A Notice of Rule-making Proceedings is a statement of subject matter of the agency's proposed rule making. The agency must publish a notice of the subject matter for public comment at least 60 days prior to publishing the proposed text of a rule. Publication of a temporary rule serves as a Notice of Rule-making Proceedings and can be found in the Register under the section heading of Temporary Rules. A Rule-making Agenda published by an agency serves as Rule-making Proceedings and can be found in the Register under the section heading of Rule-making Agendas. Statutory reference: G.S. 150B-21.2.

**TITLE 15A - DEPARTMENT OF ENVIRONMENT
AND NATURAL RESOURCES**

CHAPTER 7 - COASTAL MANAGEMENT

**SUBCHAPTER 7H - STATE GUIDELINES FOR
AREAS OF ENVIRONMENTAL CONCERN**

Notice of Rule-making Proceedings is hereby given by the North Carolina Coastal Resources Commission in accordance with G.S. 150B-21.2. The agency shall subsequently publish in the Register the text of the rules it proposes to adopt as a result of this notice of rule-making proceedings and any comments received on this notice.

Citation to Existing Rules Affected by this Rule-Making: 15A NCAC 7H .0200. Other rules may be proposed in the course of the rule-making process.

Authority for the rule-making: G.S. 113A-100

Statement of the Subject Matter: In 1998, the NC General Assembly adopted HB 1059, establishing a permit process for development along urban waterfronts within the estuarine shoreline area of environmental concern. This legislation will expire in July 2000. The Coastal Resources Commission would like to adopt rules with specific development standards for cultural and historic urban waterfront areas. The rules would not become effective until the expiration of G.S. 113A-120.2.

Reason for Proposed Action: In July 1997, the Coastal Resources Commission adopted a temporary rule to establish guidelines for development along urban waterfronts. The General Assembly adopted HB 1059, which nullified the CRC's actions. Since HB 1059 (G.S. 113A-120.2) is set to expire in July 2000, the CRC would like to adopt rules for development along cultural and historic urban waterfronts.

Comment Procedures: Any comments should be forwarded to Mike Lopazanski, Division of Coastal Management, PO Box 27687, Raleigh, NC 27611-7687.

CHAPTER 7 - COASTAL MANAGEMENT

**SUBCHAPTER 7M - GENERAL POLICY
GUIDELINES
FOR THE COASTAL AREA**

Notice of Rule-making Proceedings is hereby given by the North Carolina Coastal Resources Commission in accordance with G.S. 150B-21.2. The agency shall subsequently publish in the Register the text of the rule it proposes to adopt as a result of this notice of rule-making proceedings and any comments received on this notice.

Citation to Existing Rules Affected by this Rule-Making: 15A NCAC 7M .0307. Other rules may be proposed in the course of the rule-making process.

Authority for the rule-making: G.S. 113A-134.1 et. seq.

Statement of the Subject Matter: The CRC will develop amendments to the Public Beach and Coastal Waterfront Access Program's funding eligibility criteria to address awarding of funds for the replacement of aging facilities at previously funded shorefront access sites.

Reason for Proposed Action: There have been concerns raised by local governments regarding the ability to apply for grant funds to repair or replace aging access facilities. The rules currently provide no guidance or criteria regarding the replacement of aging, previously funded facilities.

Comment Procedures: Any comments should be forwarded to Mike Lopazanski, Division of Coastal Management, PO Box 27687, Raleigh, NC 27611-7687.

CHAPTER 19 - HEALTH: EPIDEMIOLOGY

Notice of Rule-making Proceedings is hereby given by the Commission for Health Services in accordance with G.S. 150B-21.2. The agency shall subsequently publish in the Register the text of the rules it proposes to adopt as a result of this notice of rule-making proceedings and any comments received on this notice.

Citation to Existing Rules Affected by this Rule-Making: 15A NCAC 19A .0401, .0404, .0406, .0502. Other rules may be proposed in the course of the rule-making process.

Authority for the rule-making: G.S. 130A-152; 130A-153

Statement of the Subject Matter: Reorganize and simplify the rules concerning vaccines and diseases; refer to the ACIP/MMR as the source document for contraindications to immunizations; change references from day to child care; strengthen references to the private provider

contract/agreement.

MEDICOLEGAL EXAMINATION

SECTION .0200 - FEES

Reason for Proposed Action:

15A NCAC 19A .0401 - This Rule will be filed as a temporary rule with an effective date of May 2, 1999. The Commission for Health Services will adopt this rule at their May 19, 1999 meeting.

Paragraphs were moved for the purposes of organization and simplification, include all rules concerning each vaccine in the same section, and locate all information about a vaccine requirement together.

For polio vaccine, the strikeouts represent the inclusion of both oral (OPV) and injectable (IPV) polio to comply with medical literature recently reviewed by agency staff. The Centers for Disease Control and Prevention (CDC) state that each year, approximately 8 cases of vaccine associated paralytic polio (VAPP) are due to administration of oral polio vaccine. The sequential schedule of two IPV followed by two OPV will reduce the threat of VAPP to North Carolina's citizens.

Changed "by" to "before" to be consistent in several places. The Advisory committee on Immunization Practices (ACIP) is referenced in this rule so that North Carolina recommendations can clearly reflect changes in the recommended schedule without being in violation of North Carolina Administrative Code.

15A NCAC 19A .0404 - The ACIP medical exemption recommendations/language changes periodically as research indicates. Referring physicians to the most current ACIP is the most accurate and helpful method known in determining a true contraindication. Text outlining all contraindications was removed and references to ACIP were added.

15A NCAC 19A .0406 - In (a)(2), "daycare" was changed to "childcare" to be consistent with proper terminology associated with the centers that provide care for children and with G.S. 130A-155. In (b)(6) "number" was added to clarify the intent that dose number may be released due to its importance in determining a child's immunization status and in (7), "local" was added to clarify that this reference is for the local health department.

15A NCAC 19A .0502 - As the vaccine program changes, the providers' agreement may need to change. The ten items listed in .0502 (c) of this section should remain constant, however, other requirements may change. "At a minimum" was added to release the program from making a rule change every time an eligibility requirement is added to the provider's agreement.

Comment Procedures: Comments, statements, data and other information may be submitted in writing within 60 days after the date of publication of this issue in the North Carolina Register. Copies of the proposed rules and information packages may be obtained by contacting the Immunization Program at (919) 715-6764. Written comments may be submitted to Barbara Laymon, Immunization Program, Women's and Children's Health, PO Box 19597, Raleigh, NC.

CHAPTER 23 - DIVISION OF POSTMORTEM

Notice of Rule-making Proceedings is hereby given by the Commission for Health Services in accordance with G.S. 150B-21.2. The agency shall subsequently publish in the Register the text of the rules it proposes to adopt as a result of this notice of rule-making proceedings and any comments received on this notice.

Citation to Existing Rules Affected by this Rule-Making:

15A NCAC 23 .0201 - .0202, .0204. Other rules may be proposed in the course of the rule-making process.

Authority for the rule-making: G.S. 130A-381; 130A-389

Statement of the Subject Matter: Medical Examiner Fee increases from \$50.00 to \$75.00. Pathology Fee increases from \$400.00 to \$1,000.00 (due to recent legislative change), relaxes penalty for late fee, and adds "or fatal injury" as a criteria for payment responsibility. Hospital Fee increase from \$20.00 to \$40.00.

Reason for Proposed Action:

15A NCAC 23 .0201 - The purpose for this proposed action is to conform to G.S. 130A-387, which establishes the fee amount for a medical examiner investigation. This action references G.S. 130A-387 in lieu of stating the exact amount of the fee. In addition, the rule is amended to insert the phrase "or fatal injury." This change makes the rule consistent with the 1991 statutory language that states that the State shall pay the fee unless the deceased is a resident of the county in which the death or fatal injury occurred, in which case that county shall pay the fee.

15A NCAC 23 .0202 - The purpose for this proposed action is to amend rule 15A NCAC 23 .0202 to cite G.S. 130A-389, which establishes the fee amount for a medical examiner ordered autopsy, in lieu of stating the exact amount of the fee. Also, at the same time the fee was increased (1997-98 Legislative Session), revision of the fee reduction schedule for late autopsy reports was taken into consideration. This rule amendment changes the time period for a fee reduction for late autopsy reports from 60/120 days to 180 days "after the date of the autopsy." The change to the fee reduction schedule allows a less burdensome time and monetary constraint for pathologists to submit reports. Finally, the rule is amended to insert the phrase "or fatal injury" to make the rule consistent with the 1991 statutory language. The statute states that the State shall pay the autopsy fee unless the deceased is a resident of the county in which the death or fatal injury occurred, in which case the county shall pay the fee.

15A NCAC 23 .0204 - The purpose for this proposed action is to amend rule 15A NCAC 23 .0204 to change the fee the state pays to hospitals for body storage in a medical examiner case from \$20 to \$40 dollars to make the rule consistent with internal practice since 1991.

Comment Procedures: Comments, statements, data and other information may be submitted in writing within 60 days after the date of publication of this issue in the North Carolina Register. Copies of the proposed rules and information packages may be obtained by contacting the Office of the Chief Medical Examiner (OCME) at (919) 966-2253. Written comments may be submitted to John D. Butts, OCME, Campus Box 7580, Chapel Hill, NC 27599-7580.

Authority for the rule-making: G.S. 130A-388; 130A-393

Statement of the Subject Matter: Fee for Medical Examiner certification before cremation or burial at sea increases from \$35.00 to \$50.00.

Reason for Proposed Action: Persons requesting certification from a medical examiner prior to cremation or burial at sea must pay the medical examiner a fee for the required investigation. The fee has increased by agency policy from \$35.00 to \$50.00 (for adequate reimbursement of medical examiner expenses).

