Authority for the rule-making: G.S. 143-545A; 143-546A; 34 C.F.R. 361.36; 34 C.F.R. 361.54

Statement of the Subject Matter:

10 NCAC 20C.0100 - A rule will be adopted that provides a formula for establishing rates and fees to be paid by purchasers of services/products from the Division.

10 NCAC 20C .0203 APPLICANT NOTIFICATION - This rule, which requires notification of all applicants that an order of selection for services will be implemented when there are insufficient resources to serve all eligible clients, will be repealed.

10 NCAC 20C.0206 - Amendment and adoption of other rules -

The Financial Needs Test rule will be amended and other rules adopted to allow a special provision for personal assistance services. Rules to be adopted will specify the applicable special provisions that will apply to employment expenses and independent living expenses related to personal assistance services. This rule will also be amended to increase the amount allowed for child care expenses under the financial needs test provisions.

Reason for Proposed Action: Requests from the Vocational Rehabilitation Advisory Council and the Independent Living Council that policy be revised regarding allowance for personal assistance services.

10 NCAC 20C .0100 - Heretofore, there has not been a rule governing establishment of rates and fees. G.S. 143-545A requires that such a rule be in effect prior to establishing rates and fees. This action is needed to support and/or continue critical services/programs under the purview of the Division of Vocational Rehabilitation Services.

10 NCAC 20C.0203 - is no longer needed because the order of selection for services rules in 10 NCAC 20C .0600 govern notification when an order is actually established.

10 NCAC 20C.0206 - is being amended and new rules adopted to remove a disincentive to employment and independence. A special provision regarding expenses for personal assistance services is necessary to allow individuals with severe disabilities to obtain or maintain employment or to live independently for as long as possible. The allowance for child care has not been raised in recent years.

Comment Procedures: The record will be open for receipt of written comments on these proposed actions from June 15, 1998 to August 14, 1998. Written comments should be mailed to Jackie Stalnaker, PO Box 26053, Raleigh, NC 27611.

Notice is hereby given in accordance with G.S. 150B-21.2 that the Commission for Health Services intends to amend rule(s) cited as 15A NCAC 13B.1301 and .1624. Notice of Rulemaking Proceedings was published in the Register for 15A NCAC 13B.1301 on December 15, 1997 and for 15A NCAC 13B.1624 on April 1, 1998.

Proposed Effective Date: April 1, 1999

A Public Hearing will be conducted at 2:30 p.m. on August 5, 1998 at the Archdale Building, Groundfloor Hearing Room, 512 N. Salisbury Street, Raleigh, NC.

Reason for Proposed Action:

15A NCAC 13B.1301 - The Commission for Health Services has been directed by Session Law 1997-517 (formerly SB 1055)

to adopt a rule that requires that disposition of a "recognizable fetus" be carried out by cremation or burial. The legislature did not define "recognizable fetus." Rule .1301 was amended to implement the legislature's directive; it has been adopted as a temporary rule (effective December 22, 1997). The Commission is now being asked to adopt the temporary rule as a permanent rule.

15A NCAC 13B.1624 - The NC General Assembly has required this agency to adopt a rule regarding design criteria for msw landfills that complies with federal law and provides for alternate landfill liners that are at least as protective as the liner currently authorized under the rules of the Commission for Health Services. The Commission is required to adopt this rule as a temporary rule no later than July 1, 1998. The agency wishes to make the change in rules permanent so that the economic benefit conferred under the temporary amendment will be continued.

Comment Procedures: Comments, statements, data and other information may be submitted in writing within 30 days after the date of publication of this issue of the North Carolina Register. Comments should be submitted to Joan Troy, Solid Waste Section, 401 Oberlin Rd., Suite 150, Raleigh, NC 27611, or phone (919) 733-0692, ext. 271.

Fiscal Note: 15A NCAC 13B .1301 does not affect the expenditures or revenues of state or local government funds. This Rule does not have a substantial economic impact of at least five million dollars (\$5,000,000) in a 12-month period.

Fiscal Note: 15A NCAC 13B .1624 affects the expenditures or revenues of local government funds. This Rule does have a substantial economic impact of at least five million dollars (\$5,000,000) in a 12-month period.

SECTION .1600 - REQUIREMENTS FOR MUNICIPAL SOLID WASTE LANDFILL FACILITIES (MSWLFs)

.1624 CONSTRUCTION REQUIREMENTS FOR MSWLF FACILITIES

(a) This Rule establishes the performance standards and minimum criteria for designing and constructing a new MSWLF unit or lateral expansion of existing MSWLF units. Additional standards for the cap system are described in Rule .1627 of this Section.

(b) New MSWLF units and lateral expansions shall comply with the following design and construction criteria:

 - (A) A Base Liner. The base liner shall consist of one of the following designs. The design described in Subpart (b)(1)(A)(i) of this Rule is the standard composite liner. If a landfill owner or operator proposes to utilize one of the alternative composite liner designs described in Subparts (b)(1)(A)(ii) and (iii) of this Rule, the owner or operator shall demonstrate through a model acceptable to the Division that the proposed design will ensure that maximum concentration levels (MCLs) listed in Table 1 will not be exceeded in the uppermost aquifer at the relevant point of compliance as established in Rule .1631(a)(2) of this Section. For these two designs, the Division may waive the site-specific modeling requirement if it can be demonstrated that a previous site for which a model was approved had similar hydrogeologic characteristics, climatic factors and volume and physical and chemical leachate characteristics. If an alternative liner design other than Subparts (b)(1)(A)(ii) and (iii) of this Rule is proposed, the Division shall require site-specific, two-phase modeling as described in Subpart (b)(1)(A)(iv) of this Rule.

- Uniform System. Uniform Waterway Marking (4) System and the supplementary standards for such system promulgated by the Commission.

(c) Marking of Regulated Areas. The Executive Director may designate agencies for placement and maintenance of markers for regulated areas established by rules promulgated pursuant to this Section. The agency designated by the Executive Director may delegate the actual placement and maintenance of such markers to some other agency, corporation, group or individual, so long as the designating agency exercises supervisory authority over such agency, corporation, group or individual. Prior to marking a restricted zone established pursuant to G.S. 75A-15, the designated agency for placement and maintenance of the markers must obtain written approval from the Executive Director by making a written request for permission to mark the area specifically described therein. Enforcement of the restrictions set forth in Rule .0302 et seq. of this Section is dependent upon placement and maintenance of adequate marking of the regulated areas by suitable agencies, as designated in those rules, in accordance with the requirements of the Uniform Waterway Marking System, which are hereby incorporated by reference, and automatically include any later amendments of the incorporated matter as authorized by G.S. 150B-21.6 and the supplementary standards for such system promulgated by the Commission in Paragraph (g) of this Rule. Unless a specific variance is granted, placement and maintenance of the markers must be and remain in accordance with the uniform system. The Executive Director or his representative is instructed to supervise and approve placement and maintenance of individual markers to insure full implementation of the objectives of the uniform system.

