Amanda,

I am confirming our request for an extension of the period of review for the Board of Examiners for Engineers and Surveyors Rules in Title 21 NCAC Chapter 56 *to adopt the rule cited as 21 NCAC 56 .0304 and amend the rules cited as 21 NCAC 56 .0303, .0501, .0503, .0601, .0603, .0804, .0902, .1301, .1302, .1403, .1603, .1604, and .1607.*

We need additional time, particularly in light of the pandemic, to adequately address the technical changes for these rules. We request that the rules be considered by the Rules Review Commission at its June meeting.

Thank you for your help and the consideration of this request by the Commission.

Sincerely,
David
