This matter was heard before the Regular Tax Review Board (hereinafter "Board") in the City of Raleigh, Wake County, North Carolina, on Thursday, September 28, 2000, upon Taxpayer's petition for administrative review of the Final Decision of the Secretary of Revenue entered on September 28, 1999 sustaining the proposed corporate franchise and income tax assessments against Educational Resources, Inc. (hereinafter "Taxpayer") for the tax years ending December 31, 1990 through December 31, 1995.

Attorney David W. Bertoni represented the Taxpayer at the hearing. Kay Linn Miller Hobart, Assistant Attorney General appeared at the hearing on behalf of the Secretary of Revenue.

FACTS

The Taxpayer produces workplace safety video tapes at its headquarters in South Carolina, and then sells and rents those tapes to customers located throughout the United States, including North Carolina. The Taxpayer sent catalogs to its customers by U.S. mail and orders for the tapes were received using U.S. mail or telecommunication. The sold or rented tapes were delivered to customers solely by U.S. mail or by common carrier. The rented tapes were returned to the Taxpayer after the expiration of the rental period in the same manner. The rental periods varied from one week to one month. The Taxpayer did not lease or own any facilities, or have any employees or agents in North Carolina at any time during the audit period. The Taxpayer engaged in 906 rental transactions and 719 sales transactions during the audit period. The Taxpayer failed to file North Carolina corporate income and franchise tax returns.

FINDINGS OF FACT

The Board reviewed and considered the following findings of fact in the Assistant Secretary's final decision:

- 1. The Taxpayer is a South Carolina corporation engaged in business as a distributor of training and safety videotapes for industrial customers.
- 2. The Taxpayer's headquarters and operations are located in Lexington, South Carolina.
- 3. The Taxpayer sells and rents videotapes to customers located in and outside the State of North Carolina for periods ranging from a week to one month for a charge of \$150 to \$200 per rental.
- 4. The Taxpayer engaged in 906 rental transactions in the State of North Carolina between the years 1990 and 1995 and generated rental income of \$99,521.00.
- 5. The Taxpayer engaged in 719 sales transactions in the State of North Carolina between the years 1990 and 1995 and generated sales income of \$201,304.40.
- 6. In December 1995, the Taxpayer was contacted by Ms. Elaine Greene, Revenue Field Auditor in the Charlotte Field Office, regarding the company's business activity in this State.
- 7. Following correspondence between the Charlotte Field Office and the Taxpayer, an on-site audit was conducted for corporate tax and sales and use tax purposes in February 1996.
- 8. The Taxpayer did not file corporate franchise and income tax returns with the State of North Carolina prior to the audit.
- 9. The auditors determined that the Taxpayer was subject to corporate income and franchise taxation in this State and subsequently requested copies of the corporate tax returns filed by the Taxpayer with the state of South Carolina.
- 10. The Taxpayer refused to provide the auditors with the information necessary to compute the Taxpayer's North Carolina corporate tax liability.
- 11. Jeopardy assessments of corporate income and franchise taxes were issued for the tax years 1990 through 1995 under the authority of G.S. 105-241.1(g) on June 19, 1996. The assessments of tax, penalties and interest totaled \$42,999.33 for the audit period.
- 12. The jeopardy assessments were based on the gross receipts reflected on sales and rental invoices to the Taxpayer's North Carolina customers as provided by the Taxpayer for sales tax purposes, which was the best information available to the auditors.
- 13. The Taxpayer timely protested the proposed corporate income and franchise tax assessments and requested a hearing before the Secretary of Revenue in its letters dated July 16, 1996. The application for a hearing was filed on September 23, 1996.
- 14. In February 1998, the Taxpayer filed tax returns for the fiscal years ending June 30, 1991 through June 30, 1995 reporting cumulative corporate income and franchise tax liabilities of \$165 and \$787.82 respectively.

CONCLUSIONS OF LAW

The Board reviewed the following conclusions of law made by the Assistant Secretary in his final decision:

- 1. The Taxpayer is subject to income taxation in this State in accordance with G.S. 105-130 et. seq.
- 2. The Taxpayer is subject to the general business franchise tax in accordance with G.S. 105-114 and G.S. 105-122.
- 3. G.S. 105-262(a) provides that: "the Secretary of Revenue may adopt rules needed to administer a tax collected by the Secretary or to fulfill another duty delegated to the Secretary."
- 4. Under G.S. 105-264, "it is the duty of the Secretary to interpret all laws administered by the Secretary. The Secretary's interpretation of these laws shall be consistent with the applicable rules. An interpretation by the Secretary is prima facie correct."
- 5. The Department's rule, N.C. ADMIN. CODE tit. 17, r. 5C.0102(a) (February 1976; January 1994; November 1992), defines "doing business", in pertinent part, as: "the operation of any business enterprise or activity in North Carolina for economic gain, including, but not limited to... the owning, renting, or operating of business or income-producing property in North Carolina including, but not limited to...tangible personal property."
- 6. The Taxpayer is operating a business enterprise or activity in North Carolina for economic gain.
- 7. The Taxpayer is "doing business" in this State by virtue of its ownership and renting of videotapes in North Carolina.
- 8. Under G.S. 105-130.3, the income tax imposed on the State net income of every C corporation doing business in this State during the audit period is seven and seventy-five one-hundredths percent (7.75%) of the corporation's State net income.
- 9. Under G.S. 105-130.4(i), all business income of corporations other than public utilities and excluded corporations shall be apportioned to this State by multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus twice the sales factor, and the denominator of which is four.
- 10. G.S. 105-241.1(g) provides that: "the Secretary may at any time within the applicable period of limitations immediately assess any tax the Secretary finds is due from a taxpayer if the Secretary determines that collection of the tax is in jeopardy and immediate assessment is necessary in order to protect the interest of the State."
- 11. The proposed assessment of corporate income and franchise tax were proper under the laws and the facts.

DECISION

The scope of administrative review for petitions filed with the Board is governed by G.S. 105-241.2(b2). After the Board conducts a hearing, this statute provides in pertinent part: "The Board shall confirm, modify, reverse, reduce or increase the assessment or decision of the Secretary." This Board has no authority or jurisdiction to rule on the constitutionality of a statute. <u>Great Am. Ins. Co. v. Gold</u>, 254 N.C. 168, 118 S.E.2d 792 (1961). Thus, the Board is not empowered to rule upon the constitutional argument presented by the Taxpayer in its petition. Tax assessments are presumed to be correct and the taxpayer has the burden to show that the assessment is not proper. The Board having conducted an administrative hearing, and having considered Taxpayer's petition and the record in this matter, concludes that the findings of fact contained in the Assistant Secretary's decision were fully supported by competent evidence in the record; that the conclusions of law made by the conclusions of law. WHEREFORE, the Board Orders that the Assistant Secretary's final decision sustaining the proposed assessments of corporate income and franchise tax, as modified in the decision, be confirmed in every respect.

)	
Educational Resources, Inc.)	
Taxpayer)	

This matter was heard before the Regular Tax Review Board (hereinafter "Board") in the City of Raleigh, Wake County, North Carolina, on September 28, 2000, upon a petition filed by Educational Resources, Inc. (hereafter "Taxpayer") for administrative review of the Final Decision of the Secretary of Revenue entered on 28 September 1999 sustaining the proposed assessment of additional sales and use tax for the period of June 1, 1990, through December 31, 1995.

Chairman Harlan E. Boyles, State Treasurer presided over the hearing with duly appointed member, Noel L. Allen, Attorney at Law participating.

Attorney David W. Bertoni, appeared at the hearing on behalf of the Taxpayer. George W. Boylan, Special Deputy Attorney General, appeared at the hearing on behalf of the Secretary of Revenue.

Pursuant to G.S. 105-241.1, the Department mailed Taxpayer a Notice of Sales and Use Tax Assessment dated June 19, 1996 assessing tax, penalty and interest for the period of June 1, 1990 through December 31, 1995. Taxpayer's attorney filed a timely request for hearing. After conducting a hearing, the Secretary of Revenue entered a Final Decision of September 28, 1999 sustaining the proposed assessment of additional sales and use tax for the period of June 1, 1990 through December 31, 1995. Pursuant to G.S. 105-241.2, Taxpayer's attorney timely filed a notice of intent and petition for administrative review of the Secretary's Final Decision with the Tax Review Board.

FACTS

Taxpayer is a corporation located in Lexington, SC engaged in the business of leasing and selling training videos. On June 13, 1996, auditors for the Department completed an examination of Taxpayer's records and proposed to assess additional tax, penalty and interest for the period of June 1, 1990 through December 31, 1995. The proposed assessment was the result of Taxpayer failing to register, collect and remit tax on the leases and/or sales of the training videos. Taxpayer's attorney objected to the assessment and requested a hearing on the basis the Taxpayer does not have nexus in North Carolina and is, therefore, not liable for collecting and remitting the tax on the sales and leases in this State. On September 28, 1999, the Assistant Secretary entered his decision sustaining the proposed assessment of additional sales and use tax for the period of June 1, 1990 through December 31, 1995. Pursuant to G.S. 105-241.2, Taxpayer timely filed a notice of intent and petition for administrative review of the Assistant Secretary's final decision with the Tax Review Board.

FINDINGS OF FACTS

- (1) Taxpayer is a company domiciled in South Carolina that produces workplace safety video tapes.
- (2) Taxpayer mails catalogs to customers located inside and outside of North Carolina.
- (3) Taxpayer sells and rents the workplace safety videotapes to customers located throughout the United States, including North Carolina, and ships the tapes by U.S. mail or common carrier.
- (4) Taxpayer's contacts with North Carolina are more than occasional and insignificant. Taxpayer entered into a total of 1,625 sales and rental transactions with customers in North Carolina during the audit period.
- (5) As a lessor, Taxpayer retains ultimate control over the tapes by virtue of its ownership of the tapes.
- (6) Taxpayer failed to file sales and use tax returns during the entire audit period.
- (7) Taxpayer failed to charge and collect the general State and any applicable county rates of tax on its sales and leases of workplace safety videos.
- (8) Notice of Sales and Use-Audit Tax Assessment was mailed on June 19, 1996.
- (9) Taxpayer objected to the assessment and made a timely request for hearing.

CONCLUSIONS OF LAW

The Board reviewed and considered the following conclusions of law made by the Assistant Secretary in his decision regarding this matter:

- (1) Taxpayer maintains tangible personal property for the purpose of lease or rental in North Carolina within the meaning of N.C.G.S. 105-164.3(7a).
- (2) Taxpayer makes retail sales in North Carolina within the meaning of N.C.G.S. 105-164.3(13) and (15).
- (3) Taxpayer is engaged in business in North Carolina within the meaning of N.C.G.S. 105-164.3(5) and is liable for collecting and remitting the general State and applicable county rates of tax on its receipts from the sale and rental of workplace safety videos to customers located in North Carolina.
- (4) Taxpayer is a retailer within the meaning of N.C.G.S. 105-164.3(14).
- (5) Notice of Sales and Use-Audit Tax Assessment dated June 19, 1996 was properly issued pursuant to N.C.G.S. 105-241.1 and is correct under the facts and the law.

DECISION

The scope of administrative review for petitions filed with the Board is governed by G.S. 105-241.2(b2). After the Board conducts a hearing, this statute provides in pertinent part: "The Board shall confirm, modify, reverse, reduce or increase the assessment or decision of the Secretary." The Board has no authority or jurisdiction to rule on the constitutionality of a statute. <u>Great Am. Ins. Co. v. Gold</u>, 254 N.C. 168, 118 S.E.2d 792 (1961). Thus, the Board is not empowered to rule upon the constitutional argument presented by the Taxpayer in its petition.

The issue on administrative review to this Board is whether the Taxpayer is "engaged in business" in North Carolina by virtue of its activities here and is therefore responsible for collecting and remitting the state sales tax on its sales and rentals of video tapes to customers in this state. G.S. 105-164.3(5) defines "engaged in business" in part as maintaining in this State, either permanently or temporarily, directly or through a subsidiary, tangible personal property for the purpose of lease or rental... The Board having conducted an administrative hearing, and having considered Taxpayer's petition, arguments of counsel and the record in this matter, determines that there is sufficient evidence to conclude that the Taxpayer is engaged in business in North Carolina as defined in N.C.G.S. 105-164.3(5) and that it is maintaining tangible personal property for the purpose of lease or rental in this state. Thus the Board concludes that the findings of fact contained in the Assistant Secretary's decision were fully supported by competent evidence in the record; that the conclusions of law made by the Assistant Secretary were fully supported by the findings of fact; and the Assistant Secretary's final decision sustaining the proposed assessment of additional sales and use tax was fully supported by the conclusions of law.

WHEREFORE, the Board Orders that the Assistant Secretary's final decision sustaining the proposed assessment of additional sales and use tax, as modified in the decision, be confirmed in every respect.

Made and entered into the 28th day of November 2000.

STATE OF NORTH CAROLINA **BEFORE THE** TAX REVIEW BOARD COUNTY OF WAKE IN THE MATTER OF: The Proposed Assessment of) Unauthorized Substance Tax) dated December 8, 1998 by) the Secretary of Revenue of ADMINISTRATIVE DECISION) of North Carolina 366 Number:)) vs.) Torrey James Hill) Taxpayer

This matter was heard before the Tax Review Board (hereinafter "Board") in the City of Raleigh, North Carolina on November 8, 2000, upon Torrey James Hill's (hereinafter "Taxpayer") petition for administrative review of the Final Decision of the Assistant Secretary of Revenue entered on September 29, 1999, sustaining the assessment of unauthorized substance tax for the period of December 8, 1998.

IN ADDITION

Chairman Harlan E. Boyles, State Treasurer presided over the hearing with Jo Anne Sanford, Chair, Utilities Commission and duly appointed member, Noel L. Allen, Attorney at Law participating.

A. Jackson Warmack, Jr., attorney at law represented the Taxpayer at the hearing. George W. Boylan, Special Deputy Attorney General and David J. Adinolfi, Assistant Attorney General, represented the Secretary of Revenue at the hearing.

