Coble Health Care Center, at all times relevant to this action.
2. E.H., was a resident of Joseph F. Coble Health Care Center, a nursing facility, at all times relevant to this action.
3. Because of concerns the family of resident E.H. had about the care E.H. was receiving at the nursing facility, Mr. Raymond Luper, grandson of E.H., installed a hidden video camera in E.H.'s room on August 9, 1995.
4. The video camera was located in a clock on the wall across from the foot of the resident's bed. The video picture encompassed a full view of the resident in her bed and of the activities of persons caring for the resident while in her room. Each videotape continuously recorded the activities in E.H.'s room for at least a 24 hour period.
5. Mr. Luper changed the tapes approximately every 24 hours as needed to continuously tape the activities in E.H.'s room. Mr. Luper compared the time on the videotape with the clock in the room after he took each tape out to ensure the accuracy of the date and time depicted on the videotape. Mr. Luper routinely went home and reviewed the tapes the same day or within the next few days from when he removed the tapes from the video recorder.
6. Mr. Luper stored the tapes under his bed at his sister's home until he placed them in a lock box at his bank every few weeks.
7. E.H.'s daughter and granddaughter had power of attorney for E.H. at the time the video camera was installed and operating at the facility. The power of attorney provided that the granddaughter had power over E.H.'s personal relationships and affairs. Both E.H.'s daughter and granddaughter were aware of and consented to the hidden camera videotaping of E.H. in her room. They stood outside the room while Mr. Luper installed the camera. E.H.'s granddaughter is also E.H.'s guardian of the person.
8. The videotape excerpts shown in court are from the same videotapes that Mr. Luper obtained from the video camera and reviewed.
9. The videotape excerpts shown in court show the same video pictures that Mr. Johnson, the abuse investigator, reviewed and relied upon as evidence substantiating his findings in May 1996.
10. There is no evidence that the tapes have been altered in any way.
11. Most of Petitioner's activities while caring for E.H. are visible on the video tapes.
12. The videotape recording device used in this case had no microphone attached and was not capable of recording sound while in use in the 24 hour recording mode that was used. The videotape recording device did not intercept or acquire the contents of any audio or oral communication in any manner. The videotapes obtained were obtained as a result of silent video surveillance.
13. On August 15, 1995, Petitioner was videotaped while feeding E.H.
14. On August 15, 1995 at approximately 7:50 a.m., Petitioner used her left hand to hold E.H.'s nose for approximately 7 seconds while she spoon fed E.H. with her right hand. E.H. reacted by raising her hand and grabbing the

hand that Petitioner was feeding her with. Approximately one minute later, Petitioner again held E.H.'s nose for approximately 7 seconds while she gave E.H. a drink from a cup. E.H. again reacted by raising her hand to remove the cup from her mouth.

15. Petitioner testified that she held E.H.'s in order to get her to eat or drink. She further testified that E.H. sometimes resisted eating, but after she had tasted what she was being offered, E.H. would sometimes continue eating. Petitioner did not intend to harm E.H. by holding her nose, she was merely using a technique that her mother had used on her when she little to try to get E.H. to eat. Petitioner testified that she knew E.H.'s family would be upset if they knew E.H. was not eating.

16. On August 18, 1995, Petitioner was videotaped while giving E.H. a bed bath.

17. On August 18, 1995, at approximately 9:17 a.m., while Petitioner was giving E.H. a bed bath, Petitioner put a bath towel over E.H.'s face for 1 minute and 17 seconds while she continued to wash the resident. Petitioner then appears to use the same towel to dry E.H.'s lower body. Thereafter, Petitioner tosses a towel over E.H.'s face for approximately 2 minutes. Petitioner then used the same towel to dry the resident's perineal area. Thereafter, Petitioner again appears to toss the same towel over the resident's face for almost 2 minutes. Petitioner then took the towel off of E.H.'s face, completed the bath and left the room. Each time the towel was put over her face, E.H. reacted by raising her hand toward her face and the towel. Each time, Petitioner pushed E.H.'s hand away. Petitioner testified that the reason she covered E.H.'s face because was E.H. was coughing and she was concerned that she could catch whatever E.H. had.