Comment Procedures: Comments, statements, data and other information may be submitted in writing within 60 days after the date of publication of this issue in the North Carolina Register. SUBCHAPTER 1B - PROCEDURE

SECTION .0400 - AUDITING PROCEDURES

.0418 SINGLE AUDITS OF LOCAL GOVERNMENTS AND PUBLIC AUTHORITIES

(a) Independent auditors retained to conduct single audits for local governments or public authorities may be notified by the Department of Health and Human Services (hereinafter "the Department") ~~Human Resources Department~~ or the Local Government Commission of problem areas that the audit should address.

(b) The Local Government Commission has the responsibility of reviewing single audits for compliance with OMB Circular ~~A-133~~ A-128 and accepting those single audits for the State ~~state~~ that have been determined to comply with ~~Federal~~ federal and ~~State~~ state requirements. Whenever a single audit is performed on a local government or public authority that received funds from the Department during the fiscal year audited, the Local Government Commission shall provide the Department with a

copy of the audit report(s).

(e) ~~Upon receipt of the audit report from the Local Government Commission, the Department shall send a letter to the local government or public authority requesting the submission of a corrective action plan which addresses each finding and recommendation contained in the auditor's report on compliance and internal control and schedule of questioned cost. The corrective action plan shall include the following information:~~

- (1) ~~Specific concurrence or non-concurrence with each finding, recommendation or questioned cost;~~
- (2) ~~If the local government or public authority agrees with a finding, recommendation or questioned cost, a description of the specific corrective actions taken or planned, including time schedules, to settle the finding or implement the recommendation; and~~
- (3) ~~If the local government or public authority disagrees with a finding, recommendation or questioned cost, the specific reason and legal or regulatory basis for the disagreement.~~

~~The local government or public authority shall submit the corrective action plan to the Controller of the Department within 30 days after receipt of the request.~~

~~(c)(d) Following receipt of the audit report corrective action plan by the Controller of the Department, relevant portions of the report audit report and corrective action plan shall be sent to the Controller's Office employee chief fiscal officer of each division who is assigned division responsibility responsible to the for administration of the programs affected for coordination of a departmental division position on the corrective actions planned or taken.~~

~~(d)(e) The Department or any affected division of the Department may request any additional information deemed necessary for clarification of an audit finding, recommendation, questioned cost or the corrective action plan. The local government or public authority shall provide the information to the requesting official within 30 days after the receipt of the request. If additional information or clarification from the independent auditor is requested, the local government or public authority shall direct its auditor to provide the information requested to the requesting official within the 30 day response time.~~

~~(e)(f) If the Department chief fiscal officer of an affected division has reason to believe that due professional care was not used in conducting a single audit or if a local government or public authority or their independent auditor is unwilling or unable to provide clarification or additional information requested by an official of the Department, a written request for review of the auditor's work papers may be filed with the Office of the State Auditor by the Controller Controller of the Department. The Controller shall make or arrange for any~~

review of the auditor's work papers deemed necessary for timely resolution of single audit findings, recommendations, or questioned cost.

(f)(g) Following receipt of any additional information requested, the Controller's Office chief fiscal officer of an affected division shall prepare a recommendation to accept or reject the corrective action plan for each fiscal compliance finding, recommendation or questioned cost. The Director of an affected division shall prepare a recommendation to accept or reject the corrective action plan for each program-specific compliance finding or recommendation. If the corrective action plan is rejected, the reasons for the rejection and an acceptable corrective action will be specified. These recommendations will be forwarded to the Controller's Office Audit Resolution Coordinator for Governmental Audits Controller of the Department for coordination of a Departmental position on the corrective action plan.

(g)(h) The Secretary of the Department shall provide the local government or public authority with a written determination which accepts or rejects the corrective action plan for each audit finding, recommendation or questioned cost that pertains to or otherwise affects a program of the Department. If the corrective action plan is rejected the reasons for the rejection and an acceptable corrective action will be specified in the determination letter. If the corrective action plan indicates that the proposed corrective action for nonmonetary findings has not been implemented, the determination on all nonmonetary findings shall specify the time by which the local government or public authority shall implement the corrective action if different from the time proposed in the corrective action plan. The determination on all questioned costs or other charges to the Department shall state whether the cost or other charge is allowable or unallowable for reimbursement to the local government or public authority under applicable laws and regulations. If a cost or other charge to the Department is determined to be unallowable for reimbursement, the determination letter shall require full monetary repayment to the Department within 60 days of the date of the determination letter. The amount of any cost or other charge determined to be unallowable shall constitute a debt due the State of North Carolina until repayment in full is received by the Department.

(h)(i) A determination by the Secretary of the Department required under Paragraph (g) (h) of this Rule shall become final unless timely notice of appeal is filed in accordance with G.S. 150B-23.

(i)(j) Upon timely notice of appeal filed in accordance with G.S. 150B-23 monetary repayment or implementation of a corrective action required under Paragraph (g) (h) of this Rule will be suspended only for individual determinations or parts of a determination specifically disputed in the appeal. Interest may be charged under the conditions specified under Paragraph (j) (k) of this Rule on the amount of any cost or other charge determined to be unallowable under Paragraph (g) (h) of this Rule.

(j)(k) Except where otherwise provided by statutes or regulations, Federal agencies are required to charge interest on overdue amounts in accordance with the Federal Claims Collection Standards (4 CFR Ch. II). The date from which

interest is computed is not extended by litigation or the filing of any form of appeal. If a Federal agency charges the Department interest on the Federal share of an overdue amount from a local government or public authority, the Department shall charge the interest to the local government or public authority.

(k)(l) If a local government or public authority fails to make repayment of an amount due to the Department or obtain Department approval of a deferred payment plan by the "due date" specified in Paragraph (g) (h) of this Rule, the Department shall offset the amount of the disallowance or any portion thereof remaining unpaid and any interest due from subsequent reimbursements or other amounts due the local government or public authority until the amount due is fully recovered.

(l)(m) A local government or public authority may propose a plan for repayment of amounts determined to be unallowable on an installment basis. The local government or public authority must certify that it is unable to make repayment by the "due date" specified in Paragraph (g) (h) of this Rule and that commercial financing can not be obtained. Repayment of the Federal federal share of amounts determined to be unallowable will not be allowed on an installment basis unless the Federal grantor agency approves of the installment plan or otherwise allows the Department the same installment repayment terms. Interest may be charged as specified under Paragraph (j) (k) of this Rule while awaiting Federal approval of an installment plan or on installment payments.

(m)(n) If a local government or public authority fails to submit the corrective action plan required under Paragraph (e) of this Rule or additional information requested under Paragraph (d) (e) of this Rule or fails to implement corrective action within the time frame established by the Secretary under Paragraph (g) (h) of this Rule, the Secretary of the Department or the Director of the requesting division may suspend all or any portion of the administrative and indirect cost funding administered by the Department until such time as the required corrective action plan or additional information is submitted as requested. Alternatively, the Secretary of the Department may issue a unilateral determination on the audit findings, recommendations, and questioned cost requiring any corrective action and repayment of questioned cost deemed necessary for compliance with the laws and regulations governing assistance programs affected.

Authority G. S. 143B-10(j); 143B-139.1; 143B-139.3; 159-34.

.0419 AUDITS OF HOSPITALS, NONPROFITS, HIGHER EDUCATION AGENCIES

(a) Public and private hospitals, public and private institutions of higher education and quasi-public and private nonprofit organizations [recipient organization(s)] which receive, use, or expend State or Federal funds must comply with the requirements of G. S. 143-6.1, Office of the State Auditor's Audit Advisory #2 and OMB Circular A-133 as applicable. These regulations detail reporting and other requirements that recipient organizations must meet in order to receive State and/or Federal funds. Depending on the amount of State and/or Federal funds received, used, or expended, the recipient organization(s)

may be required to have either an audit made or a sworn accounting of receipts and expenditures. ~~Public and private hospitals, public and private institutions of higher education and quasi-public and private nonprofit organizations [recipient organization(s)] which receive state or federal funds of twenty-five thousand dollars (\$25,000) or more from the Department of Human Resources (Department) in the form of grants, cost reimbursement contracts or other forms of financial assistance agreements shall have an audit made as a condition of receipt of funds for each fiscal year of the recipient organization in which financial assistance funds are received. The audit shall be performed in accordance with OMB Circular A-110, Attachment F.2.h, until OMB Circular A-133 is issued. After issuance of OMB Circular A-133, audits shall be performed in accordance with the provisions of that Circular.~~

(b) The University of North Carolina and public hospitals operated by the State of North Carolina have annual audits performed by the State Auditor. The scope of such audits and the contents of the audit reports are the responsibility of the State Auditor and shall be accepted and relied upon by the Department unless a cognizant Federal agency finds that such audits do not meet the requirements of OMB Circular A-133, A-110, A-133 after issuance, or A-128.

(c) The above audit requirements are not applicable to procurements. However, the purpose and substance of an agreement rather than form shall govern whether financial assistance was provided. A subrecipient is an entity that receives financial assistance passed down from the prime recipient. The subrecipient's responsibility is to help the recipient meet the requirements of the assistance award. The test for a subrecipient relationship is whether financial assistance is received from a recipient to carry out a program. A vendor is an entity that receives a procurement contract for goods or services. The vendor's responsibility is to meet the requirements of the procurement contract.

(d) The above audit requirements are not intended to replace a request for submission of audit reports in connection with requests for direct appropriation of state aid by the General Assembly through the Secretary of the Department for recommendations to the Governor and the Advisory Budget Commission and the General Assembly in accordance with G. S. 159-34.

