Amanda:

I write as legal counsel to the Board of Examiners and to follow-up our phone call in which we discussed your requested technical changes.

As discussed, we are working to incorporate the majority of your requested technical changes to the Rules submitted by the Board of Electrical Contractors.

By this email, we also request an extension from the January 16, 2020 meeting of the Rules Review Commission. I have a conflict on January 16, 2020 and would like to be present to answer any questions from the Commission. Accordingly, we respectfully request that the matter be placed on the agenda for the February 20, 2020 meeting.

Thank you for your time and input.