(d) Implementation of Uniform Waterway Marking System. Except where done by virtue of the supervening federal authority, it is unlawful for anyone to place, maintain, or to allow to remain in place, any regulatory markers or navigational aids of the sort included in the uniform system in any waters without authorization of the Commission. The Executive Director is authorized to approve placement of the navigational aids, informational markers, and regulatory markers warning of dangers and not requiring enforcement sanctions, in accordance with both public interest in recreational use and water safety and in accordance with the policies embodied in the uniform system.

(e) Removal of Unauthorized Markers. Markers or navigational aids which do not conform to the specifications of the uniform system or which are placed without lawful authority or permission, where the person responsible for the actual placement cannot be feasiblely determined, may be removed by agents of the Commission. Nonconforming markers as to which the person responsible for placement and maintenance is known, may nevertheless be removed by agents of the Commission if such markers are likely to mislead the public or cause a dangerous situation. Where agents of the Commission discover authorized markers which have been improperly placed or are defective through lack of maintenance, such agents may serve written notice upon the person responsible for such improper placement or for the maintenance of the marker concerned. If, within 10 days no action has been taken in accordance with the notice given, such default constitutes a violation of these regulations.

(f) Miscellaneous Restrictions. Except for mooring buoys or markers as to which it is specifically permitted, it is unlawful to tie a vessel to any waterway marker. It is unlawful for any unauthorized person to move, remove, damage, obstruct, paint over, or in any way tamper with any marker lawfully placed in the waters of North Carolina in conformity with these regulations or the uniform system generally.

(g) Supplementary Standards. The standards listed in this Paragraph are supplementary to the Uniform Waterway Marking System and shall be applicable as indicated in the succeeding rules of this Section to the areas of water thereby regulated:

(1) The perimeter of swimming areas in the water must be marked with float lines which, in conjunction with the shoreline, form a completely enclosed area. The total enclosed area may not exceed 5,000 square feet without special permission from the Executive Director or his authorized representative. In any event, such area may not extend out into the water sufficiently as to restrict travel unduly on any regular navigational channel or otherwise to obstruct passage of vessels in reasonably using the waters.

- (2) Float lines must have attached floats along their length at intervals of not less than one every 10 feet.
- (3) Floats must be buoyant enough to float at the surface of the water while attached to the float line, but no float may exceed a size of 18 inches as measured across its largest dimension.
- (4) Floats may be solid or hollow and preferably should be of plastic or other light and resilient material not likely to cause injury should one strike a swimmer in the water.
- (5) Floats must be either solid white or solid international orange in color. Float lines may consist of all white floats or of alternating white and orange floats.
- (6) Buoys or floating signs indicating the "boats-keep-out" symbol of the uniform system and in conformity with its standards must be attached to the float lines at such points as necessary to give warning to the vessels approaching the swimming area from various directions.
- (7) Float lines and warning markers must be anchored securely to prevent them from shifting position to any appreciable extent under normal conditions.
- (8) All markers warning of a no-wake speed zone around certain facilities must be buoys or floating signs placed in the water at a distance of not greater than 50 yards from the protected facility. The markers must be sufficient in number and size as to give adequate warning of the restriction to the vessels approaching from various directions.
- (9) The boundaries of mooring areas may be defined by the placement of the speed zone warning markers themselves or by such warning markers plus additional boundary floats or markers that may be approved by the Executive Director or his representative.

Reason for Proposed Action: The current rule contains a requirement for wells constructed after July 1, 1993 to be located at least 25 feet from building foundations. Unless the rule is amended, the welfare of foster children will be unnecessarily jeopardized because of the current requirements being overly stringent, resulting in the denial of licenses for foster homes during a period of critical shortages of foster homes across North Carolina. The amendment will not endanger the health of children placed in homes with wells as close as 10 feet from building foundations when monitoring is increased as required in 15A NCAC 18A .1611.

BYLAWS

The meeting was called to order at 10:00 a.m. with Vice Chairman Smallwood presiding. The by-laws were adopted by the Commission. A copy is enclosed with these minutes. Commissioner Rader made a motion that present officers be allowed to finish their terms. The motion was seconded by Commissioner Twiddy.

APPROVAL OF MINUTES

Vice Chairman Smallwood asked for any discussion, comments, or corrections concerning the minutes of the April 19, 1998 meeting. There being none, the minutes were approved.

FOLLOW-UP MATTERS

2 NCAC 34 .0404 - AGRICULTURE/NC State Pest Control Committee: The rewritten rule submitted by the agency was approved by the Commission.

12 NCAC 7D .0204 and .1106 - JUSTICE/NC Private Protective Services Board: The agency requested that the rules be deferred until next month. No action was necessary.

15A NCAC 10G .0404 - DENR/Wildlife Resources Commission: No action was necessary.

21 NCAC 50 .1210, and .1212 - State Board of Examiners of Plumbing, Heating and Fire Sprinkler Contractors: The Commission voted to return the rules to the agency for failure to properly respond to the Commission's objections.

21 NCAC 68 .0305 - NC Substance Abuse Professional certification Board: The rewritten rule submitted by the agency was approved by the Commission.

LOG OF FILINGS

ViceChairman Smallwood presided over the review of the log and all rules were approved with the following exceptions:

10 NCAC 41A .0007 - DHHS/Social Services Commission: The Commission objected to the rule due to ambiguity. In (b)(1) and following it is unclear what happens to a "denial, suspension, or revocation" of a license if a contested case petition is filed. This objection applies to existing language in the rule. The Commission also removed its March 16, 1988 objection because the rule is now consistent with the Administrative Procedure Act.

10 NCAC 47B .0102 - DHHS/Social Services Commission: The Commission objected to the rule due to ambiguity. It is unclear what constitutes "easily understandable terms" in the introductory paragraph. This objection applies to existing language in the rule.

15A NCAC 10F .0303 - DENR/Wildlife Resources Commission: Commissioner Funderburk voted not to approve this rule. The rule was approved.

COMMISSION PROCEDURES AND OTHER MATTERS

Commissioner Redwine has submitted his resignation to the President Pro Tempore and it has been accepted.

The next meeting will be on June 18, 1998.

The meeting adjourned at 10:50 a.m.

STATE OF NORTH CAROLINA		IN THE OFFICE OF ADMINISTRATIVE HEARINGS
COUNTY OF HERTFORD		97 DHR 1277
JONATHAN ELLIS)	
Petitioner,)	
)	
v.)	RECOMMENDED DECISION
)	
DEPARTMENT OF HEALTH AND HUMAN SERVICES)	
Respondent.)	

This is an appeal from the denial by Respondent of Petitioner's application for approval of the Medicaid status known ICF/MR/DD level of care. The issue to be resolved is whether the Petitioner meets the criteria for approval of placement at the ICF/MR/DD level of care. There was a hearing on this matter on February 16, 1998 at which both Petitioner and Respondent presented evidence. Petitioner is represented by Deborah Greenblatt, Carolina Legal Assistance, P.O. Box 2446, Raleigh, North Carolina, 27602. Respondent is represented by Kathryn Thomas, Assistant Attorney General, P.O. Box 629, Raleigh, North Carolina, 27602.