(e) The above audit requirements are not intended to replace requirements for submission of a financial audit report or financial information by the Department in connection with applications for funding or licensure, provider certification or cost reporting, and other purposes not related to provision of State and Federal financial assistance.

(f) The Secretary of the Department may grant a waiver of any or all of the audit standards to a recipient organization who does not receive any grants, contracts or other financial assistance financed in whole or in part with Federal funds when an audit of assistance financed with State funds is not otherwise required by law and is not cost effective.

(g) Each recipient organization shall be required to submit one copy of the audit report and corrective action plan required in Paragraph (a) of this Rule to each division of the Department which provided State or Federal financial assistance during the

fiscal year covered by such audit within 30 days from the date the report is issued by the auditor, and no later than the 13th month following the close of the recipient organization's fiscal year in which assistance was received.

(h) Upon receipt of the audit report the Department shall conduct a desk review of the audit report to determine if the reporting standards required in OMB Circular A-133 A-110 or when it is issued have been met. If an audit received from a recipient organization does not meet the standards required in OMB Circular A-133 A-110 or when it is issued, the Secretary of the Department shall issue a letter of determination to the recipient organization rejecting the audit and listing the required standards that were not met. The recipient organization shall be allowed no more than 90 days from the date of receipt of the Secretary's determination letter to submit a revised audit report which meets the standards required in OMB Circular A-133, A-110 or when it is issued. If the recipient organization fails to submit an audit report revised in accordance with the determination letter, the Secretary of the Department may suspend further financial assistance payments to the recipient organization or subject the recipient organization to an audit or compliance review by the Department or the State Auditor.

(i) The Department or any affected division of the Department may request any additional information deemed necessary for clarification of an audit finding, recommendation, questioned cost or the corrective action plan. The recipient organization shall provide the information to the requesting official within 30 days after the receipt of the request. If additional information or clarification from the independent auditor is requested, the recipient organization shall direct their auditor to provide the information requested to the requesting official.

(j) If the Department has reason to believe that due professional care was not used in conducting the audit required under OMB Circular A-133, A-133, A-110 or when it is issued, or if the recipient organization or their auditor is unwilling or unable to provide clarification or additional information requested by an official of the Department, the Controller of the Department may make or arrange for any review of the auditor's work papers deemed necessary for timely resolution of the audit findings, recommendations, or questioned cost.

(k) The Secretary of the Department shall provide the recipient organization with a written determination which accepts or rejects the corrective action plan for each audit finding, recommendation or questioned cost that pertains to or otherwise affects a program of the Department. If the corrective action plan is rejected the reasons for the rejection and an acceptable corrective action will be specified in the determination letter. If the corrective action plan indicates that the proposed corrective action for nonmonetary findings has not been implemented, the determination on all nonmonetary findings shall specify the time by which the local government or public authority shall implement the corrective action if different from the time proposed in the corrective action plan. The determination on all questioned cost or other charges to the Department shall state whether the cost or other charge is allowable or unallowable for reimbursement to the recipient organization under applicable laws, regulations and other

provisions of assistance agreements. If a cost or other charge to the Department is determined to be unallowable for reimbursement, the determination letter shall require full monetary repayment to the Department within 60 days of the date of the determination letter. The amount of any cost or other charge determined to be unallowable shall constitute a debt due the State of North Carolina until repayment in full is received by the Department.

(l) A determination by the Secretary of the Department required under Paragraph (k) or Paragraph (h) of this Rule shall become final unless timely notice of appeal is filed in accordance with G.S. 150B-23.

(m) Upon timely notice of appeal filed in accordance with G.S. 150B-23 ~~150B-23~~, monetary repayment or implementation of a corrective action required under Paragraph (k) of this Rule will be suspended only for individual determinations or parts of a determination specifically disputed in the appeal. Interest may be charged under the conditions specified under Paragraph (n) of this Rule on the amount of any cost or other charge determined to be unallowable under Paragraph (k) of this Rule.

(n) Except where otherwise provided by statutes or regulations, Federal agencies are required to charge interest on overdue amounts in accordance with the Federal Claims Collection Standards (4 CFR Ch. II). The date from which interest is computed is not extended by litigation or the filing of any form of appeal. If a Federal agency charges the Department interest on the Federal share of an overdue amount from a recipient organization, the Department shall charge the interest to the recipient organization.

(o) If a recipient organization fails to make repayment of an amount due to the Department or obtain Department approval of a deferred payment plan by the "due date" specified in Paragraph (k) of this Rule the Department shall offset the amount of the disallowance or any portion thereof remaining unpaid and any interest due from subsequent reimbursements or other amounts due the recipient organization until the amount due is fully recovered.

(p) A recipient organization may propose a plan for repayment of amounts determined to be unallowable on an installment basis. The recipient organization must certify that it is unable to make repayment by the "due date" specified in Paragraph (k) of this Rule and that commercial financing can not be obtained. Repayment of the ~~Federal~~ federal share of amounts determined to be unallowable will not be allowed on an installment basis unless the Federal grantor agency approves of the installment plan or otherwise allows the Department the same installment repayment terms. Interest may be charged as specified under Paragraph (n) of this Rule while awaiting Federal approval of an installment plan or on installment payments.

(q) If a recipient organization fails to submit the corrective action plan required under Paragraph (a) of this Rule or additional information requested under Paragraph (i) of this Rule or fails to implement corrective action within the time frame established by the Secretary under Paragraph (k) of this Rule, the Secretary of the Department or the Director of the requesting Division may suspend payment to the recipient organization of all or any portion of the administrative and indirect cost funding

administered by the Department until such time as the required audit, corrective action plan or additional information is submitted as requested. Alternatively, the Secretary of the Department may issue a unilateral determination on the audit findings, recommendations, and questioned cost requiring any corrective action and repayment of questioned cost deemed necessary for compliance with the laws and regulations governing assistance programs affected.

Authority: G.S. 143B-10(j); 143B-139.1.

.0420 PURCHASE OF SERVICE VS. FINANCIAL ASSISTANCE

(a) Non-profit and for profit agencies that receive State or Federal financial assistance either directly from ~~DHHS~~ DHR as a recipient or indirectly as a ~~subrecipient~~ ~~sub-recipient~~ through contractual agreements with local agencies funded by ~~DHHS~~ DHR are required to have a compliance audit performed in accordance with OMB Circular A-133; however, Circular A-133 does not apply to purchases of goods/services (vendors).

(b) A ~~recipient/subrecipient~~ ~~recipient/sub-recipient~~ is distinguished from a vendor (purchase of service agreement) by the degree of responsibility assumed to meet the requirements of the program.

(c) In a financial assistance arrangement, the ~~recipient/subrecipient~~ ~~recipient/sub-recipient~~ receives the funding to carry out or administer a program. A ~~recipient/subrecipient~~ ~~recipient/sub-recipient~~ may be responsible for determining who is eligible for participation in a program by applying pre-determined eligibility requirements. A vendor who reserves the right to reject a participant based on a criteria other than eligibility, does not become a recipient by exercising that right. A ~~recipient/subrecipient~~ ~~recipient/sub-recipient~~ is responsible for making programmatic ~~decisions~~ decision and its performance is measured against meeting the ~~program's~~ programs objectives. Normally, but not always, there is an interest in how ~~program~~ programs funds are expended. Although ~~recipient/subrecipient~~ ~~recipient/sub-recipient~~ generally have cost reimbursement grants/contracts it is possible for them to have a fee/rate per unit of service arrangement.

(d) A vendor (purchase of services/goods) is measured against the terms of a contract. Goods must meet certain specifications and services are measured against certain quality standards. A vendor normally operates in a competitive environment and once a pre-determined unit price has been established in a contract, usually there is no interest in how the vendor expends funds in meeting the vendor's obligation under the terms of the contract.

(e) In distinguishing between a purchase of service and financial assistance arrangement, the substance of the relationship is more important than the form of the agreement.

(f) Reviewing a recipient/subrecipient's ~~recipient/sub-recipient~~ contractual requirements and answering the following questions shall give an indication of the type arrangement represented by the contract.

- | | | Indication of |
|-----|--|------------------|
| | Financial Assistance | Purchase/Service |
| | <u>Yes</u> | <u>No</u> |
| 1. | Does the contract provider determine client eligibility? | |
| 2. | Does the contract provider authorize services on a client specific basis? | |
| 3. | Does the contract provider determine the appropriateness of the services to be provided? | |
| 4. | Does the contract provider provide administrative functions, such as: | |
| | a. Program evaluation? | |
| | b. Program planning? | |
| | c. Monitoring? | |
| | d. Develop program standards, procedures, and rules? | |
| 5. | Does the contract provider have responsibility for program compliance? | |
| 6. | Does the contract provider have to submit a cost report to satisfy a cost reimbursement arrangement? | |
| 7. | Does the contract provider have any obligation to the funding authority other than the delivery of the specified goods/services? | |
| | <u>No</u> | <u>Yes</u> |
| 8. | Does the contract provider operate in a competitive environment? | |
| 9. | Does the contract provider provide similar goods and/or services to many different purchasers? | |
| 10. | Does the contract provider provide the goods and/or services within normal business operations? | |

The list in this Rule is not intended to be all inclusive; however, the answers to the questions shall offer guidance in distinguishing between a purchase of service or financial assistance arrangement. There may be other factors that would influence the decision on whether a contract is classified as either financial assistance or purchase of service and the decision shall only be made after weighing all factors relative to the contract. All factors will not carry the same weight. As an illustration, if any of the answers to questions 1 through 5 are yes, the contract shall almost always be a financial assistance arrangement. However, regardless of the answers to the questions, they shall not contradict a determination/classification that has been/or may be made by the funding Federal authority.