18. On August 20, 1995, Petitioner was again videotaped while giving E.H. a bed bath.

19. On August 20, 1995, at approximately 11:03 a.m., Petitioner held a bath towel over E.H.'s face with her hand for approximately 4 seconds while she was washing the resident. The towel covered the resident's eyes, nose, and mouth. Thereafter, Petitioner used a wash cloth to wash the resident's perineal area and feet. She then wiped the resident's mouth. Petitioner testified that there was more than one washcloth in the wash basin. It is not clear from the videotape whether Petitioner used the same washcloth she had used to wash other parts of E.H.'s body to wipe E.H.'s mouth.

20. On Sunday afternoon, August 20, 1995, Mr. Luper reviewed the videotapes taken in E.H.'s room on August 18th, 19th and 20th.

21. The next day, on August 21, 1995, Mr. Luper, notified the nursing facility about the manner in which Petitioner had bathed his grandmother.

22. On September 11, 1995, Joseph F. Coble Health Care Center notified the Department of Facility Services that there had been an allegation that Petitioner had abused resident E.H. by repeatedly placing a soiled towel and wash cloth over the resident's nose and mouth.

23. Charles Johnson, an abuse investigator for Respondent, was assigned to investigate the allegation. Mr. Johnson conducted an on-site investigation of this incident over several days in December 1995. He spoke with facility staff and interviewed Mr. Luper. He reviewed the medical records of E.H. and personally observed E.H. Mr. Johnson made telephone and written attempts to contact Petitioner, but received no response from Petitioner.

24. When Mr. Johnson interviewed Mr. Luper, and for several months thereafter, Mr. Luper would not disclose to Mr. Johnson his physical whereabouts with respect to observing Petitioner caring for E.H. Mr. Johnson did not complete his investigation of the allegations against Petitioner until May 1996 at which time he learned of the videotapes and was able to personally review the tapes. Upon completing his investigation, Mr. Johnson recommended that Respondent substantiate three allegations of abuse against Petitioner. Respondent accepted Mr. Johnson's recommendation.

25. By certified letter dated May 28, 1996, and received by the Petitioner on May 30, 1996, Respondent notified Petitioner that an investigation of patient abuse by the Petitioner had been concluded and that documentation regarding substantiation of three incidents of patient abuse would be entered into the State Nurse Aide Registry.

Based on the foregoing Findings of Fact, the undersigned Administrative Law Judge makes the following:

**CONCLUSIONS OF LAW**

1. The North Carolina Department of Human Resources is required by N.C. Gen. Stat. §131E-255 (formerly N. C. Gen. Stat. §131E-111) to maintain a registry containing the names of all nurse aides working in nursing facilities in North Carolina. The Department must include in the Registry any findings by the Department of abuse of a resident in a nursing facility by a nurse aide.

2. The definition of abuse applicable to these incidents occurring in August 1995, is the following:

"Abuse" means the willful infliction of physical pain, injury, mental anguish or unreasonable confinement which may cause or result in temporary or permanent mental or physical injury, pain, harm, or death. Abuse includes, but is not limited to, the following:

. . . .

(c) Physical abuse - hitting, slapping, kicking or corporeal punishment of a patient;

(d) Mental abuse - language or treatment which would be viewed by a reasonable person as involving humiliation, harassment, threats of punishment or deprivation of a patient;

. . . .