Pursuant to G.S. 105-113.111 and G.S. 105-241.1, a Notice of Unauthorized Substance Tax Assessment was issued to the Taxpayer. The assessment was based upon information contained in Form BD-4, "Report of Arrest and/or Seizure involving Nontaxpaid (Unstamped) Controlled Substances and Counterfeit Controlled Substances," which was prepared by the Williamston, North Carolina Police Department on December 1, 1998. Taxpayer appeals from the Final Decision of the Assistant Secretary of Revenue entered on September 29, 1999, which sustained the proposed assessment of unauthorized substance tax for the period of December 8, 1998. Taxpayer timely filed notice and petition for administrative review of the Assistant Secretary's final decision with the Tax Review Board.

ISSUE

The issues considered by the Board upon petition for review are stated as follows:

- 1. Did the Taxpayer have actual and/or constructive possession of an unauthorized substance?
- 2. Is the Taxpayer subject to the unauthorized substance tax assessment, plus applicable penalty and interest?

EVIDENCE

The following evidence was presented at the hearing before the Secretary and was part of the record submitted to the Board on review of this matter:

- 1. Letter to the Taxpayer's attorney, dated March 24, 1999, regarding the administrative hearing scheduled for April 8, 1999, designated as Exhibit CS-1.
- 2. Letter Taxpayer's attorney dated December 9, 1998, requesting a hearing designated as Exhibit CS-2.
- 3. Form BD-4, "Report of Arrest and/or Seizure involving Nontaxpaid (Unstamped) Controlled Substances and Counterfeit Controlled Substances," dated December 1, 1998, designated as Exhibit CS-3.
- 4. Form BD-10, Notice of Unauthorized Substance Tax Assessment, dated December 8, 1998, designated as Exhibit CS-4.
- 5. Williamston Police Department's arrest narrative dated November 30, 1998, designated Exhibit CS-5.
- 6. Memorandum from Muriel K. Offerman, Secretary of Revenue, dated April 18, 1996, delegating to Michael A. Hannah, Assistant Secretary for Legal and Administrative Services, the authority to hold any hearing required or allowed under Chapter 105 of the North Carolina General Statutes, designated as Exhibit CS-6.

7. Taxpayer's brief submitted by A. Jackson Warmack, Jr., dated July 30, 1999.

FINDINGS OF FACT

The Board considered the following findings of fact made by the Assistant Secretary in determining its decision:

- Assessment of Unauthorized Substance Tax was made against the Taxpayer on December 8, 1998, in the sum of \$4,763.50 tax, \$476.35 penalty, and \$35.73 interest for a total proposed liability of \$5,275.58 based on the possession of 1360.8 grams of marijuana.
- 2. The Taxpayer made a timely objection and application for hearing.
- 3. On November 30, 1998, the Taxpayer was in possession of 1315.44 grams of marijuana. The marijuana was in the Taxpayer's vehicle, which he was driving. Statements by a codefendant further support a finding that the Taxpayer possessed the marijuana.
- 4. There were no tax stamps affixed to the marijuana as required by law.

CONCLUSIONS OF LAW

The Board considered the following conclusions of law made by the Assistant Secretary in the final decision:

- 1. The Taxpayer had unauthorized possession of 1315.44 grams of marijuana on November 30, 1998.
- 2. The Taxpayer was a dealer as that term is defined in G.S. 105-113.106(3).
- 3. "Beyond a reasonable doubt" is the incorrect standard of proof for a civil tax case.
- 4. The Taxpayer is liable for tax in the sum of \$4,606.00, penalty in the sum of \$460.60, and interest to date.

DECISION

The scope of administrative review for petitions filed with the Tax Review Board is governed by G.S. 105-241.2(b2). After the Board conducts a hearing this statute provides in pertinent part:

(b2). "The Board shall confirm, modify, reverse, reduce or increase the assessment or decision of the Secretary."

The Board having conducted a hearing in this matter and having considered the petition, the briefs, the record and the final decision of Assistant Secretary, concludes that the findings of fact contained in the Assistant Secretary's decision were fully supported by competent evidence in the record; that the conclusions of law made by the Assistant Secretary were fully supported by the findings of fact; and the Assistant Secretary's decision was fully supported by the conclusions of law. Thus, there is a reasonable basis to conclude that the Taxpayer was in possession of an unauthorized substance. Pursuant to G.S. 105-241.1(a), a proposed tax assessment is presumed to be correct and the burden is on to the Taxpayer to rebut that presumption. The Taxpayer failed to provide evidence to overcome the presumption and so the assessment is correct.

At the hearing before the Board, Taxpayer's attorney referenced the trial that occurred in February 2000 regarding the criminal charges pending against the Taxpayer. Although any evidence pertaining to this criminal trial would not be a part of the record transmitted to the Board, a subsequent criminal trial that results in a dismissal, assuming arguendo that such evidence would be properly before the Board, resolves only the criminal proceeding and not the civil tax action which is the subject of Taxpayer's petition.

IT IS THEREFORE ORDERED, by the Board that the Assistant Secretary's final decision, entered on September 29, 1999, sustaining the assessment of unauthorized substance tax for the period of December 8, 1998 be **confirmed** in every respect.

Made and entered into this 22nd day of December, 2000.

(hereinafter "Taxpayer") for administrative review of the Final Decision of the Secretary of Revenue entered on 20 December 1999 sustaining the proposed assessment of additional sales and use tax for the period of August 1, 1993 through April 30, 1996.

Chairman Harlan E. Boyles, State Treasurer presided over the hearing with duly appointed member, Noel L. Allen, attorney at law participating.

Attorney William M. Wilcox, IV appeared at the hearing on behalf of the Taxpayer. George W. Boylan, Special Deputy Attorney General, appeared at the hearing on behalf of the Secretary of Revenue.

The Taxpayer petitions the Board for administrative review of the adverse decision of the Secretary of Revenue sustaining a proposed assessment of sales and use tax, penalties and interest for the period August 1, 1993 through April 30, 1996. The assessment was based upon Taxpayer's alleged failure to remit tax upon the total sales price of various printed matter such as color separations, and other types of personal property, including radio and television audio and videotapes, produced and sold to clients. Taxpayer issued invoices for such sales, reflecting an itemization of costs, including charges for various "creative services." Taxpayer alleges that the Secretary erred by subjecting its creative labor to sales taxes because it contends that such labor is not part of the production of tangible personal property. Taxpayer argues that such services represent development of concept and design, and are fundamentally intangible in nature.

ISSUES

The issues considered by the Assistant Secretary in his final decision are stated as follows:

Are the Taxpayer's charges for creative services and other services made in connection with sale of tangible personal property part of the "sales price" of the property and, therefore, subject to sales or use tax?

Did Taxpayer act in the capacity of a retailer or an agent for transactions made under the terms of its Client/Agency Letter of Agreement with two clients?

Is the Taxpayer entitled to a credit for sales taxes paid to its vendors when no sales tax has been proposed to be assessed on the subsequent sale of the property and when the transactions are beyond the statute of limitations?

FINDINGS OF FACT

No specific findings of fact were listed in the Assistant Secretary's final decision. The findings of fact were incoporated into the section designated as <u>DECISION</u>.

CONCLUSIONS OF LAW

The Board reviewed the following conclusions of law made by the Assistant Secretary in his final decision regarding this matter:

- (1) Taxpayer at all material times operated as an advertising agency, providing advertising services, and as a retailer making sales of tangible personal property.
- (2) Taxpayer's charges for creative labor and other services made in connection with the sale of tangible personal property constitute part of the sales price of the property sold and Taxpayer is liable for sales tax on these charges.
- (3) Taxpayer did not fully comply with the provisions of Sales and Use Tax Administrative Rule T17:07B .0901(f) and did not establish that it made acquisitions of tangible personal property on behalf of two clients under the terms of its Client/Agency Letter of Agreement. Taxpayer acted in the capacity of a retailer and made sales of tangible personal property to these purchasers.
- (4) The Department has allowed Taxpayer the proper amount of credit for sales or use tax erroneously paid on its purchases of tangible personal property that it purchased for resale.
- (5) Additional conclusions of law are set forth in the Decision section and are hereby incorporated by reference as fully set out herein.
- (6) Notice of proposed assessment for the period August 1, 1993 through April 30, 1996, was properly issued pursuant to G. S. 105-241.1.

DECISION

The scope of administrative review for petitions filed with the Tax Review Board is governed by G.S. 105-241.2(b2). After the Board conducts a hearing, which includes a review of the petition, briefs, the record and final decision, this statute provides in pertinent part:

(b2). "The Board shall confirm, modify, reverse, reduce or

increase the assessment or decision of the Secretary."

The Board finds that the issue on administrative review to this Board is whether the Taxpayer's charges for creative services are part of the "sales price" of tangible property sold to its clients, and, therefore, subject to sales tax.

From a review of the record, it is not disputed that the Taxpayer is engaged in the business of advertising and design. In particular, Taxpayer produces, or arranges for the production of, a variety of items for its clients including printed advertising materials, color separations, computer disk masters and VHS video and audiotapes. The Taxpayer also performs creative services for its clients that do not involve the sale of personal tangible property. Taxpayer contents that since it is in the business of design services its charges for creative services are not part of the sales price subject to the sales tax. Taxpayer further contends that section 07B.0901(a) of the Administrative Code provides that receipts derived by advertising agencies when furnishing professional services are not subject to sales or use tax. With respect to the taxation of its services, the Taxpayer does not dispute that services in the connection with the actual fabrication or production of tangible personal property are taxable. However, Taxpayer contends that creative services are not part of the fabrication or production process because creative services rendered in connection with developing an advertising concept or design are intangible. Thus, the creative services rendered prior to the actual production of the printed advertisement are not subject to tax.

G.S. 105-164.3(16), defines "sales price" in part to include "the total amount for which tangible personal property is sold including charges for any services that go into the fabrication, manufacture or delivery of such tangible person property." In the final decision, the Assistant Secretary concluded that the "sales price" of the items sold upon which sales tax should have been computed includes the charges for Taxpayer's creative services.

At the hearing a question arose regarding Taxpayer's practice when arriving at the price to be paid by the customer for the product. In response to this question, Taxpayer stated that charges incurred in developing the product were recouped through a markup to the end product. If that is the case, the Board finds it necessary to determine whether the price charged for the actual products fabricated by the Taxpayer for its customers, which includes a markup, constitutes the fair market value of the product. Since the Secretary makes no finding regarding the fair market value of the product, this matter is remanded for further proceeding. The Secretary is instructed to determine whether the price of the product, which includes the markup, constitutes its fair market value.

WHEREFORE, it is the decision of the Board to Remand this matter back to the Secretary for further proceeding.

Made and entered into the 22nd day of December 2000.

Notice of Rule-making Proceedings is hereby given by the NC Marine Fisheries Commission in accordance with G.S. 150B-21.2. The agency shall subsequently publish in the <u>Register</u> the text of the rule(s) it proposes to adopt as a result of this notice of rulemaking proceedings and any comments received on this notice.

Statement of the Subject Matter: Amend times for restricted weekend trawling, amend times for restricted night time trawling off Brunswick County, require attendance of Recreational Commercial Gear License gill nets with a mesh length equal to or greater than 5 ½ inches south of the Beaufort Inlet (including Newport River).

Reason for Proposed Action: The Marine Fisheries Commission (MFC) received a petition from GoFISHNC requesting that attendance of large mesh gill nets by RCGL holders be required statewide. The MFC decided to reduce the area to the southern portion of the State and solicit public comments on the proposal. The Crustacean Committee of the MFC requested that the MFC amend trawl restricted times to state specific times rather than using sunrise and sunset. The MFC is also considering relaxing the restrictions for night time shrimping in the Ocean off Brunswick County.

Comment Procedures: Written comments are encouraged and may be submitted to MFC, Juanita Gaskill, PO Box 769, Morehead City, NC 28557.

This Section contains the text of proposed rules. At least 60 days prior to the publication of text, the agency published a Notice of Rule-making Proceedings. The agency must accept comments on the proposed rule for at least 30 days from the publication date, or until the public hearing, or a later date if specified in the notice by the agency. The required comment period is 60 days for a rule that has a substantial economic impact of at least five million dollars (\$5,000,000). Statutory reference: G.S. 150B-21.2.

TITLE 15A - DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES

Notice is hereby given in accordance with G.S. 150B-21.2 that the Coastal Resources Commission intends to amend the rule cited as 15A NCAC 07H .0305. Notice of Rule-making Proceedings was published in the Register on December 15, 2000.

Proposed Effective Date: April 1, 2002

Public Hearing:

Date: March 22. 2001 Time: 4:30 p.m. Location: New Bern Riverfront Convention Center, 406 Craven St., New Bern, NC

CHAPTER 07 - COASTAL MANAGEMENT

SUBCHAPTER 07H - STATE GUIDELINES FOR AREAS OF ENVIRONMENTAL CONCERN

SECTION .0300 - OCEAN HAZARD AREAS

GENERAL IDENTIFICATION AND 15A NCAC 07H .0305 DESCRIPTION OF LANDFORMS

(a) Ocean Beaches. Ocean beaches are lands consisting of unconsolidated soil materials that extend from the mean low water line landward to a point where either:

(1) the growth of vegetation occurs; or

(2) a distinct change in slope or elevation alters the configuration of the landform, whichever is farther landward.

(b) Primary Dunes. Primary dunes are the first mounds of sand located landward of the ocean beaches having an elevation equal to the mean flood level (in a storm having a one percent chance of being equaled or exceeded in any given year) for the area plus six feet. The primary dune extends landward to the lowest elevation in the depression behind that same mound of sand (commonly referred to as the dune trough).

(c) Frontal Dunes. The frontal dune is deemed to be the first mound of sand located landward of the ocean beach having sufficient vegetation, height, continuity and configuration to offer protective value.

(d) General Identification. For the purpose of public and administrative notice and convenience, each designated minor development permit-letting agency with ocean hazard areas may designate, subject to CRC approval, a readily identifiable land area within which the ocean hazard areas occur. This designated notice area must include all of the land areas defined in Rule .0304 of this Section. Natural or man-made landmarks may be considered in delineating this area.