The funding DHHS Division ~~DHR Division's~~ fiscal officer shall be available to assist, on a timely basis, its local counterparts in making the distinction in unique situations.

Authority G. S. 143B-10(j)(2).

TITLE 25 - OFFICE OF STATE PERSONNEL

Notice is hereby given in accordance with G.S. 150B-21.2 that the State Personnel Commission intends to amend the rules cited as 25 NCAC 1B .0414, .0434; 1C .0214; 1J .0506, .0603. Notice of Rule-making Proceedings was published in the Register on March 15, 1999.

Proposed Effective Date: August 1, 2000

A Public Hearing will be conducted at 10:00 a.m. on July 16, 1999 at the Administration Building, Third Floor Conference Room, 116 West Jones Street, Raleigh, NC.

Reason for Proposed Action: Legislation passed by the General Assembly, S.B. 78, effective August 15, 1998, added new grounds for contested cases to those listed in G.S. 126-34.1. This Act amended the State Personnel Act to establish jurisdiction for the hearing of State Employee Workplace Harassment grievances before the Office of Administrative Hearings and the State Personnel Commission. This Act was ratified in September, 1998 and became effective August 15, 1998. Due to the fact that the effective date preceded the ratification of the bill and there were already cases pending before the State Personnel Commission which were covered by this statute it was imperative for this agency to request the filing of temporary rules effective February 18, 1999.

Comment Procedures: Written comments may be submitted to Ms. Nellie Riley, Office of State Personnel, 116 West Jones Street, Raleigh, NC 27603. Oral comments will be received at the public hearing. Written comments must be received no later than the time of the hearing.

Fiscal Note: These Rules do not affect the expenditures or revenues of state or local government funds and do not have a substantial economic impact of at least five million dollars (\$5,000,000) in a 12-month period.

CHAPTER 2 - ENVIRONMENTAL MANAGEMENT

SUBCHAPTER 2D - AIR POLLUTION CONTROL REQUIREMENTS

SECTION .1800 - CONTROL OF ODORS

.1801 DEFINITIONS

For the purpose of this Section, the following definitions apply:

- (1) "Control technology" means economically feasible control devices installed to effectively reduce

objectionable odors from animal operations.

- (2) "Animal operation" means animal operation as defined at G.S. 143-215.10B.
- (3) "Construction" means any physical change (including fabrication, erection, installation, replacement, demolition, excavation, or other modification) at any contiguous area under common control.
- (4) "Existing animal operation" means an animal operation that is in operation or commences construction on or before February 28, 1999.
- (5) "Modified animal operation" means an animal operation that commences construction after February 28, 1999, to increase the number of animals that can be housed at that animal operation. Activities exempted from the moratorium on construction or expansion of swine farms in S.L. 1997, c. 458, s. 1.1, do not constitute a modified animal operation provided that the owner or operator demonstrates to the Director that the activity will not result in an objectionable odor.
- ~~(5) "Modified animal operation" means an animal operation that commences construction after February 28, 1999, to increase the number of animals that can be housed at that animal operation, to relocate barns used to house animals, to add a new lagoon, or to replace an existing lagoon.~~
- (6) "New animal operation" means an animal operation that commences construction after February 28, 1999.
- (7) "Objectionable odor" means any odor present in the ambient air that by itself, or in combination with other odors, is or may be harmful or injurious to human health or welfare, or may unreasonably interfere with the comfortable use and enjoyment of life or property. Odors are harmful or injurious to human health if they tend to lessen human food and water intake, interfere with sleep, upset appetite, produce irritation of the upper respiratory tract, or cause symptoms of nausea, or if their chemical or physical nature is, or may be, detrimental or dangerous to human health.
- (8) "Technologically feasible" means that an odor control device or a proposed solution to an odor problem has previously been demonstrated to accomplish its intended objective, and is generally accepted within the technical community. It is possible for technologically feasible solutions to have demonstrated their suitability on similar, but not identical, sources for which they are proposed to control.

.1802 CONTROL OF ODORS FROM ANIMAL OPERATIONS

(a) Purpose. The purpose of this Rule is to control objectionable odors from animal operations beyond the boundaries of animal operations.

(b) Applicability. This Rule shall apply to all animal operations.

(c) Required management practices. All animal operations shall be required to implement applicable management practices for the control of odors as follows:

- (1) The discharge point of the flush water discharge pipe shall extend to a point below the surface of the animal wastewater lagoon;
- (2) The carcasses of dead animals shall be properly stored at all times and disposed of within 48 hours;
- (3) Waste from animal wastewater application spray systems shall not be applied when there is danger of drift from the irrigation field beyond the boundary of the animal operation, except waste from application spray systems may be applied in an emergency to maintain safe lagoon freeboard if the owner or operator notifies the Department and resolves the emergency with the Department as written in Section III.6 of the Swine Waste Operation General Permit;
- (4) Animal wastewater application spray system intakes shall be located near the liquid surface of the animal wastewater lagoon;
- (5) Ventilation fans shall be maintained according to the manufacturer's specifications;
- (6) Animal feed storage containers located outside of animal containment buildings shall be covered except when necessary to remove feed; and
- (7) Animal wastewater flush tanks shall be covered with a device that is designed for ready access to prevent overflow or shall have installed a fill pipe that extends below the surface of the tank's wastewater.

All animal operations shall be in compliance with this Paragraph by June 1, 1999.

(d) Location of objectionable odor determinations.

- (1) For an existing animal operation that does not meet the siting requirements in Subparagraph (k)(1) of this Rule, objectionable odors shall be determined at neighboring occupied property that is affected and not owned by the owner of the animal operation, businesses, schools, hospitals, churches, outdoor recreation facilities, national parks, State Parks as defined in G.S. 113-44.9, historic properties acquired by the State pursuant to G.S. 121-9 or listed in the North Carolina Register of Historic Places pursuant to G.S. 121-4.1, or child care centers as defined in G.S. 110-86 that are licensed under Article 7 of Chapter 110 of the General Statutes.
- (2) For a new animal operation or existing animal operation that meets the siting requirements in Subparagraph (k)(1) of this Rule, objectionable odors shall be determined beyond the boundary of the animal operation.

(e) Complaints. The Director shall respond to complaints about objectionable odors from animal operations as follows:

- (1) Complaints shall be investigated to the extent practicable.
- (2) Complaints may be used to assist in determination of a best management plan failure or a control

technology failure.

(3) The Director shall respond to complaints within 60 days.

(4) Complaint response shall at least include a written response of the Director's evaluation of the complaint.

(f) Determination of the existence of an objectionable odor. In deciding if an animal operation is causing or contributing to an objectionable odor, the Director may consider one or more of the following:

- (1) the nature, intensity, frequency, pervasiveness, and duration of the odors from the animal operation;
- (2) the potential of the animal operation to emit known odor causing compounds, such as ammonia, total volatile organics, or hydrogen sulfide, at levels that could cause or contribute to an objectionable odor;
- (3) any epidemiological studies associating health problems with odors from the animal operation or documented health problems associated with odors from the animal operation provided by the State Health Director; or
- (4) any other evidence, including complaints, that shows that the animal operation is causing or contributing to an objectionable odor.

(g) Requirement for a best management plan for controlling odors from existing animal operations. If the Director finds that an existing animal operation is causing or contributing to an objectionable odor, the owner or operator of the animal operation shall:

- (1) submit to the Director as soon as practical, but not to exceed 90 days after receipt of written notification from the Director that the animal operation is causing or contributing to an objectionable odor, a best management plan for odor control as described in Rule .1803 of this Section; and
- (2) be in compliance with the terms of the plan within 30 days after the Director approves the best management plan (compliance with an approved compliance schedule in the best management plan is deemed to be in compliance with the plan).

(h) Requirement for amendment to best management plan. No later than 60 days from completion of a compliance schedule in an approved best management plan, the Director shall determine whether the plan adequately controls objectionable odors from the animal operation. If the Director determines that a plan does not control objectionable odors from the animal operation, the Director shall require the owner or operator of the animal operation to amend the plan to incorporate additional or alternative measures to control objectionable odors from the animal operation. The owner or operator shall:

- (1) submit a revised best management plan to the Director as soon as practical but not later than 60 days of receipt of written notification from the Director that the plan is inadequate; and
- (2) be in compliance with the revised plan within 30 days after the Director approves the revisions to the best management plan (compliance with an approved compliance schedule in the best management plan is

deemed to be in compliance with the plan).

(i) Plan failure. Any of the following conditions shall constitute failure of a best management plan:

- (1) failing to submit the initial best management plan required under Paragraph (g) of this Rule within 90 days of receipt of written notification from the Director that the animal operation is causing or contributing to an objectionable odor;
- (2) failing to submit a revised best management plan required under Paragraph (h) of this Rule within 60 days of receipt of written notification from the Director that the animal operation is causing or contributing to an objectionable odor;
- (3) failing to correct all deficiencies in a submitted best management plan under Rule .1803(b) of this Section within 30 days of receipt of written notification from the Director to correct these deficiencies;
- (4) failing to implement the best management plan after it has been approved; or
- (5) finding by the Director, using the criteria under Paragraph (f) of this Rule, that, after the best management plan has been implemented and revised no more than two times, the best management plan does not adequately control objectionable odors from the animal operation and will not adequately control objectionable odors even with further amendments.

