### TITLE 21 – OCCUPATIONAL LICENSING BOARDS AND COMMISSIONS

# CHAPTER 10 – BOARD OF CHIROPRACTIC EXAMINERS

*Notice* is hereby given in accordance with G.S. 150B-21.2 that the North Carolina State Board of Chiropractic Examiners intends to amend the rule cited as 21 NCAC 10.0203.

**Proposed Effective Date:** *February 1, 2009* 

Public Hearing: Date: November 6, 2008 Time: 10:00 a.m. Location: Board Office, 174 Church Street, Concord, NC 28025

**Reason for Proposed Action:** Under the existing rule, an applicant for North Carolina licensure who has been licensed in another state for several years may obtain a waiver of certain National Board examinations. The number of examinations that may be waived currently depends on the date of initial licensure. The proposed amendment would change the operative date for obtaining waivers from the date of initial licensure to the date of graduation from chiropractic college. In the judgment of the N.C. Board of Examiners, this change would make the waiver rule fairer by eliminating discrimination against chiropractors whose initial licensure was delayed by extenuating circumstances such as illness or military service.

**Procedure by which a person can object to the agency on a proposed rule:** Objections may be filled with the Secretary of the Board of Examiners whose address is P.O. Box 312, Concord, NC 28026

**Comments may be submitted to:** John A. Webster, D.C., Secretary of the Board, P.O. Box 312, Concord, NC 28026

Comment period ends: December 15, 2008

**Procedure for Subjecting a Proposed Rule to Legislative Review:** If an objection is not resolved prior to the adoption of the rule, a person may also submit written objections to the Rules Review Commission. If the Rules Review Commission receives written and signed objections in accordance with G.S. 150B-21.3(b2) from 10 or more persons clearly requesting review by the legislature and the Rules Review Commission approves the rule, the rule will become effective as provided in G.S. 150B-21.3(b1). The Commission will receive written objections until 5:00 p.m. on the day following the day the Commission approves the rule. The Commission will receive those objections by mail, delivery service, hand delivery, or facsimile transmission. (h) Review of Examination Results. An applicant who has been denied licensure because he failed the North Carolina examination may request a review of his answers provided his request is made in writing and received by the Secretary not later than 20 days after issuance of the examination results. Unless the applicant specifically requests to review his answers in person, the review shall be limited to a re-tabulation of the applicant's score to make certain no clerical errors were made in grading. If the applicant requests to review his answers in person, he shall be permitted to do so at the office of the Board in the presence of a representative of the Board and for a period of not more than 30 minutes. The applicant shall not be permitted to discuss his examination with any member of the Board, grader, or test administrator.

15A NCAC 03I .0101 - Marine Fisheries Commission. The Commission approved the rewritten rule submitted by the agency.

15A NCAC 03O .0201 - Marine Fisheries Commission. The Commission approved the rewritten rule submitted by the agency.

21 NCAC 30 .0201, .0516 - Board of Massage and Bodywork Therapy. The Commission approved the rewritten rules submitted by the agency.

IPC 302.1: NC Building Code Council – Detrimental or Dangerous Materials – No rewritten rule has been submitted and no action was taken.

# LOG OF FILINGS

Chairman Hayman presided over the review of the log of permanent rules.

All rules were approved unanimously with the following exceptions:

02 NCAC 52J .0401: Board of Agriculture – This rule was approved contingent on receipt of a technical change in line 13 changing "not" to "no". The change has been received.

02 NCAC 52J .0602: Board of Agriculture - The Commission extended the period of review to give the agency an opportunity to add language to the rule ensuring that the documents incorporated by reference in Rule .0401 also apply to this rule. Veronica Taylor, a Wake County resident, spoke in opposition to Rule .0602. Ray Starling and Lee Hunter spoke from the agency.

The Commission has received requests from more than 10 persons clearly requesting legislative review of all of the rules from the Board of Agriculture and they are therefore subject to a delayed effective date.

21 NCAC 36 .0318: Board of Nursing - The Commission objected to this Rule based on lack of statutory authority and ambiguity. It is not clear when certain nursing school faculty members must meet the requirements of (e)(3). It is also unclear whether the agency intends for the rule to apply to faculty members hired after July 1, 2006 and before the effective date of these amendments. Paragraphs (e)(3) and (4) became effective July 1, 2006. As they are currently written, the portion of the rule requiring compliance by December 31, 2010, applies to only those members who were faculty on the date the rule became effective. New faculty members would continue to have three years after they were hired to comply with the rule. The intent of (e)(3) and the proposed amendment to (e)(4) taken together appear to mean that all faculty members, even those employed less than three years, must complete the (e)(3) requirements by Dec. 31, 2010. That would also mean that the three years allowance in (e)(3) would not apply to faculty hired after December 31, 2007. All faculty would have to meet the requirements of (e)(3) by December 31, 2010, regardless of date of hire. But then the rule has a retroactive effect, at least as to any faculty hired after December 31, 2007 and before this rule becomes effective. It will shorten the three year period those hires had to comply with (e)(3). There is no authority cited to change the rule and apply it to faculty hired before the effective date of this rule.