"Vegetation Line" means the first line of stable natural (e) vegetation, which shall be used as the reference point for measuring oceanfront setbacks. This line represents the boundary between the normal dry-sand beach, which is subject to constant flux due to waves, tides, storms and wind, and the more stable upland areas. It is generally located at or immediately oceanward of the seaward toe of the frontal dune or erosion escarpment. In areas where there is no stable natural vegetation present, this line shall be established by connecting or extending the lines from the nearest adjacent vegetation on either side of the site and by extrapolating (by either on-ground observation or by aerial photographic interpretation) to establish the line. In areas within the boundaries of a large scale beach nourishment or spoil deposition project, the vegetation line that existed before commencement of the project shall be used as the vegetation line for determining oceanfront setbacks after the project is completed. completed except for those circumstances described under Paragraph (f) of this Rule for projects constructed after September 1, 2000. A project shall be considered large scale when:

- (1) it places more than a total volume of 200,000 cubic yards of sand at an average ratio of more than 50 cubic yards of sand per linear foot of shoreline; or
- (2) it is a Hurricane Protection project constructed by the U.S. Army Corps of Engineers.

1462

(f) If within two years prior to the initiation of construction of a large scale project as defined in (e)(1) or (e)(2) of this Rule, a large storm or series of storms cause the vegetation line to be relocated landward of its normal position relative to other natural features of the beach such as the typical high water or mid-tide line, the affected local government may request that the CRC establish a storm effect mitigated pre-project vegetation line contained within the boundaries of a large scale beach nourishment or spoil deposition project. Once the CRC grants the local government's request to establish a storm effect mitigated pre-project vegetation line, the following activities will be conducted:

- (1) A primary pre-project vegetation line shall be established as described in Paragraph (e) of this rule; and
- (2) A storm effect mitigated pre-project vegetation line shall be determined based on a beach profile template developed by DCM staff from analysis of historic aerial photographs, a ground reconnaissance survey of the site and adjacent areas, and where available, other historic data such as beach profiles and site specific studies. The template will be based on normal, non-storm related beach conditions and is intended to show the location of the vegetation line relative to the existing shoreline as if no storm had affected the location of the vegetation line. The template will be applied to the existing shoreline immediately prior to the commencement of project construction; and
- (3) Once Division of Coastal Management personnel have determined that natural vegetation is reestablished on the large scale project such that:
 - (A) the dune grasses appear the same in terms of species composition and stem density as adjacent non-project dune areas;
 - (B) the majority of stems are from continuous rhizomes rather than planted individual rooted sets; and
 - (C) the vegetation is established and stable at least as far seaward as the storm effect mitigated preproject vegetation line, then the storm effect mitigated vegetation line may be used to replace the primary pre-project vegetation line for setback determinations and other appropriate regulatory actions.

(f)(g) "Erosion Escarpment" means normal vertical drop in the beach profile caused from high tide or storm tide erosion.

(g)(h) Measurement line means the line from which the ocean front setback as described in Rule .0306(a) of this Section is measured in the unvegetated beach area of environmental concern as described in Rule .0304(4) of this Section. Procedures for determining the measurement line in areas designated pursuant to Rule .0304(4)(a) of this Section shall be adopted by the Commission for each area where such a line is designated pursuant to the provisions of G.S. 150B. These procedures shall be available from any local permit officer or the Division of Coastal Management. In areas designated pursuant to Rule .0304(4)(b) of this Section, the Division of Coastal Management shall establish a measurement line that approximates the location at which the vegetation line is expected to reestablish by:

- (1) determining the distance the vegetation line receded at the closest vegetated site to the proposed development site; and
- (2) locating the line of stable natural vegetation on the most current pre-storm aerial photography of the proposed development site and moving this line landward the distance determined in Subparagraph (g)(1) of this Rule.

The measurement line established pursuant to this process shall in every case be located landward of the average width of the beach as determined from the most current pre-storm aerial photography.

Authority G.S. 113A-107; 113A-113(b)(6); 113A-124.

15A NCAC 02D.0535 EXCESS EMISSIONS REPORTING AND MALFUNCTIONS

(a) For this Rule the following definitions apply:

- "Excess Emissions" means an emission rate that exceeds any applicable emission limitation or standard allowed by any rule in Sections .0500, .0900, .1200, or .1400 of this Subchapter; or by a permit condition; or that exceeds an emission limit established in a permit issued under 15A NCAC 02Q .0700.
- (2) "Malfunction" means any unavoidable failure of air pollution control equipment, process equipment, or process to operate in a normal and usual manner that results in excess emissions. Excess emissions during periods of routine start-up and shut-down of process equipment shall not be considered a malfunction. Failures caused entirely or in part by poor maintenance, careless operations or any other upset condition within the control of the emission source shall not be considered a malfunction.
- (3) "Start-up" means the commencement of operation of any source that has shut-down or ceased operation for a period sufficient to cause temperature, pressure, process, chemical, or a pollution control device imbalance that would result in excess emission.
- (4) "Shut-down" means the cessation of the operation of any source for any purpose.

(b) This Rule does not apply to sources to which Rules .0524, .1110, or .1111 of this Subchapter applies unless excess emissions exceed an emission limit established in a permit issued under 15A NCAC

02Q .0700 that is more stringent than the emission limit set by Rules .0524, .1110 or .1111 of this Subchapter.

(c) Any excess emissions that do not occur during start-up or shutdown shall be considered a violation of the appropriate rule unless the owner or operator of the source of excess emissions demonstrates to the Director, that the excess emissions are the result of a malfunction. To determine if the excess emissions are the result of a malfunction, the Director shall consider, along with any other pertinent information, the following:

- The air cleaning device, process equipment, or process has been maintained and operated, to the maximum extent practicable, consistent with good practice for minimizing emissions;
- (2) Repairs have been made expeditiously when the emission limits have been exceeded;
- (3) The amount and duration of the excess emissions, including any bypass, have been minimized to the maximum extent practicable;
- (4) All practical steps have been taken to minimize the impact of the excess emissions on ambient air quality;
- (5) The excess emissions are not part of a recurring pattern indicative of inadequate design, operation, or maintenance;
- (6) The requirements of Paragraph (f) of this Rule have been met; and
- (7) If the source is required to have a malfunction abatement plan, it has followed that plan. All malfunctions shall be repaired as expeditiously as practicable. However, the Director shall not excuse excess emissions caused by malfunctions from a source for more than 15 percent of the operating time during each calendar year. The Director may require the owner or operator of a facility to maintain records of the time that a source operates when it or its air pollution control equipment is malfunctioning or otherwise has excess emissions.

(d) All electric utility boiler units shall have a malfunction abatement plan approved by the Director as satisfying the requirements of Subparagraphs (1) through (3) of this Paragraph. In addition, the Director may require any other source to have a malfunction abatement plan approved by the Director as satisfying the requirements of Subparagraphs (1) through (3) of this Paragraph. If the Director requires a malfunction abatement plan for a source other than an electric utility boiler, the owner or operator of that source shall submit a malfunction abatement plan within 60 days after receipt of the Director's request. The malfunction plans of electric utility boiler units and of other sources required to have them shall be implemented when a malfunction or other breakdown occurs. The purpose of the malfunction abatement plan is to prevent, detect, and correct malfunctions or equipment failures that could result in excess emissions. A malfunction abatement plan shall contain as a minimum:

- (1) a complete preventive maintenance program including:
 - (A) the identification of individuals or positions responsible for inspecting, maintaining and repairing air cleaning devices;
 - (B) a description of the items or conditions that will be inspected and maintained;

- (C) the frequency of the inspection, maintenance services, and repairs; and
- (D) an identification and quantities of the replacement parts that shall be maintained in inventory for quick replacement;
- (2) an identification of the source and air cleaning operating variables and outlet variables, such as opacity, grain loading, and pollutant concentration, that may be monitored to detect a malfunction or failure; the normal operating range of these variables and a description of the method of monitoring or surveillance procedures and of informing operating personnel of any malfunctions, including alarm systems, lights or other indicators; and
- (3) a description of the corrective procedures that the owner or operator will take in case of a malfunction or failure to achieve compliance with the applicable rule as expeditiously as practicable but no longer than the next boiler or process outage that would provide for an orderly repair or correction of the malfunction or 15 days, whichever is shorter. If the owner or operator anticipates that the malfunction would continue for more than 15 days, a case-by-case repair schedule will be established by the Director with the source. The owner or operator shall maintain logs to show that the operation and maintenance parts of the malfunction abatement plan are implemented. These logs shall be subject to inspection by the Director or his designee upon request during business hours.

(e) The owner or operator of any electric utility boiler unit required to have a malfunction abatement plan shall submit a malfunction abatement plan to the Director within 60 days of the effective date of this Rule. The owner or operator of any other source required by the Director to have a malfunction abatement plan shall submit a malfunction abatement plan to the Director within six months after it has been required by the Director. The malfunction abatement plan and any amendment to it shall be reviewed by the Director or his designee. If the plan carries out the objectives described by Paragraph (d) of this Rule, the Director shall approve it. If the plan does not carry out the objectives described by Paragraph (d) of this Rule, the Director shall disapprove the plan. The Director shall state his reasons for his disapproval. The person who submits the plan shall submit an amendment to the plan to satisfy the reasons for the Director's disapproval within 30 days of receipt of the Director's notification of disapproval. Any person having an approved malfunction abatement plan shall submit to the Director for his approval amendments reflecting changes in any element of the plan required by Paragraph (d) of this Rule or amendments when requested by the Director. The malfunction abatement plan and amendments to it shall be implemented within 90 days upon receipt of written notice of approval.

(f) The owner or operator of a source of excess emissions that last for more than four hours and that results from a malfunction, a breakdown of process or control equipment or any other abnormal conditions, shall:

- notify the Director or his designee of any such occurrence by 9:00 a.m. Eastern time of the Division's next business day of becoming aware of the occurrence and describe:
 - (A) name and location of the facility,

- (B) the nature and cause of the malfunction or breakdown,
- (C) the time when the malfunction or breakdown is first observed,
- (D) the expected duration, and
- (E) an estimated rate of emissions;
- (2) notify the Director or his designee immediately when the corrective measures have been accomplished;
- (3) submit to the Director within 15 days after the request a written report that includes:
 - (A) name and location of the facility,
 - (B) identification or description of the processes and control devices involved in the malfunction or breakdown,
 - (C) the cause and nature of the event,
 - (D) time and duration of the violation or the expected duration of the excess emission if the malfunction or breakdown has not been fixed,
 - (E) estimated quantity of pollutant emitted,
 - (F) steps taken to control the emissions and to prevent recurrences and if the malfunction or breakdown has not been fixed, steps planned to be taken, and
 - (G) any other pertinent information requested by the Director. After the malfunction or breakdown has been corrected, the Director may require the owner or operator of the source to test the source in accordance with Rule .0501 of this Section to demonstrate compliance.

(g) Start-up and shut-down. Excess emissions during start-up and shut-down shall be considered a violation of the appropriate rule if the owner or operator cannot demonstrate that the excess emissions are unavoidable. To determine if excess emissions are unavoidable during startup or shutdown the Director shall consider the items listed in Paragraphs (c)(1), (c)(3), (c)(4), (c)(5), and (c)(7) of this Rule along with any other pertinent information. The Director may specify for a particular source the amount, time, and duration of emissions allowed during start-up or shut-down. The owner or operator shall, to the extent practicable, operate the source and any associated air pollution control equipment or monitoring equipment in a manner consistent with best practicable air pollution control practices to minimize emissions during start-up and shut-down.

15A NCAC 07H .0209 COASTAL SHORELINES

(a) Description. The Coastal Shorelines category includes estuarine shorelines and public trust shorelines. Estuarine shorelines AEC are those non-ocean shorelines extending from the normal high water level or normal water level along the estuarine waters, estuaries, sounds, bays, fresh and brackish waters, and public trust areas as set forth in an agreement adopted by the Wildlife Resources Commission and the Department of Environment and Natural Resources [described in Rule .0206(a) of this Section] for a distance of 75 feet landward. For those estuarine shorelines immediately contiguous to waters classified as Outstanding Resource Waters by the Environmental Management Commission, the estuarine shoreline AEC shall extend to 575 feet landward from the normal high water level or normal water level, unless the Coastal Resources Commission establishes the boundary at a greater or lesser extent following required public hearing(s) within the affected county or counties. Public trust shorelines AEC are those nonocean shorelines immediately contiguous to public trust areas, as defined in Rule 7H .0207(a) of this Section, located inland of the dividing line between coastal fishing waters and inland fishing waters as set forth in that agreement and extending 30 feet landward of the normal high water level or normal water level.

(b) Significance. Development within coastal shorelines influences the quality of estuarine and ocean life and is subject to the damaging processes of shore front erosion and flooding. The coastal shorelines and wetlands contained within them serve as barriers against flood damage and control erosion between the estuary and the uplands. Coastal shorelines are the intersection of the upland and aquatic elements of the estuarine and ocean system, often integrating influences from both the land and the sea in wetland areas. Some of these wetlands are among the most productive natural environments of North Carolina and they support the functions of and habitat for many valuable commercial and sport fisheries of the coastal area. Many land-based activities influence the quality and productivity of estuarine waters. Some important features of the coastal shoreline include wetlands, flood plains, bluff shorelines, mud and sand flats, forested shorelines and other important habitat areas for fish and wildlife.

(c) Management Objective. The management objective is to ensure that shoreline development is compatible with both the dynamic nature of coastal shorelines as well as the values and the management objectives of the estuarine and ocean system. Other objectives are to conserve and manage the important natural features of the estuarine and ocean system so as to safeguard and perpetuate their biological, social, aesthetic, and economic values; to coordinate and establish a management system capable of conserving and utilizing these shorelines so as to maximize their benefits to the estuarine and ocean system and the people of North Carolina.