(j) Requirements for control technology. If a plan failure occurs, the Director shall require the owner or operator of the animal operation to install control technology to control odor from the animal operation. The owner or operator shall submit within 90 days from receipt of written notification from the Director of a plan failure, a permit application for control technology and an installation schedule. If the owner or operator demonstrates to the Director that a permit application cannot be submitted within 90 days, the Director may extend the time for submittal up to an additional 90 days. Control technology shall be determined according to Subparagraph (1) of this Paragraph. The installation schedule shall contain the increments of progress described in Subparagraph (2) of this Paragraph. The owner or operator may at any time request adjustments in the installation schedule and shall in his request explain why the schedule cannot be met. If the Director finds that the reason for not meeting the schedule is valid, the Director shall revise the installation schedule as requested; however, the Director shall not extend the final compliance date beyond 24 months from the date that the permit was first issued for the control technology. The owner or operator shall certify to the Director within five days after the deadline for each increment of progress described in Subparagraph (2) of this Paragraph whether the required increment of progress has been met.

- (1) Control technology. The owner or operator of an animal operation shall identify control technologies that are technologically feasible for his animal operation and shall select the control technology or control technologies that the owner or operator identifies as most effective for his operation considering human health, energy, environmental, and economic impacts and other costs. The owner or

operator shall explain the reasons for selecting the control technology or control technologies. If the Director finds that the selected control technology or control technologies will effectively control odors following the procedures in 15A NCAC 2Q .0300 or .0500, he shall approve the installation of the control technology or control technologies for this animal operation. The owner or operator of the animal operation shall comply with all terms and conditions in the permit.

- (2) Installation schedule. The installation schedule for control technology shall contain the following increments of progress:

- (A) a date by which contracts for odor control systems and equipment shall be awarded or orders shall be issued for purchase of component parts;
- (B) a date by which on-site construction or installation of the odor control systems and equipment shall begin;
- (C) a date by which on-site construction or installation of the odor control systems and equipment shall be completed; and
- (D) a date by which final compliance shall be achieved.

Control technology shall be in place and operating as soon as practical but not to exceed 12 months from the date that the permit is issued for control technology.

- (k) New or modified animal operations.

- (1) Before beginning construction, the owner or operator of a new or modified animal operation raising or producing swine shall submit and have an approved best management plan and shall meet of the following: A house or lagoon that is a component of an animal operation shall be constructed:

- (A) at least 1500 feet from any occupied residence not owned by the owner of the animal operation;
- (B) at least 2500 feet from any school, hospital, church, outdoor recreation facility; national park; State Park, as defined in G.S. 113-44.9, historic property acquired by the State pursuant to G.S. 121-9 or listed in the North Carolina Register of Historic Places pursuant to G.S. 121-4.1, or child care center, as defined in G.S. 110-86, that is licensed under Article 7 of Chapter 110 of the General Statutes; and
- (C) at least 500 feet from any property boundary;

- (2) Before beginning construction, the owner or operator of a new or modified animal operation other than swine shall submit and have an approved best management plan.

- (3) For a new or modified animal operation, the outer perimeter of the land area onto which waste is applied from a lagoon that is a component of an animal operation shall be:

- (A) at least 75 feet from any boundary of property

on which an occupied residence not owned by the owner of the animal operation is located, and

(B) at least 200 feet from any occupied residence not owned by the owner of the animal operation.

(4) The Director shall either approve or disapprove the best management plan submitted under this Paragraph within 90 days after receipt of the plan. If the Director disapproves the plan, he shall identify the plan's deficiency.

(a) Purpose.—The purpose of this Rule is to address objectionable odors from animal operations beyond the boundaries of animal operations. It is not to eliminate all odors from animal operations beyond the boundaries of the animal operations.

(b) Applicability.—This Rule shall apply to all animal operations.

(4) any other evidence, including complaints, that shows that the animal operation is causing or contributing to an objectionable odor.

(f) Requirement for a best management plan for controlling odors from existing animal operations.—If the Director finds that an existing animal operation is causing or contributing to an objectionable odor, the owner or operator of the animal operation shall:

(1) submit to the Director as soon as practical, but not to exceed 90 days after receipt of written notification from the Director that the animal operation is causing or contributing to an objectionable odor, a best management plan for odor control as described in Rule 1803 of this Section; and

(g) Requirement for amendment to best management plan.—If the Director determines that a plan does not control objectionable odors from the animal operation, the Director shall require the owner or operator of the animal operation to amend the plan to incorporate additional or alternative measures to control objectionable odors from the animal operation. The owner or operator shall:

(1) submit a revised best management plan to the Director as soon as practical but not later than 60 days of receipt of written notification from the Director that the plan is inadequate; and

(2) be in compliance with the revised plan within 30 days after the Director approves the revisions to the best management plan (compliance with an approved compliance schedule in the best management plan is

deemed to be in compliance with the plan).

(h) ~~Plan failure. Any of the following conditions shall constitute failure of a best management plan:~~

- ~~(1) failing to submit the initial best management plan required under Paragraph (f) of this Rule within 90 days of receipt of written notification from the Director that the animal operation is causing or contributing to an objectionable odor;~~

Where all or virtually all of the stock in one corporate entity is owned (either directly or indirectly) by another corporation (i.e., a relationship commonly known as a "parent--wholly-owned subsidiary") and where final management control rests with the parent, "operator" shall be construed so as to include the total corporate responsibility implied by such a relationship. (b) If the initial proposed operator of a project is not expected to be the operator for the term of the bonds proposed to be issued, the Secretary may make the findings required pursuant to Rules .0303 and .0307 of this Subchapter only with respect to

the initial operator identified in the application for approval of the project. When the current operator discontinues serving as operator, and arrangements have been made by the obligor for a new operator, the new operator shall be subject to the approval of the Secretary pursuant to Rules .0303 and .0307 of this Subchapter.

(c) If an operator subsequently seeks to sell, to lease, or to sublease the project to a non-affiliated person(s) or entity, the operator must give written notice to the Department of Commerce including information prescribed by the secretary. This information shall include details of the proposed transaction, as well as name, address, NAICS code, and financial status of the non-affiliated person(s) or entity.

SECTION .0300 - FINDINGS REQUIRED FOR APPROVAL

.0302 CRITERIA FOR MAKING NECESSARY FINDINGS

The Department shall determine criteria for making the approval findings, as follows:

- (1) The Department shall determine that the project business is capable of completing its proposed project activities in a successful manner. Capable means that there is a business history, a financial condition, or other outstanding business qualifications which

- support the conclusion that the project business is capable of operating in a successful manner;
- (2) The Department shall determine that the project is identifiable and free-standing, with its own measurable and significantly beneficial impact. Identifiable and free-standing means a project which can literally be separated out and specifically identified and determined as the project being discussed, and as such shall have its own measurable and significantly beneficial result at the project location;
 - (3) The Department shall determine that the project shall be completed. The provision of legally binding commitments from the grantee and the beneficiary employer or employers shall be sufficient evidence that the project is to be completed;
 - (4) The Department shall determine that there is a substantial benefit to persons of low and moderate income. Substantial benefit to persons of low and moderate income may be evidenced by employer commitments to assure that 60% of jobs created or saved shall be held by persons of prior low and moderate family income status;
 - (5) The Department shall determine that there is a favorable ratio or relationship between the jobs created and the number of CDBG dollars invested in the project. Favorable shall mean that a project will create or retain jobs at a rate equal to a ratio of CDBG dollars required for the type of project company involved, and the local government has committed to meet the local to CDBG match requirement as required by current program rules and for the project type proposed.
 - (6) The Department shall determine that there is a favorable relationship between the total dollars invested in the project, the amount of CDBG money invested, and the anticipated taxes or other revenues to either or both the municipality and county having taxing authority and jurisdiction.
 - (7) The Department shall determine for jobs to be created (or retained), the NC Enterprise Tier or Development Zone designation level of the project site shall be considered for each application, along with the latest unemployment figures and impact on the actual number of unemployed persons. To the extent feasible, priority consideration shall be given for CDBG assistance for projects in the most distressed areas of the state.
 - (8) The Department shall determine that required compliance with federal and state rules and legal requirements are documented by the grantee. The extent of documentation required shall be that as considered as reasonable by the Director of the Commerce Finance Center.
 - (9) The Department shall determine that if the project involves retail, service or other local market business, the application shall include surveys or other market studies as evidence that similar businesses in the 15-

25 mile labor work force area support the project and that the project shall not jeopardize the jobs in their businesses; and

- (10) The Department shall determine that the application presents evidence for a finding that the local government applicant, or the project business in the case of a loan project, has a reasonable and appropriate gap or need for the CDBG assistance requested.

CHAPTER 26 - MEDICAL ASSISTANCE

SUBCHAPTER 26H - REIMBURSEMENT PLANS

SECTION .0300 - ICF-MR PROSPECTIVE RATE PLAN

.0304 RATE SETTING METHOD FOR NON-STATE FACILITIES

(a) A prospective rate shall be determined annually for each non-state facility to be effective for dates of service for a 12 month rate period beginning each July 1. The prospective rate shall be paid to the provider for every Medicaid eligible day during the applicable rate year. The prospective rate may be determined after the effective date and paid retroactively to that date. The prospective rate may be changed due to a rate appeal under Rule .0308 of this Section or facility reclassification under Paragraph (b) of this Rule. Each non-state facility, except those facilities where Paragraph (v) of this Rule applies, shall be classified into one of the following groups:

- (1) Group 1- Facilities with 32 beds or less.
- (2) Group 2- Facilities with more than 32 beds.
- (3) Group 3- Facilities with medically fragile clients. For rate reimbursement purposes under this Rule medically fragile clients are defined as any individual with complex medical problems who have chronic debilitating diseases or conditions of one or more physiological or organ systems which generally make them dependent upon 24-hour a day medical/nursing/health supervision or intervention.
- (4) Facilities in group 1 or 2 in Subparagraph (a)(1) or (2) of this Rule shall be further classified in accordance to the level of disability of the facility's clients, as measured by the Developmental Disabilities Profile (DDP) copyrighted assessment instrument which along with the scoring instrument are hereby incorporated by reference, including subsequent amendments and editions. This material is available for inspection and copies may be obtained from the Division of Medical Assistance, 1985 Umstead Drive, Raleigh, North Carolina 27603 at a cost of twenty cents (\$.20) per page. A summary of the levels of disability is shown in the following chart:

FACILITY DDP SCORE

Level	Low	High
1	200.00	300.00
2	125.00	199.99
3	100.00	124.99
4	75.00	99.99
5	50.00	74.99

(b) Facilities shall be reclassified into appropriate groups as defined in Paragraph (a) of this Rule.