FINDINGS OF FACT

- 1. Jonathan Ellis is a 25 year old citizen and resident of Murfreesboro, North Carolina.
- 2. Jonathan has had cerebral palsy since birth. He has congenital spastic quadriplegia. He cannot walk. He cannot sit up on his own in a regular chair. He uses a wheelchair but cannot get from his bed to his wheelchair by himself. He has only very limited use of one hand, but he is able with that hand to operate his power wheelchair. He cannot dress himself. He cannot totally brush his teeth without assistance because he cannot reach his arm such that the toothbrush reaches to the back of his mouth. He cannot open a door without assistance. He has a visual impairment affecting his depth perception. (Tr. 8-10, 19, 31, 112). At the present time, for his safety, he needs 24-hour care. (Tr. 62-63, 91-93).
- 3. Jonathan is not mentally retarded. He is quite articulate. He graduated from high school in Hertford County and attended St. Andrews Presbyterian College in Laurinburg, North Carolina. St. Andrews has a program which specializes in having an accessible campus for people with disabilities, including a 19 bed dormitory which has 24 hour certified nursing assistants with a registered nurse on duty 24 hours a day. Since finishing college at St. Andrews in 1996, Jonathan Ellis has been living at home with his parents. Jonathan Ellis' goals for himself are to be able to move out from his family's home and to get a job. (Tr. 10, 13, 112).
- 4. Jonathan receives in-home care under the CAP/DA Medicaid waiver program. This program provides an in-home aide for about five hours per day. This aide assists Jonathan with bathing, dressing, grooming, and food preparation. Under the rules governing CAP/DA, the only services which can be provided for Jonathan are in-home services with very limited exceptions such as shopping for personal goods. His CAP/DA worker is not permitted to assist him in anything outside of the home. (Tr. 18-19). During the hours that the CAP/DA worker is not available, Jonathan's needs are taken care of by his parents. (Tr. 78-79, 88-89).
- 5. Although Jonathan Ellis has done well academically, he has little life experience which would currently enable him to live independently. He needs active treatment or habilitation which consists of training in areas such as cooking, cleaning, shopping, food preparation, managing his money, and interacting with the various people who would be needed in his life to assist him. Because of his inexperience, he is naive and can be gullible. He needs training to acquire problem-solving skills, safety skills, and skills to access transportation, recreation and leisure. He needs to learn in small increments how to be independent. (Tr. 20, 32-33, 42, 62).
- 6. Jonathan has received services since early childhood from the Roanoke-Chowan Mental Health Center in Hertford County. Evans Heath is a clinical manager at the Mental Health Center. He has a Master's Degree in psychology and worked in Developmental Disabilities for 15 years. He has known Jonathan since he was 16 months old and has worked with the family to try to find services that meet Jonathan's needs. Mr. Heath was tendered and received as an expert in developmental disabilities. He is familiar with the criteria for ICF/MR/DD level of care. It is his opinion that Jonathan has functional limitations in the major life activities of self-care, mobility, independent living and self-direction. He believes that an active treatment program which addresses these needs can be put together

for Jonathan under the ICF/MR/DD level of care using the CP/DD waiver. (Tr. 28, 31-33, 36-37).

- 7. Mary Anna Newman is the director of residential services for United Cerebral Palsy of North Carolina. She has a master's degree in counseling psychology. She has worked in the field of social work for ten years, vocational counseling for four years and development disabilities for eleven years. She was tendered and received as an expert in developmental disabilities. She has worked with Jonathan Ellis and his family since the summer of 1996 to develop a supported living program that would meet Jonathan's needs. She testified that the intensity and level of services needed by Jonathan -- his habilitative needs, would "absolutely" constitute a program of active treatment. (Tr. 56-59, 60-61).
- 8. Jonathan and his family have attempted since his return to Murfreesboro in 1996 to find help from any and all agencies, which might assist them in working with Jonathan particularly to find him a job. The family has sought the services of the area mental health agency, vocational rehabilitation services, and a number of others. (Tr. 35, 84-86).
- 9. Although Jonathan has the capacity for independent living and the desire to do so, in the event something were to happen to his parents under his current situation, Jonathan would be subject to institutionalization in a skilled nursing facility or an ICF/MR group home. (Tr. 51-52, 88-89).
- 10. The CAP/DD level of care at issue in this case is part of the Medicaid Waiver plan in North Carolina. The purpose of the waiver is to provide home-based and community-based services to individuals whom, but for the provision of such services, would require an ICF/MR level of care such as an MR institution or an ICF/MR group home. (Tr. 130, 131).
- 11. The steps for a person to become eligible for CAP/MR/DD services include
 - a. meeting the criteria to be certified at the ICF/MR level of care, and
 - b. approval of a plan of care which includes active treatment. (Tr. 149-151, 42 CFR Ch. IV, § 435.1009, 42 CFR Ch. IV § 483.450.)
- 12. To be eligible for certification at the ICF/MR level of care, federal Medicaid regulations require, in pertinent part, that the individual must have a severe, chronic disability that
 - a. is attributable to cerebral palsy or epilepsy ...
 - b. is manifested before the person reaches age 22,
 - c. is likely to continue indefinitely and
 - d. results in functional limitations in three or more of the following areas of major life activity:
 - 1. self-care
 - 2. understanding and use of language
 - 3. learning
 - 4. mobility
 - 5. self-direction
 - 6. capacity for independent living.

(42 CFR Ch. 1V, § 435.1009, Pet. Ex. 1).

- 13. Once an individual has been found to meet the eligibility criteria for 1CF/MR level of care, a plan of active treatment designed to meet that individual's needs must be approved before CAP/MR/DD or community alternative services are provided. (Tr. 151, 42 CFR Ch. IV, § 483.450).
- 14. Jonathan Ellis meets the eligibility criteria for ICF/MR level of care because he has a severe chronic disability which is attributable to cerebral palsy, has been manifested since his birth and is likely to continue indefinitely. He has functional limitations in self-care, mobility, self-direction, and capacity for independent living. (Tr. 8-10, 33-34, 172, 173).
- 15. Jonathan Ellis' needs for habilitation require active treatment at the ICF/MR level of care (Tr. 31-37, 60-61).

CONCLUSIONS OF LAW

- 1. In order to prevail in his effort to become eligible for ICF/MR/DD level of care, petitioner must prove that he has a chronic permanent disability which
 - a. is attributable to cerebral palsy or epilepsy ...
 - b. is manifested before the person reaches age 22,
 - c. is likely to continue indefinitely and
 - d. results in functional limitations in three or more of the following areas of major life activity:
 - 1. self-care
 - 2. understanding and use of language
 - 3. learning
 - 4. mobility
 - 5. self-direction
 - 6. capacity for independent living.

Petitioner has proven by a preponderance of the evidence that he satisfies these eligibility criteria. Counsel for Respondent has conceded as much. (Tr. 172-173).