10 NCAC 3H .0108 (repealed eff. Jan. 1, 1996) (replaced by 10 NCAC 3H .2001).

3. The Joseph F. Coble Health Care Center in Durham, North Carolina is a nursing facility.

4. The videotapes of Petitioner bathing and feeding E.H. were properly authenticated pursuant to Rule 901 of the North Carolina Rules of Evidence. A proper foundation was laid for the admission of the videotapes as substantive evidence based upon the testimony of Mr. Luper that he had installed the video camera; that it was working properly at the time that the videotapes were taken; that he reviewed the videotapes shortly after they were obtained and that the video tapes remain in the same condition and produce the same pictures as they did at that time; that the videotapes have not been edited or altered; that the videotapes fairly and accurately recorded the actual appearance of the area videotaped and that he recognizes Petitioner and E.H. as the individuals observed on the videotapes. See State v. Cannon, 92 N.C. App. 246, 374 S.E.2d 604 (1988), reversed on other grounds, 326 N.C. 37, 387 S.E.2d 450 (1990). (A proper foundation for the admission of a videotape may be shown by testimony that the pictures introduced at trial were the same as those the witness had inspected immediately after processing or by testimony that the videotape had not been edited and that the picture fairly and accurately recorded the actual appearance of the area videotaped.); See also, State v. Holder, 331 N.C. 462, 418 S.E.2d 197 (1992) (testimony of persons who listened to a phone tape recording shortly after it was made that they recognized defendant's voice and that the tape played in court was unaltered was sufficient to lay foundation and authenticate telephone recording.)

5. The clarity and visibility of the events videotaped was sufficient to support the admissibility of the videotapes as relevant evidence under Rule 402 of the North Carolina Rules of Evidence.

6. The videotape evidence relied upon by Respondent in this matter is not inadmissible under either Federal or State electronic surveillance laws. Federal and State electronic surveillance laws prohibit the interception and disclosure of wire, oral or electronic communications without the consent of at least one party to the communication. 18 USC §2511; N.C. Gen. Stat. §15A-287. The videotape evidence in this action did not involve the interception of any wire, oral or electronic communications as such communications are defined under either Federal or State law. 18 USC §2510; N.C. Gen. Stat. §15A-286.

7. The Federal circuits have routinely held that silent video surveillance is not prohibited by the federal electronic surveillance laws. Thompson v. Johnson County Community College, 930 F. Supp. 501, 505 (1996). The videotape recording device used in this case had no microphone attached and was not capable of recording sound while in use in the 24 hour recording mode that was used. The videotape recording device did not intercept or acquire the contents of any audio or oral communication in any manner. The videotapes obtained were obtained as a result of silent video surveillance.

8. Even if the videotape recording fell within the definition of an interception covered by Federal or State electronic surveillance laws, which it does not, there would be no violation of either Federal or State law because such interception would have been made with the consent of one party to the communication. The videotapes show Petitioner and E.H. in E.H.'s room at the nursing facility. E.H.'s granddaughter, E.H.'s mother and E.H.'s grandson, Mr. Luper, all were aware of and consented to the videotaping of E.H. on her behalf. E.H.'s granddaughter, Ann Luper Schmitt, had

a general power of attorney for E.H. at all times relevant to this action, including power of attorney for her personal relationships and affairs. Ann Luper Schmitt is now guardian of the person for E.H. Ann Luper Schmitt had the authority to consent to the videotaping of E.H. on behalf of E.H. and did so consent.

9. The security against unreasonable searches and seizures afforded by the Fourth Amendment to the Constitution of the United States applies solely to governmental action. *State v. Peele*, 16 N.C. App. 227, 234, 192 S.E.2d 67 (1972), cert. denied 282 N.C. 429, 192 S.E.2d 838 (1972). The Respondent state agency did not participate in, and was not in any way involved in, the videotaping of E.H. at the nursing facility. The videotaping was not done by anyone acting under color of law. Therefore, no Fourth Amendment search and seizure issue is applicable to this case. Petitioner's Fourth Amendment rights were not violated.

