The North Carolina Administrative Code (NCAC) has four major subdivisions of rules. Two of these, titles and chapters, are mandatory. The major subdivision of the NCAC is the title. Each major department in the North Carolina executive branch of government has been assigned a title number. Titles are further broken down into chapters which shall be numerical in order. The other two, subchapters and sections are optional subdivisions to be used by agencies when appropriate.

EXECUTIVE ORDER NO. 4

CLEMENCY

WHEREAS, Article III, Section 5(6) of the Constitution of North Carolina, vests the power of clemency exclusively with the Governor.

WHEREAS, the Constitution of North Carolina empowers the Governor with sole, unrestricted, and unlimited discretion to exercise the power of clemency to pardon, commute, or grant reprieves, except in cases of impeachment.

WHEREAS, North Carolina General Statute, Section 15A-838, the Crime Victims' Rights Act, requires, the Governor's Clemency Office to notify certain victims, as defined by North Carolina General Statute, Section 15A-830, when it is considering commuting the defendant's sentence or pardoning the defendant.

WHEREAS, crime victims and prosecutors should have the right to be notified, and the general public has the right to know, if the convicted perpetrator in a particular case has a petition for a reprieve, commutation, or pardon actively being considered before the Governor's Clemency Office.

NOW THEREFORE, by the authority vested in me as Governor of the State of North Carolina. IT IS ORDERED:

<u>Section 1.</u> The Governor's Clemency Office will create for public posting a listing of the names of every individual whose application for a reprieve, commutation, or pardon is actively being considered.

Section 2. The list of names will be publicly posted on a state governmental website. Additionally, the Governor's Clemency Office will post the list of names on a bulletin board outside of its office for public inspection during normal business hours.

<u>Section 3.</u> In addition to the applicant's name, information related to the individual's offense, conviction date, and length of sentence should also be publicly available.

<u>Section 4.</u> Beyond the requirements of the Crime Victims' Rights Act, North Carolina General Statute, Section 15A-838, the Governor's Clemency Office will notify the relevant crime victim and prosecutor in every case where the convicted perpetrator has a petition for a reprieve, commutation, or pardon actively being considered by the Governor's Clemency Office.

Section 5. For all petitions now actively being considered by the Governor's Clemency Office, public posting will take effect within thirty days from the effective date of this Executive Order. All other petitions subsequently filed, and actively considered, will be posted within thirty days of filing.

Section 6. Exceptions to this Executive Order may be made in capital cases where the Office of the Attorney General ensures that the victim's family and the relevant District Attorney's office are notified as to clemency petitions, and in other special cases, such as with claims of "actual innocence", where any delay for public posting and comment would cause further unjust incarceration or record of conviction. In such cases, the Clemency Office must notify the Governor's Office of Legal Counsel immediately.

This Executive Order is effective immediately and shall remain in effect, as written, until terminated or amended by further Executive Order.

Done in the Capital City of Raleigh, North Carolina, this 6th day of March 2001.

NORTH CAROLINA DEPARTMENT OF LABOR

IN RE REQUEST FOR DECLARATORY)	
BY NORTH CAROLINA CITIZENS)	DECLARATORY RULING
FOR BUSINESS AND INDUSTRY)	

I, Cherie K. Berry, the North Carolina Commissioner of Labor, issue this Declaratory Ruling pursuant to G.S. 150B-4, on behalf of the North Carolina Department of Labor (the "Department"). The Department issues this Ruling in response to a Petition for Declaratory Ruling dated February 19, 2001 from Thomas R. West of Poyner & Spruill L.L.P. on behalf of North Carolina Citizens for Business and Industry ("NCCBI").

This Declaratory Ruling addresses the validity of the verbatim adoption of the Federal Ergonomics Program adopted by the Department on November 14, 2000 as an amendment to 13 NCAC 07F .0101 ("State Ergonomics Rule"). For reasons explained fully below, I conclude that: (1) the State Ergonomics Rule was void *ab initio* because it was promulgated prior to the effective date of the federal ergonomics program January 16, 2001 which the State Ergonomics Rule adopts by reference, and (2) declaring the State Ergonomics Rule invalid and adopting a new State rule, if necessary, will resolve any doubt about the validity of the State Ergonomics Rule, which is in the best interests of both the Department and the individual and corporate citizens of North Carolina.

This Declaratory Ruling will be binding on the Department with regard to the validity of the State Ergonomics Rule, as adopted on November 14, 2000.

STATEMENT OF FACTS

On November 14, 2000, the Department purported to promulgate a State Ergonomics Rule which adopted verbatim the Federal Ergonomics Program, published that same date in the Federal Register by the federal Occupational Safety and Health Administration ("OSHA"). The Department published a "Notice of Verbatim Adoption of Federal Standards" in the North Carolina Register on December 15, 2000. This notice stated, in pertinent part, that the Occupational Safety and Health Division of the Department "has submitted a permanent rule change to 13 NCAC 07F .0101, General Industry to incorporate the verbatim adoption of the Federal Ergonomics Program found at 65 FR 68261-68870, November 14, 2000." The Department purported to adopt the new State Ergonomics Rule pursuant to G.S. 150B-21.5(c).

In accordance with G.S. 150B-21(f), the Department submitted with the Rule a "Federal Law Rule Certification" dated November 14, 2000, which stated that the new State Ergonomics Rule was required by "29 CFR 1952.23(a)(2) [sic] and G.S. 95-131(a) in order for North Carolina=s Occupational Safety and Health program to be as effective as the federal program and to maintain North Carolina=s state plan status under the federal Occupational Safety and Health Act of 1970." This certification also stated that "[the State Ergonomics Rule] will be effective November 14, 2000 pursuant to the provisions of G.S. 150B-21.3(e)."

The final rule setting forth the Federal Ergonomics Program adopted by OSHA was published in the Federal Register at 65 Fed. Reg. 68261-68870, on November 14, 2000; however, the *effective date* of the Federal Ergonomics Program was *January 16*, 2001. 65 Fed. Reg. 68261-68870, Nov. 14, 2000.

ANALYSIS

I. THIS DECLARATORY RULING IS ISSUED IN ACCORDANCE WITH THE NORTH CAROLINA ADMINISTRATIVE PROCEDURE ACT

The North Carolina Administrative Procedure Act ("North Carolina APA") provides that upon request of a person aggrieved, an agency must issue a declaratory ruling as to the validity of a rule, except when the agency for good cause finds issuance of a declaratory ruling undesirable. G.S. 150B-4(a) (2001). A person aggrieved is "any person or group of persons of common interest directly or indirectly affected substantially in his or its person, property, or employment by an administrative decision." G.S. 150B-2(6) (2001).

This Declaratory Ruling is in response to such a request by NCCBI, an organization that qualifies as a person aggrieved because it is both a person (as defined by G.S. 150B-2(7)) and a group of persons that will be directly and indirectly affected substantially in property and employment by the State Ergonomics Rule. NCCBI is a nonprofit, nonpartisan trade association with more than 2,300 member companies representing approximately 1.1 million employees. NCCBI=s membership includes small and large businesses, as well as many local school systems, public and private colleges and universities, and community colleges. NCCBI

and its member businesses will be affected substantially in their property and employment on a daily basis by the State Ergonomics Rule and the costs and significant efforts associated with compliance.