- 2. Petitioner has also proven by a preponderance of the evidence that his level of need requires active treatment. (Tr. 30-37, 60-61).
- 3. Respondent argues that petitioner must present a plan for active treatment in order to be eligible for ICF/MR/DD level of care. This construction is in error. Petitioner must show a need for active treatment. This he has proven. However, the requirement for a plan of care is not part of the eligibility criteria. The Medicaid regulations governing this matter are found in Title 42, Chapter IV of the Code of Federal Regulations. The eligibility criteria are established in Subchapter C, Medical Assistance programs, Part 435. The particular eligibility criteria governing this case are found at Section 435.1009. By contrast, the requirement for a plan of active treatment is part of Subchapter E, Standards and Certification, Part 483, an entirely different section of the regulations. It does not apply to the eligibility definitions. Thus, while an approved plan of treatment is required before Medicaid will actually pay for services, it is not relevant to the eligibility determination.
- 4. The Court finds that petitioner meets the eligibility criteria for the ICF/MR/DD standard of care.

RECOMMENDED DECISION

That the North Carolina Department of Health and Human Services adopt the Findings of Fact and Conclusions of Law set forth above and that the Department coordinate the development and implementation of an effective treatment plan for Petitioner.

<u>ORDER</u>

It is hereby ordered that the agency serve a copy of the Final Decision on the Office of Administrative Hearings, P.O. Drawer 27447, Raleigh, NC 27611-7447, in accordance with North Carolina General Statute 150B-36(b).

FINDINGS OF FACT

- The Petitioner, Jane A. Wallace, is a citizen and resident of Henderson County, North Carolina and has resided there since January of 1998. Prior to January of 1998, Mrs. Wallace lived in Buncombe County, North Carolina. Mrs. Wallace's date of birth is August 17, 1954. Mrs. Wallace has a Master's Degree in Counseling with an emphasis in Addictions.
- 2. On or about May 1, 1988, Mrs. Wallace began working at the Trend Area Mental Health, Developmental Disabilities and Substance Abuse Authority (hereinafter "Trend") in Hendersonville, North Carolina. At the same time, Mrs. Wallace began contributing to the Local Governmental Employees' Retirement System (hereinafter "Retirement System").
- 3. Mrs. Wallace suffers from a bipolar, or manic-depressive mood, disorder which has become increasingly more difficult to control with medication in recent years. In January of 1996, Mrs. Wallace experienced considerable difficulty in managing her illness, which in turn adversely affected her ability to perform the duties of her occupation as a Substance Abuse Program Coordinator at Trend.

- 4. In late January of 1997, Mrs. Wallace, came to the realization that she was unable to continue working as a full-time Substance Abuse Program Coordinator at Trend due to her mood disorder and began exploring other options, including employment accommodations and disability benefits. [Exhibit P-1]
- 5. On or about January 28, 1997, Mrs. Wallace wrote a memo to her then-supervisor, Paul vander Straeten, at Trend advising him of her difficulties and requesting that she be reassigned to a part-time, lower-level, non-supervisory position to accommodate her ongoing illness and disability. [Exhibit P-2]
- 6. On or about February 10, 1997, Mrs. Wallace received a memo from her supervisor indicating that her request for reassignment to a part-time, non-supervisory position had been granted in order to accommodate her medical condition. [Exhibit P-3]
- 7. Effective February 10, 1997, Mrs. Wallace's employment at Trend was changed from a full-time Substance Abuse Program Coordinator to a part-time Substance Abuse Counselor I. [Exhibits P-4 & P-5]
- 8. On or about February 11, 1997, Mrs. Wallace completed an "Application for Retirement," indicating that she was filing for Disability benefits through the Local Governmental Employees' Retirement System, effective March 1, 1997. The Employee's Certification portion of the application noted that Mrs. Wallace "Has not terminated" and that "Employee is still employed." [Exhibit P-6]
- 9. On or about February 11. 1997, Mrs. Wallace's employer mailed her Application for Retirement to the Department of State Treasurer. Retirement Systems Division. together with a cover letter which read. in part, as follows: "Jane Wallace was out of work for an extended period of time due to health reasons but she has returned to work on a reduced schedule. She requested reclassification from 100% FTE Substance Abuse Program Supervisor at \$33,074 to 71% FTE Substance Abuse Counselor 11 [sic] at \$22,391. This change reduces her work time, salary and supervisory responsibilities and she feels that this may qualify her for disability benefits. At this time she has not indicated if she plans to stop working due to her disability." [Exhibit P-7, emphasis added]
- 10. On or about February 24, 1997, the Retirement System mailed Mrs. Wallace an "Information Checklist" which indicated that her Application for Retirement could not be processed for two reasons: (i) because it was not properly notarized: and (ii) because the portion on payroll information was not completed. [Exhibit P-8]
- 11. Upon receipt of this Information Checklist, Mrs. Wallace telephoned the Retirement System for clarification. Mrs. Wallace was advised by the Retirement System that her signature must be notarized; that her employer needed to project her part-time earnings; and that <u>the definition of "retirement"</u> was when she stopped working full time and started working part-time. [Exhibit P-9]
- 12. On or about February 28, 1997, Mrs. Wallace completed a second Application for Retirement and had her signature duly notarized. On this second application, Mrs. Wallace indicated that her last day of "full-time" employment (with the words "full-time" being handwritten on the form) was February 8, 1997. The Employer's Certification portion of this second application stated that <u>"employee is still employed part time in reduced capacity</u>". [Exhibit P-10, emphasis added]
- 13. On or about April 22, 1997, the Retirement System advised Mrs. Wallace by letter that: "Your Application for Disability Retirement has been approved by the Medical Board with an effective date of March 1, 1997 and benefits will be paid for as long as you remain totally disabled." The letter went on to state that Mrs. Wallace would "be notified and given ample time" to obtain a medical report whenever her disability file was scheduled for review. [Exhibit P-11]
- 14. On or about April 28, 1997, the Retirement System mailed to Mrs. Wallace a "Notice of Receipt of Application for Monthly Retirement Benefits" which stated that: "Your application will be reviewed to determine whether you meet the legal requirements relating to age, service, etc. as of 04/01/97 [sic], your effective date of retirement. If there are any deficiencies or if additional information is required you will be notified." [Exhibit P- 12, emphasis added] The notice further stated that: "If all legal requirements are met, an 'Estimated Report of Retirement Benefits' will be prepared and mailed to you indicating the estimated amounts payable under the various payment plans available. [Exhibit P-12]
- 15. On or about April 30, 1997, the Retirement System mailed to Mrs. Wallace the "Report of Estimated Retirement

Benefits" which outlined five (5) different payment options for her disability retirement benefits. [Exhibit P-13] Upon receipt of this report, Mrs. Wallace reasonably determined that her disability application had met all legal requirements. She elected to receive the maximum disability payment available, or \$1,254.79 gross per month.