(d) Use Standards. Acceptable uses shall be those consistent with the management objectives in Paragraph (c) of this Rule. These uses shall be limited to those types of development activities that will not be detrimental to the public trust rights and the biological and physical functions of the estuarine and ocean system. Every effort shall be made by the permit applicant to avoid, mitigate or reduce adverse impacts of development, to estuarine and coastal systems through the planning and design of the development project. In every instance, the particular location, use, and design characteristics shall comply with the general use and specific use standards for coastal shorelines, and where applicable, the general use and specific use standards for coastal wetlands, estuarine waters, and public trust areas described in Rule .0208 of this Section.

- All development projects, proposals, and designs shall preserve and not weaken or eliminate natural barriers to erosion, including, but not limited to, peat marshland, resistant clay shorelines, and cypress-gum protective fringe areas adjacent to vulnerable shorelines.
- (2) All development projects, proposals, and designs shall limit the construction of impervious surfaces and areas not allowing natural drainage to only so much as is necessary to adequately service the major purpose or use for which the lot is to be developed. Impervious surfaces shall not exceed 30 percent of the AEC area of the lot, unless the applicant can effectively demonstrate, through innovative design, that the protection provided by the design would be equal to or exceed the protection by the 30 percent limitation. Redevelopment of areas exceeding the 30 percent impervious surface limitation may be permitted if impervious areas are not increased and the applicant designs the project to comply with the intent of the rule to the maximum extent feasible.
- (3) Within the Coastal Shorelines category (estuarine and public trust shorelines AEC's, new development, with the exception of water dependent uses, shall be located a distance of 30 feet landward of the normal water level or the normal high water level.
- (4) All development projects, proposals, and designs shall comply with the following mandatory standards of the North Carolina Sedimentation Pollution Control Act of 1973:
 - (A) All development projects, proposals, and designs shall provide for a buffer zone along the margin of the estuarine water which is sufficient to confine visible siltation within 25 percent of the buffer zone nearest the land dis turbing development.
 - (B) No development project proposal or design shall permit an angle for graded slopes or fill which is greater than an angle which can be retained by vegetative cover or other erosion-control devices or structures.
 - (C) All development projects, proposals, and designs which involve uncovering more than one acre of land shall plant a ground cover sufficient to restrain erosion within 30 working days of completion

of the grading; provided that this shall not apply to clearing land for the purpose of forming a reservoir later to be inundated.

- (5) Development shall not have a significant adverse impact on estuarine and ocean resources. Significant adverse impacts shall include but not be limited to development that would directly or indirectly impair water quality standards, increase shoreline erosion, alter coastal wetlands or Submerged Aquatic Vegetation (SAV), deposit spoils waterward of normal water level or normal high water, or cause degradation of shellfish beds.
- (6) Development shall not interfere with existing public rights of access to, or use of, navigable waters or public resources.
- (7) No public facility shall be permitted if such a facility is likely to require public expenditures for maintenance and continued use, unless it can be shown that the public purpose served by the facility outweighs the required public expenditures for construction, maintenance, and continued use. For the purpose of this standard, "public facility" shall mean a project which is paid for in any part by public funds.
- (8) Development shall not cause irreversible damage to valuable, historic architectural or archaeological resources as documented by the local historic commission or the North Carolina Department of Cultural Resources.
- (9) Established common-law and statutory public rights of access to the public trust lands and waters in estuarine areas shall not be eliminated or restricted. Development shall not encroach upon public accessways nor shall it limit the intended use of the accessways.
- (10) Within the AECs for shorelines contiguous to waters classified as Outstanding Resource Waters by the EMC, no CAMA permit shall be approved for any project which would be inconsistent with applicable use standards adopted by the CRC, EMC or MFC for estuarine waters, public trust areas, or coastal wetlands. For development activities not covered by specific use standards, no permit shall be issued if the activity would, based on site specific information, degrade the water quality or outstanding resource values.

(e) Exceptions to the 30-foot buffer requirement set forth in 15A NCAC 07H .0209(d)(3). Development shall be exempted from the buffer requirement set out in Paragraph (d) of this Rule under the following circumstances:

(1) Where strict application of the buffer requirement would preclude placement of a residential structure on lots, parcels and tracts platted prior to June 1, 1999, development shall comply with the buffer area requirement to the maximum extent feasible. Feasible means an alternative is available and capable of being done after taking into consideration costs, existing technology, proposed use, and overall project purposes. The footprint of the residential structure shall not exceed 1000 square feet. Land disturbance shall be limited to only so much as is necessary to construct and provide access to the residence and to allow installation or connection of utilities such as water and sewer. At a minimum, nonwater dependent development shall be located a distance landward of the normal high water or normal water level equal to 20 percent of the greatest depth of the lot.

(2) Existing structures that encroach into the applicable buffer area may be replaced or repaired consistent with the criteria set out in 15A NCAC 07J .0210 and 15A NCAC 07J .0211.

(f) The buffer requirements in 07H .0209(d)(3) of this Rule will not apply to Coastal Shorelines where the Environmental Management Commission (EMC) has adopted rules that contain buffer standards, or to Coastal Shorelines where the EMC adopts such rules, upon the effective date of those rules.

(g) Specific Use Standards for ORW Coastal Shorelines.

- Within the AEC for estuarine and public trust shorelines contiguous to waters classified as ORW by the EMC, all development projects, proposals, and designs shall limit the built upon area in the AEC to no more than 25 percent or any lower site specific percentage as adopted by the EMC as necessary to protect the exceptional water quality and outstanding resource values of the ORW, and shall:
 - (A) have no stormwater collection system;
 - (B) provide a buffer zone of at least 30 feet from the normal high water line or normal water line;
 - (C) otherwise be consistent with the use standards set out in Paragraph (d) of this Rule.
- (2) Development (other than single-family residential lots) more than 75 feet from the normal high water line or normal water line but within the AEC as of June 1, 1989 shall be permitted in accordance with rules and standards in effect as of June 1, 1989 if prior to June 1, 1989:
 - (A) the development has a CAMA permit application in process; or
 - (B) the development has received preliminary subdivision plat approval or preliminary site plan approval under applicable local ordinances, and in which financial resources have been invested in design or improvement;
- (3) Single-family residential lots that would not be buildable under the low-density standards defined in Paragraph (g)(1) of this Rule may be developed for single-family residential purposes so long as the development complies with those standards to the maximum extent possible.
- (4) For ORW's nominated subsequent to June 1, 1989, the effective date in Paragraph (g)(2) of this Rule shall be the dates of nomination by the EMC.
- (h) Urban Waterfronts.
 - (1) Description. Urban Waterfronts are waterfront areas, not adjacent to Outstanding Resource Waters, in the Coastal Shorelines category that lie within the corporate limits of any municipality duly chartered within the 20 coastal counties of the state. In determining whether an area is an urban waterfront, the following criteria shall be met as of the effective date of this Rule:
 - (A) The area lies wholly within the corporate limits of a municipality; and
 - (B) the area is in a central business district where there is minimal undeveloped land, mixed land uses, and urban level services such as water, sewer, streets,

solid waste management, roads, police and fire protection or an industrial zoned area adjacent to a central business district.

- (2) Significance. Urban waterfronts are recognized as having cultural, historical and economic significance for many coastal municipalities. Maritime traditions and longstanding development patterns make these areas suitable for maintaining or promoting dense development along the shore. With proper planning and stormwater management, these areas may continue to preserve local historical and aesthetic values while enhancing the economy.
- (3) Management Objectives. To provide for the continued cultural, historical, aesthetic and economic benefits of urban waterfronts. Activities such as in-fill development, reuse and redevelopment facilitate efficient use of already urbanized areas and reduce development pressure on surrounding areas, in an effort to minimize the adverse cumulative environmental effects on estuarine and ocean systems. While recognizing that opportunities to preserve buffers are limited in highly developed urban areas, they are encouraged where practical.
- (4) Use Standards:
 - (A) The buffer requirement pursuant to this Rule 07H
 .0209(d)(3) is not required for development within designated Urban Waterfronts that meets the following standards:
 - (i) The development must be consistent with the locally adopted land use plan;
 - (ii) Impervious surfaces shall not exceed 30 percent of the AEC area of the lot. Impervious surfaces may exceed 30 percent if the applicant can effectively demonstrate, through a stormwater management system design, that the protection provided by the design would be equal to or exceed the protection by the 30 percent limitation. The stormwater management system shall be designed by an individual who meets any North Carolina occupational licensing requirements for the type of system proposed and approved during the permit application process. Redevelopment of areas exceeding the 30 percent impervious surface limitation may be permitted if impervious areas are not increased and the applicant designs the project to comply with the intent of the rule to the maximum extent feasible:
 - (iii) The development shall meet all state stormwater management requirements as required by the NC Environmental Management Commission; and
 - (iv) Connect to a local stormwater collection system that has an existing stormwater management plan approved by the Division of Water Quality.
 - (B) Non-water dependent uses over estuarine waters, public trust waters and coastal wetlands may be allowed only within designated Urban Waterfronts as set out below:

- (i) Existing structures over coastal wetlands, estuarine waters or public trust areas may be used for non-water dependent purposes.
- (ii) Existing enclosed structures may be expanded vertically provided that vertical expansion does not exceed the original footprint of the structure.
- (iii) New structures built for non-water dependent purposes are limited to pile supported, single story, unenclosed decks and boardwalks, and must meet the following criteria:
 - (I) The proposed development must be consistent with a locally adopted waterfront access plan that provides for enhanced public access to the shoreline;
 - (II) Structures may be roofed but shall not be enclosed by partitions, plastic sheeting, screening, netting, lattice or solid walls of any kind and shall be limited to a single story;
 - (III) Structures must be pile supported and require no filling of coastal wetlands, estuarine waters or public trust areas;
 - (IV) Structures shall not extend more than 20 feet waterward of the normal high water level or normal water level;
 - (V) Structures must be elevated at least three feet over the wetland substrate as measured from the bottom of the decking;
 - (VI) Structures shall have no more than six feet of any dimension extending over coastal wetlands;
 - (VII) Structures shall not interfere with access to any riparian property and shall have a minimum setback of 15 feet between any part of the structure and the adjacent property owners areas of riparian access. The line of division of areas of riparian access shall be established by drawing a line along the channel or deep water in front of the properties, then drawing a line perpendicular to the line of the channel so that it intersects with the shore at the point the upland property line meets the water's edge. The minimum setback provided in the rule may be waived by the written agreement of the adjacent riparian owner(s) or when two adjoining riparian owners are co-applicants. Should the adjacent property be sold before construction of the structure commences, the applicant shall obtain a written agreement with the new owner waiving the minimum setback and submit it to the permitting agency prior to initiating any development;
 - (VIII) Structures must be consistent with the US Army Corps of Engineers setbacks along federally authorized waterways;

- (IX) Structures shall have no significant adverse impacts on fishery resources, water quality or adjacent wetlands and there must be no reasonable alternative that would avoid wetlands. Significant adverse impacts shall include but not be limited to the development that would directly or indirectly impair water quality standards, increase shoreline erosion, alter coastal wetlands or Submerged Aquatic Vegetation (SAV), deposit spoils waterward of normal water level or normal high water level, or cause degradation of shellfish beds;
- (X) Structures shall not degrade waters classified as SA or High Quality Waters Outstanding Resource Waters as defined by the NC Environmental Management Commission;
- (XI) Structures shall not degrade Critical Habitat Areas or Primary Nursery Areas as defined by the NC Marine Fisheries Commission; and

 - (A) failure to attend annual vendor training;
 - (B) failure to submit a current and accurately completed WIC Price List by January 1 and July 1 of each year or within seven days of request by the state or local agency;
 - (C) discrimination on the basis of WIC participation (separate WIC lines, denying trading stamps, etc.);
 - (D) contacting a WIC participant, parent, guardian, or proxy in an attempt to recoup funds or food instrument(s) or contacting a WIC participant, parent, guardian, or proxy outside the store regarding the redemption of WIC food instruments;
 - (E) nonpayment of a claim made by the State agency;
 - (F) providing false information on vendor records (application, vendor agreement, price list, WIC food instrument(s), monitoring forms).

(i) The Food Stamp Program disqualification provisions in 7 C.F.R. 246.12(l)(1)(vii) are incorporated by reference with all subsequent amendments and editions.

(j) The participant access provisions of 7 C.F.R. 246.12(l)(1)(ix) and (l)(8) are incorporated by reference with all subsequent amendments and editions.

(k) The following provisions apply to civil money penalties assessed in lieu of disqualification of a vendor:

- (1) The civil money penalty formula in 7 C.F.R. 246.12(1)(1)(x) is incorporated by reference with all subsequent amendments and editions, provided that the vendor's average monthly redemptions shall be calculated by using the six-month period ending with the month immediately preceding the month during which the notice of administrative action is dated.
- (2) The State agency may also impose civil money penalties in accordance with G.S. 130A-22(c1) in lieu of disqualification of a vendor for the state-established violations listed in Paragraph (g) of this Rule when the State agency determines that disqualification of a vendor would result in undue participant hardship in accordance with Subparagraph (k)(3) of this Rule.
- (3) In determining whether to disqualify a WIC vendor for the state-established violations listed in Paragraph (g) of this Rule, the agency shall not consider other indicators of

hardship if any of the following factors, which conclusively show lack of undue hardship, are found to exist:

- (A) the noncomplying vendor is located outside of the limits of a city, as defined in G.S. 160A-2, and another WIC vendor is located within seven miles of the noncomplying vendor;
- (B) the noncomplying vendor is located within the limits of a city, as defined in G.S. 160A-2, and another WIC vendor is located within three miles of the noncomplying vendor; or
- (C) a WIC vendor, other than the noncomplying vendor, is located within one mile of the local agency at which WIC participants pick up their food instruments.
- (4) The provisions for failure to pay a civil money penalty in 7 C.F.R. 246.12(l)(6) are incorporated by reference with all subsequent amendments and editions.

(1) The provisions of 7 C.F.R. 246.12(1)(1)(viii) prohibiting voluntary withdrawal from the WIC Program or nonrenewal of the WIC Vendor Agreement as an alternative to disqualification are incorporated by reference with all subsequent amendments and editions.

(m) The provision in 7 C.F.R. 246.12(l)(3) regarding prior warning to vendors is incorporated by reference with all subsequent amendments and editions.