10. With respect to the incident that occurred on August 15, 1995, the evidence fails to support a conclusion that Petitioner willfully inflicted "physical pain, injury, mental anguish or unreasonable confinement which may cause or result in temporary or permanent mental or physical injury, pain, harm, or death." The word "willful" means "something more than an intention to commit the offense . . . [i]t implies committing the offense purposely and designedly in violation of the law." *State v. Whittle*, 118 N.C. App. 130, 135, 454 S.E.2d 688, 691 (1995), citing *State v. Stephenson*, 218 N.C. 258, 264, 10 S.E.2d 819, 823 (1940). While Petitioner admits to holding E.H.'s nose while feeding her, her testimony that she did it in order to get E.H. to eat and not to harm E.H. was believable. Therefore, there is insufficient evidence to substantiate abuse of resident E.H. on August 15, 1995.

11. The Petitioner abused resident E.H. on August 18, 1995 when she repeatedly tossed a towel over E.H.'s face. Petitioner knew or should have known that such actions could cause E.H. mental anguish and possibly physical harm. Petitioner's actions were not motivated by concern for E.H., but rather concern for her own well being.

12. The Petitioner abused resident E.H. on August 20, 1995 when she wiped E.H.'s mouth with the same washcloth she had just used to wash E.H.'s feet and perineal area. Even if Petitioner used a different wash cloth as she contends, it would still be humiliating to have one's mouth washed out with the same water that had been used to clean the rest of one's body.

13. The Respondent did not err in substantiating two of the three findings of alleged abuse by the Petitioner.

**RECOMMENDED DECISION**

The North Carolina Department of Human Resources will make the Final Decision in this contested case. It is recommended that the agency adopt the Findings of Fact and Conclusions of Law set forth above and that the decision to list two findings of patient abuse on the Nurse Aide Registry for Kelly Thomas be AFFIRMED.

**ORDER**

It is hereby ordered that the agency serve a copy of the Final Decision on the Office of Administrative Hearings, P.O. Drawer 27447, Raleigh, N.C. 27611-7447, in accordance with North Carolina General Statutes section 150B-36(b).

**NOTICE**

Before the agency makes the FINAL DECISION, it is required by North Carolina General Statutes section 150B-36(a) to give each party an opportunity to file exceptions to this RECOMMENDED DECISION, and to present written arguments to those in the agency who will make the final decision.

The agency is required by North Carolina General Statutes section 150B-36(b) to serve a copy of the Final Decision on all parties and to furnish a copy to the Parties' attorney of record.

**RECOMMENDED DECISION**

This matter was heard before Meg Scott Phipps, Administrative Law Judge on December 13, 1996, in Warrenton, North Carolina.

The Petitioner initiated this case on April 8, 1996, when she filed a petition with the Office of Administrative Hearings. The contested case involves the State Board of Education's initiation of proceedings to revoke Petitioner's teaching certificate.

**APPEARANCES**

For Petitioner: Zelma Hillsman appeared *pro se*

For Respondent: Barbara A. Shaw, Assistant Attorney  
 General, Raleigh, North Carolina

**ISSUE**

Does the State Board of Education have grounds to revoke Petitioner's teaching certificate?

**STATUTES & RULES INVOLVED**

N.C. Gen. Stat § 115C-12(9)(a); N.C. Constitution; 16 NCAC Code 6C .0312.

1. Petitioner, Zelma Hillsman, was originally issued a teaching certificate in the area of middle grades social studies by the State Board of Education.
2. On or about February 10, 1996, Respondent, the State Board of Education, notified Petitioner that there were charges against her which constituted grounds for revocation of her teaching certificate and that unless she initiated administrative proceedings to challenge the action within sixty (60) days of notice, the State Board of Education would revoke her teaching certificate. (Document Constituting Agency Action).
3. On or about February 10, 1996, Respondent notified Petitioner of written charges against her, including but not limited to:
 

On July 23, 1990, Ms. Hillsman was convicted in Halifax County Superior Court in case number 90 CRS 3700 with communication with a juror, and in case number 90 CRS 3701 with conspiracy to commit a felony of bribery of a juror. (Document Constituting Agency Action)
4. The State Board originally issued Ms. Hillsman a teaching license during 1993.
5. Petitioner was employed as a teacher in the North Carolina public schools for one (1) year.
6. Subsequently in 1996, the North Carolina Department of Public Instruction received records from the North Carolina Department of Correction showing that Ms. Hillsman had two (2) criminal convictions.