- Enclosed with one of the documents mailed to Mrs. Wallace in April of 1997, the Retirement System sent a pamphlet dated April 1, 1997, and entitled <u>Things Retirees Need to Know: An Explanation of Your Retirement Benefits and Responsibilities</u>. This pamphlet contained one sentence pertaining to employment and disability retirements benefits, which read: "Rehire After Receiving Disability Retirement Payments: If you accept any kind of employment, either public or private, contact the Retirement System for information on provisions that apply to you." [Exhibit P- 14; page 8, emphasis in the original.]
- 17. On more than one occasion following receipt of the informational pamphlet for retirees referred to above, Mrs. Wallace requested information by telephone from the Retirement System regarding the rules and regulation applicable to her post-retirement employment. On each such occasion, Mrs. Wallace was assured by the Retirement System that the information would be forthcoming.
- 18. Prior to receipt of the pamphlet for retirees, the only other written information available to Mrs. Wallace regarding her benefits was a booklet dated August 1, 1988, and entitled <u>Your Retirement Benefits</u>, which was prepared by the Department of the State Treasurer and provided to Mrs. Wallace by her employer. This booklet also contained a single sentence pertaining to employment after disability, which read: "Rehire after receiving disability retirement benefits. If you accept public or private employment, contact the Retirement System for information of provisions that apply to you." [Exhibit P- 15, page 9]
- 19. On or about July 16, 1997, the Retirement System mailed to Mrs. Wallace a "Disability Retiree's Statement of Earnable Allowance," which advised her that she would be allowed to earn \$19,663.60 for calendar year 1997. The statement further advised Mrs. Wallace that: "If you return to full-time permanent employment covered under the system from which you retired, at any salary, you will forfeit your disability retirement and you will become a contributing member of the Retirement System again." [Exhibit P-16; emphasis added] Because she was not working full-time, Mrs. Wallace reasonably determined that this provision did not apply to her and would not affect her disability retirement benefits. The notice further stated that: "If your earnings should exceed the above stated earnable allowance, your disability retirement allowance will be reduced by the amount of your earnings that exceed the above stated earnable allowance, however your benefit will not be reduced less than the amount funded by your own contributions. Earnings that continuously exceed the amount or [sic] your earnable allowance may result in the permanent reduction of your disability allowance to the amount funded by your own contributions." [Exhibit P-16] Based upon this language, Mrs. Wallace reasonably determined that her disability allowance might be reduced, based upon her part-time earnings, but had no reason to suspect that her benefits would be stopped.
- 20. Mrs. Wallace received disability payments from the Retirement System for the months of April, 1997 through the month of September, 1997, without any interruption or other communication from the Retirement System other than periodic "Notifications of Direct Deposit." [Exhibit P-17] Mrs. Wallace did not receive any disability benefits for the month of March, 1997.
- 21. On or about October 24, 1997, the Retirement System mailed to Mrs. Wallace a letter which stated: "Since you, in fact, never terminated participating membership in the Retirement System, you were not eligible to begin receiving monthly retirement benefits and payment of these benefits were suspended effective with your October retirement check. In addition, it will be necessary for the Retirement System to be reimbursed the net amount of the benefits you have received since April 1, 1997, in the amount of \$7,236.48 as soon as possible. Should you terminate your employment in the future or be employed in a position not subject to retirement, you may, if you desire to do so, reapply for monthly disability benefits at that time." [Exhibit P-18]
- 22. Prior to receipt of the letter from the Retirement System "suspending" her payments, Mrs. Wallace reasonably expected that a direct deposit in the amount of \$1,293.88 would be made into her personal bank account by the Retirement System, effective Friday, October 24, 1997. Mrs. Wallace was unaware that said deposit had not been made until after her receipt of the letter from the Retirement System on Monday, October 27, 1997. [Exhibit P- 18]
- 23. In its October 24, 1997, letter, the Retirement System advised Mrs. Wallace her disability retirement benefits were being *"suspended"* because she *"did* continue to work on a schedule that will result in <u>at least 1,000 hours per</u>

<u>year</u>." [Exhibit P-18, emphasis added] Until she received this letter, Mrs. Wallace had never heard of or been advised about any "hour per year" rule. Both the informational pamphlet for retirees, <u>Things Retirees Need to Know</u>, and the benefits booklet for employees, <u>Your Retirement Benefits</u>, prepared by the State Treasurer, had instructed Mrs. Wallace to contact the Retirement System for information about the rules which applied to her. [Exhibit P- 14, page 8. Exhibit P- 15, page 24] When Mrs. Wallace requested information about these rules, the Retirement System sent her a "Statement of Earnable Allowance" dated July 16, 1997. [Exhibit P-16]. This statement indicated that Mrs. Wallace would forfeit her disability benefits if she were to "*return to full-time permanent employment*." [Exhibit P- 16, emphasis added] No other information was provided or made reasonably available to Mrs. Wallace concerning any rules about part-time employment.

- 24. The Retirement System reasonably expected and intended that Mrs. Wallace would rely on the notices and other information provided to her by the Retirement System. These documents assured Mrs. Wallace that she would continue to receive disability benefits for so long as she remained disabled [Exhibit P- 11]; that she would be notified in advance of any changes in her disability payments [Exhibits P- 11 & P-12]; and that her benefits would not be affected unless she returned to full-time work [Exhibit P- 16]. The language in both the pamphlet for retirees and the booklet for employees specifically instructs disabled retirees to contact the Retirement System for such information. [Exhibit P- 14, page 8; Exhibit P- 15, page 24]
- 25. Mrs. Wallace's financial, medical, and emotional conditions have been adversely affected by the actions of the Retirement System. At the time the Retirement System stopped Mrs. Wallace's disability payments, she and her husband were in the middle of building a home in Henderson County, which is closer to Mrs. Wallace's work at Trend. While building this home, Mrs. Wallace reasonably expected that her disability payments would continue for so long as she remained disabled, as she had been advised by the Retirement System. The abrupt cessation of her disability payments without notice resulted in financial hardship for Mrs. Wallace and a worsening of her medical condition.
- 26. At no time did Mrs. Wallace attempt or intend to conceal her true work status from the Retirement System. Mrs. Wallace had every reason to believe that the Retirement System knew that she was working part-time at Trend when she began receiving her disability allowance.
- 27. The Retirement System knew or should have known about Mrs. Wallace's part-time work situation at Trend when it approved her disability application in April of 1997 and when it prepared her Statement of Earnable Allowance in July of 1997.
- 28. Mrs. Wallace is understandably reluctant to reduce her hours at Trend to less than 25 hours per week because such a reduction would make her ineligible for Trend's group health insurance plan. [Exhibit P- 19] Mrs. Wallace's husband is self-employed and does not have access to a group insurance plan. Mrs. Wallace has considerable prescription drug expenses every month and would likely be unable to find a private insurer willing to cover her pre-existing mental illness. Due to the nature of Mrs. Wallace's disability, it would be very difficult, if not impossible, for her to find other, suitable part-time employment which would provide her with group health insurance benefits as well as accommodate her disability. The structure of working part-time at Trend since February 10, 1997, has been helpful in managing Mrs. Wallace's illness. She enjoys her work and has been at Trend for almost 10 years.