(n) The state agency reserves the right to set off payments to an authorized vendor if the vendor fails to reimburse the state agency in accordance with Subparagraph (b)(23) of this Rule.

(o) In accordance with 7 C.F.R. 246.12(1)(7) and (u)(5), North Carolina's procedures for dealing with abuse of the WIC program by authorized WIC vendors do not exclude or replace any criminal or civil sanctions or other remedies that may be applicable under any federal and state law. Neither the vendor nor the state is under any obligation to renew this contract. Nonrenewal of a vendor contract is not an appealable action. If a contract is not renewed, the person may reapply and if denied, may appeal the denial.

(p) Notwithstanding other provisions of this Rule, for the purpose of providing a one-time payment for WIC food instruments accepted by a non-authorized WIC vendor, a current WIC vendor agreement need only be signed by the vendor and the state agency. The vendor may request such one-time payment directly from the state agency. The vendor shall sign a statement indicating that he has provided foods as prescribed on the food instrument, charged current shelf prices and verified the identity of the participant. For the purposes of effecting such a WIC vendor agreement, the vendor is exempt from the inventory requirement and the requirement for an on-site visit by the local WIC agency. Any WIC vendor agreement entered into in this manner shall automatically terminate upon payment of the food instrument in question.

(q) Except as provided in 7 C.F.R. 246.18(a)(2), an authorized WIC vendor shall be given at least 15 days advance written notice of any adverse action which affects the vendor's participation in the WIC Program. The vendor appeals procedure shall be in accordance with 15A NCAC 21D .0800.

TITLE 17 - DEPARTMENT OF REVENUE

17 NCAC 06B .0116DEDUCTIONS FROM FEDERALTAXABLE INCOME

(a) Interest. -- The deduction for interest on obligations of the United States or its possessions provided in G.S. 105-134.6(b)(1) applies to direct obligations such as United States Savings Bonds and United States Treasury Bills. Interest earned on obligations that are merely backed or guaranteed by the United States Government do not qualify for deduction from an individual's federal taxable income. The deduction from federal taxable income does not apply to any portion of a distribution from an individual retirement account.

(b) State, Local, and Federal Retirement Plans. -- The deduction from federal taxable income provided in G.S. 105-134.6(b)(6)a applies to all of the following:

- Long-term disability benefits paid under the Disability Income Plan of North Carolina. No deduction from federal taxable income is allowed for short-term disability benefits paid under the Disability Income Plan of North Carolina;
- (2) Benefits paid to federal civil service employees who become disabled prior to becoming age 60; and
- (3) Benefits received by the survivors of a member of the armed forces paid under the Retired Serviceman's Family Protection Plan or the Survivor's Benefits Plan.

For purposes of the deduction allowed in G.S. 105-134.6(b)(6)b. and c., federal means the federal government of the United States. For purposes of the deduction allowed in G.S. 105-134.6(b)(6)b. and c., state and local includes the governments of territories and possessions of the United States. The deduction from federal taxable income provided in G.S. 105-134.6(b)(6)c includes amounts received from an individual retirement account or from an individual retirement annuity, both of which are described in Section 408 of the Internal Revenue Code. An individual is not required to have ceased employment to qualify for the deduction for distributions

from an individual retirement account or an individual retirement annuity. A change in the structure of a corporate employer that causes a distribution to be paid to the employee from the employer's retirement plan does not entitle the employee to claim the deduction for retirement benefits provided in G.S. 105-134.6(b)(6)c.

(c) Indian Tribe. --The income earned by an enrolled member of the Eastern Band of Cherokee Indians or another federally recognized tribe is deductible from federal taxable income if it is included in federal gross income and it is derived from activities on the Cherokee reservation while the member resided on the reservation. (d) The deduction from federal taxable income provided in G.S. 105-134.6(b)(11) for severance wages does not include payments that represent compensation for past or future services. Compensation for past or future services includes payment for any of the following:

- (1) Accumulated sick leave, vacation time, or other unused benefits;
- (2) Bonuses based on job performance; and
- (3) Payments in consideration of any agreement not to compete with the employer or in consideration of a contractual or legal claim.

(e) Other Adjustments. -- The deduction from federal taxable income provided in G.S. 105-1346(d)(2) includes repayments of items of income included in gross income in a prior year under the claim-of-right doctrine for which the taxpayer reduces his or her tax under Section 1341 of the Internal Revenue Code in the year of repayment.

17 NCAC 06C .0124 ADDITIONAL WITHHOLDING ALLOWANCES

(a) Deductions. -- Additional withholding allowances may be claimed by taxpayers expecting to have allowable itemized deductions exceeding the standard deduction or allowable adjustments to income. For most taxpayers, one additional allowance may be claimed for each two thousand five hundred dollars (\$2,500) that the itemized deductions are expected to exceed the standard deduction and for each two thousand five hundred dollars (\$2,500) of adjustments reducing income. For taxpayers whose annual income equals or exceeds the applicable threshold for their filing status, an additional allowance may be claimed for each two thousand dollars (\$2,000) that their itemized deductions are expected to exceed the standard deduction and for each two thousand dollars (\$2,000) that their itemized deductions are expected to exceed the standard deduction and for each two thousand dollars (\$2,000) of adjustments reducing income. The thresholds are:

Filing Status	Applicable Threshold
Head of Household	\$80,000
Married	\$50,000
Single	\$60,000

(b) Tax Credits. -- A taxpayer who will be entitled to a tax credit may claim one additional allowance for each one hundred seventy-five dollars (\$175.00) of tax credit, unless the taxpayer's annual income

equals or exceeds the applicable threshold set out in Paragraph (b) of this Rule for the taxpayer's filing status. In that circumstance, the taxpayer may claim an additional allowance of only one hundred forty dollars (\$140.00) for each tax credit.

History Note: Authority G.S. 105-163.2A; 105-163.5; 105-262; Eff. June 1, 1990; Amended Eff. April 1, 2001; July 1, 1999.

17 NCAC 06C .0126 SUBMISSION OF CERTAIN WITHHOLDING ALLOWANCE CERTIFICATES

(a) An employer is required to submit copies of any withholding allowance certificates on which the employee claims more than ten withholding allowances or claims exemption from withholding and the employee's wages would normally exceed two hundred dollars (\$200.00) per week.

(b) An employer filing quarterly withholding reports is required to submit copies of the certificates received during the quarter when filing the quarterly report. An employer filing monthly withholding reports is required to submit copies of the certificates received during the quarter when filing the monthly report for the third month of the calendar quarter. Copies may be submitted earlier and for shorter reporting periods.

(c) Copies of the certificates, along with a letter showing the employer's name, address, withholding identification number, and the number of certificates submitted, are to be mailed to: North Carolina Department of Revenue, Withholding Section, P.O. Box 25000, Raleigh, North Carolina 27640.

(d) The employer shall withhold on the basis of the certificate until written notice is received from the Department that the certificate is defective. As part of that written notice, the Department will advise the employer to ignore the allowance certificate filed and to withhold on a number specified.

(e) The employer shall promptly furnish the employee a copy of the written notice.

(f) If the employee files a new certificate, the employer shall honor that certificate only if the employee does not claim exempt and claims a number smaller than the number allowed in the Department's written notice. If the new certificate claims a number larger than the employee has been allowed and the employee specifies, in writing, any circumstances as justification to support the claims, the employer must forward a copy of the certificate and the employee's written statement to the Department for review. The employer shall continue to withhold as specified in the Department's written notice until written notice is received from the Department advising the employer to withhold on the basis of the new certificate.

(g) To increase withholding an employee or a recipient of a pension payment may claim less than his or her allowable allowances or may enter into an agreement with his or her withholding agent and request that an additional amount be withheld by entering the desired amount on Form NC-4 or NC-4P.

(h) An employee working for two or more employers or a recipient receiving pension payments from two or more pension payers must claim his or her allowable allowance with only one withholding agent and claim zero allowances with the other withholding agents.

(i) If an employee claims total exemption from withholding, his wages will be exempt from withholding of North Carolina income tax for the remainder of the calendar year unless the employee withdraws the statement during the year. An employee claiming exemption from withholding must complete a new certificate by February 15. If the employee does not complete a new certificate, the employer must withhold on the basis of a single individual with zero withholding allowances.

17 NCAC 06C .0201 NEW WITHHOLDING AGENTS

North Carolina does not use a deposit system for income tax withheld. Each new withholding agent who is required to withhold North Carolina income tax must complete and file with the Department an application for a withholding identification number, Form AS/RP1, which can be obtained from any office of the Department. A withholding identification number will be assigned. The number must be used on all reports and correspondence concerning withholding.

History Note: Authority G.S. 105-262; Eff. February 1, 1976; Amended Eff. April 1, 2001; August 1, 1998; June 1, 1993; June 1, 1990.

17 NCAC 06C .0203 ANNUAL REPORTS

(a) At the end of each calendar year employers are required to furnish wage and tax statements, Form NC-2, to employees and Form NC-1099PS to contractors from whom tax was withheld. Two copies must be furnished to the employee or contractor and one copy must be furnished to the Department. Pension payers must report pension income and State tax withheld on federal Form 1099-R. The pension payer must give the Department a copy of a 1099-R given to a recipient of a pension payment if the 1099-R shows State tax withheld.

(b) Reports of payments of income, interest, rents, premiums, dividends, annuities, remunerations, emoluments, fees, gains, profits, taxable meal reimbursements, and other determinable annual or periodic gains during a calendar year must be made on Information at the Source Reports, Form NC-1099, if the payments have not otherwise been reported. Form NC-1099 reports are not required to be filed if the payments have been reported to the Internal Revenue Service under the provisions of Section 6041 of the Code, the payments have otherwise been reported to the Department, or no North Carolina income tax was withheld from the payments. Notwithstanding the above, any person required to file Form NC-1099NRS under the provisions of 17 NCAC 06B .3804(c) must do so regardless of any requirement to report the sale to the Internal Revenue Service.

17 NCAC 06C .0204 AMOUNTS WITHHELD ARE HELD IN TRUST FOR SECRETARY OF REVENUE

(a) A withholding agent who fails to withhold or pay the amount required to be withheld is personally and individually liable for the tax. If a withholding agent has failed to withhold or to pay over income tax withheld or required to have been withheld, the unpaid tax may be asserted against the responsible officers of the withholding agent when the taxes cannot be immediately collected from the withholding agent. More than one person may be liable as a responsible officer; however, the amount of the income tax withheld or required to have been withheld will be collected only once, whether from the withholding agent or one or more responsible officers. The term "responsible officer" includes the president and the treasurer of a corporation, the manager of a limited liability company, and any officer of a corporation or member of a limited liability company who has a duty to deduct, account for, or pay the tax. Responsibility is a matter of status, duty, and authority, not knowledge. It is not necessary that the failure to collect and pay the withholding amounts was willful; it is only necessary that the responsible officer failed to pay the tax withheld or required to have been withheld to the Secretary of Revenue regardless of the officer's reasons or knowledge of the failure.

(b) When the Department of Revenue determines that collection of the tax from an employer is in jeopardy, the employer may be required to report and pay the tax at any time after payment of the wages.

17 NCAC 07B .4701 COMMERCIAL PRINTERS AND PUBLISHERS

(a) All retail sales of tangible personal property by commercial printers or publishers are subject to the four percent state tax and any applicable local sales or use tax unless such sales are subject to a lesser rate of tax under the provisions of G.S. 105-164.4(a) or are exempt under the provisions of G.S. 105-164.13. The following transactions are also exempt from sales or use tax:

- (1) charges for advertising space in newspapers, magazines and other publications;
- (2) charges made by printers for imprinting or binding books or forms or other similar items which are owned by their customers;
- (3) Printed material which is sold by a retailer to a purchaser within or without this state when the printed material is delivered by the printer directly to a mailing house or to a common carrier or to the United States Postal Service for delivery to a mailing house in this state which will preaddress and presort the material and deliver it to a common carrier or to the United States Postal Service for delivery to recipients outside this state designated by the purchaser.
 - (A) Sales of printed material by a retailer located within or without this state which is delivered directly

to the purchaser in this state for the original purpose of preparing and delivering the printed material to the United States Postal Service or a common carrier for delivery to prospective customers or other recipients outside this state are exempt from sales and use tax provided such purpose is consummated. Α purchaser of such printed material for preparation and delivery to prospective customers and other recipients outside this state must furnish the vendor a written statement certifying that the printed material is being purchased for use in a mailing program which is in place at the time of purchase; otherwise, the vendor must collect and remit the tax on such sales. Sales of printed materials to a user or consumer in this state to be placed in the purchaser's inventory for use as needed are subject to sales or use taxes notwithstanding that all or a portion of the printed material may be delivered to the United States Postal Service or a common carrier for delivery to prospective customers or other recipients outside this state.

(B) A retailer who sells printed material delivered to a common carrier or the United States Postal Service for delivery to the purchaser at a point within this state who prepares the material to be mailed to prospective customers or other recipients without charge and transports the material outside this state to be delivered to the United States Postal Service or a common carrier or to a mailing house outside this state for delivery to designated recipients is liable for sales or use tax except as provided in this Rule.

(b) Retail sales of advertising circulars, catalogues, booklets, pamphlets, forms, tickets, letterheads, envelopes and similar items and retail sales of books, magazines, periodicals, newspapers and other publications are subject to the four percent state tax and any applicable local sales or use tax unless such sales are exempt from tax under the provisions of G.S. 105-164.13. When publications, other than magazines, are sold by subscription, the tax accrues at the time the subscription is accepted.