# **TEMPORARY RULES**

23:08

Chairman Hayman presided over the review of the temporary rule. The rule was approved unanimously.

The meeting recessed for a short break at 11:00 a.m. and reconvened at 11:10 a.m.

# FOLLOW-UP MATTERS (cont.)

15A NCAC 02B .0262-.0273 – Environmental Management Commission. The Commission took the following action concerning each of these rules. Except where another or additional action is noted, the Commission extended the period of review on all aspects of these rules in order to further study the authority for these rules, especially the rules relating to the requirements to retrofit existing development to deal with stormwater and nutrient loading. There were also either no motions or no majorities to approve or object to the revised rules submitted for the September RRC review.

15A NCAC 02B .0262 – The Commission extended the period of review of this rule. Commissioner Gray voted against the motion. The agency also needs to make the technical change requested by staff in new item (3), page 2 line 10, by changing "first" to "second."

15A NCAC 02B .0263 – The Commission objected to this rule based on ambiguity or lack of authority. It is not clear that this rule in item (10) merely attempts to summarize current North Carolina law concerning vested rights and existing development or is attempting to redefine it. It is not consistent with current North Carolina law in that in the first line of (10)(a) it recognizes vested rights under N.C. zoning law but fails to recognize them under N.C. development law. To the extent this rule might be attempting to redefine North Carolina law in this regards, there is no authority to do so.

15A NCAC 02B .0264 – The Commission extended the period of review of this rule. The agency also needs to make the technical change requested by staff in (1) line 11 and remove "six to" as unnecessary and not a requirement. The agency also needs to determine whether it needs to add S.L. 2006-259 as statutory authority to the history note.

NORTH CAROLINA REGISTER	

15A NCAC 02B .0265 – The Commission objected to (3)(a)(iv), page 2 lines 27 – 31 of this rule, based on ambiguity. It is unclear how this "guidance," requiring certain methods of stormwater runoff treatment, is to be enforced. Since the agency has not incorporated this by reference, it appears that the agency has no authority to enforce it. If they have no enforcement authority it is unclear what the affect of such a requirement would be. The Commission also objected to (4)(a) especially lines 31 and 32 in that it is unclear whether the agency intends to restrict itself to only the "criteria described in Item (3) of this rule" or whether any other criteria, either in these rules, other rules or law, or even criteria not embodied in any other rule or law could also be included in the model program and ordinance. Rich Gannon, Kathryn Cooper, and Jane Oliver spoke in favor of this rule. Chuck Kitchen, Kenny McDowell, Charles Wilkins, and Lisa Martin spoke in opposition to this rule.

15A NCAC 02B .0266 – The Commission extended the period of review of this rule with Commissioners Gray and Crisp opposed to the motion. The agency also needs to comply with the technical change request pertaining to inserting in (4)(c), page 5 line 24, "and model ordinance" after "program." Rich Gannon, Kathryn Cooper, and Elaine Chiosso spoke in favor of this rule. Chuck Kitchen, Cady Thomas, Bill Lane, Lisa Martin, John Cox, and Kenny McDowell spoke in opposition to this rule.

15A NCAC 02B .0267 – The Commission extended the period of review of this rule.

15A NCAC 02B .0268 – The Commission extended the period of review of this rule. The agency also needs to make the technical change requested by staff in item (1) line 7 and change "purposes ... is" to "purposes ... are" or "purpose is." Commissioner McLawhorn specifically mentioned that he believed the agency's explanation concerning the application of mitigation burden and benefit satisfied him and he was satisfied there was no longer any problem with this rule as to that issue.

The meeting recessed for a short break at 1:46 p.m. and reconvened at 2:00 p.m.

15A NCAC 02B .0269 - The Commission extended the period of review of this rule.

15A NCAC 02B .0270 – The Commission objected to this rule based on ambiguity. It remains unclear what the intent of the agency is concerning modifications of NPDES permits, especially in item (6) (and wherever else there might be any mention of, reference to, or effect on an NPDES permit). There was no specific discussion concerning the other substantive objections made in July. Chuck Kitchen spoke in opposition to this rule.

15A NCAC 02B .0271 – The Commission extended the period of review of this rule.

15A NCAC 02B .0272 – The Commission extended the period of review of this rule. The agency still needs to make a technical change in (2)(d), page 1 line 6 and page 2 line 1 by changing "lands ... land" to either singular or plural, not each one.

15A NCAC 02B .0273 – The Commission extended the period of review of this rule.

# COMMISSION PROCEDURES AND OTHER BUSINESS

Respectfully Submitted, Dana Vojtko Publications Coordinator