Based on the foregoing Findings of Fact, the undersigned Administrative Law Judge makes the following:

CONCLUSIONS OF LAW

1. In April, 1997, Mrs. Wallace was approved for a disability allowance pursuant to N.C. Gen. Stat. § 128-27(c), which reads, in pertinent part, as follows:

Disability Retirement Benefits. - Upon the application of a member or of his employer, any member who has had five or more years of creditable service may be retired by the Board of Trustees, on the first day of any calendar month, not less than one day nor more than 90 days next following the date of filing such application, on a disability retirement allowance: Provided, that the medical board, after a medical examination of such member, shall certify that such member is mentally or physically incapacitated for the further

NORTH CAROLINA REGISTER

performance of duty, that such incapacity was incurred at the time of active employment and has been continuous thereafter, that such incapacity is likely to be permanent, and that such member should be retired; <u>Provided further the</u> <u>medical board determine if the member is able to engage in gainful</u> <u>employment and if so, the member may still be retired and the disability</u> <u>allowance as a result hereof shall be reduced as in subsection (e) below.</u> (Emphasis added)

2. In the present case, it is clear that at the time Mrs. Wallace was approved for disability, she was able to engage in gainful employment, albeit in a limited capacity and at reduced hours from her usual occupation. The statute specifically provides that the ability to engage in gainful employment does not preclude the receipt of disability benefits. Regarding the possible reduction of Mrs. Wallace's disability benefits as a result of such employment, N.C. Gen. Stat. § 128-27(e)(1) provides:

The Board of Trustees shall determine whether a disability beneficiary is engaged in or is able to engage in a gainful occupation paying more than the difference, as hereinafter indexed, between his disability retirement allowance and the gross compensation earned as an employee during the 12 consecutive months in the final 48 months of service prior to retirement producing the highest gross compensation excluding ally compensation received on account of termination. If the disability beneficiary is earning or is able to earn more than the difference, the portion of his disability retirement allowance not provided by his contributions shall be **reduced** to an amount which, together with the portion of the disability allowance provided by his contributions and the amount earnable by him shall equal the amount of his gross compensation prior to retirement... Should the earning capacity of the disability beneficiary later change, the portion of his disability retirement allowance not provided by his contributions may be further modified. (Emphasis added.)

- 3. In the instant case, the Retirement System failed to properly determine whether Mrs. Wallace was earning or was able to earn more than the difference between her disability allowance and her average final compensation. Even if such a determination *had* been made and Mrs. Wallace *was* found to be earning or to have the capacity to earn more than the applicable difference, then the Retirement System could only *reduce* Mrs. Wallace's disability allowance, not revoke it. In Mrs. Wallace's case, the Retirement System improperly only considered the number of hours per year Mrs. Wallace was scheduled to work rather than the amount of her earnings, as required by law.
- 4. The only statutory provisions which might possibly result in the cessation of Mrs. Wallace's disability payments are N.C. Gen. Stat. §§ 128-27(e)(2) and (e)(3a). Both of these subsections, however, refer to a disability beneficiary who is "restored" to service, or to active service, as an employee. Neither of these provisions would apply to Mrs. Wallace's situation because she was not "restored" to either her prior state of health or her prior position. Although the term "restored" has not been defined by the North Carolina Legislature in this context, the common, dictionary definition of the verb "to restore" is "to give or bring back; to put (a person) back in a former position, place, rank, or condition; to return to a former place; to bring back to health, strength, etc" Webster's Twentieth Century Unabridged Dictionary, Second Edition (1975). In the present case, Mrs. Wallace's medical condition and her employment situation were exactly the same when she was approved for disability benefits as when her benefits were stopped. She had neither been "restored" to health nor "restored" to her former position. Consequently, subsections (e)(2) and (e)(3a) do not apply to Mrs. Wallace's situation.
- 5. This commonplace meaning of the word "restored" is consistent with language used by the Retirement System in July of 1997. In the Statement of Earnable Allowance mailed to Mrs. Wallace upon her request, the Retirement System advises Mrs. Wallace that "If you <u>return to full-time permanent employment</u> covered under the system from which you retired, at any salary, you will forfeit your disability benefit and you will become a contributing member of the Retirement System again." (Emphasis added) The use of the phrase "return to full-time permanent employment" by the Retirement System indicates that Mrs. Wallace must be "restored" to her former, full-time, permanent position before her benefits are placed in jeopardy.
- 6. Further evidence of the meaning and intent of the term "restored", as used by the Legislature in this context, may be found in the statutes on early or service retirement. In N.C. Gen. Stat. §§ 128-24(5)c and d, a clear distinction is made between a retiree who is "reemployed, or otherwise engaged to perform services, by an employer participating in the Retirement System on a part-time, temporary, interim, or fee-for-service basis, whether contractual or otherwise" in subsection (5)c, and a beneficiary who is "restored to service as an employee" in

subsection (5)d. In the case of an early or service retiree who is employed "*part-time*" (as Mrs. Wallace was in the present case), the retirement allowance is "*suspended*" once earnings exceed a certain amount per year, and then subsequently reinstated as of January 1st the following year. N C. Gen. Stat. §128-24(5)c. By contrast, in the case of an early or service retiree who is "*restored*" to service, the retirement allowance "*shall cease*." N.C. Gen. Stat. § 128-24(5)d. These two subsections are further indication that the North Carolina Legislature intended that the commonplace definition of "*restore*" be applied with regard to disability benefits.

- 7. It is interesting to note that the Retirement System claimed to have only "suspended" Mrs. Wallace's disability allowance in its letter to her, but then gave her no indication as to how or when that "suspension" could be lifted. In fact, Mrs. Wallace's benefits were not "suspended" at all, they were summarily revoked. According to the letter from the Retirement System, the only way Mrs. Wallace could have her benefits reinstated, was to reapply for disability benefits and begin the entire process anew.
- 8. The Retirement System had no legal basis upon which to revoke Mrs. Wallace's disability benefits based solely upon the fact that she was able to remain gainfully employed in a part-time capacity, despite her disability.
- 9. Mrs. Wallace's application for disability benefits was approved by the Medical Board, effective March 1, 1997. In October, 1997, the Retirement System terminated Mrs. Wallace's disability benefits and advised her that she would have to reapply if she desired to receive future disability benefits. There has been no finding or allegation that Mrs. Wallace's medical condition was improved in any way between the time she was approved for benefits and the time benefits were stopped. Absent a finding that Mrs. Wallace is not disabled, the Retirement System has no cause or authority to demand that she reapply for disability benefits.
- The Retirement System should be estopped from denying Mrs. Wallace her disability benefits. The controlling case of equitable estoppel as applied to the Retirement System in cases of disability retirement is *Fike v. Bd. of Trustees*, 53 N.C.App. 78, 279 S.E.2d 910, cert. denied, 304 N.C. 194, S.E.2d (1981). In the *Fike* case, the Court reversed the Board's decision and ordered the Board to pay benefits to Dr. Fike on the basis of equitable estoppel.
- 11. The essential elements of equitable estoppel were defined by the Supreme Court in *Hawkins v. Finance Corp.*, 238 N.C. 174, 77 S.E.2d 669 (1953):

[T]he essential elements of an equitable estoppel as related to the party estopped are:

(1) Conduct which amounts to a false representation or concealment of material facts, or, at least, which is reasonably calculated to convey the impression that the facts are otherwise than, and inconsistent with, those which the party afterwards attempts to assert;

(2) intention or expectation that such conduct which at least is calculated to induce a reasonably prudent person to believe such conduct was intended or expected to be relied and acted upon; [and]

(3) knowledge, actual or constructive, of the real facts.

