Subject: RE: RRC Requests for Technical Changes - DHB Response 21A .0304

Good afternoon, Lawrence-

In preparing for RRC, we identified two "outline" mis-numbering items in the rule language we submitted. I have corrected them, and have attached a correct copy to this email. Is there somewhere else we need to send this document to ensure it appears correctly at RRC and in publication?

Thank you for any help or guidance,
Kim

Hi Lawrence:
Excellent. I would appreciate it if you could let me know if anyone asks to speak on the rule during the hearing.

Shazia,

Thank you for checking in on your rule. I did not have any additional questions or concerns going into Thursday's hearing and do not plan on objecting to the Rule as currently written.

Thanks,

Lawrence Duke

Hi Lawrence

Just checking in to see if you had any additional questions or concerns about the technical corrections ahead of Thursday's hearing. I would like to make an effort to resolve any issues in advance with the hope of securing counsel's recommendation that RRC approve.

Hi Lawrence:

Please find attached DHB's response to your request for technical changes to rule 10A NCAC 21A .0304 along with the corresponding Form 0400 and rule text. I am happy to address any subsequent feedback.

Subject: RRC Requests for Technical Changes

Good evening,

I'm the attorney who reviewed the Rules submitted by the Division of Health Benefits for the March 2022 RRC meeting. The RRC will formally review these Rules at its meeting on Thursday, March 17, 2022, at 9:00 a.m. The meeting will be a hybrid of in-person and WebEx attendance, and an evite should be sent to you as we get closer to the

meeting. If there are any other representatives from your agency who will want to attend virtually, let me know prior to the meeting, and we will get invites out to them as well.

Please submit the revised Rules and forms to me via email, no later than 5 p.m. on Friday, March 11, 2022.

In the meantime, please let me know if you have any questions or concerns about these changes.

Thanks,

Lawrence Duke