North Carolina's courts repeatedly have recognized that associations such as NCCBI can be persons aggrieved. *See e.g.*, *ACT-UP Triangle v. Comm=n for Health Serv.*, 345 N.C. 699, 704-05, 483 S.E.2d 388, 391 (1997) (holding that judicial review of Commission=s denial of rule-making petition was available to AIDS activist group pursuant to G.S. 150B-20(d), which provides for judicial review in accordance with Article 4 of North Carolina APA, which defines aggrieved person=s right to judicial review of agency decision, G.S. 150B-43); *Save Our Rivers, Inc. v. Town of Highlands*, 113 N.C. App. 716, 723, 440 S.E.2d 334, 339 (1994); *rev=d on other grounds*, 341 N.C. 635, 461 S.E.2d 333 (1995) (holding that non-profit environmentalist corporation composed of Macon County residents who used river qualified as person aggrieved by permit modification increasing local wastewater treatment plant=s discharge capacity issued by Division of Environmental Management); *Citizens for Clean Indus. v. Lofton*, 109 N.C. App. 229, 234, 427 S.E.2d 120, 123 (1993) ("There seems to be no dispute that CCI [citizens= environmentalist group] and City are aggrieved persons."). Moreover, this State=s courts have defined the term person aggrieved broadly:

The expression "person aggrieved" has no technical meaning. What it means depends on the circumstances involved. It has been variously defined: "Adversely or injuriously affected; damnified, having a grievance, having suffered a loss or injury, or injured; also having cause for complaint. More specifically the word(s) may be employed meaning adversely affected in respect of legal rights, or suffering from an infringement or denial of legal rights."

In re Assessment of Sales Tax, 259 N.C. 589, 595, 131 S.E.2d 441, 446 (1963) (interpreting predecessor judicial review statute, which did not define the term) (citations omitted) (quoted in *Empire Power Co. v. N.C. Dep't of Evn't, Health and Natural Resources*, 337 N.C. 569, 588, 447 S.E.2d 768, 779 (1994) (interpreting G.S. 150B-23(a)).

Because NCCBI is a person aggrieved by the Department=s adoption of the State Ergonomics Rule and because sound public policy dictates that the Department issue this Declaratory Ruling, the Department is obligated, pursuant to G.S. 150B-4(a), to respond to NCCBI=s Request and issue this Declaratory Ruling regarding the validity of the State Ergonomics Rule.

II. NORTH CAROLINA=S OCCUPATIONAL SAFETY AND HEALTH PROGRAM MUST BE AS EFFECTIVE AS THE FEDERAL OSHA PROGRAM

Federal regulations require North Carolina=s Department of Labor to maintain and enforce an occupational safety and health program ("State Program") which is "at least as effective as in providing safe and healthful employment and places of employment as the standards promulgated under . . . the Act." 29 C.F.R. 1902.1(b), et seq., and 1952.154(c). North Carolina=s State Program was granted final approval by the U.S. Department of Labor effective December 10, 1996, and concurrent federal enforcement authority over our State Program was relinquished at that time. 29 C.F.R. 1952.154(a), 1952.155. Since this final approval, North Carolina has exercised independent control over the operation and enforcement of its State Program.

In order to maintain a State Program that is as effective as the Federal Program, federal regulations require that North Carolina "shall promulgate a State standard adopting such new Federal standard, . . . or an at least as effective equivalent thereof, within six months of the date of promulgation of the new Federal standard" 29 C.F.R. 1953.23(a)(2). An OSHA regulation generally is deemed to be promulgated when it is published in the Federal Register. See, e.g., Horsehead Resource Dev. Co., Inc. v. EPA, 130 F.3d 1090 (D.C. Cir. 1997); United Tech. Corp. v. OSHA, 836 F.2d 52 (2d Cir. 1987). Therefore, 29 C.F.R. 1953.23(a)(2) requires North Carolina to promulgate a State standard adopting a new federal standard within six months of the date the federal standard is published in the Federal Register. Applying this rule to the new Federal Ergonomics Program, North Carolina must promulgate a corresponding State standard on or before May 14, 2001.

The requirement that our State adopt occupational safety and health standards equally effective to federal standards is mirrored in North Carolina law, which provides that the Commissioner of Labor must adopt federal OSHA standards verbatim unless alternative state standards that are as effective as the federal standards adopted. G.S. 95-131(a). Section 95-131(a) provides that all federal OSHA standards "shall be adopted as the rules of the Commissioner [of Labor] of this State unless the Commissioner decides to adopt an alternative State rule as effective as the federal requirement . . . @ Also pursuant to this statute, the North Carolina Administrative Procedure Act ("North Carolina APA"), codified at G.S. 150B, governs the adoption of such rules by the Commissioner.

A. The Federal Ergonomics Program Was Not Effective Until January 16, 2001

The federal Administrative Procedure Act ("Federal APA") requires each agency to publish in the Federal Register substantive rules of general applicability adopted as authorized by law. 5 U.S.C. 553. Every federal substantive rule must be published at least thirty days before its effective date, with limited exceptions not applicable to the Federal Ergonomics Program. 5 U.S.C. 553 (d). The purpose of the Section 553(d) notice requirement is to inform affected persons and afford them reasonable time and opportunity to prepare for the effective date of the rule or to take any other action which issuance of the rule may prompt. *Rowell v. Andrus*, 631 F.2d 699, 703 (4th Cir. 1980). An agency may avoid the Section 553(d) notice requirement only "for good cause found and published with the rule." 5 U.S.C. 553(d)(3). As noted in *Rowell*, "[t]he required publication of the adopted rule, and the

15:19 NORTH CAROLINA REGISTER

April 2, 2001

subsequent time lapse required before its effective date, cannot be dispensed with by the agency merely because the adopted rule turns out to be the same as the proposed rule." *Id.* North Carolina=s citizens must be afforded no less than the same opportunity contemplated by the federal standard.

Moreover, under federal law, there is a sixty day period following publication of a final rule in the Federal Register during which the United States Congress may review the rule and repeal it through a joint resolution of disapproval. *See* 5 U.S.C. 801, 802. Accordingly, and by its own terms, the Federal Ergonomics Program final regulations were not effective until January 16, 2001, sixty days after the rules were published in the Federal Register.

B. The Department Cannot Adopt By Reference a Federal OSHA Rule Until that Rule Is Legally Effective

Compliance with the procedural requirements of the Federal APA is essential to the validity of a federal administrative rule. A federal regulation is invalid if the agency fails to follow procedures required by the Federal APA. *E.g.*, *Buschmann v. Schweiker*, 676 F.2d 352, 355-56 (9th Cir. 1982) (citations omitted). As noted above, Section 553(d) of the Federal APA requires the agency to publish a substantive rule in the Federal Register at least thirty days before the rule=s effective date, unless the agency finds good cause not to comply with this requirement. A similar notice provision applies to proposed administrative rules. 5 U.S.C. 553(b).