As related to the party claiming the estoppel, they are:

(1) lack of knowledge and the means of knowledge of the truth as to the facts in question;

(2) reliance upon the conduct of the party sought to be estopped; and

(3) action based thereon of such a character as to change his position prejudicially. 238 N.C. at 177-178, 77 S.E.2d at 672.

Fike, 53 N.C.App. at 79, 279 SE.2d at ____ quoting Meachem v. Montgomery County Board of Education , 47 N.C.App. 271, 277-78, 267 S.E.2d 349, 353 (1980).

12. The Court of Appeals, in applying these principles to the *Fike* case, concluded that the Superior Court did not err in reversing the Board's decision to deny disability retirement benefits to Dr. Fike. Despite the fact that the Retirement System did not have direct control over the employer who dealt with Dr. Fike, the Court nonetheless

concluded that "Dr. Fike followed the procedures established by the Board, requested a disability retirement form, filled out the forms provided as directed and relied upon [the employer's] assertions that he had done all that was necessary." The Court held that "the evidence of representations to the contrary is sufficient to estop the Retirement System from denying the agency as to Dr. Fike, who dealt with [the employer] in reliance on its representations to his detriment." 53 N.C. App. at 81, 279 SE.2d at____.

- 13. -The undisputed facts in the present case fit squarely into the essential elements of equitable estoppel as enumerated and as applied in Fike. Mrs. Wallace followed the procedures established by the Board and filled out the forms as directed. The Retirement System advised Mrs. Wallace that her application would be reviewed to determine whether it met all requirements for disability and that she would be notified if additional information was needed. The Retirement System approved Mrs. Wallace's application for retirement and advised her in writing that benefits would be paid to her as long as she remained disabled and that she would be given notice and ample time when her case was to be reviewed. The Retirement System provided Mrs. Wallace with two separate publications, both of which instructed her to contact the Retirement System for information which applied to her employment while disabled. When Mrs. Wallace contacted the Retirement System for such information, she was advised only that if she returned to work on a full-time, permanent basis, would she forfeit her benefits. Three months later, without notice and despite the fact that Mrs. Wallace was not working full-time and despite the fact that she was still disabled, the Retirement System changed the rules on Mrs. Wallace, summarily stopped her disability benefits, demanded refund of benefits paid, and told her she would have to reapply for disability benefits at a later date. Clearly, the conduct on the part of the Retirement System in Mrs. Wallace's case is even more compelling than that in the Fike case. Here, there is no question of agency with regard to the employer. The Retirement System itself communicated all of this information directly to Mrs. Wallace. Here, there is not just one instance of misrepresentation, but rather a pattern of conduct over many months, all of which was calculated to assure Mrs. Wallace that her disability benefits were secure.
- 14. The undisputed facts with regard to Mrs. Wallace's conduct are equally compelling. Mrs. Wallace advised her employer that she was filing for disability benefits immediately after she reduced her work hours and responsibilities as a result of her disability. Mrs. Wallace's employer specifically advised the Retirement System by letter that Mrs. Wallace was filing for disability based upon her reduced workload. When Mrs. Wallace's first application was returned, Mrs. Wallace called for clarification and was told that her date of retirement was her last day of full-time work. Mrs. Wallace's second application clearly indicates the fact that she was still employed in a reduced capacity, as well as her last day of full-time work. When Mrs. Wallace's application was approved, she contacted the Retirement System about the rules which applied to her, as she was instructed to do. In response, Mrs. Wallace received a document indicating only that she would forfeit her benefits if she returned to full-time, permanent employment. Mrs. Wallace relied upon all the representations of the Retirement System regarding her disability benefits. She made plans to relocate her residence closer to her work and began construction of a new home in that vicinity. Mrs. Wallace had no reason to believe that the Retirement System was not providing her with complete and accurate information or that the Retirement System would change the rules on her at some later date.
- 15. It is readily apparent that the uncontroverted facts in Mrs. Wallace's case fall precisely within the parameters of equitable estoppel as set forth by the Supreme Court in *Hawkins* and as applied by the Court of Appeals in *Fike*. The Retirement System should be estopped from denying Mrs. Wallace her disability benefits, effective March 1, 1997.
- 16. The policy and intent of N.C. General Statutes Chapter 128, Article 3, serves to include, not exclude, Mrs. Wallace among those persons eligible to receive disability benefits. The North Carolina Supreme Court has recently reviewed the statutory provisions in the Teacher's and State Employee's Retirement System and concluded that the "intent of the statute is not to exclude, but include state employees under an umbrella of protections designed to provide maximum security in their work environment and to afford a 'measure of freedom from apprehension of old age and disability.'" Weibenson v. Board of Trustees. Teacher's and State Employees' Retirement System, ______N.C.___, ____S.E.2d _____ (1997), quoting *Bridges v. Charlotte*, 221 N.C. 472, 477, 20 S.E.2d 825, 829 (1942). Although there may be some differences in the specific rules and regulations between the Teacher's and State Employees Retirement System and the Local Governmental Employees' Retirement System, the legislative purpose and intent of the retirement, disability and death benefit schemes of the two systems remain the same. In the present case, the Retirement System contends that simply because Mrs. Wallace is working more than 1,000 hours per year (which amounts to just 19.23 hours per week), she is not entitled to disability benefits, regardless of her medical condition or the type of work she is doing. However, the statutes pertaining to disability retirement specifically states that a *"member may still be retired"* even if able to engage in gainful employment. N.C. Gen. Stat. § 128-

27(c). There is no statutory limitation on how many hours a disabled retiree may work, although there is a restriction on how much a member may earn without realizing a reduction in disability benefits. N.C. Gen. Stat. § 128-27(e)(1). The only place where this "hours per year" provision appears is in the North Carolina Administrative Code. It reads as follows: "An officer or employee in a regular position, the duties of which require not less than 1,000 hours of service per year shall be an employee as defined in G. S. 128-21 (10)." 20 NCAC 2C.0802. This single, administrative code provision cannot be used to thwart the intent and purpose of the entire retirement disability scheme as set forth in the North Carolina General Statutes.

17. It is clearly the intent of these statutes, taken as a whole with regard to retirement and disability, that a member who becomes disabled and unable to perform his or her usual duties, may be retired on a disability, continue to work at a job which accommodates that disability, and still receive disability payments to make up for lost wages resulting from the disability. N.C. Gen. Stat. § 127-28(c) and (e). This is precisely what Mrs. Wallace had done until the Retirement System unjustly excluded her from the protection of the disability statutes.

RECOMMENDED DECISION

The Board of Trustees, Local Government Retirement System will make the Final Decision in this contested case. It is recommended that the Board adopt the Findings of Fact and Conclusions of Law set forth above and (1) reinstate Mrs. Wallace's disability payments effective March 1, 1997, pursuant to N.C. Gen. Stat. § 128-27(c), (2) schedule Mrs. Wallace's disability case for periodic medical review, pursuant to N.C. Gen. Stat. § 128-27(e); and (3) any adjustment of Mrs. Wallace's disability allowance which may be required be prospective only, pursuant to N.C. Gen. Stat. § 128-27(e)(1) and 20 NCAC 2C.0503.