(c) Sales to commercial printers and publishers of machinery and equipment and parts therefor and accessories thereto for use directly in the production of newspapers, magazines and other printed matter for sale are subject to the one percent rate of tax with a maximum tax of eighty dollars (\$80.00) per article. Included herein are custom made plates and dies when title thereto does not pass to the printers' customers. Sales to commercial printers and publishers of tangible personal property such as wood and metal which is used to fabricate plates and dies for use in the production of printed matter for sale are likewise subject to the one percent rate of tax when title to the plates and dies does not pass to the printers' customers. Sales to commercial printers and publishers of machinery, equipment, film, and similar items of tangible personal property for use or consumption directly in the production of such plates and dies are also subject to the one percent rate of tax. It is a printing trade practice that title to lithographic and gravure plates and dies is retained by the printer or publisher. Unless it is otherwise agreed in writing, the secretary will consider such items

to be purchased by the printer or publisher for use or consumption and taxable at the one percent rate of tax on the cost price thereof. (d) Sales to commercial printers of custom made plates and dies for resale are exempt from sales or use tax when supported by Certificates of Resale, Form E-590. Sales to commercial printers of tangible personal property such as wood and metal which becomes a component part of printing plates produced by such printers for sale to customers are likewise exempt from sales or use tax when supported by certificates of resale. However, sales to commercial printers of machinery, equipment, film, and similar items of tangible personal property which do not enter into or become a component part of such plates and dies but are used or consumed by the printer in the direct production of such plates and dies are subject to the one percent rate of tax. When, at the request of the customer, commercial printers purchase custom made printing plates and dies for use in the direct production of the printed matter or when they purchase wood and metal which becomes a component part of printing plates and dies fabricated by the printer for use in the direct production of printed matter and title to the plates and dies passes to the printers' customers, such items can be properly purchased for resale. The printer is liable for collecting and remitting the four percent state tax and any applicable local sales or use tax on the total retail sales price of such plates and dies including charges for tangible personal property and art work or any other services that go into the manufacture or delivery thereof. In such cases, the printer's sales invoices and records must show that the plates and dies are actually sold to the customer; otherwise, such items will be deemed to have been used by the printer, and the cost price of same will be subject to the one percent rate of tax.

(e) Sales to commercial printers and publishers of tangible personal property which is not resold as such or which does not become an ingredient or component part of the tangible personal property which they produce for sale or which is not production machinery or parts therefor and accessories thereto are subject to the four percent state tax and any applicable local sales or use tax without any maximum tax.

(f) The provisions of Paragraph (d) of this Rule have no application to sales of printing equipment and supplies to firms which operate print shops for the production of printed matter for their own use and not for sale. Purchases of printing equipment and supplies by such firms are subject to the four percent state tax and any applicable local sales or use tax.

25 NCAC 01E .0707 USE OF LEAVE

(a) When an employee is injured, he must go on workers' compensation leave and receive the workers' compensation weekly benefit after the required waiting period required by G.S. 97-28. One of the following options may be chosen:

- Option 1: Elect to take sick or vacation leave during the required waiting period and then go on workers' compensation leave and begin drawing workers' compensation weekly benefits.
- (2) Option 2: Elect to go on workers' compensation leave with no pay for the required waiting period and then begin drawing workers' compensation weekly benefits.

If the injury results in disability of more than a specified number of days, as indicated in G.S. 97-28, the workers' compensation weekly benefit shall be allowed from the date of disability. If this occurs in the case of an employee who elected to use leave during the waiting

period, no adjustment shall be made in the leave used for these workdays.

(b) Under options 1 and 2 in Paragraph (a) of this Rule, after the employee has gone on workers' compensation leave, the weekly benefit may be supplemented by the use of partial sick or vacation leave, earned prior to the injury, in accordance with a schedule published by the Office of State Personnel each year. Since the employee must receive the weekly benefit, this schedule shall provide an income approximately equal to the past practice of using 100 percent of sick or vacation leave.

(c) Compensatory time may be substituted for sick or vacation leave if applied within the time frames provided under the Hours of Work and Overtime Compensation Policy. (reference: 25 NCAC01D .1928).

(d) If the employee has earned leave or compensatory time and chooses to use it while drawing the weekly benefit, it shall be paid on a temporary pay roll at the employee's hourly rate of pay. It shall be subject to State and Federal withholding taxes and Social Security, but not subject to retirement, just the same as other temporary pay. Once an election is made under Paragraphs (a) through (c), it may not be rescinded for the duration of the claim. Unused leave may be retained for future use.

(f) Employees injured on the job in a compensable accident who, in order to reach maximum medical improvement, require medical or therapy visits during regularly scheduled working hours shall not be charged leave for time lost from work for required treatment.

(g) Employee Refusal of Coverage: Under certain circumstances involving third party liability an employee may elect to refuse workers' compensation benefits. If an employee refuses workers' compensation benefits for injuries resulting from an on the job injury, a release statement, provided by the agency, must be signed by the employee. Unless there is a signed release statement an employee who loses time from work as a result of an on the job injury must be placed under the workers' compensation policy.

25 NCAC 01E .0708 CONTINUATION OF BENEFITS

While on workers' compensation leave an employee is eligible for continuation of the following benefits:

- (1) Performance Increase: Upon reinstatement, an employee's salary shall be computed based on the last salary plus any legislative increase to which he is entitled. Any performance increase which would have been given had the employee been at work may also be included in the reinstatement salary, or it may be given on any payment date following reinstatement.
- (2) Vacation and Sick Leave: While on workers' compensation leave, the employee shall continue to accumulate vacation and sick leave to be credited to his/her account for use upon his/her return. If the employee does not return from workers' compensation leave, vacation and sick leave accumulated only during the first 12 months of workers compensation leave shall be exhausted by a lump sum payment along with other

unused vacation leave which was on hand at the time of the injury. Since the employee is on workers' compensation leave and is not able to schedule vacation time off, the accumulation may in some cases exceed the 240 hours and shall be handled as follows:

(a) The 240-hour maximum to be carried forward to the next calendar year may be exceeded by the amount of vacation accumulated during workers' compensation leave. The excess may be used after returning to work or carried on the leave account until the end of the calendar year at which time any excess vacation shall be converted to sick leave.

> Note: This provision also applies to employees covered under salary continuation provisions of G.S. 143-166 and 115C-337,

- If the employee separates during the period that (b) excess vacation is allowed, the excess leave to be paid in a lump sum may not exceed the amount accumulated during the first 12 months of workers' compensation leave.

25 NCAC 011.2302 DISMISSAL FOR UNSATISFACTORY PERFORMANCE OF DUTIES

(a) Unsatisfactory Job Performance is work related performance that fails to satisfactorily meet job requirements as specified in the relevant job description, work plan or as directed by the management of the work unit or agency.

(b) The intent of this Section is to assist and promote improved employee performance, rather than to punish. This Rule covers all types of performance-related inadequacies. This Section does not require that successive disciplinary actions all concern the same type of unsatisfactory performance. Disciplinary actions related to personal conduct may be included in the successive system for performance-related dismissal provided that the employee receives at least the number of disciplinary actions, regardless of the basis of the disciplinary actions, required for dismissal on the basis of inadequate performance. Disciplinary actions administered under this Section are intended to bring about a permanent improvement in job performance. Should the required improvement later deteriorate, or other inadequacies occur, the supervisor may deal with this new unsatisfactory performance with further disciplinary action.

(c) In order to be dismissed for a current incident of unsatisfactory job performance, an employee must first receive at least two prior disciplinary actions: First, one or more written warnings, followed by a warning or other disciplinary action which notifies the employee that failure to make the required performance improvements may result in dismissal.

(d) Prior to the decision to dismiss an employee, the agency director or designated management representative must conduct a pre-dismissal conference with the employee in accordance with the procedural requirements of the Section.

(e) An employee who is dismissed must receive written notice of the specific reasons for the dismissal as well as notice of any applicable appeal rights.

(f) Failure to give specific written reasons for the dismissal, failure to give written notice of applicable appeal rights, or failure to conduct a pre-dismissal conference constitute procedural violations with remedies as provided for in 25 NCAC 01B.0432. Time limits for filing a grievance do not start until the employee receives written notice of any applicable appeal rights.

History Note: Authority G.S. 126-4; 126-35; Eff. August 3, 1992; Amended Eff. April 1, 2001; December 1, 1995; August 2, 1993.

25 NCAC 01I .2303 DISMISSAL FOR GROSSLY INEFFICIENT JOB PERFORMANCE

(a) Gross Inefficiency (Grossly Inefficient Job Performance) occurs in instances in which the employee fails to satisfactorily perform job requirements as specified in the job description, work plan, or as directed by the management of the work unit or agency and that failure results in:

- the creation of the potential for death or serious harm to a client(s), an employee(s), members of the public or to a person(s) over whom the employee has responsibility; or
- (2) The loss of or damage to agency property or funds that result in a serious impact on the agency or work unit.

(b) Dismissal on the basis of grossly inefficient job performance is administered in the same manner as for unacceptable personal conduct. Employees may be dismissed on the basis of a current incident of grossly inefficient job performance without any prior disciplinary action.

(c) Prior to dismissal of an employee with permanent status on the basis of grossly inefficient job performance, there shall be a predismissal conference between the employee and the agency director or designated management representative. This conference shall be held in accordance with the provisions of 25 NCAC 01I.2308.

(d) Dismissal for grossly inefficient job performance requires written notification to the employee. Such notification must include specific reasons for the dismissal and notice of the employee's right of appeal.

(e) Failure to give specific written reasons for the dismissal, failure to give written notice of applicable appeal rights, or failure to conduct a pre-dismissal conference constitute procedural violations with remedies as provided for in 25 NCAC 01B.0432. Time limits for filing a grievance do not start until the employee receives written notice of any applicable appeal rights.

It shall be conducted by telephone if any party would be required to travel more than 50 miles to attend, unless that party agrees to travel to the location set for the conference. (c) All parties shall attend or be represented at a settlement conference under the same requirements as provided for in a mediation settlement conference under Rule .0204(a) of this Chapter. Parties or their representatives shall be prepared to participate in settlement discussions.

(d) The parties shall discuss the possibility of settlement before a settlement conference if they believe that a reasonable basis for settlement exists.

(e) At the settlement conference, the parties shall be prepared to provide information and to discuss all matters required in Rule .0104 of this Section.

The order is binding on the administrative law judge who is assigned to hear the case.

- (1) competent evidence and arguments presented during the hearing and made a part of the official record;
- (2) stipulations of fact;

- (5) other items in the official record that are not excluded by G.S. 150B-29(b).

(c) An administrative law judge's decision shall fully dispose of all issues required to resolve the case and shall contain:

- (1) a caption;
- (2) the appearances of the parties;

- (3) a statement of the issues;
- (4) references to specific statutes or rules at issue;
- (5) findings of fact;
- (6) conclusions of law based on the findings of fact and applicable constitutional principles, statutes, rules, or federal regulations;

(d) The chief administrative law judge may extend the 45-day time limit for issuing a decision. An administrative law judge who needs an extension must submit a request for extension to the chief administrative law judge before the 45-day period has expired.

(b) Nomination and the Office of Administrative Hearings Approval of a Non-Certified Mediator. If the parties select a non-certified mediator, the petitioner's attorney shall file with the presiding Administrative Law Judge a Nomination of Non-Certified Mediator within 21 days of the Chief Administrative Law Judge's order. Such nomination shall include: the name, address and telephone number of the mediator; the training, experience or other qualifications of the mediator; the rate of compensation of the mediator; and the agreement of the parties as to the selection of the mediator and rate of compensation. The presiding Administrative Law Judge shall rule on the nomination without a hearing, shall approve or disapprove of the parties' nomination and shall notify the parties of the presiding Administrative Law Judge's decision.

(c) Appointment of Mediator by the presiding Administrative Law Judge. If the parties cannot agree upon the selection of a mediator, the petitioner's attorney shall so notify the presiding Administrative Law Judge and request, on behalf of all parties, that the presiding Administrative Law Judge appoint a mediator. The motion must be filed within 21 days of the date of the Chief Administrative Law Judge's order and shall state that the attorneys for the parties have had a full and frank discussion concerning the selection of a mediator and have been unable to agree. The motion shall state whether any party prefers a certified attorney mediator, and if so, the presiding Administrative Law Judge shall appoint a certified attorney mediator. The motion may state that all parties prefer a certified non-attorney mediator, and if so, the presiding Administrative Law Judge shall appoint a certified non-attorney If no preference is expressed, the presiding mediator. Administrative Law Judge may appoint a certified attorney mediator or a certified non-attorney mediator. Upon receipt of a motion to appoint a mediator, or in the event the petitioner's attorney has not filed a Notice of Selection or Nomination of Non-Certified Mediator with the presiding Administrative Law Judge within 21 days of the Chief Administrative Law Judge's order, the presiding Administrative Law Judge shall appoint a certified mediator. Only mediators who agree to mediate indigent cases without pay shall be appointed.

The list shall be kept in the Office of Administrative Hearings and made available to the parties upon request.

(e) Disqualification of Mediator. Any party may move for an order disqualifying the mediator. 26 NCAC 03 .0205 SANCTIONS FOR FAILURE TO ATTEND

If a party or other person required to attend a mediated settlement conference fails to attend, the presiding Administrative Law Judge may impose upon the party or person any appropriate monetary sanction including, but not limited to, the payment of fines, attorneys fees, mediator fees, expenses and loss of earnings incurred by persons attending the conference as authorized by G.S. 150B-33(b)(8) or (10). A party seeking sanctions against another party or person shall do so in a written motion stating the grounds for the motion and the relief sought. 26 NCAC 03 .0206 AUTHORITY AND DUTIES OF MEDIATORS

(a) Authority of Mediator.