Exceptions to the notice provisions of Section 553 are "narrowly construed and only reluctantly countenanced." Am. Fed=n of Gov=t Employees v. Block, 655 F.2d 1153, 1156 (D.C. Cir. 1981) (quoting State of New Jersey, Dep=t of Envtl. Protection v. EPA, 626 F.2d 1038, 1045 (D.C. Cir. 1980)); accord Envtl. Def. Fund, Inc. v. Gorsuch, 713 F.2d 802 (D.C. Cir. 1983). The D.C. Circuit has stated that "use of these [good cause] exceptions by administrative agencies should be limited to emergency situations; furthermore, the grounds justifying the agency = s use of the exception should be incorporated within the published rule." Id. (internal citations omitted). Federal courts repeatedly have acknowledged the importance of an agency=s compliance with the notice requirements of Section 553. See, e.g., Buschmann, 676 F.2d at 358 (holding that interim amendment to supplemental security income regulation was invalid due to failure to comply with notice and comment requirements of Section 553(b) until proper promulgation of final rule); Kollett v. Harris, 619 F.2d 134 (1st Cir. 1980) (striking down interim regulations implementing amendments to Social Security Act due to failure to comply with Section 553(b)); State of New Jersey, 626 F.2d 1038 (holding that agency=s request for comments after promulgation of rule was not viable substitute for Section 553(b) notice and comment procedure). In addition to complying with the Federal APA, to have the force of law, a federal substantive rule must have an effective date, Gorsuch, 713 F.2d at 817-18 (emphasis added); accord Associated Builders & Contractors, Inc. v. Herman, 976 F. Supp. 1, 7 (D.D.C. 1997). Promulgation of the rule does not constitute an effective date. "As the term is generally used, >promulgate= means >to make known by open declaration = or >to make . . . public the terms = of a rule or law." United Tech. Corp., 836 F.2d at 54 (citing Webster = Third New Int=1 Dictionary 1816 (1981)). The Second Circuit concluded that the rules were issued when filed in the Office of the Federal Register and promulgated when published therein. Id. In contrast, the "effective date" is defined as "[t]he date on which a statute, contract, insurance policy, or other such instrument becomes enforceable or otherwise takes effect, which sometimes differs from the date on which it was enacted or signed." Black=s Law Dictionary 533 (7th ed. 1999). Clearly, the promulgation of a rule is very different from its taking effect and the promulgation of the rule cannot give rise to an action pursuant thereto which predates the rule=s effective date.

With regard to the Federal Ergonomics Program, OSHA clearly did not find good cause to avoid the notice requirement of Section 553(d) because the regulations setting forth the Program expressly state that they are *not effective until January 16, 2001*, approximately sixty days after the rules were published in the Federal Register. The Federal Ergonomics Program did not have the force of law prior to this effective date. Accordingly, there was no legally effective federal OSHA standard for North Carolina=s Department of Labor to adopt by reference until January 16, 2001.

Historically, the Department=s pattern and practice with regard to adoption of federal OSHA standards by reference, has been to wait until after the OSHA rule has taken legal effect before adopting the corresponding State rule. Since 1996 and until the purported adoption of the State Ergonomics Rule, the Department had not adopted by reference as a State rule any substantive OSHA rule before the OSHA standard was legally effective. In each of these other instances, the Department waited to adopt the new federal OSHA standard until it was legally effective, *i.e.*, more than sixty days after the federal rule was published in the Federal Register.

In order to continue operating and retain independent control of its occupational safety and health program in accordance with OSHA=s regulatory requirements, North Carolina must adopt a State standard that is as effective as the Federal Ergonomics Final Rule on or before May 14, 2001. The Department purported to adopt such a standard on November 14, 2000, the very day the Federal Ergonomics Standard was published in the Federal Register. However, this purported State Ergonomics Rule was void *ab initio* because it adopted by reference federal regulations that were not yet effective and had no legal force. As discussed above, the Department=s own past pattern and practice indicate that the Department must wait to adopt a federal OSHA standard until the federal rule has taken legal effect.

III. IT IS IN NORTH CAROLINA=S BEST INTERESTS FOR THE DEPARTMENT TO ENSURE THE VALIDITY AND ENFORCEABILITY OF THE STATE ERGONOMICS STANDARD

In its Request, NCCBI states that many of its member businesses have questioned the validity and enforceability of the State Ergonomics Rule, and that the Department may expect challenges to the State Ergonomics Rule because of the premature timing of its

1621

IN ADDITION

purported adoption. Uncertainty as to the validity and enforceability of the State Ergonomics Rule is contrary to the interests of (1) the persons purportedly regulated by it, (2) the people who are intended to benefit from the Rule, and (3) the Department. To avoid any such uncertainty, the Department hereby declares that the State Ergonomics Rule adopted on November 14, 2000 was void *ab initio* for all of the reasons set forth above.

Federal law requires the Department to adopt a State ergonomics standard that is as at least as effective as the Federal Ergonomics Program. Therefore, if the Federal Ergonomics Program promulgated on November 14, 2000 and effective January 16, 2001 remains in force and effect, the Department must adopt the federal program by reference on or before May 14, 2001, in order to comply with federal and state law. Because State regulations which adopt verbatim federal OSHA rules are excluded from the standard rule-making procedural requirements, the Department can readily promulgate a new State Ergonomics Rule properly prior to that deadline.

CONCLUSION

For all of the reasons set forth above, I hereby rule that North Carolina=s State Ergonomics Rule adopted on November 14, 2000 was void *ab initio* and therefore, was without legal force and effect from its inception.

Issued this the 6th day of March, 2001.

TITLE 02 – DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

Notice is hereby given in accordance with G.S. 150B-21.2 that the NC Pesticide Board intends to amend the rule cited as 02 NCAC 09L .1005. Notice of Rule-making Proceedings was published in the Register on January 2, 2001.

Proposed Effective Date: July 1, 2002

Instructions on How to Demand a Public Hearing: (must be requested in writing within 15 days of notice): Any person may request a public hearing on the proposed rule by submitting a request in writing no later than April 17, 2001, to James W. Burnette, Jr., Secretary, North Carolina Pesticide Board, c/o Food and Drug Protection Division, Pesticide Section, North Carolina Department of Agriculture and Consumer Services, P.O. TITLE 19A – DEPARTMENT OF TRANSPORTATION

Notice is hereby given in accordance with G.S. 150B-21.2 that the NC Department of Transportation – Division of Highways intends to amend the rule cited as 19A NCAC 02D .0607. Notice

of Rule-making Proceedings was published in the Register on January 16, 2001.

Proposed Effective Date: August 1, 2002

Public Hearing: Date: April 24, 2001 Time: 2:00 pm

Location: Transportation Building Auditorium, 1 South

Wilmington Street, Raleigh, NC

Reason for Proposed Action: G.S. 136-18(5) authorizes DOT to promulgate rules governing the safe movement of trucks, tractors, trailers and other heavy vehicles or machinery on highways. G.S. 20-115 sets forth weights and dimensions to move loads over the highways. G.S. 20-119 authorizes DOT to issue permits to move vehicles with excessive weight or dimensions. HB 1854, ratified in 2000, changed the statute. On August 7, 2000, DOT filed temporary rules to regulate oversize/overweight vehicles. The changes increased penalties for non-compliance and enforcement criteria. applications increased dramatically; the changes were effective October 1, 2000. The DOT Permit Unit issued permits far exceeding those prior to the statutory changes. Temporary rule 19A NCAC 02D .0642, effective October 19, 2000, expired December 31, 2000. An amended 19A NCAC 02D .0607 was filed as a temporary rule effective December 31, 2000 to allow the department to continue to issue blanket permits for oversize/overweight loads. The blanket permits allow the industry greater movement flexibility and decrease DOT paperwork considerably.