7. Ms. Hillsman was convicted of two (2) felony crimes in 1990 as follows:

- communication with a juror and conspiracy to commit the felony of bribery of a juror.

She was sentenced to an active prison term which she served. (Respondent's Exhibit 1,2,5).

8. Respondent entered into evidence the application originally submitted by Ms. Hillsman when she applied for a teaching certificate with the North Carolina Department of Public Instruction (DPI). This document showed that Petitioner disclosed she had one (1) conviction of communication with a juror. (Respondent's Exhibit 3).

9. Brock Murray, head of the Licensure Section with DPI, testified that he was employed as the head of the Certification Section at the time Ms. Hillsman originally applied for a license. He explained that, at that time, he did not understand that communicating with a juror was a felony. He further testified that had he or DPI known that Ms. Hillsman had two (2) felony convictions of communication with a juror and conspiracy to bribe a juror, DPI would not have issued her a license.

10. The duties of a teacher include providing an education to students, acting as a role model to students, and maintaining a credible and effective relationship with the community and parents. (Testimony of Linda Suggs, Respondent's expert witness).

11. Ms. Suggs also testified that teachers are currently responsible for implementing the curriculum on character education.

12. In regard to Petitioner's ability to continue to perform her professional functions after having been convicted to the two (2) criminal offenses at issue in this case, Linda Suggs, an expert in the area of public school personnel administration, testified Petitioner could no longer serve as an effective role model in the public schools. It was Ms. Suggs' professional opinion that Petitioner was no longer fit to teach based on her clear violations of North Carolina criminal laws.

13. Ms. Suggs further opined that teachers are held to a higher standard than the ordinary employee because of their unique opportunity to influence young, impressionable minds and that as a result of her criminal convictions, Petitioner was no longer fit to teach in this state's public schools.

14. Petitioner testified on her own behalf and stated that she had fully disclosed her crimes to an employee of the Department of Public Instruction when she originally applied for a teaching certificate.

15. Petitioner produced no documents to support her assertion that she fully disclosed her criminal record to DPI when she first applied for a teaching license.

16. No witnesses, other than Petitioner, testified on her behalf.

### CONCLUSIONS OF LAW

1. The State Board of Education derives power directly from the North Carolina Constitution. That power is "to supervise and administer the free public school system and the educational funds provided for its support." N.C. Const. Art. IX, §5. This power includes the power "to regulate the grade [and] salary ... of teachers." Guthrie v. Taylor, 279 N.C. 703, 709, 185 S.E. 2d 193, 198 (1971), cert. denied, 406 U.S. 920, 92 S.Ct. 1774, 32 L. Ed. 2d 119 (1972). The exercise of this power is "subject to laws enacted by the General Assembly," N.C. Const. Art. IX § 5, but "in the silence of the General Assembly, the authority of the State Board to promulgate and administer regulations ... was limited only by other provisions in the Constitution, itself." Guthrie v. Taylor, 279 N.C. at 710, 185 S.E. 2d at 198-99. Thus, where the General Assembly has not acted to limit the power of the State Board to adopt rules, the State Board's power is plenary except as limited by the Constitution.

2. In this case, the State Board has the constitutional power, unrestricted by statute, to determine the certification/licensure status of a teacher in the North Carolina public schools. The State Board has the specific duty "to certify and regulate the grade and salary of teachers and other school employees." N.C. Gen. Stat. § 115C-12(9)(a). Guthrie at 711, 185 S.E. 2d at 199. "The State Board of Education shall have entire control of certifying all applicants for teaching positions in all public elementary and high schools of North Carolina; and it shall prescribe the rules and regulations for the renewal and extension of all certificates and shall determine and fix the salary for each grade and type of certificate

which it authorizes." N.C. Gen. Stat. § 115C-296(a).