- (1) When a facility is reclassified, the rate shall be adjusted retroactively back to the date of the event that caused the reclassification. This adjustment shall give full consideration to any reclassification based on the change in facts or circumstances during the year. Overpayments related to this retroactive rate adjustment shall be repaid to the Medicaid program. Underpayments related to this retroactive rate adjustment shall be paid to the provider.
- (2) The provider shall be given the opportunity to appeal the merits of the reclassification of any facility, prior to any decision by the Division of Medical Assistance.
- (3) The provider shall be notified in writing 30 days before the implementation of new rates resulting from the reclassification of any facility.
- (4) The providers and the Division of Medical Assistance shall make every reasonable effort to ensure that each facility is properly classified for rate setting purposes.
- (5) A provider shall file any request for facility reclassification in writing with the Division of Medical Assistance no later than 60 days subsequent to the proposed reclassification effective date.
- (6) For facilities certified prior to July 1, 1993, the facility DDP score calculated for fiscal year 1993 shall be used to establish proper classification at July 1, 1995.
- (7) For facilities certified after June 30, 1993, the most recent facility DDP score shall be used to establish proper classification.
- (8) A facility reclassification review shall use the most current facility DDP score.
- (9) A facility's DDP score shall be subject to independent validation by the Division of Medical Assistance.
- (10) A new facility that has not had a DDP survey conducted on its clients shall be categorized as a level 2 facility for rate setting purposes, pending completion of the DDP survey. Upon completion of the DDP survey, the facility shall be subject to reclassification and rates shall be adjusted retroactively back to the date of certification. Overpayments related to this retroactive adjustment shall be paid to the Medicaid program. Underpayments related to this retroactive rate adjustment shall be paid to the provider.

(c) Facility rates under this Rule shall be established at July 1, 1995, under the following:

- (1) For facilities certified prior to July 1, 1993, rates shall be derived from the 1993 cost reports.
- (2) For facilities certified during fiscal year 1993-1994, the fiscal year 1994 facility specific cost report shall be used to derive rates.
- (3) For facilities certified during fiscal year 1994-1995, the fiscal year 1995 facility specific cost report shall be used to derive rates. Rates for these facilities shall not be adjusted, except for the impact of inflation under Paragraph (k) of this Rule, until the fiscal year 1995 cost report has been reviewed. Rates for these facilities shall be adjusted retroactively back to July 1, 1995, once the fiscal year 1995 facility specific cost report has been properly reviewed. Overpayments related to this retroactive rate adjustment shall be repaid to the Medicaid program. Underpayments related to this retroactive rate adjustment shall be paid to the provider.
- (4) Facilities with rates established during a rate appeal proceeding with the Division of Medical Assistance during fiscal years 1994 or 1995 shall not have their rates established in accordance with Subparagraph (c)(1), (c)(2), or (c)(3) of this Rule. The rates for these facilities shall remain at the level approved in the rate appeal proceeding adjusted only for inflation, as reflected in Paragraph (k) of this Rule.

(d) For facilities certified after June 30, 1993, rates developed from filed cost reports for fiscal years subsequent to 1993 may be retroactively adjusted if there is found to exist more than a two percent difference between the filed per diem cost and either the desk audited or field audited per diem cost for the same reporting period. Rates developed from desk audited cost reports may be retroactively adjusted if there is found to exist more than a two percent difference between the desk audited per diem cost and the field audited per diem cost for the same reporting period. The rate adjustment may be made after written notification to the provider 30 days prior to implementation of the rate adjustment.

(e) Each prospective rate developed in accordance with Subparagraph (c)(1), (c)(2), or (c)(3) of this Rule consists of the sum of two components as follows:

- (1) Indirect care rate.
- (2) Direct care rate.

(f) A uniform industry wide indirect care rate shall be established for each facility category shown under Subparagraph

(a)(1), (a)(2), or (a)(3) of this Rule.

- (1) The indirect rate for group 1 facilities is based on the fiftieth percentile of the following costs incurred by all group 1 facilities with six beds or less, except those related by common ownership or control to more than 40 said facilities: The sum of the cost of property ownership and use, administrative and general, and operation and maintenance of plant, as determined by the Myers and Stauffer study performed on the 1993 base year cost reports.
 - (2) The indirect rate for group 2 facilities is based on the fiftieth percentile of the costs noted in Part (f)(1) of this Rule incurred by the group 2 facilities, as determined by the Myers and Stauffer study performed on the 1993 base year cost reports.
 - (3) The indirect rate for group 3 facilities is based on the fiftieth percentile of the costs noted in Part (f)(1) of this Rule incurred by the group 3 facilities, as determined by the Myers and Stauffer study performed on the 1993 base year cost reports.
 - (4) The indirect rates established under Subparagraphs (f)(1), (f)(2), and (f)(3) of this Rule shall be reduced as determined based on industry cost analysis by an amount not to exceed four percent to account for expected operating efficiencies.
- (g) The direct care rate for facilities certified prior to July 1, 1993, shall be based on the Myers and Stauffer study performed on the 1993 base year cost reports.
- (1) The direct care rate for all facilities certified during fiscal years subsequent to fiscal year 1993 is based on the first facility specific cost report filed after certification. Based on said cost report, the direct care rate is equal to the sum of all allowable costs reflected in the ICF-MR cost report cost centers, as included in the ICF-MR cost report format effective July 1, 1993, except for the following indirect cost centers:
 - (A) Property Ownership and Use,
 - (B) Operation and Maintenance of Plant and Housekeeping-Non-Labor,
 - (C) Administrative and General.
 - (2) The direct care rate shall be limited to the lesser of the actual amount incurred in the base year or the cost limit derived from the fiftieth percentile of direct care costs incurred by the related facility group in the fiscal year 1993 base year, based on the Myers and Stauffer study.
 - (3) The fiftieth percentile cost limit shall be reduced by one percent each year, for the four year period beginning July 1, 1996, in order to account for expected operating efficiencies, as determined based on industry cost analysis.
 - (4) The fiftieth percentile cost limit shall be increased each year by price level changes calculated in accordance with Paragraph (k) of this Rule.
- (h) The indirect rate shall not be subject to cost settlement.
- (1) Costs above the indirect rate shall not be paid to the provider.
 - (2) Costs savings below the indirect rate shall not be

recouped from the provider.

- (i) The direct care rate shall be subject to cost settlement, based on the cost report, subject to audit, filed with the Division of Medical Assistance.
 - (1) Costs above the direct rate shall not be paid to the provider.
 - (2) Cost savings below the direct rate shall be recouped from the provider.
- (j) Facilities with rates established during a rate appeal proceeding with the Division of Medical Assistance during fiscal years 1994 or 1995 may choose to cost settle under the provisions of Paragraphs (h) and (i) of this Rule, or under the following procedure:
 - (1) If, during a cost reporting period, total allowable costs are less than total prospective payments, then a provider may retain one-half of said difference, up to an amount of five dollars (\$5.00) per patient day. The balance of unexpended payments shall be refunded to the Division of Medical Assistance. Costs in excess of a facility's total prospective payment rate are not reimbursable.
 - (2) The facilities subject to the Paragraph shall make the election on cost settlement methodology on or before the filing of the annual cost report with the Division of Medical Assistance.
 - (3) An election to follow the cost settlement procedures of Paragraphs (h) and (i) of this Rule shall be irrevocable.
 - (4) Rates established for these facilities during future rate appeal proceedings shall be subject to the cost settlement procedures of Paragraphs (h) and (i) of this Rule.
- (k) To compute each facility's current prospective rate, the direct and indirect rates established by Paragraphs (f) and (g) of this Rule shall be adjusted for price level changes since the base year. No inflation factor for any provider shall exceed the maximum amount permitted for that provider by federal or state law and regulations.
 - (1) Price level adjustment factors are computed using aggregate costs in the following manners:
 - (A) Costs shall be separated into three groups:
 - (i) Labor.
 - (ii) Non-labor.
 - (iii) Fixed.
 - (B) The relative weight of each cost group is calculated to the second decimal point by dividing the total costs of each group (labor, nonlabor, and fixed) by the total cost of the three categories.
 - (C) Price level adjustment factors for each cost group shall be established as follows:
 - (i) Labor. The percentage change for labor costs is based on the projected average hourly wage of North Carolina service workers. Salaries for all personnel shall be limited to levels of comparable positions in state owned facilities or levels specified by the Division of

Medical Assistance based upon market analysis.

- (ii) Nonlabor. The percentage change for nonlabor costs is based on the projected annual change in the implicit price deflator for the Gross National Product as provided by the North Carolina Office of State Budget and Management.
- (iii) Fixed. No price level adjustment shall be made for this category.

- (D) The weights computed in Part (k)(1)(B) of this Rule shall be multiplied by the rates computed in Part (k)(1)(C) of this Rule. These weighted rates shall be added to obtain the composite inflation rate to be applied to both the direct and indirect rates.