Comment Procedures: Any interested person may submit written comments on the proposed rule by mailing the comments to Emily Lee, NC DOT, 1501 Mail Service Center, Raleigh, NC 27699-1501 by May 2, 2001.

CHAPTER 02 – DIVISION OF HIGHWAYS

SUBCHAPTER 02D - HIGHWAY OPERATIONS

SECTION .0600 - OVERSIZE-OVERWEIGHT PERMITS

19A NCAC 02D .0607 PERMITS-WEIGHT, DIMENSIONS AND LIMITATIONS

(a) Vehicle/vehicle combinations with non-divisible overwidth loads are limited to a maximum width of 15 feet. After review of documentation of variances, the Central Permit Office or the State Maintenance and Equipment Engineer may authorize the issuance of a permit for movement of loads in excess of 15 feet wide in accordance with 19A NCAC 02D.0600 et seq. Exception: A mobile/modular unit with maximum measurements of 13' 6" high, 16' wide unit and a 3" gutter edge may be issued a single trip permit in agreement with permit

policy. If blades of construction equipment or front end loader buckets cannot be angled to extend no more than 14' across the roadway, they shall be removed. A blade, bucket or other attachment that is an original part of the equipment as manufactured which has been removed to reduce the width or height may be hauled with the equipment without being considered a divisible load except as provided in 19A NCAC 02D .0607. A 14' wide mobile/modular home unit with a roof overhang not to exceed a total of 12" may be transported with a bay window, room extension, or porch providing the protrusion does not extend beyond the maximum 12" of roof overhang or the total width of overhang on the appropriate side of the home. Reflective extenders of a design and color approved by the Department of Transportation equal to the width of the roof overhang or protrusion shall be attached to the front and rear of the home to clearly identify the total width of the unit while moving on North Carolina highways. mobile/modular home unit shall not be allowed any protrusions beyond the maximum 3" gutter edge. Authorization to move commodities wider than 15 feet in width may be denied if considered by the issuing agent to be unsafe to the traveling public or if the highway cannot accommodate the move due to width.

(b) A single trip permit may be issued vehicle specific not to exceed a width of 15 feet for all movements unless authorized by the Central Permit Office or the State Maintenance and Equipment Engineer. Exception: A mobile/modular unit with maximum measurements of 13' 6" high, 16' wide unit and a 3" gutter edge may be issued a single trip permit in agreement with permit policy. Permits for house moves may be issued as specified in G.S. 20-356 through G.S. 20-372.

(c) An annual permit shall be issued vehicle specific not to exceed a maximum width of 12' and a maximum height of 13' 6" for movement on all highways in North Carolina. An annual oversize/overweight permit may be issued valid for unlimited movement without the requirement of an escort vehicle on all North Carolina highways, where permitted by the posted road and bridge limits, for vehicle/vehicle combinations with a minimum extreme wheel base of 51 feet transporting general commodities and which does not exceed: a width of 12 feet; a height of 13 feet, 6 inches; an overall length of 75 feet; gross weight of 90,000 pounds; and axle weights of 12,000 pounds steer axle, 25,000 pounds single axle, 50,000 pounds tandem axle, and 60,000 pounds for a three or more axle grouping. An annual oversize/overweight permit may be issued valid for unlimited movement without the requirement of an escort on all North Carolina highways, where permitted by the posted road and bridge limits, for four or five axle self-propelled equipment or special mobile equipment capable of traveling at a highway speed of 45 miles per hour with a minimum wheel base of 30 feet and which does not exceed: a width of 10 feet; a height of 13 feet, 6 inches; an overall length of 45 feet with front and/or rear overhang not to exceed a total of 10 feet; gross weight of 90,000 pounds; and axle weights of 20,000 pounds single axle, 50,000 pounds tandem axle, and 60,000 pounds for a three or more axle grouping. An annual oversize/overweight permit may be issued valid for unlimited movement with the requirement of an escort vehicle on all North Carolina highways, where permitted by the posted bridge and load limits, for vehicles/vehicle combinations transporting farm equipment and

1626

which does not exceed: a width of 14 feet; a height of 13 feet, 6 inches; and a weight as set forth in G.S. 20-118(b)(3). Mobile/modular homes with a maximum height of 13' 6" being transported from the manufacturer to an authorized North Carolina mobile/modular home dealership are an exception and shall be permitted for a width not to exceed a 14' unit with an allowable roof overhang not to exceed a total of 12". These mobile/modular homes shall be authorized to travel on designated routes approved by the Department of Transportation considering construction work zones, highway lane widths, origin and destination or other factors to ensure safe movement. An annual permit may be co-issued to the North Carolina licensed mobile/modular home retail dealer and the transporter for delivery of mobile/modular homes not to exceed a maximum width of a 14' unit with a total roof overhang not to exceed 12"

and a height of 13' 6". The annual permit shall be valid for delivery of mobile/modular homes within a maximum 25-mile radius of the dealer location. Confirmation of destination for delivery is to be carried in the permitted towing unit readily available for law enforcement inspection.

(b)(d) The maximum weight permitted on a designated route is determined by the bridge capacity of bridges to be crossed during movement. Moves exceeding weight limits for highways or bridge structures may be denied if considered by the issuing agent to be unsafe and if they may cause damage to such highway or structure. A surety bond may be required as determined by the issuing agent to cover the cost of potential damage to pavement, bridges or other damages incurred during the permitted move.

The maximum single trip and annual permit weight allowed for a specific vehicle or vehicle combination not (1) including off highway construction equipment without an engineering study is:

Steer Axle 12,000 lbs. Single axle 25,000 lbs. 2 axle tandem 50.000 lbs. 3 or more axle group 60,000 lbs.

3 axle single vehicle 60,000 lbs. to 70,000 lbs. determined by extreme wheelbase measurement 4 axle single vehicle 75,000 lbs. to 90,000 lbs. determined by extreme wheelbase measurement

5 axle single vehicle 86,000 lbs. to 94,500 lbs.

5 axle vehicle combination minimum 51' extreme wheelbase 112,000 lbs.

6 axle single vehicle 100,000 lbs. to 108,000 lbs. determined by extreme wheelbase measurement

6 axle vehicle combination 120,000 lbs. minimum 51' extreme wheelbase' 105,000 to 122,000 lbs. minimum 35' extreme wheelbase 7 axle single vehicle

122,000 to 132,000 lbs. minimum 40' extreme wheelbase 7 axle vehicle combination

7 axle vehicle combination with a gross wt. exceeding 132,000 lbs. requires a Department of Transportation Engineering Study.