- (1) Control of Conference. The mediator shall at all times be in control of the conference and the procedures to be followed.
- (2) Private Consultation. The mediator may communicate privately with any participant or counsel prior to and during the conference. The fact that private communications have occurred with a participant shall be disclosed to all other participants at the beginning of the conference.
- (3) Scheduling the Conference. The mediator shall make a good faith effort to schedule the conference at a time that is convenient with the participants, attorneys and mediator. In the absence of agreement, the mediator shall select the date for the conference.
- (b) Duties of Mediator.
 - (1) The mediator shall define and describe the following at the beginning of the conference:
 - (A) The process of mediation;
 - (B) The differences between mediation and other forms of conflict resolution;
 - (C) The costs of the mediated settlement conference;
 - (D) The fact that the mediated settlement conference is not a hearing, the mediator is not a judge, and the parties retain their right to a hearing if they do not reach settlement;
 - (E) The circumstances under which the mediator may meet and communicate privately with any of the parties or with any other person;
 - (F) Whether and under what conditions communications with the mediator will be held in confidence during the conference;
 - (G) The inadmissibility of conduct and statements as provided by Rule 408 of the North Carolina Rules of Evidence;
 - (H) The duties and responsibilities of the mediator and the participants; and
 - (I) The fact that any agreement reached will be reached by mutual consent.
 - (2) Disclosure. The mediator shall be impartial and advise all participants of any circumstances bearing on possible bias, prejudice or partiality.
 - (3) Declaring Impasse. It is the duty of the mediator to determine that an impasse exists, and that the conference should end.
 - (4) Reporting Results of Conference. The mediator shall file a written report with the parties and presiding Administrative Law Judge within 10 days as to whether or

not agreement was reached by the parties. If an agreement was reached, the report shall state whether the action will be concluded by consent judgment, voluntary dismissal, or withdrawal of petition and shall identify the persons designated to file such pleadings. The mediator's report shall inform the presiding Administrative Law Judge of the absence of any party, attorney, or insurance representative known to the mediator to have been absent from the mediated settlement conference without permission. A copy of the Mediator's report shall also be provided to the Attorney General of North Carolina or his designee responsible for evaluating the mediation program pursuant to the 1993 N.C. Session Laws, c. 363, s. 2.

(5) Scheduling and Holding the Conference. The mediator shall schedule the conference and conduct it prior to the conference completion deadline set out in the Chief Administrative Law Judge's order. Deadlines for completion of the conference shall be strictly observed by the mediator unless said time limit is changed by a written order of the presiding Administrative Law Judge.

History Note: Authority G.S. 7A-751(a); 150B-23.1; Eff. February 1, 1994; Amended Eff. April 1, 2001.

26 NCAC 03 .0207 COMPENSATION OF THE MEDIATOR

(a) By Agreement. When the mediator is stipulated to by the parties, compensation shall be as agreed upon between the parties and the mediator.

(b) By Order. When the mediator is appointed by the Office of Administrative Hearings, the mediator shall be compensated by the parties at the uniform hourly rate and a one-time, per contested case, administrative fee, due upon appointment, as set by the Chief Administrative Law Judge. The Chief Administrative Law Judge shall set the rate at the same rate set by Rule 7 of the Rules of the North Carolina Supreme Court Implementing Statewide Mediated Settlement Conferences in Superior Court Civil Actions.

(c) Change of Appointed Mediator. Pursuant to Rule .0202 of this Section, the parties have 21 days to select a mediator. Parties who fail to select a mediator within that time frame and then desire a substitution after the presiding Administrative Law Judge has appointed a mediator, shall obtain approval from the presiding Administrative Law Judge for the substitution. If the presiding Administrative Law Judge approves the substitution, the parties shall pay the presiding Administrative Law Judge's original appointee the one time, per case administrative fee provided for in Paragraph (b) of this Rule.

(d) Indigent Cases. No party found to be indigent by the presiding Administrative Law Judge shall be required to pay a mediator fee. Any mediator conducting a settlement conference pursuant to these Rules shall waive the payment of fees from parties found by the presiding Administrative Law Judge to be indigent. Any party may move the presiding Administrative Law Judge for a finding of indigence and to be relieved of the obligation to pay that party's share of the mediator's fee. Such motion shall be heard subsequent to the completion of the conference or, if the parties do not settle their contested case, subsequent to the conclusion of the contested case hearing but prior to the issuance of the Administrative Law Judge's decision. The presiding Administrative Law Judge may take into consideration the outcome of the contested case. The presiding Administrative Law Judge shall enter an order granting or denying a party's request.

(e) Postponement Fees. As used in this Paragraph, the term "postponement" shall mean reschedule or not proceed with a settlement conference once a date for the settlement conference has been agreed upon and scheduled by the parties and the mediator. After a settlement conference has been scheduled for a specific date, a party may not unilaterally postpone the conference. A conference may be postponed only after notice to all parties of the reason for the postponement, payment of a postponement fee to the mediator, and consent of the mediator and the opposing attorney. If a mediation is postponed within seven business days of the scheduled date, the fee shall be set at a rate established by the Chief Administrative Law Judge. Postponement fees shall be paid by the party requesting the postponement fees are in addition to the

one time, per case administrative fee provided for in Paragraph (b) of this Rule. The Chief Administrative Law Judge will set the rate at the same rate set by Rule 7 of the Rules of the North Carolina Supreme Court Implementing Statewide Mediated Settlement Conferences in Superior Court Civil Actions.

(f) Payment of Compensation by Parties. Unless otherwise agreed to by the parties or ordered by the presiding Administrative Law Judge, mediator's fee shall be paid in equal shares by the parties. For purposes of this Rule, multiple parties shall be considered one party when they are represented by the same counsel. Parties obligated to pay a share of the costs shall pay them equally. Payment shall be due upon completion of the conference unless there is a pending motion for determination of indigency. In such case, payment shall be due upon a ruling on the motion.

FINDINGS OF FACT

- 1. Petitioner is an African American.
- 2. Respondent employed Petitioner as a Driver License Examiner in September 1983.

- 3. Petitioner was placed in an acting capacity of Senior Driver License Examiner in November, 1989. (T.V. p.8). Subsequently Petitioner applied for the permanent position and was promoted by Respondent to the position of Senior Driver License Examiner. As Senior Driver License Examiner Petitioner supervised five (5) white employees until the hire of Joaey Wright, an African American female. (t.v. pp. 8, 11, 15).
- 4. On January 4, 1994, Petitioner received an envelope postmarked December 23, 1993 which contained a cartoon with a headline that read "Head Niggah In Charge" (Petitioner's Exhibit 18). Petitioner along with each of the five (5) Driver License Examiners and a DMV Enforcement Officer received this cartoon through the mail. (T.V. pp. 20-12).
- 5. Petitioner suspected that Examiner Joaey Wright, an African American female, was the author of the cartoon. (T.V. p. 23). Petitioner requested an investigation. Terry Davis, Petitioner's District Supervisor, tried to persuade Petitioner to drop her grievance. DMV Enforcement investigated the matter and was unable to determine the origin or author of the cartoon. Petitioner was informed that her allegations could not be substantiated. (Petitioner's Exhibit 19-5).
- 6. Mr. Davis believed Petitioner "took it too far" and "spent too much time on it" "especially after they had done the handwriting check. They had an investigation. She just wouldn't leave it alone." (II 170) "But it was a continuing thing about the cartoon. It just continued on and on and on. She was –every person in that office got that cartoon. She wasn't the only black person that got one. Officer Hayes is black also. He didn't cause all this."
- 7. Mr. Davis tried to transfer Petitioner out of the seven person Rocky Mount office to a one person office in Wendell because "Ms. Parker had taken this cartoon or whatever you want to call it, a caricature of whatever it was, and had caused turmoil in the office as far as trying to determine who wrote this cartoon. Hours upon hours she spent trying to find out who did this on State time and every other thing, calling her lawyers, calling the retired SBI agent, That's why." (II-169). Larry Daniel, Assistant Director Driver License Certification, called Petitioner and requested that Petitioner transfer to Wendell on a temporary basis. (T.V. pp. 33-35).
- 8. Petitioner objected to the transfer and was not transferred to Wendell. (T.V. pp. 35, 38).
- 9. In 1997, while Petitioner was out of work for surgery, Mr. Davis invited all of her subordinates in the Rocky Mount office to put in writing all of their complaints about Petitioner. Mr. Davis did not inform Petitioner that he had made this invitation. Mr. Davis did not inform Petitioner he had collected 80 pages of negative comments about her from her subordinates. In Mr. Davis's 33 years at the DMV, he never has asked the employees in a driver's license office to write to him about their feelings about their supervisors. (I-156) Mr. Davis collected the letters and put them in a folder in his District Supervisor's office in the Henderson DMV office.
- 10. Later in 1997 Petitioner was transferred to a "temporary" assignment in Raleigh to assist in the statewide automation of driver license records. As of July 2000, she remained in this "temporary" assignment.
- 11. The position held by Terry Davis was upgraded to Chief Examiner in 1999. (. II. P. 127). In April 1999, Mr. Davis selected Driver License Examiner Sylvia Spain to be Acting District Supervisor.
- 12. At the time, Petitioner was a Senior Driver License Examiner assigned to the Henderson District who was working a special assignment in Raleigh. Petitioner had approximately eight years of supervisory experience and supervisory training. Petitioner also had experience setting up the new automated licensing procedures across the state which she gained while on "special assignment" at the Driver License Headquarters in Raleigh.
- 13. Mr. Davis considered all senior driver license examiners when deciding who would serve as Acting District Supervisor. (T.II. pp. 144-145). "Ms. Parker was on special assignment in Raleigh, and I could not get them to release her to come back. I did not ask at the time, but I had asked several times before." (T. II. P. 145). Further, Mr. Wayne Hurder testified that he needed Ms. Parker in Raleigh and if her name was put "on the table," he would have taken it off. (T. III. P. 89, 92).
- 14. Ms. Spain has had access to Mr. Davis' District Supervisor files in Henderson, including the folder containing 80 pages of complaints about Petitioner that Mr. Davis left in the Henderson office.
- 15. As an Acting District Supervisor, Ms. Spain attended two retreats in June and November 1999, and monthly District Supervisor meetings in May, August and September, 1999. Mr. Davis, Ms. Arnold and Mr. Blevins also attended these meetings.
- 16. After six months as Acting District Supervisor, Ms. Spain applied for the position when it was posted for six days from 12 October to 18 October 1999. (Pet Ex 14-6). Petitioner also applied for this position during the posting period. (Pet Ex I-1)

- 17. On 15 October 1997, the DMV adopted a Merit-Based Recruitment plan and on 8 May 1998 written policies to implement this plan were issued. The procedure that was adopted was to set up three-person interview panels. The panelists were to score the interview responses of the applicants to a set of pre-determined questions. The job or promotion was to be awarded to the applicant with the highest score.
- 18. Ms. Mary A nn Martin, a Driver License Examiner in the Rocky Mount office, testified that sometime in early 1999, after the interview panel procedure had replaced the old system of District Supervisors hiring people directly, Mr. Davis had told her that "he knew who would be on the panel and if there was other district supervisors that he could contact them and tell them out of the applicants that were being interviewed who he wanted for his district." (II-43) Mr. Davis testified he did not "believe" he told the Rocky Mount staff that supervisors tell each other who they want for the job, that's the one that gets it, and that the interview scores could be manipulated, but he agreed it would not be too hard to "fudge the scores a little bit." (II-157)
- 19. Department of Transportation-Division of Motor Vehicles Personnel Policy and Procedures Merit-Based Recruitment & Selection Plan, effective October 15, 1997, states as follows: Rule 6.2.3 Use of Panel/Individual for Evaluation Process the hiring manager, in consultation with the DMV Personnel Officer, decides if a panel is to be used. (Petitioner's Exhibit 12) In reference to the Interview Panel, DMV Selection Policy provides that the Section Director, or designee, appoints an interview panel. (Petitioner's Exhibit 13).
- 20. Mr. Michael Bryant, Director of Driver License Administration Adjudication, appointed the panel to interview applicants for the position of district supervisor. Mr. Bryant has the responsibility for assigning the interview panels. (T. II. P. 94). The panel consisted of Ms. Judy Arnold, Chief Examiner; Mr. Terry Blevins, Chief Examiner and Ms. Tola Bailey, District Supervisor. Ms. Judy Arnold was Chairperson of this interview panel.
- 21. The interviews were scheduled just after Ms. Spain had attended the November retreat in Asheville with Ms. Arnold, Mr. Blevins, Mr. Davis, and Tola Bailey.
- 22. The offices of Terry Davis, Judy Arnold and Terry Blevins are on the same floor of the Division of Motor Vehicles Headquarters in Raleigh. They see each other every day they are there. Mr. Davis and Mr. Blevins sometimes have lunch together. They normally will talk about personnel issues. (T. II. P. 155).
- 23. Mr. Davis told Mr. Blevins about the information in the 80 pages of letters about Petitioner that he kept in his files in Henderson. (II-156) "Maybe talking—telling that there was -the letters were written but the contents, no." (II-161-2) "I'm not sure if Blevins didn't ask me about the letters," Mr. Davis said. "I'm sure that I did [say they were uncomplimentary or negative] if we discussed that." (II-165).
- 24. Mr. Davis also told Ms. Arnold about the letters, "Not specific what was in it. She knew that there was—I mean, just like I told them that I had letters—I mean that's –I don't think we specifically went through them."
- 25. Mr. Davis said he probably told both Ms. Arnold and Mr. Blevins he had "gotten some letters from the staff in Rocky Mount," he didn't know whether he described them as being long, but he was sure that he told them the letters were negative, "if we discussed that."
- 26. Ms. Arnold testified that she did not ask Mr. Davis or talk with Mr. Blevins about why Petitioner was working in Raleigh and not in Rocky Mount. (T. I. Pp. 90-91).
- 27. Ms. Bailey, however, testified "Judy" [Arnold] told her there was "a big, thick folder of information that I don't know who had on her. . .and that they had disciplinary stuff." (II-168) Ms. Bailey testified Ms. Arnold told her there was "documentation that was valid stuff that was against Brenda Parker, but nobody was allowed to discipline her" and Ms. Arnold told her "Larry Daniels would not allow anybody to discipline Brenda Parker." (II-169)
- 28. Mr. Hurder, the Section Director, testified Ms. Bobbi Holloman, whose office adjoined Ms. Arnold's, told him she had heard Ms. Arnold say if Mr. Hurder and Mr. Daniels had let Mr. Davis discipline Petitioner like he wanted to we would not have this discrimination complaint. (IV-33) Mr. Hurder testified Ms. Holloman told him she had heard Mr. Blevins, Ms. Arnold and Mr. Davis say "this never would have gotten here if Wayne and Larry had taken care of business or fired her." (IV-37).
- 29. Ms. Holloman denied overhearing any statements about the promotion from Ms. Arnold, other than "general conversation." (II-84) Ms. Holloman's testimony on this point was not credible.
- 30. In Ms. Arnold's hearing testimony on 19 July 2000, she denied saying anything regarding this promotion around her office. (I-99). After giving this testimony, Ms. Arnold returned to her office and asked Ms. Holloman, "Where in the world, why would somebody say that I

said that Sylvia Spain deserved this thing?" Ms. Arnold asked Ms. Holloman if she was the source of this question. (IV-19) Ms. Holloman's testimony was on the next day, 20 July 2000.