(l) Effective July 1, 1995, any rate reductions resulting from this Rule shall be implemented based on the following deferral methodology:

- (1) Rates shall be reduced for the excess of current rates over base year costs plus inflation.
- (2) Rates shall be reduced a maximum of 50 percent of the fiscal 1996 inflation rate for the excess of actual costs over applicable cost limits. This reduction shall result in the facility receiving at a minimum 50 percent of the 1996 inflation rate. Any excess reduction shall be carried forward to future years.
- (3) Total reduction in future years related to the excess reduction carried forward from Subparagraph (l)(2) of this Rule, shall not exceed the annual rate of inflation. This reduction shall result in the facility receiving at a minimum the rate established in Paragraph (l)(2) of this Rule. Any excess reduction shall be carried forward to future years, until the established rate equals that generated by Paragraphs (f), (g), and (k) of this Rule.
- (4) Rates calculated based on Subparagraphs (l)(2) and (3) of this Rule shall be cost settled based on the provisions of Subparagraph (j)(1) of this Rule until the fiscal year that the facility receives full price level increase under Paragraph (k) of this Rule.

- (A) A provider may make an irrevocable election to cost settle under the provisions of Paragraphs (h) and (i) of this Rule during the deferral period.

- (B) Once the rates calculated based on Subparagraphs (l)(2) and (3) of this Rule reach the fiscal year that the facility receives the full price level increase under Paragraph (k) of this Rule, then said fiscal year's rates shall be cost settled based on Paragraphs (h) and (i) of this Rule.

- (C) Chain providers are allowed to file combined cost reports, for cost settlement purposes, for facilities that use the same cost settlement methodology and have the same uniform rate.

- (D) A provider may elect to continue cost

settlement under Subparagraph (j)(1) of this Rule after the deferral period expires. Said election shall be made each year, 30 days prior to the cost report due date.

- (m) The initial rate for facilities that have been awarded a Certificate of Need is established at the lower of the fair and reasonable costs in the provider's budget, as determined by the Division of Medical Assistance, or the projected costs in the provider's Certificate of Need application, adjusted from the projected opening date in the Certificate of Need application to the current rate period in which the facility is certified based on the price level change methodology set forth in Paragraph (k) of this Rule, or the rate currently paid to the owning provider, if the provider currently has an approved chain rate for facilities in the related facility category. The rate may be rebased to the actual cost incurred in the first full year of normal operations in the year an audit of the first year of normal operation is completed.

- (1) In the event of a change in ownership, the new owner receives no more than the rate of payment assigned to the previous owner.

- (2) Except in cases wherein the provider has failed to file supporting information as requested by the Division of Medical Assistance, initial rates shall be granted to new enrolled facilities no later than 60 days from the provider's filing of properly prepared budgets and supporting information.

- (3) The initial rate for a new facility shall be applicable to all dates of service commencing with the date the facility is certified by the Medicaid Program.

- (4) The initial rate for a new facility shall not be entered into the Medicaid payment system until the facility is enrolled in the Medicaid program and a Medicaid identification number has been assigned to the facility by the Division of Medical Assistance.

- (n) A provider with more than one facility may be allowed to recover costs through a combined uniform rate for all facilities.

- (1) Combined uniform rates for chain providers shall be approved upon written request from the provider and after review by the Division of Medical Assistance.

- (2) In determining a combined uniform rate for a particular facility group, the weighted average of each facility's rate, calculated in accordance to all other provisions of this Rule, shall be used.

- (3) A chain provider with facility(s) that fall under Paragraphs (h) and (i) of this Rule and with facility(s) that fall under Subparagraph (l)(4) of this Rule may elect to include the facilities in a combined cost report and elect to cost settle under either Paragraphs (h) and (i) or Subparagraph (l)(4) of this Rule. The cost settlement election shall be made each year, 30 days prior to the cost report due date.

- (o) Each out-of-state provider shall be reimbursed at the lower of the applicable North Carolina rate, as established by this Rule for in-state facilities, or the provider's per diem rate as established by the state in which the provider is located. An out-of-state provider is defined as a provider that is enrolled in the Medicaid program of another state and provides ICF-MR services to a North Carolina Medicaid client in a facility located

in the state of enrollment. Rates for out-of-state providers are not subject to cost settlement.

(p) Under no circumstances shall the Medicaid per diem rate exceed the private pay rate of a facility.

(q) Should the Division of Medical Assistance be unable to establish a rate for a facility, based on this Rule and the applicable facts known, the Division of Medical Assistance may approve an interim rate.

(1) The interim rate shall not exceed the rate cap established under this Rule for the applicable facility group.

(2) The interim rate shall be replaced by a permanent rate, effective retroactive to the commencement of the interim rate, by the Division of Medical Assistance, upon the determination of said rate based on this Rule and the applicable facts.

(3) The provider shall repay to the Division of Medical Assistance any overpayment resulting from the interim rate exceeding the subsequent permanent rate.

(r) In addition to the prospective per diem rate developed under this Rule, effective July 1, 1992, an interim payment add on shall be applied to the total rate to cover the estimated cost required under Title 29, Part 1910, Subpart 2, Rule 1910.1030 of the Code of Federal Regulations. The interim rate shall be subject to final settlement reconciliation with reasonable cost to meet the requirements of Rule 1910.1030. The final settlement reconciliation shall be effectuated during the annual cost report settlement process. An interim rate add on to the prospective rate shall be allowed, subject to final settlement reconciliation, in subsequent rate periods until cost history is available to include the cost of meeting the requirements of Rule 1910.1030 in the prospective rate. This interim add on shall be removed, upon 10 days written notice to providers, should it be determined by appropriate authorities that the requirements under Title 29, Part 1910, Subpart 2, Rule 1910.1030 of the Code of Federal Regulations do not apply to ICF-MR facilities.

(s) All rates, except those noted otherwise in this Rule, approved under this Rule are considered to be permanent.

(t) In the event that the rate for a facility cannot be developed so that it shall be effective on the first day of the rate period, due to the provider not submitting the required reports by the due date, the average rate for facilities in the same facility group, or the facility's current rate, whichever is lower, shall be in effect until such time as the Division of Medical Assistance can develop a new rate.

(u) When the Division of Medical Assistance develops a new rate for a facility for which a rate was paid in accordance with Paragraph (t) of this Rule, the rate developed shall be effective on the first day of the second month following the receipt by the Division of Medical Assistance of the required reports. The Division of Medical Assistance may, upon its own motion or upon application and cause related to patient care shown by the provider, within 60 days subsequent to submission of the delinquent report, make the rate retroactive to the beginning of the rate period in question. Any overpayment to the provider resulting from this temporary rate being greater than the final approved prospective rate for the facility shall be repaid to the Medicaid Program.

(v) ICF-MR facilities meeting the requirements of the North Carolina Division of Facility Services as a facility affiliated with one or more of the four medical schools in the state and providing services on a statewide basis to children with various developmental disabilities who are in need of long-term high acuity nursing care, dependent upon high technology machines (i.e. ventilators and other supportive breathing apparatus) monitors, and feeding techniques shall have a prospective payment rate that approximates cost of care. The payment rate may be reviewed periodically, no more than quarterly, to assure proper payment. A cost settlement at the completion of the fiscal period year end is required. Payments in excess of cost are to be returned to the Division of Medical Assistance.

(w) A special payment in addition to the prospective rate shall be made in the year that any provider changes from the cash basis to the accrual basis of accounting for vacation leave costs. The amount of this payment shall be determined in accordance with Title XVIII allowable cost principles and shall equal the Medicaid share of the vacation accrual that is charged in the year of the change including the cost of vacation leave earned for that year and all previous years less vacation leave used or expended over the same time period and vacation leave accrued prior to the date of certification. The payment shall be made as a lump sum payment that represents the total amount due for the entire fiscal year. An interim payment may be made based on an estimate of the cost of the vacation accrual. The payment shall be adjusted to actual cost after audit.

(x) The annual prospective rate, effective beginning each July 1, for facilities that commenced operations under the Medicaid Program subsequent to the base year used to establish rates, and therefore did not file a cost report for the base year, shall be based on the facility's initial rate, established in accordance with Paragraph (m) of this Rule, and the applicable price level changes, in accordance with Paragraph (l) of this Rule.

(y) Effective for fiscal years beginning on or after fiscal year 1998, installation cost of Fire Sprinkler Systems in an ICF-MR Facility shall be reimbursed in the following manner.

(1) Upon receipt of the documentation listed in Parts (A) through (E) of this Subparagraph, the Division of Medical Assistance shall reimburse directly to the provider 90 percent of the verified cost.

- (A) All related invoices.
- (B) Verification from the Division of Facility Services that the Sprinkler System is needed to maintain certification for participation in the Medicaid program.
- (C) Statement from appropriate authorities that the Sprinkler System has been installed. Examples of appropriate authorities for this purpose would include local building inspectors, insurance company inspectors, or the construction section of the Division of Facilities Services.
- (D) Three bids to install the system.
- (E) Prior approval from the Division of Medical Assistance for any installation projected to cost more than twenty-five thousand dollars (\$25,000). Prior approval shall be granted

based upon determination by the Divisions of Medical Assistance that the cost is reasonable considering the specifics of the installation. The burden to provide adequate documentation that the cost is reasonable is the responsibility of the provider.

- (2) The unreimbursed installation cost shall be reimbursed after audit through the annual Cost Settlement Process. This portion shall be offset by profits, after taking into consideration any indirect profits and direct losses. Any overpayments determined after audit shall be returned to the program by the provider through the annual cost settlement process.
- (3) The installation of the Sprinkler System is subject to Prudent Buyer Standards contained in the HCFA-15.
- (4) The Sprinkler System's installation costs shall be recorded on the provider's ICF-MR Cost Report.

Funderburk, Laura Devan, John Arrowood, Mark P. Garside, and George S. Robinson.