The maximum permit weight allowed for self propelled off highway construction equipment with low (2) pressure/flotation tires is:

Single axle 37,000 lbs. Tandem axle 50,000 lbs.

2 axle single vehicle 65,000 to 70,000 lbs, determined by extreme wheelbase measurement

3 axle single vehicle 75,000 to 80,000 lbs. determined by extreme wheelbase measurement

4 axle single vehicle 80,000 to 90,000 lbs. determined by extreme wheelbase measurement

A vehicle combination consisting of a power (3) unit and trailer hauling a sealed ship container may qualify for a specific route overweight permit not to exceed 94,500 lbs. provided the vehicle:

- (A) Is going to or from a designated seaport (to include in state and out of state) and has been or will be transported by marine shipment;
- (B) Is licensed for the maximum allowable weight for a 51' extreme wheelbase measurement specified in G.S. 20-118:
- (C) Does not maximum exceed dimensions of width, height and length specified in Chapter 20 of the Motor Vehicle Law;
- Is a vehicle combination with at least (D) five axles:
- Has proper documentation (shippers (E) bill of lading or trucking bill of lading) of sealed commodity being

transported available law enforcement officer inspection.

(e)(e) Overlength permits will be limited as follows:

- Single trip permits are limited to 105 feet (1) inclusive of the towing vehicle. Approval may be given by the Central Permit Office for permitted loads in excess of 105 feet after review of route of travel. Mobile/modular home units shall not exceed a length of 80 feet inclusive of a 4 foot trailer tongue. Total length inclusive of the towing vehicle is 105 feet.
- (2) Annual (blanket) permits will not be issued for lengths to exceed 75 feet. Mobile/modular home permits may be issued for a length not to exceed 105 feet.
- (3) Front overhang may not exceed the length of 3' specified in Chapter 20 unless if transported otherwise would create a safety hazard. If the front overhang exceeds 3', an overlength permit may be issued.

(d)(f) An Overheight Permit Application for heights in excess of 14' must be submitted in writing to the Central Permit Office at least two working days prior to the anticipated date of movement. A 16' wide mobile/modular unit with a maximum 3" gutter edge shall not exceed a height of 13' 6" while traveling on North Carolina highways. The issuance of the permit does not imply nor guarantee the clearance for the permitted load and all vertical clearances shall be checked by the permittee prior to movement underneath.

(e)(g) The move is to be made between sunrise and sunset Monday through Saturday with no move to be made on Sunday. Exception: A 16' wide mobile/modular home unit with a maximum three inch gutter edge is restricted to travel from 9:00 a.m. to 2:30 p.m. Monday through Thursday. Additional time restrictions may be set by the issuing office if it is in the best interest for safety or to expedite flow of traffic. No movement is permitted for a vehicle/vehicle combination after noon on the weekday preceding the six holidays of New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day and no movement is permitted until noon on the weekday following a holiday. If the observed holiday falls on the weekend, travel is restricted from 12:00 noon on the preceding Friday through 12:00 noon on the following Monday. Continuous travel (24 hr/7 day/365 days a year) is authorized for any vehicle/vehicle combination up to but not to exceed a permitted gross weight of 112,000 lbs. provided the permitted vehicle has no other over legal dimension of width, height or length included in the permitted move. Exception: self-propelled equipment may be authorized for continuous travel with properly marked overhang (front and/or rear) not to exceed a total of 10 feet. Permitted vehicles owned or leased by the same company or permitted vehicles originating at the same location shall travel at a distance of not less than two miles apart. Convoy travel is not authorized except as directed by authorized law enforcement escort.

(f)(h) The speed of permitted moves shall be that which is reasonable and prudent for the load, considering weight and bulk, under conditions existing at the time; however, the maximum speed shall not exceed the posted speed limit. A towing unit and mobile/modular home combination shall not exceed a maximum speed of 60 miles per hour. The driver of the permitted vehicle shall avoid creating traffic congestion by periodically relinquishing the traffic way to allow the passage of following vehicles when a build up of traffic occurs.

(g)(i) Additional safety measures are as follows:

(1) A yellow banner measuring a total length of 7' x 18" high bearing the legend "Oversize Load" in 10" black letters 1.5 inches wide shall be displayed in one or two pieces totaling the required length on the front and rear bumpers of a permitted vehicle/vehicle combination with a width of 10' or greater. A towing unit mobile/modular home combination shall display banners of the size specified bearing the legend "Oversize ft. Load" identifying the nominal width of the unit in transport. Escort vehicles shall display banners as previously specified with the exception of length to extend the entire width of the bumpers;

- (2) Red flags measuring 18" square shall be displayed on all sides at the widest point of load for all loads in excess of 8' 6" wide but the flags shall be so mounted as to not increase the overall width of the load;
- (3) All permitted vehicles/vehicle combinations shall be equipped with tires of the size specified and the_required number of axles equipped with operable brakes in good working condition as provided in North Carolina Statutes, Motor Carrier and Housing and Urban Development (HUD) regulations.
- (4) Rear view mirrors and other safety devices on towing units attached for movement of overwidth loads shall be removed or retracted to conform with legal width when unit is not towing/hauling such vehicle or load;
- (5) Flashing amber lights shall be used as determined by the issuing permit office.

(h)(j) The object to be transported shall not be loaded or parked, day or night, on the highway right of way without specific permission from the office issuing the permit after confirmation of an emergency condition.

(i)(k) No move shall be made when weather conditions render visibility less than 500 feet for a person or vehicle. Moves shall not be made when highway is covered with snow or ice or at any time travel conditions are considered unsafe by the Division of Highways, State Highway Patrol or other Law Enforcement Officers having jurisdiction. Movement of a mobile/modular unit exceeding a width of 10' shall be prohibited when wind velocities exceed 25 miles per hour in gusts.

(i)(1) All obstructions, including traffic signals, signs and utility lines shall be removed immediately prior to and replaced immediately after the move at the expense of the mover, provided arrangements for and approval from the owner is obtained. In no event are trees, shrubs, or official signs to be cut, trimmed or removed without personal approval from the Division of Highways District Engineer having jurisdiction over the area involved. In determining whether to grant approval, the district engineer shall consider the species, age and appearance of the tree or shrub in question and its contribution to the aesthetics of the immediate area.

(k)(m) The Department of Transportation may require escort vehicles accompany oversize or overweight loads. The Department of Transportation shall coordinate with the proper agencies to establish an escort driver training and certification program. Once the program is established, the driver of the escort vehicle is required to be certified according to State regulations. North Carolina may reciprocate with other states that have an accredited escort certification program. Certification credentials are required to be carried in the vehicle readily available for enforcement inspection. The weight, width of load, width of pavement, height, length of combination, length of overhang, maximum speed of vehicle, geographical route of travel, weather conditions and restricted time of travel shall will-be considered to determine escort requirements.