<u>ORDER</u>

It is hereby ordered that the agency serve a copy of the Final Decision on the Office of Administrative Hearings, P.O. Drawer 27447, Raleigh, N.C. 27611-7447, in accordance with North Carolina General Statutes section 150B-36(b).

NOTICE

Before the Board of Trustees, Local Government Retirement System makes the FINAL DECISION, it is required by North Carolina General Statutes section 150B-36(a) to give each party an opportunity to file exceptions to this RECOMMENDED DECISION, and to present written arguments to those in the agency who will make the final decision.

The agency is required by North Carolina General Statutes section 150B-36(b) to serve a copy of the FINAL DECISION on all parties and to furnish a copy to the Parties' attorney of record.

This the 14th day of May, 1998.

Brenda B. Becton Administrative Law Judge

STATE OF NORTH CAROLINA	IN THE OFFICE OF
COUNTY OF BLADEN	ADMINISTRATIVE HEARINGS 97 OSP 0692 97 OSP 1070
SHARON M. TATUM) Petitioner,) v.)	RECOMMENDED DECISION
SOUTHEASTERN REGIONAL MENTAL HEALTH) CENTER) Respondent.)	

INTRODUCTION

This contested case came on for hearing before the undersigned administrative law judge on February 10, 1998, in Elizabethtown. Philip E. Williams represented the petitioner. Norris M. Grantham represented the respondent. The respondent presented five witnesses, including the petitioner. The respondent introduced Exhibits # 1 - 4. Exhibit A, the August 6, 1997, letter of the grievance committee upholding the petitioner's dismissal, was also introduced. A proposed recommended decision was submitted by the petitioner on April 15, 1998.

The Petition in 97 OSP 0692 presented the issue of whether a written warning placed in the petitioner's personnel file contained inaccurate or misleading material. N.C. Gen. Stat. § 126-25 provides that an employee, after complying with the grievance procedure of the agency, may appeal to the State Personnel Commission. The second Petition, 97 OSP 1070, presented the issue of whether the petitioner was dismissed from employment for just cause. N.C. Gen. Stat. § 126-35 provides that a career State employee appeal, such as petitioner, may appeal a dismissal from employment. The Office of Administrative Hearings conducts an administrative hearing on behalf of the Commission and submits a recommended decision to the Commission.

At the commencement of the hearing, the undersigned reviewed the Motion for Summary Judgment and the Response and heard oral arguments. The undersigned concluded that since the hearing in the Office of Administrative Hearings is <u>de novo</u>, any procedural deficiencies before the grievance committee were moot because the petitioner would now be granted a fair hearing. Nevertheless, any deficiencies may be considered, along with all the other facts presented at this hearing, in determining whether there was just cause to dismiss the petitioner.

The undersigned considered all the evidence presented and concluded that there was no evidence to support the allegations in the dismissal letter. The vagueness of the written warning rendered it inaccurate and misleading.

ISSUES

Was the petitioner properly discharged for good cause?

Does the petitioner's personnel file contain inaccurate or misleading information?

FINDINGS

Karen Campbell, the petitioner's supervisor, issued a written warning to the petitioner on April 1, 1997. W. Dean Butler, the respondent's associate director, upheld the written warning. Although conceding that the petitioner's job performance was average or above average, he wrote:

There is a documented history of discord in the work place that is evidenced by gossip. Gossip is very difficult to prove and to find the origin. However, when a person engages in repeating gossip the malicious effect is ultimately their responsibility. Based on the information provided by you and the staff you have indeed engaged in malicious gossip about fellow employees. Immediately (the petitioner) will refrain from engaging in conversation with staff members that is not related directly to the duties of workshop jobs; this relates specifically to Mr. Ike Hester.

Less than two months later on May 22, 1997, the petitioner was notified that she was "placed on investigatory placement

with pay." The petitioner was informed that dismissal was being considered because of unacceptable personal conduct. The petitioner was denied an attorney at the predismissal conference and therefore did not attend. The petitioner and her attorney did speak at the post-termination hearing of the grievance committee but were prohibited from remaining at the hearing to hear the testimony of others and to cross-examine them.

The August 6, 1997, letter of the grievance committee contained the following alleged reasons for dismissal. First, the petitioner violated the gossip ban. Mr. Ike Hester recalled the petitioner telling him about a rumor about him and a coworker but he could not remember whether the conversation occurred before or after the April 22, 1997, letter. There was no evidence that the petitioner had any disruptive non-work related discussions with anyone after April 22, 1997. Second, the petitioner intimidated Cheryl Lowery. The petitioner told her that "we would be going to court" and "to stand up and tell the truth, you do not need to lie." The petitioner added that not telling what Ms. Lowery saw would be committing perjury. Ms. Lowery did not feel physically threatened or intimidated but was concerned about her job and financial obligations. There was no evidence that the petitioner intimidated Ms. Lowery.

The third allegation was that the petitioner had improper contacts with clients, but no such evidence was introduced by the respondent. Lastly, the grievance committed concluded that:

There existed additional bases for disciplinary action against Ms. Tatum but these were not specified in the grievance and were not necessary to a determination of the issues which it presented.

The grievance committee was prepared to consider reasons other than those presented to the petitioner beforehand if it deemed that was necessary in order to uphold the petitioner's dismissal. Of course, since the petitioner and her attorney were barred from hearing any evidence presented against the petitioner, there could have been no objection by the petitioner to such evidence.

CONCLUSIONS

The petitioner was not dismissed for just cause. In most contested case hearings, the outcome is determined by resolving factual disputes in favor of one party or the other. But, in this case, there was no evidence at all to substantiate the allegations contained in the dismissal letter. The response may be that a grievance committee would not uphold a dismissal without some evidence. This may be true in most cases, but this committee would not even permit the petitioner and her counsel to be present when witnesses adverse to the petitioner testified. This is a committee that had no understanding and no guidance concerning the rudimentary requirements of due process.

The April 22, 1997, written warning contained inaccurate and misleading material in that it purported to ban office gossip - a ban so vague that a simple "Good morning." by the petitioner would be grounds for dismissal.

DECISION

It is recommended that the petitioner be reinstated with back pay and be reimbursed for reasonable attorney fees.

<u>NOTICE</u>

An advisory decision in this contested case will be made by the State Personnel Commission to the local appointing authority. The parties have the right to file exceptions to this recommended decision and to present written arguments to the State Personnel Commission. The Commission will consider the Affidavit in Support of Attorney's Fees if it finds that the petitioner was dismissed without just cause. The Commission will serve a copy of its decision on all parties, the attorneys of record and the Office of Administrative Hearings.

Upon receipt of the advisory decision, the local appointing authority has ninety days to issue a written final decision either accepting, rejecting or modifying the Commission's decision.

This the 11th day of May, 1998.

Robert Roosevelt Reilly, Jr. Administrative Law Judge T he North Carolina Administrative Code (NCAC) has four major subdivisions of rules. Two of these, titles and chapters, are mandatory. The major subdivision of the NCAC is the title. Each major department in the North Carolina executive branch of government has been assigned a title number. Titles are further broken down into chapters which shall be numerical in order. The other two, subchapters and sections are optional subdivisions to be used by agencies when appropriate.