The following people attended:

Thomas R. West	Poyner & Spruill
Jack Watts	N C Board of Pharmacy
Denise Stanford	N C Board of Pharmacy
Marcy Dion	NCMS
Dedra Alston	DENR
Ann Christian	Attorney
Emily Lee	Transportation

APPROVAL OF MINUTES

The meeting was called to order at 10:03 a.m. with Chairman Powell presiding. He asked for any discussion, comments, or corrections concerning the minutes of the March 18, 1999 meeting. There being none, the minutes were approved.

FOLLOW-UP MATTERS

10 NCAC 3R .6112: DHHS/Medical Care Commission – The Commission voted to return the rule to the agency.

17 NCAC 6B .0118: DEPARTMENT OF REVENUE – The rewritten rule submitted by the agency was approved by the Commission.

21 NCAC 46 .1804: N C Board of Pharmacy – The rewritten rule submitted by the agency was objected to by the Commission due to lack of necessity. Based on comments by Pharmacy Board member Jack G. Watts and answers to questions from the Commissioners it appears that the rule either will not accomplish what the Board desires or else statutory provisions are already sufficient. Commissioner Rader voted not to object.

21 NCAC 46: N C Board of Pharmacy – The request for a declaratory ruling was tabled on a motion by Commissioner Arrowood.

LOG OF FILINGS

Chairman Powell presided over the review of the log and all rules were unanimously approved with the following exceptions:

15A NCAC 10B .0105: DENR/Wildlife Resources Commission – The Commission objected to this rule due to ambiguity. In (a)(3), the rule provides that a limited number of swan permits will be issued by the Wildlife Resources Commission. It is not clear how the number will be determined. This objection applies to existing language in the rule.

15A NCAC 10B .0212: DENR/Wildlife Resources Commission – The Commission objected to this rule due to ambiguity. Paragraph (b)(2) sets the bag limit for foxes at the number of tags allotted for a county. It is not clear how many have been allotted for each county. This objection applies to existing language in the rule.

COMMISSION PROCEDURES AND OTHER MATTERS

Mr. DeLuca stated that Celia Cox has joined our office replacing Glenda Gruber and that there is a salary adjustment plan in place before the Personnel Commission to allow her a raise. Mr. DeLuca may be on jury duty next month if he cannot get a deferment.

The next meeting will be on May 20, 1999.

The meeting adjourned at 11:25 a.m.

Respectfully submitted.
Sandy Webster

STATE OF NORTH CAROLINA

IN THE OFFICE OF
ADMINISTRATIVE HEARINGS
98 DHR 1565

COUNTY OF DARE

DEBORAH PELLEY,

Petitioner,

v.

N.C. DEPARTMENT OF HEALTH AND HUMAN
SERVICES,

Respondent.

RECOMMENDED DECISION

The above-entitled matter was heard before Robert Roosevelt Reilly Jr., Administrative Law Judge, on March 17, 1999, in Manteo, North Carolina.

APPEARANCES

Petitioner: Deborah Pelley, pro se
Respondent: Kathleen U. Baldwin, Assistant Attorney General

ISSUES

1. Whether Respondent failed to assist Petitioner in the handling of her interstate child support enforcement case?
2. Whether Respondent is improperly holding monies belonging to Petitioner?
3. Whether Petitioner is entitled to attorneys fees for services she received from California attorneys?

FINDINGS OF FACT

Based on the preponderance of the evidence, the undersigned makes the following findings of fact:

1. All parties are properly before the Office of Administrative Hearings ("OAH"), and the OAH has jurisdiction over the parties and the subject matter.
2. Respondent operates a child support enforcement program under the North Carolina Department of Health and Human Services, Division of Social Services, Child Support Enforcement ("CSE") section. Said program is organized pursuant to Title IV-D of the Social Security Act, 42 U.S.C. § 651 *et seq.*, as amended by the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub. L. No. 104-193, 110 Stat. 2105, and receives both federal and state funding. The North Carolina CSE program is described in G.S. § 110-128 *et seq.*
3. Petitioner applied for services with CSE in Dare County on February 21, 1995, requesting assistance in enforcing child support due her minor son, Matthew Nelson Pelley, from her ex-husband, Raymond Wilfred Pelley, Jr., pursuant to a California child support order.
4. Mr. Raymond Wilfred Pelley, Jr. resides in California and has not resided in North Carolina at any time relevant to this case.
5. Petitioner is not a recipient of Temporary Assistance for Needy Families (TANF) or its predecessor program, Aid for Dependent Children (AFDC).
6. Petitioner's case became active in early 1997 when a case "clean-up" was initiated by CSE in preparation for going to the new automated system. Petitioner was contacted about her desires to continue with CSE services and she indicated she did want her case pursued. Prior to that time, CSE had no contact with Petitioner after her initial application for services.

7. On January 22, 1997, Respondent wrote Mr. Raymond Wilfred Pelley, Jr. regarding his child support obligation and received in response to that letter a copy of a motion filed on February 18, 1997, in Los Angeles, California, by Mr. Pelley's attorney. Said motion requested a modification of child support, determination of the amount of child support arrearages, and also presented extensive issues regarding Petitioner's alleged failure to abide by the visitation provisions set forth in the original California divorce and child support decrees. Such visitation issues were presented as Exhibit A to Mr. Pelley's motion.
8. Cindy Wilson, Program Consultant for the State CSE program (and former Supervisor of the Manteo CSE office), testified that she was concerned that the case in California was calendared to be heard so quickly and transmitted by FAX a number of documents to the California child support enforcement authorities, including a request that the case be processed via the Uniform Interstate Family Support Act ("UIFSA"), a law enacted in all states and found in North Carolina law at Chapter 52C of the General Statutes.
9. In March 1997, Petitioner wrote a letter to Dare County CSE's IV-D attorney, Tom Davis, requesting his assistance on a number of legal matters, including questions regarding custody and visitation and proceeds from a personal injury settlement in California.
10. Mr. Davis very promptly responded to Petitioner by letter sent via FAX indicating that he was not licensed in California and also that he was prohibited by law from handling any matters relating to child custody or visitation. This letter did not advise Petitioner to seek counsel for her child support case but pointed her toward seeking assistance from the California IV-D program. Mr. Davis made additional effort for Petitioner by consulting Martindale-Hubbell and listing several "av" rated firms specializing in domestic law in the Los Angeles area that might assist Petitioner in her custody and visitation issues.
11. Even after Mr. Davis' letter, CSE officials were in contact with Petitioner and continued contacts with California authorities regarding Petitioner's child support case.
12. Petitioner hired a California attorney who ultimately handled both the child support and the custody and visitation issues in California.
13. In July 1997, the Los Angeles District Attorney's Office took Petitioner's child support case to court and obtained an order that money be redirected through the Court Trustee and that the case was to be enforced by the Los Angeles District Attorney's Office.
14. After Petitioner hired private counsel and the entire case had been referred to California authorities as an interstate case, Respondent closed Petitioner's case in January 1998. In January 1998, the case was heard in California and a judgment was entered in favor of Petitioner against her former husband for the principal amount of \$36,955.15 with interest of \$13,446.57. The Dare County CSE case was reopened in August 1998 after monies came into the Raleigh CSE office from California on Petitioner's child support case.
15. In August 1998, a payment of \$1200.00 was received in Petitioner's case and was mailed to Petitioner by the Raleigh CSE office but was returned for lack of good address. This check was reissued in October 1998.
16. More money came in on the account in October, 1998. On October 26, 1998, a payment of \$18,800 was released to Petitioner. Another \$7000 was held pursuant to a request by California officials so that they might complete an audit on the case.
17. On December 1, 1998, a check for \$7000 was issued to Petitioner after the audit was completed.
18. Checks in the amount of \$400 for ongoing child support have been issued to Petitioner on December 10, 1998, January 12, 1999, February 5, 1999, and March 17, 1999. Money in Petitioner's child support case goes through the California CSE authorities to the Raleigh CSE office.
19. Respondent is not holding any money for Petitioner. Money has been disbursed quite promptly in this case.
20. Respondent never refused to provide services to Petitioner nor did it recommend that she obtain private counsel for her child support enforcement case in California.

CONCLUSIONS OF LAW

Based upon the foregoing findings of fact, the undersigned makes the following conclusions of law:

1. The parties are properly before the Office of Administrative Hearings.
2. Respondent provided services to Petitioner and attempted to assist her in coordinating her child support enforcement case with the California CSE authorities.
3. Respondent could not directly pursue enforcement of Petitioner's case in North Carolina because North Carolina does not have personal jurisdiction over Mr. Pelley and also because the California courts specifically retained jurisdiction in the original divorce and child support decrees, to which Petitioner consented.
4. Respondent is not holding child support money for Petitioner.
5. Respondent did not advise Petitioner to seek private counsel in the child support case but rather for her child custody and visitation case. In any event, attorneys fees may not be awarded against Respondent because of the doctrine of sovereign immunity. The State of North Carolina has not waived its sovereign immunity in this matter.

RECOMMENDED DECISION

Petitioner was unable to meet her burden of proving her case and it is hereby recommended that judgment be entered in favor of Respondent.

ORDER

It is hereby ordered that the agency serve a copy of the final decision on the Office of Administrative Hearings, P.O. Drawer 27447, Raleigh, North Carolina 27611-7447, in accordance with North Carolina General Statute § 150B-36(b).

NOTICE

The agency making the final decision in this contested case is required to give each party an opportunity to file exceptions to this recommended decision and to present written arguments to those in the agency who will make the final decision. G.S. § 150B-36(a).

The agency is required by G.S. § 150B-36(b) to serve a copy of the final decision on all parties and to furnish a copy to the Office of Administrative Hearings.

This the 14th day of April, 1999.

Robert Roosevelt Reilly Jr.
Administrative Law Judge