TITLE 16 - DEPARTMENT OF PUBLIC EDUCATION

Rule-making Agency: State Board of Education

Rule Citation: 16 NCAC 06G .0305

Effective Date: March 5, 2001

Findings Reviewed and Approved by: Beecher R. Gray

Authority for the rulemaking: G.S. 115C-12(9)c4

Reason for Proposed Action: The U.S. Dept. of Education, including the Office for Civil Rights, has indicated that the current State testing program does not comply with the requirements of federal laws such as Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, Title I of the Elementary and Secondary Education Act, and the Individuals with Disabilities Education Act. To comply, the State Board must require much broader participation of limited English proficient students and students with disabilities in the State testing program and accountability program. Our continued receipt of federal funding is contingent upon our making these changes.

Comment Procedures: Questions or written comments regarding this matter may be directed to Harry E. Wilson, Rulemaking Coordinator, 2086 Education Building, 301 N. Wilmington St., Raleigh, NC 27601-2825; telephone (919) 807-3406, fax (919) 807-3407.

- (c) Schools shall be accountable for student performance and achievement.
 - (1) To be included in accountability measures for the growth standard, a student in grade three through grade eight must:
 - (A) have a pre-test score and a post-test score in reading and mathematics.

- Students in grades four or seven with writing scores shall also be included; and
- (B) have been in membership more than one-half of the instructional period (91 of 180 days).
- (2) Students in grades 9.12 shall be included in the performance composite:
 - (A) if they have reading, mathematics, writing, Computer Skills, or EOC scores without reference to pretest scores or length of membership;
 - (B) if they have been in membership 160 of 180 days; and
 - (C) if they have scores for all tests used in the prediction formula.
- (d) The SBE shall include in the accountability system on the same basis as all other public schools each alternative school with an identification number assigned by the Department. Test scores for students who attend programs or classes in a facility that does not have a separate school number shall be reported to and included in the students' home schools.
- (e) Each K-8 school shall test at least 98 percent of its eligible students. If a school fails to test at least 98 percent of its eligible students for two consecutive school years, the SBE may designate the school as low-performing and may target the school for assistance and intervention. Each school shall make public the percent of eligible students that the school tests.
- (f) High schools shall test at least 95 percent of enrolled students who are subject to EOC tests and the NC Comprehensive Test, regardless of exclusions. High schools that test fewer than 95 percent of enrolled students for two consecutive years may be designated as low-performing by the SBE.
- (g) All students who are following the standard course of study and who are not eligible for exclusion as set out in paragraph (g) of this Rule shall take the SBE-adopted tests. Every student, including those students who are excluded from testing, shall complete or have completed an answer document (except in writing). Both the school and the LEA shall maintain records on the exclusions of students from testing. The Department may audit these records.
- (h) Individual students may be excluded from SBE-adopted tests as follows:
 - Limited English proficient students may be (1) excluded for up to two years one year beginning with the time of enrollment in the LEA if the student's English language proficiency has been assessed as novice/low to intermediate/low in listening, reading, and writing. A student whose English language proficiency has been assessed as intermediate/high or advanced may be excluded from tests in which the student writes responses for up to two years. Twelve months after a limited English proficient student has enrolled in the LEA, the student must be reassessed on the same language proficiency test that was used as a part of the identification of the student for inclusion in the limited

- English proficiency program in that LEA. student assessed as novice/low to intermediate/low after 12 months may be excluded for an additional 12 months. A student assessed as intermediate/high or above must participate in the state testing program. After two years from the time of initial enrollment in the LEA, all limited English proficiency students must participate in the state testing program. LEAs shall report results of the initial language proficiency test and the results on the same test 12 months after enrollment in the LEA to the Department. LEAs shall use other assessment methods for excluded students to demonstrate that these students are progressing in English and other subject areas.
- Students with disabilities may be excluded on (2) an individual basis if the exclusion is stated in the student's IEP and if the student is following a functional curriculum as defined by 16 NCAC 6D .0501(3). If a student with disabilities is excluded from participation in a statewide assessment in one subject but is included in testing for the remaining subjects, that student shall be included in the school's percent tested requirement. The parent or guardian, or the student if over age 18, shall sign a written consent for test exclusion that certifies that the parent, guardian, or student understands that the exclusion for the eighthgrade tests may cause the student not to beeligible to receive a high school diploma. All students with disabilities including those identified under Section 504 shall be included in the statewide testing program through the use of state tests with appropriate accommodations or through the use of other state assessments designed for these students. The student's IEP team shall determine whether a testing accommodation is appropriate for that student's disability or whether the student should be assessed using another state assessment designed for that student's disability.
- (i) LEAs shall administer alternative assessments to students who are excluded from participation in a regular statewide assessment to demonstrate mastery of course or specific curriculum content. Students in grades 3-8 and 10 with IEPs and serious cognitive deficits and whose program of study focuses on functional/life skills shall participate in the North Carolina Alternate Assessment Portfolio as an alternative.
- (j) The SBE shall calculate a school's expected growth/gain composite in student performance using the following process:
 - (1) Calculate the indices for writing in grades 4 and 7 (separately) for the three most current years for achievement levels as defined by 16 NCAC 6C .0103(a)(1) as follows:
 - (A) Multiply the percent of students at level IV by 3.

- (B) Multiply the percent of students at level III by 2.
- (C) Determine the percent of students at level II.
- (D) Add the three numbers together and divide by three.
- (E) Determine the difference in scores that is greatest by subtracting the index two years ago from the most recent index and then by subtracting the index for the prior school year from the most recent index. Multiply the resulting difference by one half.
- (F) Subtract 0.1 from the difference.
- (G) Divide by the associated standard deviation. The result is the standard gain for writing.
- (2) Review expected and exemplary growth standards for all grades and subjects, and review the predicted EOC mean for expected standard gain and the exemplary standard gain for EOC courses.
- (3) Determine the actual growth in reading and mathematics at each grade level included in the state testing program, using data on groups of students, and determine the actual EOC mean for EOC tests using data on the same groups of students from one point in time to another point in time.
- (4) Subtract the expected growth from the actual growth in reading and mathematics at grades 3 through 8 and grade 10; then subtract the predicted EOC mean from the actual EOC mean for EOC tests.
- (5) Divide the differences for reading, writing, and mathematics by the standard deviations of the respective differences in growth/gain at each grade level and for each EOC to determine the standard growth score.
- (6) The SBE shall calculate a school's gain composite in college prep/college tech prep using the following process:
 - (A) Compute the percent of graduates who receive diplomas who completed either course of study in the current accountability year. Students shall be counted only once if they complete more than one course of study.
 - (B) Find the baseline, which is the average of the two prior school years' percent of graduates who received diplomas and who completed a course of study.
 - (C) Subtract the baseline from the current year's percentage.
 - (D) Subtract 0.1, unless the percentages are both 100. If both percentages are 100, the gain is zero.
 - (E) Divide by the associated standard deviation. The result is the standard

- gain for college prep/college tech prep.
- (7) The SBE shall calculate a school's expected gain composite in the competency passing rate by comparing the grade 10 competency passing rate on a matched set of students to the grade 8 passing rate for the same group of students.
 - (A) Subtract the grade 8 rate from the grade 10 rate.
 - (B) Subtract 0.1.
 - (C) Divide by the standard deviation.