- 31. Ms. Holloman testified Ms. Arnold talked to her on 19 July 2000, just after Ms. Arnold's testimony and before Ms. Holloman's. According to Ms. Holloman, Ms. Arnold asked "if I had ever said to you that Sylvia deserved the job for what happened to her before, and I said, we didn't." (IV-4, 5)
- 32. The hearing witnesses had been sequestered. Those witnesses present on July 19, 2000 were instructed not to discuss with each other their testimony.
- 33. Ms. Arnold's testimony is found to be not credible.
- 34. The interview was conducted on 8 November 1999 and the two main contenders were Ms. Spain and Petitioner. The panel tallied its scores after the interviews. Ms. Spain received 145; Petitioner received 144.
- 35. Mr. Blevins and Ms. Arnold (both white) asked follow up questions of Ms. Spain (white) on seven out of twelve written interview questions. Mr. Blevins or Ms. Arnold asked at least one follow up question of Petitioner. (Petitioner's Exhibit 8). Ms. Bailey placed a question mark on her interview sheet where follow up questions were asked. (Petitioner's Exhibits I-2, 7).
- 36. Of the seven follow up questions asked of Sylvia Spain, Mr. Blevins' score for Ms. Spain was higher than Petitioner's score on five questions; Ms. Arnold's score for Ms. Spain was higher than Petitioner's score on two questions; Mr. Blevins scored Petitioner higher on one question and Ms. Bailey scored Petitioner higher on six questions. Petitioner and Ms. Spain received the same score by Mr. Blevins on one question; Ms. Arnold gave them both the same score on five questions and Ms. Bailey gave them both the same score on one question. (Petitioner's Exhibit 8).
- 37. After the interviews the panel members individually totaled their scores, Ms. Bailey asked if she had missed something in the interviews and stated that she thought Ms. Spain had been asked leading questions. (T. I. Pp. 186-187). Ms. Arnold told Ms. Bailey that she didn't like some of Petitioner's answers and that they could discuss it since she felt the way she did. Ms. Bailey responded that there was nothing to discuss. (T. I. P. 188).
- 38. On 13 December 1999, respondent notified Petitioner it had chosen Ms. Spain. On 4 January 2000, Petitioner filed this contested case.

CONCLUSIONS OF LAW

1. Petitioner is a career State employee and the Office of Administrative Hearings has jurisdiction over the subject matter herein, pursuant to N.C. Gen. Stat. § 126-34.1. The parties properly are before the Office of Administrative Hearings.

Race Discrimination Claim

- 2. North Carolina courts look to federal employment discrimination law for guidance in establishing evidentiary standards. *North Carolina v. Gibson, 308 N.C. 130, 301 S.E. 2d 78 (1983).*
- Direct evidentiary standards guidance was given by U.S. Supreme Court in *Reeves v. Sanderson*, U.S. ____, 147 L. Ed. 2d 105, 2000 U.S. Lexis 3966, 120 S. Ct. 2097, 12 June 2000. *Reeves* unanimously overturned a 4th Circuit case, *Theard v. Glaxo, Inc.* 47 F. 3d 676 (CA4 1995) that had misapprehended the U.S. Supreme Court holding in *St. Mary's Honor Center v. Hicks*, 509 U.S. 502, 125 L. Ed. 2d 407, 113 S. Ct. 2742 (1993).
- 4. *Reeves* reaffirmed *St. Mary's* holding that:

The factfinder's disbelief of the reasons put forward by the defendant (particularly if disbelief is accompanied by a suspicion of mendacity) may, together with the elements of the prima facie case, suffice to show intentional discrimination. Thus, rejection of the defendant's proffered reasons will permit the trier of fact to infer the ultimate fact of intentional discrimination.

(*Reeves* at 2108, reaffirming its holding in *St. Mary's Honor Center*, 509 U.S. at 511, overturning 4th Circuit holding *St. Mary's* required a showing of pretext <u>plus</u> a showing of discriminatory intent.)

5. *Reeves* gave detailed guidance to the trier of fact when it suspects mendacity:

In appropriate circumstances, the trier of fact can reasonably infer from the falsity of the explanation that the employer is dissembling to cover up a discriminatory purpose. Such an inference is consistent with the general principle of evidence law that the factfinder is entitled to consider the party's dishonesty about a material fact as "affirmative evidence of guilt."

(Reeves, 2108, citing Wright v. West, 505 U.S. 277, Wilson v. United States, 162 U.S. 613, and 2 J. Wigmore, Evidence 278(2) p. 133)

Moreover, once the employer's justification has been eliminated, discrimination may well be the most likely alternative explanation, especially since the employer is in the best position to put forth the actual reason for the decision.

(Reeves, 2108-9)

- 6. Under G.S. 126-16 and 126-36, it is unlawful for the employer to deny a state employee a promotion because of her race.
- 7. Petitioner must first establish a prima facie case of discrimination by introducing evidence sufficient to support a finding that (1) Petitioner was a member of a protected class; (2) Petitioner suffered an adverse employment action; (3) Petitioner was qualified for the position; and (4) a person not of a protected class replaced or was selected over the Petitioner. Petitioner met her prima facie burden by proving: [1] she applied for and was qualified for an available position, [2] that she was rejected, and that [3] after she was rejected [the employer] filled the position with a white employee. N.C. Department of Correction v. Hodge, 99 N.C. App. 602, 611 394 S.E. 2d 285, 1990.
- 8. To rebut this inference, the burden of persuasion then shifted to respondent to present evidence that [Petitioner] was rejected, or the other applicant was chosen, for a legitimate, nondiscriminatory reason. *Id*. For example, a legitimate nondiscriminatory reason is an employer's promotion of a better qualified employee than the Petitioner. *Id*.
- 9. The selection of state employee applicants is governed by 25 NCAC 1H. 0606 which provides:

(a) The selection of applicants for vacant positions will be based upon a relative consideration of their qualifications for the position to be filled. Advantage will be given to applicants determined to be most qualified and hiring authorities must reasonably document hiring decisions to verify this advantage was granted and explain their basis for selection.

(b) Selection procedures and methods will be validly related to the duties and responsibilities of the vacancy to be filled. The Office of State Personnel will provide technical assistance, upon request, to agencies wishing to design or review selection procedures.

- 10. Respondent presented no evidence other than that the interview panel's total score of 145 for the successful (white) applicant was a point higher than Petitioner's as its proffered reason for selecting Ms. Spain.
- 11. Respondent called no witnesses but presented evidence through cross-examination of witnesses. The evidence presented on behalf of Respondent was that Petitioner and the recommended applicant were qualified for the position. Petitioner was interviewed by an Interview Panel of three persons. Each panel member individually scored the answers given by the interviewee. The recommended applicant received a higher total score than the Petitioner. The Petitioner was within two points of being the successful applicant. Factors used to evaluate the applicants were answers given to the questions asked. Because Ms. Arnold is deemed not credible, whereas Ms. Bailey was found to be credible, there is more than a suspicion of mendacity arising from the reason proffered by Respondent.
- 12. To eliminate racial stereotypes, profiles and other preconceptions, employment selections should be predominantly based on objective factors, including applicants' comparative experience, credentials, training and other objective qualifications, as provided in 25 NCAC 1H. 0606. Respondent produced no evidence that such objective factors were the basis for the selection of the white applicant, who, in fact, had much less supervisory experience than Petitioner.
- 13. No "relative consideration of their qualifications for the position to be filled" was done with the applicants here.
- 14. In *Hodge, op. cit.*, three white interviewers gave the successful white applicant 71 points and the African American petitioner 60 points. "The State's use of the interview as the <u>sole criteria</u> for not promoting Hodge contravened its own system of promotion, in which the State used the interview as one item that carried more weight than all of the other items of evaluation combined." <u>Hodge</u> at 613, emphasis added. The Department of Corrections did not follow its own promotion process in <u>Hodge</u>. The agency was supposed to consider the interview scores as "one item that carried more weight than all the other items." Here, the agency's

selection was based solely on the subjective scores from a short interview, thus making the DMV's "system of promotion" even more prone to subjective, personal prejudice errors.

- 15. Respondent did not comply with the first part of 25 NCAC 1H. 0606, which provides that: Advantage will be given to applicants determined to be most qualified and hiring authorities must reasonably document hiring decision to verify this reasonably document[ed] hiring decisions to verify this advantage was granted and explain their basis for selection. Advantage here was given to one applicant with helpful questions in the interview. The hiring authorities presented no documents, reasonable or otherwise, that documented that the successful applicant was the "most qualified" or that explained the basis for the selection, other than that the panelists' total was one point higher for her.
- 16. Respondent did not comply with the second part of 25 NCAC 1H. 0606, which provides that: Selection procedures and methods will be validly related to the duties and responsibilities of the vacancy to be filled. The Office of State Personnel will provide technical assistance, upon request, to agencies wishing to design or review selection procedures. Respondent produced no evidence that the interview panel procedure it adopted in 1998 is "validly related" to the duties and responsibilities of the vacancy to be filled. There is no evidence Respondent requested the Office of State Personnel to help it design or review this procedure.
- 17. The interview panel procedure as applied in this case by Respondent is found to be in violation of 25 NCAC 1H. 0606 as a matter of law.
- 18. For evidence to be sufficient to infer discriminatory mo tive, decision-makers rely on any number of circumstantial factors. Some factors triggered by the facts here include: A hostile attitude of the decision maker. (*Jetstream AERO Services, Inc. v. New Hanover County,* No. 88-1748, 1989 WL 100644 (4th Circ. 15 August 1989); Disparate and unequal treatment among employees. (*Abasiekong v. City of Shelby*, 744 F.2d 1055 (4th Cir.1984); *Krieger v. Gold*, 863 F.2d 1091 (2nd Cir. 1988); *Ramsuer v. Chase*, 865 F. 2d 460 (2nd Cir. 1989); Inadequate or bad faith investigation of allegations regarding an adverse action. (*Martinez v. El Paso*, 710F2d1102, 1104(5th Cir. 1983); Deviations from regular and routine procedures or failure to adhere to procedural guidelines and delayed articulation of alleged justification. (*Lindahl v. Air France*, 930 F. 2d 1434 (9th Cir. 1991).
- 19. Respondent did not present substantial evidence to show legitimate, nondiscriminatory reasons why Respondent hired the successful applicant over the Petitioner. It is concluded that the reasons proffered by the agency to select the white candidate over Petitioner are not supported by the evidence and that the employer is dissembling to cover up a discriminatory purpose.
- 20. It is concluded Petitioner's admissible evidence has proven by a preponderance of the evidence that the "145-144" score proffered as the reason for selecting the successful applicant was pretextual on its face.

Political Influence Claim

- 21. Petitioner also alleged that she was denied this promotion because of political influence. Petitioner has the burden of proof on this issue.
- 22. N.C. Gen. Stat. 126-14.2 provides protection for state employees who believe they were not hired because of political affiliation or political influence. Although the language of the statute does not expressly cover a promotion situation, construing the statute as a whole, it is concluded as a matter of law that it includes both hiring and promotion.
- 23. To meet the <u>prima facie</u> requirements of the statute, petitioner must show that (1) she applied for the position in question during the open application period; (2) she was not hired into the position in question, (3) she was among the pool of the most qualified applicants (4) the successful applicant was not among the pool of the most qualified applicants (Gen. Stat. 126-14.2) (5) The hiring decision was based upon political affiliation or political influence (N.C. Gen. Stat. §126-14.2(c)).
- 24. While the evidence suggests some political influence in some of the personnel decisions in the evidence, Petitioner failed to meet the prima facie burden in this statute because the successful applicant for the position was in the pool of the most qualified applicants.
- 25. Therefore, it is found as a conclusion of law that Petitioner must meet all four <u>prima facie</u> burdens in the law and, since the successful applicant was in the pool of the most qualified applicants, Petitioner failed to meet her burden. Petitioner failed to establish a prima facie case of political discrimination under N.C. Gen. Stat. §126-14.2 and her claim is denied.

Retaliation Claim

- 26. Petitioner has alleged she was denied the promotion in question in retaliation for her objecting to racial harassment in 1994. Petitioner has the burden of proof on this issue.
- 27. The *Reeves* evidentiary standards apply to the analysis of a retaliation claim.
- 28. Petitioner alleged she was not selected for the position of District Supervisor because of retaliation for consistently requesting an investigation into the origin of a racial cartoon which was mailed to all Examiners and a DMV Enforcement Officer by another Examiner (a black female) in the Rocky Mount Office.
- 29. To establish a prima facie case of retaliation, Petitioner must show that (1) she engaged in protected activity, (2) the employer took adverse action; and (3) there existed a causal connection between the protected activity and the adverse action. *Brewer v. Cabarrus Plastics, Inc.*, 130 N.C. App. 681, 504 S.E.2d 580, 586 (1998).
- 30. Petitioner has failed to persuade the undersigned that retaliatory animus affected the promotion decision in question. Given the conclusion of law in the race discrimination claim, it is unnecessary to make a further analysis here.

RECOMMENDED DECISION

Respondent discriminated against Petitioner because of her race when it failed to select her for the District Supervisor position in November 1999. Respondent should (a) reinstate Petitioner to the position that she should have been promoted into in accordance with 25 NCAC 1B.0429, and (b) provide Petitioner back pay from the date she was not selected on 9 November 1999, including all raises and other benefits to which she would have been entitled and (c) award Petitioner reasonable attorney fees pursuant to 25 NCAC 1B.0414 upon submission by the Petitioner's counsel of a Petition for Attorney Fees with an accompanying itemized statement of the fees and costs incurred in representing the Petitioner. Petitioner's political influence and retaliation claims should be denied because Petitioner has not carried her burden of proof on either issue.