3. Public school teachers in North Carolina have the statutory duty to maintain discipline in school and to encourage temperance and morality. N.C. Gen. Stat. § 115C-307(a) and (b)(emphasis added).

4. The North Carolina Supreme Court has emphasized that teachers, in addition to being required to teach a particular subject, also serve as role models for their students. Faulkner v. New Bern-Craven Bd. of Educ., 311 N.C. 42, 316 S.E. 2d 281 (1984); see also Burrow v. Bd. of Educ., 61 N.C. App. 619, 625, 301 S.E. 2d 704 (1983) (wherein the Court of Appeals clearly recognized and emphasized the significant influence a teacher has on young people in his care and custody and that lack of judgment on the part of a teacher cannot be condoned).

5. Petitioner has two (2) felony criminal convictions of record. Petitioner served an active prison term for these crimes.

6. The State Board of Education has grounds to revoke Petitioner's teaching certificate under 16 NCAC 6C .0312(a)(3) as the result of Petitioner's criminal convictions for the felonies of communication with a juror and conspiracy to bribe a juror.

7. There is a reasonable and adverse relationship between these underlying crimes and the continuing ability of Petitioner to perform any of her professional functions in an effective manner. Petitioner's potential ability to serve as an effective role model to her students, to teach character education and to promote an effective, credible working relationship with parents has been undermined by her criminal conduct.

8. The North Carolina Court of Appeals has held that in cases in which a State employee has been dismissed based upon an act of off-duty criminal conduct, the agency may consider the following factors in demonstrating that the dismissal is supported by the existence of a rational nexus between the type of criminal conduct committed and the potential adverse impact on the employee's future ability to perform for the agency:

- the degree to which, if any, the conduct may have adversely affected clients or colleagues;
- the likelihood of recurrence of the questioned conduct and the degree to which the conduct may affect work performance, work quality, and the agency's good will and interests;
- the proximity or remoteness in time of the conduct to the commencement of the disciplinary proceedings;
- the blameworthiness or praiseworthiness of the motives resulting in the conduct; and
- the presence or absence of any relevant factors in mitigation.

Fury v. N.C. Employment Security Commission, 115 N.C. App. 590, 446 S.E. 2d 383, cert denied, 338 N.C. 309, 451 S.E. 2d 635 (1994). Similarly, the Supreme Court of California established comparable factors for the California State Board of Education to consider in certificate revocation cases when determining whether the teacher's conduct indicates unfitness to teach, including:

the likelihood that the conduct may have adversely affected students or fellow teachers, the degree of such adversity anticipated, the proximity or remoteness in time of the conduct, the type of teaching certificate held by the party involved ....

Morrison v. State Bd. of Educ., 461 P.2d 375, 386 (Cal. 1969).

9. The State Board of Education has both the ground and the authority to revoke Petitioner's teaching certificate under 16 NCAC 6C .0312(a)(3).

RECOMMENDED DECISION

Respondent, State Board of Education, has grounds to revoke Petitioner's teaching certificate. Petitioner has not shown that Respondent exceeded its authority or jurisdiction, acted erroneously, failed to use proper procedure, failed to act as required by law or rule, or acted arbitrarily or capriciously. Therefore, Petitioner's petition should be dismissed and Petitioner is entitled to no relief.

ORDER

It is hereby ordered that the State Board serve a copy of the Final Decision on the Office of Administrative Hearings, P.O. Drawer 27447, Raleigh, North Carolina 27611-7447, in accordance with NC. Gen. Stat. § 150B-36(b).

NOTICE

Before the State Board makes its Final Decision, it is required by N.C. Gen. Stat. § 150B-36(a) to give each party an opportunity to file exceptions to this recommended decision, and to present written arguments to those in the agency who will make the final decision.

The agency is required by N.C. Gen. Stat. § 150B-36(b) to serve a copy of the Final Decision on all parties and to furnish a copy to the parties' attorneys of record.