 The result is the standard gain in competency passing rate.
- (8) Determine the composite expected gain in English II for a high school as follows:
 - (A) Compute the English II index for the current year and for the two previous years by multiplying the percentage of students at level IV by 3, the percentage of students at level III by 2, and the percentage of students at level II by 1. Add the products and divide by 3 to obtain the EOC index.
 - (B) Compute the EOC indices for the same three years.
 - (C) Determine the baseline by adding Year One and Year Two and dividing by 2.
 - (D) Subtract the baseline from the current year's index.
 - (E) Subtract 0.1 from the difference.
 - (F) Divide the result by the associated standard deviation of change. This is the standard expected gain for English II.
- (9) The SBE shall calculate a school's expected growth/gain composite by adding multiplying the expected standard growth scores for reading and mathematics at each grade level from grade 3 to 8 and 10, EOC gain, writing at grades 4 and 7, gain in competency passing rate, gain in college prep/college tech prep, change in dropout rate, and English II gain, gain by the respective weight for each, as they may apply in a given school. These values shall be summed and divided by the sum of all the weights. If the resulting number is zero or above, the school has made the expected growth standard.
- (10) The SBE shall compute exemplary growth using the exemplary growth standard (b_o x 1.10) in the accountability formula for grades 3 through 8 and 8 to 10 in reading and mathematics, and (b_o x 1.051.03) for predicted EOC means. There is no exemplary standard for writing, competency passing rate, rate or college prep/college tech prep gain.
- (11) To determine the composite score for exemplary standards:

- (A) Subtract the exemplary growth/gain from the actual growth/gain standard in reading and mathematics at grades 3 through 8 and 10; subtract the predicted exemplary EOC mean from the actual EOC mean for each EOC test. In writing, one tenth (.1) must be subtracted from the greater of the two writing differences.
- (B) Divide the difference in growth/gain by the standard deviations of the respective differences in growth/gain to determine the standard growth/gain
- (C) Add Multiply the exemplary standard growth/gain scores for reading and mathematics at each grade level from grade 3 to 8 and 10, EOC gain, expected standard gain in writing at grades 4 and 7, Competency Passing Rate, Dropout Rate, and for College Prep/College Tech Prep, exemplary standard gain in English H. II by the respective weight for each, as they may apply in a given school. These values shall be summed and divided by the sum of all the weights. If the resulting number is zero or above, the school has met the exemplary growth standard.
- (k) If school officials believe that the school's growth standards were unreasonable due to specific, compelling reasons, the school may appeal its growth standards to the SBE. The SBE shall appoint an appeals committee composed of a panel selected from the compliance commission to review written appeals from The school officials must clearly document the circumstances that made the goals unrealistic and must submit its appeal to the SBE within 30 days of receipt of notice from the Department of the school's performance. The appeals committee shall review all appeals and shall make recommendations to the SBE. The SBE shall make the final decision on the reasonableness of the growth goals.

CHAPTER 36 – BOARD OF NURSING

Rule-making Agency: North Carolina Board of Nursing

Rule Citation: 21 NCAC 36.0217

Effective Date: March 5, 2001

Findings Reviewed and Approved by: Beecher R. Gray

Authority for the rulemaking: G.S. 14-208.5; 15A-1331A; 90-171.23(b)(3)(7); 90-171.37; 90-171.47; 90-401; 150B-3(c); 150B-11; 150B-14; 150B-38 through 150B-42

Reason for Proposed Action: We are moving into a severe shortage of licensed nurses (both Registered Nurses and Licensed Practical Nurses) in our state. The Board believes that we could better serve the public's health by allowing those nurses who are not being charged with egregious violations of the Nursing Practice Act to remain in licensed positions with appropriate restrictions to enhance their knowledge, skills or ability to provide safe nursing care. Many of the nurses who come through our disciplinary process could be maintained in licensed nurse positions while completing disciplinary sanctions such as remedial education, monitored practice, or other specified restrictions appropriate to the allegations in the case under these proposed changes. Offering a voluntary surrender without any other mechanism for remediation simply removes the nurse from the workforce and, we believe, is contrary to public interest at this time.

Comment Procedures: Written comments should be submitted to Jean H. Stanley, APA Coordinator, North Carolina Board of Nursing, PO Box 2129, Raleigh, NC 27602-2129.

 - (3) whether the sanction imposed by the other jurisdiction is lawful under North Carolina law.

This determination is delegated to the Chairman or Executive Director of the Board pursuant to G.S. 90-171.23(b)(3). Such a finding shall be incorporated with the order of the Board of Nursing and the order shall be effective on the date specified in the order or on service of the certified copy of the order at the last known address of the licensee, whichever is later, and continues to be effective during the proceedings. Failure to receive the order because of refusal of service or unknown address does not invalidate the order. Proceedings shall be commenced in a timely manner.
- (g) The Board, through its staff, shall issue a Letter of Charges only upon completion of an investigation, by authorized Board staff, of a written or verbal complaint and review with legal counsel or prosecuting attorney or Executive Director.
 - (1) Subsequent to an investigation and validation of a complaint, a Letter of Charges shall be sent on behalf of the Board of Nursing to the licensee who is the subject of the complaint.
 - (A) The Letter of Charges shall be served in accordance with G.S. 1A-1, Rule 4, Rules of Civil Procedure.
 - (B) The Letter of Charges serves as the Board's formal notification to the licensee that an allegation of possible violation(s) of the Nursing Practice Act has been initiated.
 - (C) The Letter of Charges does not in and of itself constitute a contested case.
 - (2) The Letter of Charges shall include the following:
 - (A) a short and plain statement of the factual allegations;
 - (B) a citation of the relevant sections of the statutes or rules involved:
 - (C) notification that a settlement conference shall be scheduled upon request;
 - (D) explanation of the procedure used to govern the settlement conference;
 - (E) notification that if a settlement conference is not requested, or if held, does not result in resolution of the case, an administrative hearing shall be scheduled; and
 - (F) if applicable, and in any sanction or remediation in accordance with Board-adopted policy, an offer of voluntary surrender or reprimand also policy may be included, included in specified types of alleged violations of the Nursing Practice Act.
 - (3) A case becomes a contested case after the licensee, person, or applicant disputes the allegations contained in the Letter of Charges, requests an administrative hearing, or refuses

to accept a settlement offer extended by the Board of Nursing.

