**Subject:** Request for Extension

Hi Amber,

We are kindly requesting an extension for the period of review for the Marine Fisheries Commission rules in 15A NCAC 03 and 18A that were submitted for RRC review at its January meeting. This request, if granted, will allow additional time for staff to address the technical change requests.

Administratively, we request that all of the rules stay together and be added to the Feb. 17 RRC meeting agenda. Please let us know if you have any questions.

Thank you.