- (h) No Board member shall discuss with any party the merits of any case pending before the Board of Nursing. Any Board member who has direct knowledge about a case prior to the commencement of the proceeding shall disqualify himself from any participation with the majority of the Board of Nursing hearing the case.
- (i) A settlement conference, if requested by the licensee, is held for the purpose of attempting to resolve a dispute through informal procedures prior to the commencement of formal administrative proceedings.
 - (1) The conference shall be held in the offices of the Board of Nursing, unless another site is designated by mutual agreement of all involved parties.
 - (2) All parties shall attend or be represented at the settlement conference. The parties shall be prepared to discuss the alleged violations and the incidents on which these are based.
 - (3) Prior to the commencement of the settlement conference, a form shall be signed by the licensee which invalidates all previous offers made to the licensee by the Board.
 - (4) At the conclusion of the day during which the settlement conference is held, a form shall be signed by all parties which indicates whether the settlement offer is accepted or rejected. Subsequent to this decision:
 - (A) if a settlement is reached, the Board of Nursing shall forward a written settlement agreement containing all conditions of the settlement to the other party(ies); or
 - (B) if a settlement cannot be reached, the case shall proceed to a formal administrative hearing.
- (j) Disposition may be made of any contested case or an issue in a contested case by stipulation, agreement, or consent order at any time prior to or during the hearing of a contested case.
- (k) The Board of Nursing shall give the parties in a contested case a Notice of Hearing not less than 15 calendar days before the hearing. The Notice shall be given in accordance with G.S. 1A-1, Rule 4, Rules of Civil Procedure. The notice shall include:
 - (1) Acknowledgment of service, or attempted service, of the Letter of Charges in compliance with Paragraph (f) of this Rule;
 - (2) Date, time, and place of the hearing;
 - (3) Notification of the right of a party to represent himself or to be represented by an attorney;
 - (4) A statement that, pursuant to Paragraph (m) of this Rule, subpoenas may be requested by the licensee to compel the attendance of witnesses or the production of documents;
 - (5) A statement advising the licensee that a notice of representation, containing the name of licensee's counsel, if any, should be filed with the Board of Nursing not less than 10 calendar days prior to the scheduled date of the hearing;

- (6) A statement advising the licensee that a list of all witnesses for the licensee should be filed with the Board of Nursing not less than 10 calendar days prior to the scheduled date of the hearing; and
- (7) A statement advising the licensee that failure to appear at the hearing may result in the allegations of the Letter of Charges being taken as true and that the Board may proceed on that assumption.
- (l) Pre-hearing conferences may be held to simplify the issues to be determined, to obtain stipulations in regards to testimony or exhibits, to obtain stipulations of agreement on nondisputed facts or the application of particular laws, to consider the proposed witnesses for each party, to identify and exchange documentary evidence intended to be introduced at the hearing, and to consider such other matters that may be necessary or advisable for the efficient and expeditious conduct of the hearing.
 - (1) The pre-hearing conference shall be conducted in the offices of the Board of Nursing, unless another site is designated by mutual agreement of all parties.
 - (2) The pre-hearing conference shall be an informal proceeding and shall be conducted by a Board-designated administrative law counsel.
 - (3) All agreements, stipulations, amendments, or other matters resulting from the pre-hearing conference shall be in writing, signed by all parties, and introduced into the record at the beginning of the formal administrative hearing.
- (m) Pre-hearing conferences or administrative hearings conducted before a majority of Board members shall be held in Wake County or, by mutual consent in another location when a majority of the Board has convened in that location for the purpose of conducting business. For those proceedings conducted by an Administrative Law Judge the venue shall be determined in accordance with G. S. 150B-38(e). All hearings conducted by the Board of Nursing shall be open to the public.
- (n) The Board of Nursing, through its Executive Director, may issue subpoenas for the Board or a licensee, in preparation for, or in the conduct of, a contested case.
 - (1) Subpoenas may be issued for the appearance of witnesses or the production of documents or information, either at the hearing or for the purposes of discovery.
 - (2) Requests by a licensee for subpoenas shall be made in writing to the Executive Director and shall include the following:
 - (A) the full name and home or business address of all persons to be subpoenaed; and
 - (B) the identification, with specificity, of any documents or information being sought.
 - (3) Subpoenas shall include the date, time, and place of the hearing and the name and address of the party requesting the subpoena. In the case of subpoenas for the purpose of

- discovery, the subpoena shall include the date, time, and place for responding to the subpoena.
- (4) Subpoenas shall be served as provided by the Rules of Civil Procedure, G.S. 1A-1. The cost of service, fees, and expenses of any witnesses or documents subpoenaed shall be paid by the party requesting the witnesses.
- (o) All motions related to a contested case, except motions for continuance and those made during the hearing, shall be in writing and submitted to the Board of Nursing at least 10 calendar days before the hearing. Pre-hearing motions shall be heard at a pre-hearing conference or at the contested case hearing prior to the commencement of testimony. The designated administrative law counsel shall hear the motions and the response from the non-moving party pursuant to Rule 6 of the General Rules of Practice for the Superior and District Courts and rule on such motions. If the pre-hearing motions are heard by an Administrative Law Judge from Office of Administrative Hearings the provisions of G.S. 150B-40(e) shall govern the proceedings.
- (p) Motions for a continuance of a hearing may be granted upon a showing of good cause. Motions for a continuance must be in writing and received in the office of the Board of Nursing no less than seven calendar days before the hearing date. In determining whether good cause exists, consideration will be given to the ability of the party requesting a continuance to proceed effectively without a continuance. A motion for a continuance filed less than seven calendar days from the date of the hearing shall be denied unless the reason for the motion could not have been ascertained earlier. Motions for continuance filed prior to the date of the hearing shall be ruled on by the Hearing Officer of the Board. All other motions for continuance shall be ruled on by the majority of the Board members or Administrative Law Judge sitting at hearing.
- (q) All hearings by the Board of Nursing shall be conducted by a majority of members of the Board of Nursing, except as provided in Subparagraph (1) of this Paragraph. The Board of Nursing shall designate one of its members to preside at the hearing. The Board of Nursing shall designate an administrative law counsel as procedural officer to conduct the proceedings of the hearing. The seated members of the Board of Nursing shall hear all evidence, make findings of fact and conclusions of law, and issue an order reflecting a majority decision of the Board.
 - (1) When a majority of the members of the Board of Nursing is unable or elects not to hear a contested case, the Board of Nursing shall request the designation of an administrative law judge from the Office of Administrative Hearings to preside at the hearing. The provisions of G.S. 150B, Article 3A and 21 NCAC 36 .0217 shall govern a contested case in which an administrative law judge is designated as the Hearing Officer.
 - (2) In the event that any party or attorney or other representative of a party engages in conduct which obstructs the proceedings or would constitute contempt if done in the General Court of Justice, the Board may apply to the applicable superior court for an order to show

cause why the person(s) should not be held in contempt of the Board and its processes.

- (3) During a hearing, if it appears in the interest of justice that further testimony should be received and sufficient time does not remain to conclude the testimony, the Board of Nursing may continue the hearing to a future date to allow for the additional testimony to be taken by deposition or to be presented orally. In such situations and to such extent as possible, the seated members of the Board of Nursing and the designated administrative law counsel shall receive the additional testimony. In the event that new members of the Board or a different administrative law counsel must participate, a copy of the transcript of the hearing shall be provided to them prior to the receipt of the additional testimony.
- (r) All parties have the right to present evidence, rebuttal testimony, and argument with respect to the issues of law, and to cross-examine witnesses. The North Carolina Rules of Evidence in G.S. 8C shall apply to contested case proceedings, except as provided otherwise in this Rule and G.S. 150B-41.
 - (1) Sworn affidavits may be introduced by mutual agreement from all parties.
 - (2) All oral testimony shall be under oath or affirmation and shall be recorded. Unless otherwise stipulated by all parties, witnesses are excluded from the hearing room until such time that they have completed their testimony and have been released.
- (s) Any form or Board-approved policy or procedure referenced in this Rule, or any rules applicable to a case, are available upon request from the Board of Nursing and shall be supplied at a reasonable cost.
